B. The number of authorized shares of Common Stock may be increased or decreased (but not below the number of shares of Common Stock then outstanding) by the affirmative vote of the holders of a majority of the capital stock of the Company (voting together on an as-if-converted basis).

C. D. Upon the filing of this Third Amended and Restated Certificate of Incorporation, each issued and outstanding share of Series B Preferred Stock of the Company shall be reclassified into one (1) share of Series B-1 Preferred Stock promptly thereafter, and without any stockholder action. After such reclassification, the Company shall no longer be authorized to issue shares of Series B Preferred.

E. The rights, preferences, privileges, restrictions and other matters relating to the Series Preferred are as follows:

1. **DIVIDEND RIGHTS.**

(a) Holders of Series Preferred, in preference to the holders of Common Stock, shall be entitled to receive, when and as declared by the Board of Directors (the "Board"), but only out of funds that are legally available therefor, cash dividends at the rate of seven percent (7%) of the Original Issue Price (as defined below) per annum on each outstanding share of Series Preferred. Such dividends shall be payable only when, as and if declared by the Board and shall be non-cumulative. Notwithstanding the foregoing, the Series A-1 Preferred and the Series A-2 Preferred shall not be entitled to dividends.

(b) The "Original Issue Price" of the Series A-1 Preferred shall be eighty-six cents (\$0.86), the "Original Issue Price" of the Series A-2 Preferred shall be three dollars (\$3.00), the "Original Issue Price" of the Series B-1 Preferred shall be four dollars and twenty-five cents (\$4.25) and the "Original Issue Price" of the Series B-2 Preferred shall be four dollars and twenty-five cents (\$4.25) (each as adjusted for any stock dividends, combinations, splits, recapitalizations and the like with respect to such shares after the Original Issue Date (as hereinafter defined)).

(c) So long as any shares of Series Preferred are outstanding, the Company shall not pay or declare any dividend, whether in cash or property, or make any other distribution on the Common Stock, or purchase, redeem or otherwise acquire for value any shares of Common Stock until all dividends as set forth in Section 1(a) above on the Series Preferred shall have been paid or declared and set apart, except for:

(i) acquisitions of Common Stock by the Company pursuant to agreements with employees or consultants which permit the Company to repurchase such shares at the lesser of cost or fair market value upon termination of services by such employee or consultant to the Company or a Company subsidiary;

(ii) acquisitions of Common Stock by the Company pursuant to that certain letter agreement dated on or about the date hereof among the Company, Caxton Advantage Life Sciences Fund, L.P. and certain affiliates of HBM BioCapital, Ltd. (the "Letter Agreement"); or

(iii) acquisitions of Common Stock in exercise of the Company's right of first refusal to repurchase such shares.

(d) In the event dividends are paid on any share of Common Stock, the Company shall pay an additional dividend on all outstanding shares of Series Preferred in a per share amount equal (on an as-if-converted to Common Stock basis) to the amount paid or set aside for each share of Common Stock.

(e) The provisions of Sections 1(c) and 1(d) shall not apply to a dividend payable in Common Stock, or any repurchase of any outstanding securities of the Company that is approved by the Board and the holders of Series Preferred as may be required by this Certificate of Incorporation.

(f) The holders of the Series Preferred expressly waive their rights, if any, as described in California Code Sections 502, 503 and 506 as they relate to repurchases of shares of Common Stock upon termination of employment or service as a consultant or director.

2. VOTING RIGHTS.

(a) **General Rights.** Each holder of shares of the Series Preferred shall be entitled to the number of votes equal to the number of shares of Common Stock into which such shares of Series Preferred could be converted (pursuant to Section 5 hereof) immediately after the close of business on the record date fixed for such meeting or the effective date of such written consent and shall have voting rights and powers equal to the voting rights and powers of the Common Stock and shall be entitled to notice of any stockholders' meeting in accordance with the bylaws of the Company. (b) **Separate Vote of Series Preferred.** For so long as five hundred thousand (500,000) shares of Series Preferred (subject to adjustment for any stock split, reverse stock split or other similar event affecting the Series Preferred after the filing date hereof) remain outstanding, in addition to any other vote or consent required herein or by law, the vote or written consent of the holders of at least two-thirds of the outstanding Series Preferred, voting together as a single class, shall be necessary for effecting or validating the following actions (whether by merger, recapitalization, reorganization or otherwise):

(i) Any amendment, alteration, or repeal of any provision of the Certificate of Incorporation or the Bylaws of the Company (including any filing of a Certificate of Designation), that alters or changes the voting or other powers, preferences, or other special rights, privileges or restrictions of the Series Preferred;

(ii) Any Liquidation Event (as defined in Section 3(a) or bankruptcy);

(iii) Any material change in the nature of the Company's business, as determined in good faith by the Board including the directors elected by the holders of the (x) Series A-1 Preferred, (y) Series A-2 Preferred and Series B-1 Preferred and (z) Series B-2 Preferred (if any);

