Protective Provisions, the Board of Directors is also authorized to increase or decrease the number of shares of any series, prior or subsequent to the issue of that series, but not below the number of shares of such series then outstanding. In case the number of shares of any series shall be so decreased, the shares constituting such decrease shall resume the status that they had prior to the adoption of the resolution originally fixing the number of shares of such series.

(c) **Definitions.** For purposes of this Article III, the following definitions shall apply:

(i) **"Conversion Price"** shall mean \$0.325 per share for the Series A Preferred Stock (subject to adjustment from time to time for Recapitalizations and as otherwise set forth elsewhere herein).

(vi) **"Merger or Consolidation"** shall mean the acquisition of the Company by another entity by means of any transaction or series of related transactions (including, without limitation, any stock acquisition, reorganization, merger or consolidation but excluding any sale of stock for capital raising purposes) other than a transaction or series of transactions in which the holders of the voting securities of the Company outstanding immediately prior to such transaction continue to retain (either by such voting securities remaining outstanding or by such voting securities being converted into voting securities of the surviving entity), as a result of shares in the Company held by such holders prior to such transaction, at least fifty percent (50%) of the total voting power represented by the voting securities of the Company or such surviving entity outstanding immediately after such transaction or series of transactions.

(vii) "*Options*" shall mean rights, options or warrants to subscribe for, purchase or otherwise acquire Common Stock or Convertible Securities.

(viii) "*Original Issue Date*" shall mean the date of the first issuance of any shares of Series A Preferred Stock.

(ix) "*Original Issue Price*" shall mean \$0.325 per share for the Series A Preferred Stock (subject to adjustment from time to time for any Recapitalization as set forth elsewhere herein).

(x) "*Preferred Stock*" shall mean the Series A Preferred Stock.

(xi) "*Qualified Public Offering*" shall mean a firmly underwritten public offering of the Company pursuant to an effective registration statement filed under the Securities Act covering the offer and sale of Common Stock for the account of the Company with aggregate offering proceeds to the Company of not less than \$20,000,000, provided that the offering price per share is not less than \$1.00 (as adjusted for Recapitalizations).

(xii) "*Recapitalization*" shall mean any stock dividend, stock split, combination of shares, reorganization, recapitalization, reclassification or other similar event.

(xiii) "*Securities Act*" shall mean the Securities Act of 1933, as amended.

3.2 Dividends.

(a) *Preferred Stock.* The holders of outstanding shares of Preferred Stock shall be entitled to receive dividends, when and as declared by the Board of Directors, out of any assets at the time legally available therefor, at the Dividend Rate specified for such shares of Preferred Stock payable in preference and priority to any declaration or payment of any Distribution on Common Stock of the Corporation. No Distributions shall be made with respect to the Common Stock until all declared dividends on the Preferred Stock have been paid or set aside for payment to the Preferred Stock holders. Payment of any dividends to the holders of the Preferred Stock shall be on a pro-rata, pari passu basis in proportion to the Dividend Rates for each series of Preferred Stock. The right to receive dividends on shares of Preferred Stock shall not be cumulative, and no right to such dividends shall accrue to holders of Preferred Stock by reason of the fact that dividends on said shares are not declared or paid in any year.

(b) *Additional Dividends.* After the payment or setting aside for payment of the dividends as described in Sections 3.2(a) any additional dividends (other than dividends payable solely in Common Stock) declared or paid in any fiscal year shall be declared or paid among the holders of the Preferred Stock and Common Stock then outstanding in proportion to the greatest whole number of shares of Common Stock which would be held by each such holder if all shares of Preferred Stock were converted at the then-effective Conversion Rate (as defined in Section 3.4 hereof).

(c) *Non-Cash Distributions.* Whenever a Distribution provided for in this Section 3.2 shall be payable in property other than cash, the value of such Distribution shall be

deemed to be the fair market value of such property as determined in good faith by the Board of Directors.

3.3 *Liquidation Rights.*

(a) *Liquidation Preference.* In the event of any liquidation, dissolution or winding up of the Company, either voluntary or involuntary, the holders of the Preferred Stock shall be entitled to receive, prior and in preference to any Distribution of any of the assets of the Company to the holders of the Common Stock by reason of their ownership of such stock, an amount per share for each share of Preferred Stock held by them equal to the sum of (i) the Liquidation Preference specified for such share of Preferred Stock and (ii) all declared but unpaid dividends (if any) on such share of Preferred Stock. If upon the liquidation, dissolution or winding up of the Company, the assets of the Company legally available for distribution to the holders of the Preferred Stock are insufficient to permit the payment to such holders of the full amounts specified in this Section 3.3(a), then the entire assets of the Company legally available for distribution shall be distributed with equal priority and pro rata among the holders of the Preferred Stock in proportion to the full amounts they would otherwise be entitled to receive pursuant to this Section 3.3(a).