(iv) Any amendment to the Company's 2005 Equity Incentive Plan, as amended, or any other equity incentive, stock option or stock purchase plan of the Company, to modify the number of shares authorized for issuance thereunder;

(v) Any recapitalization or reclassification of the issued and outstanding capital stock of the Company;

(vi) Any authorization, designation or issuance, whether by reclassification or otherwise, of any new class or series of stock or any other securities convertible into equity securities of the Company ranking senior to or pari-passu with the Series A-2, Series B-1 Preferred or Series B-2 Preferred in right of redemption, liquidation preference, voting or dividend rights or any increase in the authorized or designated number of any such new class or series, other than the issuance of shares of Series B-2 Preferred pursuant to that certain Series B-2 Preferred Stock and Warrant Purchase Agreement among the Company and the other parties named therein dated on or about the date hereof, as the same may be amended or any provisions thereby waived from time to time (the "Stock and Warrant Purchase Agreement");

(vii) Any agreement by the Company or any subsidiary or their respective stockholders regarding an Asset Transfer, Acquisition (each as defined in Section 4(b)), or sale of material assets of the Company or any subsidiary, including the sale or exclusive license of any material intellectual property rights of the Company or any subsidiary;

(viii) Any transaction with an "affiliate" (as such term is defined in the rules promulgated under the Securities Act of 1933, as amended) or stockholder of the Company, other than transactions approved by the Board, including the majority of the directors elected by the holders of the (x) Series A-1 Preferred, (y) Series A-2 Preferred and Series B-1 Preferred and (z) Series B-2 Preferred;

(ix) Any increase or decrease in the size of the Board from the Original Issue Date;

(x) Any change in the Company's outside legal counsel or independent accounting firm; or

(c) Separate Vote of Separate Series of Preferred Stock.

(i) For so long as two hundred fifty thousand (250,000) shares of Series A-1 Preferred (subject to adjustment for any stock split, reverse stock split or other similar event affecting the Series Preferred after the filing date hereof) remain outstanding, in addition to any other vote or consent required herein or by law, the vote or written consent of the holders of at least a majority of the outstanding Series A-1 Preferred, voting as a separate class, shall be necessary for effecting or validating (whether by merger, recapitalization, reorganization or otherwise) any amendment, alteration, or repeal of any provision of the Certificate of Incorporation or the Bylaws of the Company (including any filing of a Certificate of Designation), that disproportionately effects an adverse change in the voting or other powers, preferences, or other rights, privileges or restrictions of the Series A-1 Preferred in relation to the other series of Preferred Stock.

(ii) For so long as two hundred fifty thousand (250,000) shares of Series A-2 Preferred (subject to adjustment for any stock split, reverse stock split or other similar event affecting the Series Preferred after the filing date hereof) remain outstanding, in addition to any other vote or consent required herein or by law, the vote or written consent of the holders of at least two-thirds of the outstanding Series A-2 Preferred, voting as a separate class, shall be necessary for effecting or validating (whether by merger, recapitalization, reorganization or otherwise) any amendment, alteration, or repeal of any provision of the Certificate of Incorporation or the Bylaws of the Company (including any filing of a Certificate of Designation), that disproportionately effects an adverse change in the voting or other powers, preferences, or other rights, privileges or restrictions of the Series A-2 Preferred in relation to the other series of Preferred Stock.

(iii) For so long as two hundred fifty thousand (250,000) shares of Series B-1 Preferred (subject to adjustment for any stock split, reverse stock split or other similar event affecting the Series Preferred after the filing date hereof) remain outstanding, in addition to any other vote or consent required herein or by law, the vote or written consent of the holders of at least two-thirds of the outstanding Series B-1 Preferred, voting as a separate class, shall be necessary for effecting or validating (whether by merger, recapitalization, reorganization or otherwise) any amendment, alteration, or repeal of any provision of the Certificate of Incorporation or the Bylaws of the Company (including any filing of a Certificate of Designation), that disproportionately and effects an adverse change in the voting or other powers, preferences, or other rights, privileges or restrictions of the Series B-1 Preferred in relation to the other series of Preferred Stock.

(iv) For so long as two hundred fifty thousand (250,000) shares of Series B-2 Preferred (subject to adjustment for any stock split, reverse stock split or other similar event affecting the Series Preferred after the filing date hereof) remain outstanding, in addition to any other vote or consent required herein or by law, the vote or written consent of the

holders of at least seventy three percent (73%) of the outstanding Series B-2 Preferred, voting as a separate class, shall be necessary for effecting or validating (whether by merger, recapitalization, reorganization or otherwise) any amendment, alteration, or repeal of any provision of the Certificate of Incorporation or the Bylaws of the Company (including any filing of a Certificate of Designation), that disproportionately and effects an adverse change in the voting or other powers, preferences, or other rights, privileges or restrictions of the Series B-2 Preferred in relation to the other series of Preferred Stock.

(v) In addition to (and not in lieu of) the separate vote of holders of Series B-2 Preferred set forth in Subsection E(2)(c)(iv) of this Article IV and subject to Subsection E(2)(c)(vi) below, for so long as two hundred fifty thousand (250,000) shares of Series B-2 Preferred (subject to adjustment for any stock split, reverse stock split or other similar event affecting the Series Preferred after the filing date hereof) remain outstanding, in addition to any other vote or consent required herein or by law, the vote or written consent of the holders of at least seventy three percent (73%) of the outstanding Series B-2 Preferred, voting as a separate class, shall be necessary for effecting or validating (whether by merger, recapitalization, reorganization or otherwise) any amendment, alteration, change or waiver of any provision of the Certificate of Incorporation or the Bylaws of the Company (including any filing of a Certificate of Designation) that sets forth the voting or other powers, preferences, or other rights or privileges of the Series B-2 Preferred (the "Series B-2 Protective Vote"), other than amendments, alterations, changes or waivers of any such provisions made in connection with (x) a financing transaction, (y) a strategic transaction (including, without limitation, transactions deemed to be a Liquidation Event for purposes of this Certificate), or (z) an initial public offering; in each case so long as such changes do not disproportionately and adversely change the voting or other powers, preferences or other rights, privileges or restrictions of the Series B-2 Preferred in relation to the other series Preferred Stock (each, a "Special Exception"). Notwithstanding the foregoing, no Special Exception shall apply to the Series B-2 Protective Vote in the event of an amendment, alteration, change or waiver of Subsection E(5)(h)(i)(A), Subsection E(2)(c)(vi) or this Subsection E(2)(c)(v) of this Article IV.

(vi) Notwithstanding the foregoing, the requirement set forth above in Subsection E(2)(c)(v) of this Article IV that holders of at least seventy three percent (73%) of the outstanding Series B-2 Preferred, voting as a separate class, shall be necessary for effecting or validating (whether by merger, recapitalization, reorganization or otherwise) any amendment, alteration, change or waiver of Subsection E(5)(h)(i)(A) of this Article IV, Subsection E(2)(c)(v) of this Article IV may be waived and permanently removed from the Certificate of Incorporation upon the vote or written consent of holders of at least two-thirds of the Series B-1 Preferred, voting as a separate class.

(d) Election of Board of Directors.

(i) For so long as at least two hundred fifty thousand (250,000) shares of Series A-1 Preferred remain outstanding (subject to adjustment for any stock split, reverse stock split or similar event affecting the Series Preferred after the filing date hereof) the holders of Series A-1 Preferred, voting as a separate class, shall be entitled to elect one (1) member of the Board at each meeting or pursuant to each consent of the Company's stockholders for the election of directors, and to remove from office such directors and to fill any vacancy

caused by the resignation, death or removal of such directors. For so long as at least two hundred fifty thousand (250,000) shares of Series A-2 Preferred or five hundred thousand (500,000) shares of Series B-1 Preferred remain outstanding (subject to adjustment for any stock split, reverse stock split or similar event affecting the Series Preferred after the filing date hereof) the holders of Series A-2 Preferred and Series B-1 Preferred, voting together as a single class, shall be entitled to elect two (2) members of the Board at each meeting or pursuant to each consent of the Company's stockholders for the election of directors, and to remove from office such directors and to fill any vacancy caused by the resignation, death or removal of such directors. For so long as at least five hundred thousand (500,000) shares of Series B-2 Preferred remain outstanding (subject to adjustment for any stock split, reverse stock split or similar event affecting the Series Preferred after the filing date hereof) the holders of Series B-2 Preferred, shall be entitled to elect one (1) member of the Board at each meeting or pursuant to each consent of the Company's stockholders for the election of directors, and to remove from office such directors and to fill any vacancy caused by the resignation, death or removal of such directors.

(ii) The holders of Common Stock, voting as a separate class, shall be entitled to elect one (1) member of the Board at each meeting or pursuant to each consent of the Company's stockholders for the election of directors, and to remove from office such directors and to fill any vacancy caused by the resignation, death or removal of such directors.

(iii) The holders of Common Stock and Series Preferred, voting together as a single class on an as-if-converted basis, shall be entitled to elect all remaining members of the Board at each meeting or pursuant to each consent of the Company's stockholders for the election of directors, and to remove from office such directors and to fill any vacancy caused by the resignation, death or removal of such directors.

(iv) No person entitled to vote at an election for directors may cumulate votes to which such person is entitled, unless, at the time of such election, the Company is subject to Section 2115 of the California General Corporation Law ("CGCL"). During such time or times that the Company is subject to Section 2115(b) of the CGCL, every stockholder entitled to vote at an election for directors may cumulate such stockholder's votes and give one candidate a number of votes equal to the number of directors to be elected multiplied by the number of votes to which such stockholder's shares are otherwise entitled, or distribute the stockholder's votes on the same principle among as many candidates as such stockholder desires. No stockholder, however, shall be entitled to so cumulate such stockholder's votes unless (i) the names of such candidate or candidates have been placed in nomination prior to the voting and (ii) the stockholder has given notice at the meeting, prior to the voting, of such stockholder's intention to cumulate such stockholder's votes. If any stockholder has given proper notice to cumulate votes, all stockholders may cumulate their votes for any candidates who have been properly placed in nomination. Under cumulative voting, the candidates receiving the highest number of votes, up to the number of directors to be elected, are elected.