(b) *Remaining Assets.* After the payment to the holders of Preferred Stock of the full preferential amounts specified above, the entire remaining assets of the Company legally available for distribution by the Company shall be distributed with equal priority and pro rata among the holders of Preferred Stock and Common Stock then outstanding in proportion to the greatest whole number of shares of Common Stock which would be held by each holder if all of the shares of Preferred Stock were converted at the then-effective Conversion Rate.

(c) *Reorganization.* For purposes of this Section 3.3, a liquidation, dissolution or winding up of the Company (a "*Liquidation Event*") shall be deemed to be occasioned by, or to include, (i) a Merger or Consolidation; (ii) a sale, lease or other conveyance of all or substantially all of the assets of the Company; or (iii) any liquidation, dissolution or winding up of the Company, whether voluntary or involuntary.

(d) *Valuation of Non-Cash Consideration.* If any assets of the Company distributed to shareholders in connection with any liquidation, dissolution, or winding up of the Company are other than cash, then the value of such assets shall be their fair market value as determined in good faith by the Board of Directors, *except that* any publicly-traded securities to be distributed to shareholders in a liquidation, dissolution, or winding up of the Company shall be valued as follows:

(i) If the securities are then traded on a national securities exchange or the Nasdaq Stock Market (or a similar national quotation system), then the value of the securities shall be deemed to be the average of the closing prices of the securities on such exchange or system over the 10 trading day period ending 5 trading days prior to the Distribution;

(ii) if the securities are actively traded over-the-counter, then the value of the securities shall be deemed to be the average of the closing bid prices of the securities over the 10 trading day period ending 5 trading days prior to the Distribution.

In the event of a merger or other acquisition of the Company by another entity, the Distribution date shall be deemed to be the date such transaction closes.

3.4 Conversion. The holders of the Preferred Stock shall have conversion rights as follows (the "*Conversion Rights*"):

(a) *Right to Convert.* Each share of Preferred Stock shall be convertible, at the option of the holder thereof, at any time after the date of issuance of such share at the office of the Company or any transfer agent for the Preferred Stock, into that number of fully-paid, nonassessable shares of Common Stock determined by dividing the Original Issue Price for the relevant series by the Conversion Price for such series. (The number of shares of Common Stock into which each share of Preferred Stock of a series may be converted is hereinafter referred to as the "*Conversion Rate*" for each such series.) Upon any decrease or increase in the Conversion Price for any series of Preferred Stock, as described in this Section 3.4, the Conversion Rate for such series shall be appropriately increased or decreased.

(b) *Automatic Conversion.* Each share of Preferred Stock shall automatically be converted into fully-paid, nonassessable shares of Common Stock at the then effective Conversion Rate for such share (i) immediately prior to the closing of Qualified Public Offering, or (ii) upon the receipt by the Company of a written request for such conversion from the holders of a majority of the Preferred Stock then outstanding, or, if later, the effective date for conversion specified in such requests (each of the events referred to in (i) and (ii) are referred to herein as an "*Automatic Conversion Event*").

(c) *Mechanics of Conversion.* No fractional shares of Common Stock shall be issued upon conversion of Preferred Stock. In lieu of any fractional shares to which the holder would otherwise be entitled, the Company shall pay cash equal to such fraction multiplied by the then fair market value of a share of Common Stock as determined in good faith by the Board of Directors. For such purpose, all shares of Preferred Stock held by each holder of Preferred Stock shall be aggregated, and any resulting fractional share of Common Stock shall be paid in cash. Before any holder of Preferred Stock shall be entitled to convert the same into full shares of Common Stock, and to receive certificates therefor, such holder shall surrender the certificate or certificates therefor, duly endorsed, at the office of the Company or of any transfer agent for the Preferred Stock, and shall give written notice to the Company at such office that such holder elects to convert the same; *provided, however*, that on the date of an Automatic Conversion Event, the outstanding shares of Preferred Stock shall be converted automatically, without any further action by the holders of such shares and whether or not the certificates representing such shares are surrendered to the Company or its transfer agent; *provided further, however*, that the Company shall not be obligated to issue certificates evidencing the shares of Common Stock issuable upon such Automatic Conversion Event unless either the certificates evidencing such shares of Preferred Stock are delivered to the Company or its transfer agent as provided above, or the holder notifies the Company or its transfer agent that such certificates have been lost, stolen or destroyed and executes an agreement satisfactory to the Company to indemnify the Company from any loss incurred by it in connection with such certificates. On the date of the occurrence of an Automatic Conversion Event, each holder of record of shares of Preferred Stock shall be deemed to be the holder of record of the Common Stock issuable upon such conversion, notwithstanding that the certificates representing