(v) During such time or times that the Company is subject to Section 2115(b) of the CGCL, one or more directors may be removed from office at any time

without cause by the affirmative vote of the holders of at least a majority of the outstanding shares entitled to vote for that director as provided above; *provided, however*, that unless the entire Board is removed, no individual director may be removed when the votes cast against such director's removal, or not consenting in writing to such removal, would be sufficient to elect that director if voted cumulatively at an election which the same total number of votes were cast (or, if such action is taken by written consent, all shares entitled to vote were voted) and the entire number of directors authorized at the time of such director's most recent election were then being elected.

3. LIQUIDATION RIGHTS.

(a) Upon any liquidation, dissolution, or winding up of the Company, whether voluntary or involuntary (a "Liquidation Event"), before any distribution or payment shall be made to the holders of any Common Stock, the holders of Series Preferred shall be entitled to be paid, with equal priority and pro rata, out of the assets of the Company legally available for distribution, or the consideration received in such transaction, for each share of Series Preferred held by them, an amount per share of Series Preferred equal to the Original Issue Price, plus all declared and unpaid dividends on such Series Preferred (as adjusted for any stock dividends, combinations, splits, recapitalizations and the like with respect to such shares after the filing date hereof). If, upon any such liquidation, dissolution, or winding up, the assets of the Company (or the consideration received in such transaction) shall be insufficient to make payment in full to all holders of Series Preferred of the liquidation preference set forth in this Section 3(a), then such assets (or consideration) shall be distributed among the holders of Series Preferred at the time outstanding, ratably in proportion to the full amounts to which they would otherwise be respectively entitled.

(b) After the payment of the full liquidation preference of the Series Preferred as set forth in Section 3(a) above, the assets of the Company legally available for distribution (or the consideration received by the Company or its stockholders in the Acquisition or Asset Transfer), if any, shall be distributed ratably to the holders of the Common Stock, the Series A-2 Preferred, Series B-1 Preferred and Series B-2 Preferred, on as as-converted to Common Stock basis, until such time as such holders of Series A-2 Preferred, Series B-1 Preferred and Series B-2 Preferred have received a distribution per share, together with any distribution received by the holders of Series A-2 Preferred, Series B-1 Preferred and Series B-2 Preferred, respectively, pursuant to Section 3(a) above, equal to the product obtained by multiplying three and one half (3.5) by the Original Issue Price of such share.

(c) After the payment of the full liquidation preference of the Series Preferred as set forth in Sections 3(a) and 3(b) above, the remaining assets of the Company legally available for distribution (or the consideration received by the Company or its stockholders in the Acquisition or Asset Transfer), if any, shall be distributed ratably to the holders of the Common Stock.

(d) Notwithstanding paragraphs 3(a), 3(b) and 3(c) immediately above, solely for purposes of determining the amount each holder of shares of Series Preferred is entitled to receive with respect to a Liquidation Event (including any aggregate contingent or earn-out payments paid to the holders of Series Preferred after the closing of the Liquidation

Event), each series of Series Preferred shall be treated as if all holders of such series had converted such holder's shares of such series into shares of Common Stock immediately prior to the Liquidation Event if, as a result of a conversion of any series of Series Preferred (including taking into account the operation of this paragraph (d) with respect to all series of Series Preferred), holders of such series would receive (with respect to such series), in the aggregate, an amount greater than the amount that would be distributed to holders of such series if such holders had not converted such series of Series Preferred into shares of Common Stock. If holders of any series are treated as if they had converted shares of Series Preferred into Common Stock pursuant to this paragraph, then such holders shall not be entitled to receive any distribution pursuant to Sections 3(a), 3(b) and 3(c) that would otherwise be made to holders of such series of Series Preferred.

4. ASSET TRANSFER OR ACQUISITION RIGHTS.

(a) In the event that the Company is a party to an Acquisition or Asset Transfer, then each holder of Series Preferred shall be entitled to receive, for each share of Series Preferred then held, out of the proceeds of such Acquisition or Asset Transfer (including proceeds paid to the stockholders after the closing (such as earnout payments, escrow amounts and other contingent payments)), the amount of cash, securities or other property to which such holder would be entitled to receive in a Liquidation Event pursuant to Sections 3(a), 3(b) and 3(d) immediately above.

(b) For the purposes of this Section 4: (i) "Acquisition" shall mean any consolidation or merger of the Company with or into any other corporation or other entity or person, or any other corporate reorganization, in which the stockholders of the Company immediately prior to such consolidation, merger or reorganization, own less than fifty percent (50%) of the voting power of the surviving entity immediately after such consolidation, merger or reorganization; or (B) any transaction or series of related transactions to which the Company is a party in which in excess of fifty percent (50%) of the Company's voting power is transferred; provided that an Acquisition shall not include (x) any consolidation or merger effected exclusively to change the domicile of the Company, or (y) any transaction or series of transactions principally for bona fide equity financing purposes in which cash is received by the Company or any successor or indebtedness of the Company is cancelled or converted or a combination thereof; and (ii) "Asset Transfer" shall mean a sale, lease, exclusive license or other disposition of all or substantially all of the assets of the Company.