such shares of Preferred Stock shall not have been surrendered at the office of the Company, that notice from the Company shall not have been received by any holder of record of shares of Preferred Stock, or that the certificates evidencing such shares of Common Stock shall not then be actually delivered to such holder.

(d) *Adjustments to Conversion Price for Diluting Issues.*

(i) *Special Definition.* For purposes of this Section 3.4(d), "*Additional Shares of Common*" shall mean all shares of Common Stock issued (or, pursuant to Section 3.4(d)(iii), deemed to be issued) by the Company after the Original Issue Date *other than*:

- (1) shares of Common Stock issued or issuable upon conversion of shares of Preferred Stock;
- (2) shares of Common Stock issued or issuable to employees, consultants or directors for compensatory purposes and in accordance with stock plans approved by the Board of Directors, or upon exercise of options or warrants granted to such parties pursuant to any such plans;
- (3) shares of Common Stock issued upon the exercise, exchange, adjustment or conversion of Options or Convertible Securities outstanding as of the date of the filing of these Restated Articles;
- (4) shares of Common Stock issued or issuable as a dividend or distribution on Preferred Stock or pursuant to any event for which adjustment is made pursuant to Sections 3.4(e), (f) or (g) hereof;
- (5) shares of Common Stock issued in a Qualified Public Offering;
- (6) shares of Common Stock issued or issuable pursuant to the acquisition of another corporation by the Company by merger, purchase of substantially all of the assets or other reorganization;
- (7) shares of Common Stock issued or issuable to banks, equipment lessors or other financial institutions pursuant to a bona fide commercial leasing, real estate leasing or debt financing transaction approved by the Board of Directors of the Company;
- (8) shares of Common Stock issued or issuable in connection with sponsored research, collaboration, technology license, development, OEM, marketing or other similar agreements or strategic relationships approved by the Board of Directors of the Company;
- (9) shares of Common Stock issued or issuable to suppliers or third party service providers in connection with the provision of goods or services pursuant to a bona fide transaction approved by the Board of Directors of the Company; and
- (10) shares of Common Stock which the holders of a majority of the then outstanding Preferred Stock agree in writing shall not constitute Additional Shares of Common;

provided, however, that the shares of Common Stock excluded from the definition of Additional Shares of Common pursuant to subsections (2) or (6) through (9) above shall not be excluded from such definition to the extent that the aggregate number of such shares issued exceeds twenty-five percent (25%) of the total number of shares of Common Stock then outstanding (determined on a fully-diluted basis, as adjusted for Recapitalizations).

(ii) *No Adjustment of Conversion Price.* No adjustment in the Conversion Price of a particular series of Preferred Stock shall be made in respect of the issuance of Additional Shares of Common unless the consideration per share (as determined pursuant to Section 3.4(d)(v)) for an Additional Share of Common issued or deemed to be issued by the Company is less than the Conversion Price in effect on the date of, and immediately prior to such issue, for such series of Preferred Stock.

(iii) *Deemed Issue of Additional Shares of Common.* In the event the Company at any time or from time to time after the Original Issue Date shall issue any Options or Convertible Securities or shall fix a record date for the determination of holders of any class of securities entitled to receive any such Options or Convertible Securities, then the maximum number of shares (as set forth in the instrument relating thereto without regard to any provisions contained therein for a subsequent adjustment of such number) of Common Stock issuable upon the exercise of such Options or, in the case of Convertible Securities, the conversion or exchange of such Convertible Securities or, in the case of Options for Convertible Securities, the exercise of such Options and the conversion or exchange of the underlying securities, shall be deemed to have been issued as of the time of such issue or, in case such a record date shall have been fixed, as of the close of business on such record date, provided that in any such case in which shares are deemed to be issued:

(1) no further adjustment in the Conversion Price of the Preferred Stock shall be made upon the subsequent issue of Convertible Securities or shares of Common Stock in connection with the exercise of such Options or conversion or exchange of such Convertible Securities;

(2) if such Options or Convertible Securities by their terms provide, with the passage of time or otherwise, for any increase in the consideration payable to the Company, or decrease in the number of shares of Common Stock issuable, upon the exercise, conversion or exchange thereof, the Conversion Price of the Preferred Stock computed upon the original issue thereof (or upon the occurrence of a record date with respect thereto), and any subsequent adjustments based thereon, shall, upon any such increase or decrease becoming effective, be recomputed to reflect such increase or decrease insofar as it affects such Options or the rights of conversion or exchange under such Convertible Securities;

(3) no readjustment pursuant to clause (2) above shall have the effect of increasing the Conversion Price of the Preferred Stock to an amount which exceeds the lower of (i) the Conversion Price of the Preferred Stock on the original adjustment date, or (ii) the Conversion Price of the Preferred Stock that would have resulted from any issuance of Additional Shares of Common between the original adjustment date and such readjustment date;

(4) upon the expiration of any such Options or any rights of conversion or exchange under such Convertible Securities which shall not have been exercised, the Conversion Price computed upon the original issue thereof (or upon the occurrence of a record date with respect thereto) and any subsequent adjustments based thereon shall, upon such expiration, be recomputed as if:

a) in the case of Convertible Securities or Options for Common Stock, the only Additional Shares of Common issued were the shares of Common Stock, if any, actually issued upon the exercise of such Options or the conversion or exchange of such Convertible Securities and the consideration received therefor was the consideration actually received by the Company for the issue of such exercised Options plus the consideration actually received by the Company upon such exercise or for the issue of all such Convertible Securities which were actually converted or exchanged, plus the additional consideration, if any, actually received by the Company upon such conversion or exchange, and

b) in the case of Options for Convertible Securities, only the Convertible Securities, if any, actually issued upon the exercise thereof were issued at the time of issue of such Options, and the consideration received by the Company for the Additional Shares of Common deemed to have been then issued was the consideration actually received by the Company for the issue of such exercised Options, plus the consideration deemed to have been received by the Company (determined pursuant to Section 3.4(d)(v)) upon the issue of the Convertible Securities with respect to which such Options were actually exercised; and

(5) if such record date shall have been fixed and such Options or Convertible Securities are not issued on the date fixed therefor, the adjustment previously made in the Conversion Price which became effective on such record date shall be canceled as of the close of business on such record date, and thereafter the Conversion Price shall be adjusted pursuant to this Section 3.4(d)(iii) as of the actual date of their issuance.

(iv) *Adjustment of Conversion Price Upon Issuance of Additional Shares of Common.* In the event this Company shall issue Additional Shares of Common (including Additional Shares of Common deemed to be issued pursuant to Section 3.4(d)(iii)) without consideration or for a consideration per share less than the applicable Conversion Price of a series of Preferred Stock in effect on the date of and immediately prior to such issue, then, the Conversion Price of the affected series of Preferred Stock shall be reduced, concurrently with such issue, to a price (calculated to the nearest cent) determined by multiplying such Conversion Price by a fraction, the numerator of which shall be the number of shares of Common Stock outstanding immediately prior to such issue plus the number of shares which the aggregate consideration received by the Company for the total number of Additional Shares of Common so issued would purchase at such Conversion Price, and the denominator of which shall be the number of shares of Common Stock outstanding immediately prior to such issue plus the number of such Additional Shares of Common so issued. Notwithstanding the foregoing, the Conversion Price shall not be reduced at such time if the amount of such reduction would be less than \$0.01, but any such amount shall be carried forward, and a reduction will be made with respect to such amount at the time of, and together with, any subsequent reduction which, together with such amount and any other amounts so carried forward, equal \$0.01 or more in the aggregate. For the purposes of this Section 3.4(d)(iv), all shares

of Common Stock issuable upon exercise of outstanding Options or the conversion of outstanding Convertible Securities and shares of Preferred Stock, and all Additional Shares of Common deemed issued pursuant to Section 3.4(d)(iii) hereof, shall be deemed to be outstanding.