(c) In any Acquisition, Asset Transfer or Liquidation Event, if the consideration to be received is securities of a corporation or other property other than cash, its value will be deemed its fair market value as determined in good faith by the Board on the date such determination is made, including a majority of the directors elected by holders of the (x) Series A-1 Preferred, (y) Series A-2 Preferred and Series B-1 Preferred and (z) Series B-2 Preferred.

5. CONVERSION RIGHTS.

The holders of the Series Preferred shall have the following rights with respect to the conversion of the Series Preferred into shares of Common Stock (the "Conversion Rights"):

(a) **Optional Conversion.** Subject to and in compliance with the provisions of this Section 5, any shares of Series Preferred may, at the option of the holder, be converted at any time into fully-paid and nonassessable shares of Common Stock. The number of shares of Common Stock to which a holder of Series Preferred shall be entitled upon conversion shall be the product obtained by multiplying the applicable "Series Preferred Conversion Rate" then in effect (determined as provided in Section 5(b)) by the number of shares of Series Preferred being converted.

(b) **Series Preferred Conversion Rate.** The conversion rate in effect at any time for conversion of each series of Series Preferred (the "Series Preferred Conversion Rate") shall be the quotient obtained by dividing the Original Issue Price of the Series Preferred with respect to such series by the applicable "Series Preferred Conversion Price," calculated as provided in Section 5(c).

(c) **Series Preferred Conversion Price.** The conversion price for the Series Preferred shall initially be the Original Issue Price of such Series Preferred (the "Series Preferred Conversion Price"). Each such initial Series Preferred Conversion Price shall be adjusted from time to time in accordance with this Section 5. All references to any Series Preferred Conversion Price herein shall mean the applicable Series Preferred Conversion Price as so adjusted.

(d) **Mechanics of Conversion.** Each holder of Series Preferred who desires to convert the same into shares of Common Stock pursuant to this Section 5 shall surrender the certificate or certificates therefor, duly endorsed, at the office of the Company or any transfer agent for the Series Preferred, and shall give written notice to the Company at such office that such holder elects to convert the same. Such notice shall state the number of shares and series of Series Preferred being converted. Thereupon, the Company shall promptly issue and deliver at such office to such holder a certificate or certificates for the number of shares of Common Stock to which such holder is entitled and shall promptly pay (i) in cash or, to the extent sufficient funds are not then legally available therefor, in Common Stock (at the Common Stock's fair market value determined by the Board as of the date of such conversion, including a majority of the directors elected by holders of the (x) Series A-1 Preferred, (y) Series A-2 Preferred and Series B-1 Preferred and (z) Series B-2 Preferred), any declared and unpaid dividends on the shares of Series Preferred being converted and (ii) in cash (at the Common Stock's fair market value determined by the Board as of the date of conversion, including a majority of the directors elected by holders the (x) Series A-1 Preferred, (y) Series A-2 Preferred and Series B-1 Preferred and (z) Series B-2 Preferred) the value of any fractional share of Common Stock otherwise issuable to any holder of Series Preferred. Such conversion shall be deemed to have been made at the close of business on the date of such surrender of the certificates representing the shares of Series Preferred to be converted, and the person entitled to receive the shares of Common Stock issuable upon such conversion shall be treated for all purposes as the record holder of such shares of Common Stock on such date.

(e) **Adjustment for Stock Splits and Combinations.** If at any time or from time to time after the date that the first share of Series Preferred is issued (the "Original Issue Date") the Company effects a subdivision of the outstanding Common Stock without a corresponding subdivision of the Preferred Stock, the Series Preferred Conversion Price in effect with respect to such series immediately before that subdivision shall be proportionately decreased. Conversely, if at any time or from time to time after the Original Issue Date the Company combines the outstanding shares of Common Stock into a smaller number of shares without a corresponding combination of the Preferred Stock, the Series Preferred Conversion Price in effect immediately before the combination shall be proportionately increased. Any adjustment under this Section 5(e) shall become effective at the close of business on the date the subdivision or combination becomes effective.

(f) **Adjustment for Common Stock Dividends and Distributions.** If at any time or from time to time after the Original Issue Date the Company pays to holders of Common Stock a dividend or other distribution in additional shares of Common Stock without a corresponding dividend or other distribution to holders of any series of Preferred Stock, the Series Preferred Conversion Price that is then in effect with respect to such series shall be decreased as of the time of such issuance, as provided below:

(i) The Series Preferred Conversion Price shall be adjusted by multiplying the Series Preferred Conversion Price then in effect by a fraction equal to:

(A) the numerator of which is the total number of shares of Common Stock issued and outstanding immediately prior to the time of such issuance, and

(B) the denominator of which is the total number of shares of Common Stock issued and outstanding immediately prior to the time of such issuance plus the number of shares of Common Stock issuable in payment of such dividend or distribution;

(ii) If the Company fixes a record date to determine which holders of Common Stock are entitled to receive such dividend or other distribution, the Series Preferred Conversion Price shall be fixed as of the close of business on such record date and the number of shares of Common Stock shall be calculated immediately prior to the close of business on such record date; and

(iii) If such record date is fixed and such dividend is not fully paid or if such distribution is not fully made on the date fixed therefor, the Series Preferred Conversion Price shall be recomputed accordingly as of the close of business on such record date and thereafter the Series Preferred Conversion Price shall be adjusted pursuant to this Section 5(f) to reflect the actual payment of such dividend or distribution.

(g) **Adjustment for Reclassification, Exchange, Substitution, Reorganization, Merger or Consolidation.** If at any time or from time to time after the Original Issue Date, the Common Stock issuable upon the conversion of the Series Preferred is changed into the same or a different number of shares of any class or classes of stock, whether by recapitalization, reclassification, merger, consolidation or otherwise (other than an

Acquisition or Asset Transfer as defined in Section 4 or a subdivision or combination of shares or stock dividend or a reorganization, merger, consolidation or sale of assets provided for elsewhere in this Section 5), in any such event each holder of Series Preferred shall then have the right to convert such stock into the kind and amount of stock and other securities and property receivable upon such recapitalization, reclassification, merger, consolidation or other change by holders of the maximum number of shares of Common Stock into which such shares of Series Preferred could have been converted immediately prior to such recapitalization, reclassification, merger, consolidation or change, all subject to further adjustment as provided herein or with respect to such other securities or property by the terms thereof. In any such case, appropriate adjustment shall be made in the application of the provisions of this Section 5 with respect to the rights of the holders of Series Preferred after the capital reorganization to the end that the provisions of this Section 5 (including adjustment of the applicable Series Preferred Conversion Price then in effect and the number of shares issuable upon conversion of the Series Preferred) shall be applicable after that event and be as nearly equivalent as practicable.

(h) Sale of Shares Below Series Preferred Conversion Price.

(i) Subject to Section 5(h)(ii) below, if at any time or from time to time after the Original Issue Date, the Company issues or sells, or is deemed by the express provisions of this Section 5(h) to have issued or sold, Additional Shares of Common Stock (as defined below), other than as provided in Section 5(f) or 5(g) above, for an Effective Price (as defined below) less than the then effective Series Preferred Conversion Price of any single, several or all series of the Series Preferred (a "Qualifying Dilutive Issuance"), then and in each such case, the then-existing applicable Series Preferred Conversion Price for such so-affected single, several or all series of the Series Preferred shall be reduced, as of the opening of business on the date of such issue or sale to:

(A) in the case of the Series B-2 Preferred prior to an amendment or waiver of this Subsection E(5) of this Article IV effected pursuant to Subsection E(2)(c)(v) of this Article IV, a price equal to the lowest price at which any of the Additional Shares of Common Stock are issued; and

(B) in the case of the Series A-1 Preferred, Series A-2 Preferred, Series B-1 Preferred and, subsequent to an amendment or waiver of this Subsection E(5) of this Article IV effected pursuant to Subsection E(2)(c)(v) of this Article IV, the Series B-2 Preferred, a price determined by multiplying the applicable Series Preferred Conversion Price in effect immediately prior to such issuance or sale by a fraction equal to:

(1) the numerator of which shall be (A) the number of shares of Common Stock deemed outstanding (as determined below) immediately prior to such issue or sale, plus (B) the number of shares of Common Stock which the Aggregate Consideration (as defined below) received or deemed received by the Company for the total number of Additional Shares of Common Stock so issued would purchase at such then-existing Series Preferred Conversion Price, and

(2) the denominator of which shall be the number of shares of Common Stock deemed outstanding (as determined below) immediately prior to such issue or sale plus the total number of Additional Shares of Common Stock so issued.

For the purposes of the preceding sentence, the number of shares of Common Stock deemed to be outstanding as of a given date shall be the sum of (A) the number of shares of Common Stock outstanding, (B) the number of shares of Common Stock into which the then outstanding shares of Series Preferred could be converted if fully converted on the day immediately preceding the given date, and (C) the number of shares of Common Stock which are issuable upon the exercise or conversion of all other rights, options and convertible securities outstanding on the day immediately preceding the given date.

(ii) No adjustment shall be made to the Series Preferred Conversion Price in an amount less than one cent per share. Any adjustment otherwise required by this Section 5(h) that is not required to be made due to the preceding sentence shall be included in any subsequent adjustment to the Series Preferred Conversion Price.