(v) *Determination of Consideration.* For purposes of this Section 3.4(d), the consideration received by the Company for the issue (or deemed issue) of any Additional Shares of Common shall be computed as follows:

(1) *Cash and Property.* Such consideration shall:

a) insofar as it consists of cash, be computed at the aggregate amount of cash received by the Company excluding amounts paid or payable for accrued interest or dividends;

b) insofar as it consists of property other than cash, be computed at the fair market value thereof at the time of such issue, as determined in good faith by the Board of Directors; and

c) in the event Additional Shares of Common are issued together with other shares or securities or other assets of the Company for consideration which covers both, be the proportion of such consideration so received, computed as provided in clauses (a) and (b) above, as reasonably determined in good faith by the Board of Directors.

(2) *Options and Convertible Securities.* The consideration per share received by the Company for Additional Shares of Common deemed to have been issued pursuant to Section 3.4(d)(iii) shall be determined by dividing

a) the total amount, if any, received or receivable by the Company as consideration for the issue of such Options or Convertible Securities, plus the minimum aggregate amount of additional consideration (as set forth in the instruments relating thereto, without regard to any provision contained therein for a subsequent adjustment of such consideration) payable to the Company upon the exercise of such Options or the conversion or exchange of such Convertible Securities, or in the case of Options for Convertible Securities, the exercise of such Options for Convertible Securities and the conversion or exchange of such Convertible Securities by

b) the maximum number of shares of Common Stock (as set forth in the instruments relating thereto, without regard to any provision contained therein for a subsequent adjustment of such number) issuable upon the exercise of such Options or the conversion or exchange of such Convertible Securities.

(e) *Adjustments for Subdivisions or Combinations of Common Stock.* In the event the outstanding shares of Common Stock shall be subdivided (by stock split, by payment of a stock dividend or otherwise), into a greater number of shares of Common Stock, the Conversion Price of each series of Preferred Stock in effect immediately prior to such subdivision shall, concurrently with the effectiveness of such subdivision, be proportionately decreased. In the event the outstanding shares of Common Stock shall be combined (by reclassification or otherwise) into a lesser number of shares of Common Stock, the Conversion Prices in effect immediately prior to such

combination shall, concurrently with the effectiveness of such combination, be proportionately increased.

(f) *Adjustments for Subdivisions or Combinations of Preferred Stock.* In the event the outstanding shares of Preferred Stock or a series of Preferred Stock shall be subdivided (by stock split, by payment of a stock dividend or otherwise), into a greater number of shares of Preferred Stock, the Dividend Rate, Original Issue Price and Liquidation Preference of the affected series of Preferred Stock in effect immediately prior to such subdivision shall, concurrently with the effectiveness of such subdivision, be proportionately decreased. In the event the outstanding shares of Preferred Stock or a series of Preferred Stock shall be combined (by reclassification or otherwise) into a lesser number of shares of Preferred Stock, the Dividend Rate, Original Issue Price and Liquidation Preference of the affected series of Preferred Stock in effect immediately prior to such combination shall, concurrently with the effectiveness of such combination, be proportionately increased.

(g) *Adjustments for Reclassification, Exchange and Substitution.* Subject to Section 3.3 above (the "*Liquidation Rights*"), if the Common Stock issuable upon conversion of the Preferred Stock shall be changed into the same or a different number of shares of any other class or classes of stock, whether by capital reorganization, reclassification or otherwise (other than a subdivision or combination of shares provided for above), then, in any such event, in lieu of the number of shares of Common Stock which the holders would otherwise have been entitled to receive, each holder of such Preferred Stock shall have the right thereafter to convert such shares of Preferred Stock into a number of shares of such other class or classes of stock which a holder of the number of shares of Common Stock deliverable upon conversion of such series of Preferred Stock immediately before that change would have been entitled to receive in such reorganization or reclassification, all subject to further adjustment as provided herein with respect to such other shares.

(h) *No Impairment.* The Company will not through any reorganization, transfer of assets, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder by the Company but will at all times in good faith assist in the carrying out of all the provisions of this Section 3.4 and in the taking of all such action as may be necessary or appropriate in order to protect the Conversion Rights of the holders of Preferred Stock against impairment. Notwithstanding the foregoing, nothing in this Section 3.4(h) shall prohibit the Company from amending its Articles of Incorporation with the requisite consent of its shareholders and the board of directors.