(iii) For the purpose of making any adjustment required under this Section 5(h), the aggregate consideration received by the Company for any issue or sale of securities (the "Aggregate Consideration") shall be defined as: (A) to the extent it consists of cash, be computed at the gross amount of cash received by the Company before deduction of any underwriting or similar commissions, compensation or concessions paid or allowed by the Company in connection with such issue or sale and without deduction of any expenses payable by the Company, (B) to the extent it consists of property other than cash, be computed at the fair value of that property as determined in good faith by the Board, including a majority of the directors elected by holders of the (x) Series A-1 Preferred, (y) Series A-2 Preferred and Series B-1 Preferred and (z) Series B-2 Preferred, and (C) if Additional Shares of Common Stock, Convertible Securities (as defined below) or rights or options to purchase either Additional Shares of Common Stock or Convertible Securities are issued or sold together with other stock or securities or other assets of the Company for a consideration which covers both, be computed as the portion of the consideration so received that may be reasonably determined in good faith by the Board, including a majority of the directors elected by holders of the (x) Series A-1 Preferred, (y) Series A-2 Preferred and Series B-1 Preferred and (z) Series B-2 Preferred, to be allocable to such Additional Shares of Common Stock, Convertible Securities or rights or options.

(iv) For the purpose of the adjustment required under this Section 5(h), if the Company issues or sells (x) Preferred Stock or other stock, options, warrants, purchase rights or other securities convertible into, Additional Shares of Common Stock (such convertible stock or securities being herein referred to as "Convertible Securities") or (y) rights or options for the purchase of Additional Shares of Common Stock or Convertible Securities and if the Effective Price (as hereinafter defined) of such Additional Shares of Common Stock is less than the Series Preferred Conversion Price, in each case the Company shall be deemed to have issued at the time of the issuance of such rights or options or Convertible Securities the maximum number of Additional Shares of Common Stock issuable upon exercise or conversion thereof and to have received as consideration for the issuance of such shares an amount equal to

the total amount of the consideration, if any, received by the Company for the issuance of such rights or options or Convertible Securities plus:

(A) in the case of such rights or options, the minimum amounts of consideration, if any, payable to the Company upon the exercise of such rights or options; and

(B) in the case of Convertible Securities, the minimum amounts of consideration, if any, payable to the Company upon the conversion thereof (other than by cancellation of liabilities or obligations evidenced by such Convertible Securities); *provided* that if the minimum amounts of such consideration cannot be ascertained, but are a function of antidilution or similar protective clauses, the Company shall be deemed to have received the minimum amounts of consideration without reference to such clauses.

(C) If the minimum amount of consideration payable to the Company upon the exercise or conversion of rights, options or Convertible Securities is reduced over time or on the occurrence or non-occurrence of specified events other than by reason of antidilution adjustments, the Effective Price shall be recalculated using the figure to which such minimum amount of consideration is reduced; *provided further*, that if the minimum amount of consideration payable to the Company upon the exercise or conversion of such rights, options or Convertible Securities is subsequently increased, the Effective Price shall be again recalculated using the increased minimum amount of consideration payable to the Company upon the exercise or conversion of such rights, options or Convertible Securities.

(D) No further adjustment of the Series Preferred Conversion Price, as adjusted upon the issuance of such rights, options or Convertible Securities, shall be made as a result of the actual issuance of Additional Shares of Common Stock or the exercise of any such rights or options or the conversion of any such Convertible Securities. If any such rights or options or the conversion privilege represented by any such Convertible Securities shall expire without having been exercised, the Series Preferred Conversion Price as adjusted upon the issuance of such rights, options or Convertible Securities shall be readjusted to the Series Preferred Conversion Price which would have been in effect had an adjustment been made on the basis that the only Additional Shares of Common Stock so issued were the Additional Shares of Common Stock, if any, actually issued or sold on the exercise of such rights or options or rights of conversion of such Convertible Securities, and such Additional Shares of Common Stock, if any, were issued or sold for the consideration actually received by the Company upon such exercise, plus the consideration, if any, actually received by the Company for the granting of all such rights or options, whether or not exercised, plus the consideration received for issuing or selling the Convertible Securities actually converted, plus the consideration, if any, actually received by the Company (other than by cancellation of liabilities or obligations evidenced by such Convertible Securities) on the conversion of such Convertible Securities, *provided* that such readjustment shall not apply to prior conversions of Series Preferred.

(v) For the purpose of making any adjustment to the Conversion Price of the Series Preferred required under this Section 5(h), "Additional Shares of Common Stock" shall mean all shares of Common Stock issued by the Company or deemed to

be issued pursuant to this Section 5(h) (including shares of Common Stock subsequently reacquired or retired by the Company), other than:

(A) shares of Common Stock issued upon conversion of the Series Preferred;

(B) warrants issued pursuant to the Stock and Warrant Purchase Agreement (the "B-2 Warrants") and shares of Common Stock issued upon conversion or exercise of the B-2 Warrants;

(C) shares of Series B-2 Preferred issued pursuant to the Letter Agreement;

(D) shares of Common Stock or Convertible Securities issued after the Original Issue Date to employees, officers or directors of, or consultants or advisors to the Company or any subsidiary pursuant to stock purchase or stock option plans or other arrangements that are approved by the Board, including a majority of the directors elected by holders of the (x) Series A-1 Preferred, (y) Series A-2 Preferred and Series B-1 Preferred and (z) Series B-2 Preferred;

(E) shares of Common Stock issued pursuant to the exercise of Convertible Securities outstanding as of the Original Issue Date;

(F) shares of Common Stock or Convertible Securities issued for consideration other than cash pursuant to a merger, consolidation, acquisition, strategic alliance or similar business combination approved by the Board, including a majority of the directors elected by holders of the (x) Series A-1 Preferred, (y) Series A-2 Preferred and Series B-1 Preferred and (z) Series B-2 Preferred;

(G) shares of Common Stock or Convertible Securities issued pursuant to any equipment loan or leasing arrangement, real property leasing arrangement or debt financing from a bank or similar financial institution approved by the Board, including a majority of the directors elected by holders of the (x) Series A-1 Preferred, (y) Series A-2 Preferred and Series B-1 Preferred and (z) Series B-2 Preferred;

(H) shares of Common Stock or Convertible Securities issued to third-party service providers in exchange for or as partial consideration for services rendered to the Company approved by the Board, including a majority of the directors elected by holders of the (x) Series A-1 Preferred, (y) Series A-2 Preferred and Series B-1 Preferred and (z) Series B-2 Preferred; and

(I) any Common Stock or Convertible Securities issued in connection with strategic transactions involving the Company and other entities, including (i) joint ventures, manufacturing, marketing or distribution arrangements approved by the Board, including a majority of the directors elected by holders of the (x) Series A-1 Preferred, (y) Series A-2 Preferred and Series B-1 Preferred and (z) Series B-2 Preferred or (ii) technology transfer or development arrangements approved by the Board, including a majority of the directors elected

by holders of the (x) Series A-1 Preferred, (y) Series A-2 Preferred and Series B-1 Preferred and (z) Series B-2 Preferred.

References to Common Stock in the subsections of this clause (v) above shall mean all shares of Common Stock issued by the Company or deemed to be issued pursuant to this Section 5(h). The "Effective Price" of Additional Shares of Common Stock shall mean the quotient determined by dividing the total number of Additional Shares of Common Stock issued or sold, or deemed to have been issued or sold by the Company under this Section 5(h), into the Aggregate Consideration received, or deemed to have been received by the Company for such issue under this Section 5(h), for such Additional Shares of Common Stock, provided, however, that the "Effective Price" of Additional Shares of Common Stock issuable upon conversion of convertible promissory notes issued pursuant to that Series A-2 and Series B Preferred Stock and Promissory Note Purchase Agreement among the Company and the other parties named therein dated August 4, 2006, as the same may be amended or any provisions thereby waived from time to time (the "Stock and Note Purchase Agreement") shall be (i) in the event that such convertible promissory notes are converted in connection with an equity financing transaction (including an equity financing transaction effected through the sale of shares of Series B-2 Preferred), the lowest price paid for shares of Common Stock or Convertible Securities issued in the transaction (other than the conversion price of the convertible promissory notes issued pursuant to the Stock and Note Purchase Agreement) which causes the conversion of such convertible promissory notes; or (ii) in the event that such convertible promissory notes are voluntarily converted into shares of Series B-1 Preferred or Series B-2 Preferred other than in connection with an equity financing upon the election of the holders thereof, \$4.25. In the event that the number of shares of Additional Shares of Common Stock or the Effective Price cannot be ascertained at the time of issuance, such Additional Shares of Common Stock shall be deemed issued immediately upon the occurrence of the first event that makes such number of shares or the Effective Price, as applicable, determinable.

(vi) In the event that the Company issues or sells, or is deemed to have issued or sold, Additional Shares of Common Stock in a Qualifying Dilutive Issuance (the "First Dilutive Issuance"), then in the event that the Company issues or sells, or is deemed to have issued or sold, Additional Shares of Common Stock in a Qualifying Dilutive Issuance other than the First Dilutive Issuance as a part of the same transaction or series of related transactions as the First Dilutive Issuance (a "Subsequent Dilutive Issuance"), then and in each such case upon a Subsequent Dilutive Issuance the Series Preferred Conversion Price shall be reduced to the Series Preferred Conversion Price that would have been in effect had the First Dilutive Issuance and each Subsequent Dilutive Issuance all occurred on the closing date of the First Dilutive Issuance.

(i) **Certificate of Adjustment.** In each case of an adjustment or readjustment of the Series Preferred Conversion Price for the number of shares of Common Stock or other securities issuable upon conversion of the Series Preferred, if the Series Preferred is then convertible pursuant to this Section 5, the Company, at its expense, shall compute such adjustment or readjustment in accordance with the provisions hereof and prepare a certificate showing such adjustment or readjustment, and shall mail such certificate, by first class mail, postage prepaid, to each registered holder of Series Preferred at the holder's address as shown in

the Company's books. The certificate shall set forth such adjustment or readjustment, showing in detail the facts upon which such adjustment or readjustment is based.

(j) **Notices of Record Date.** Upon (i) any taking by the Company of a record of the holders of any class of securities for the purpose of determining the holders thereof who are entitled to receive any dividend or other distribution, or (ii) any Acquisition (as defined in Section 4) or other capital reorganization of the