(i) *Certificate as to Adjustments.* Upon the occurrence of each adjustment or readjustment of the Conversion Price pursuant to this Section 3.4, the Company at its expense shall promptly compute such adjustment or readjustment in accordance with the terms hereof and furnish to each holder of Preferred Stock a certificate setting forth such adjustment or readjustment and showing in detail the facts upon which such adjustment or readjustment is based. The Company shall, upon the written request at any time of any holder of Preferred Stock, furnish or cause to be furnished to such holder a like certificate setting forth (i) such adjustments and readjustments, (ii) the Conversion Price at the time in effect and (iii) the number of shares of Common Stock and the amount, if any, of other property which at the time would be received upon the conversion of Preferred Stock.

(j) *Waiver of Adjustment of Conversion Price.* Notwithstanding anything herein to the contrary, any downward adjustment of the Conversion Price of any series of Preferred Stock may be waived, either prospectively or retroactively and either generally or in a particular instance, by the consent or vote of the holders of the majority of the outstanding shares of such series. Any such waiver shall bind all future holders of shares of such series of Preferred Stock.

(k) *Reservation of Stock Issuable Upon Conversion.* The Company shall at all times reserve and keep available out of its authorized but unissued shares of Common Stock solely for the purpose of effecting the conversion of the shares of the Preferred Stock, such number of its shares of Common Stock as shall from time to time be sufficient to effect the conversion of all then outstanding shares of the Preferred Stock; and if at any time the number of authorized but unissued shares of Common Stock shall not be sufficient to effect the conversion of all then outstanding shares of the Preferred Stock, the Company will take such corporate action as may, in the opinion of its counsel, be necessary to increase its authorized but unissued shares of Common Stock to such number of shares as shall be sufficient for such purpose.

3.5 *Voting.*

(a) *Restricted Class Voting.* Except as otherwise expressly provided herein or as required by law, the holders of Preferred Stock and the holders of Common Stock shall vote together and not as separate classes.

(b) *No Series Voting.* Other than as provided herein or required by law, there shall be no series voting.

(c) *Preferred Stock.* Each holder of Preferred Stock shall be entitled to the number of votes equal to the number of shares of Common Stock into which the shares of Preferred Stock held by such holder could be converted as of the record date. The holders of shares of the Preferred Stock shall be entitled to vote on all matters on which the Common Stock shall be entitled to vote. Holders of Preferred Stock shall be entitled to notice of any shareholders meeting in accordance with the Bylaws of the Company. Fractional votes shall not, however, be permitted and any fractional voting rights resulting from the above formula (after aggregating all shares into which shares of Preferred Stock held by each holder could be converted), shall be disregarded.

(d) *Election of Directors.* The number of directors of the Company shall be fixed from time to time according to the Company's Bylaws. Shareholders do not have the right to cumulate their votes for the election of directors and elections need not be by written ballot unless required by the Bylaws or applicable law.

(e) *Adjustment in Authorized Common Stock.* The number of authorized shares of Common Stock may be increased or decreased (but not below the number of shares of Common Stock then outstanding) by an affirmative vote of the holders of a majority of the stock of the Company.

(f) *Common Stock.* Each holder of shares of Common Stock shall be entitled to one vote for each share thereof held.

3.6 Protective Provisions. As long as any of the Preferred Stock shall be issued and outstanding, the Company shall not, without first obtaining the approval (by vote or written consent as provided by law) of the holders of a majority of the outstanding shares of the Preferred Stock:

- (a) authorize or issue any security with rights having preference superior to the Preferred Stock;
- (b) alter or change the rights, preferences and privileges of the Preferred Stock; or
- (c) sell all or substantially all of its properties or merge into or consolidate with any other corporation or entity in which more the 50% of the voting power of the Company is transferred.

ARTICLE IV

4.1 Limitation of Directors' Liability. To the fullest extent permitted by the General Corporation Law of Delaware as the same exists or may hereafter be amended, a director of the corporation shall not be personally liable to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director.

4.2 Indemnification. To the fullest extent permitted by applicable law, the corporation is authorized to provide indemnification of, and advancement of expenses to, directors, officers, employees, other agents of the corporation and any other persons to which the General Corporation Law of Delaware permits the corporation to provide indemnification.

4.3 Amendment or Repeal of Limitation. Any repeal or modification of this Article 4, by amendment of such section or by operation of law, shall not adversely affect any right or protection of a director, officer, employee or other agent of the corporation existing at the time of, or increase the liability of any such person with respect to any acts or omissions in their capacity as a director, officer, employee, or other agent of the corporation occurring prior to, such repeal or modification.
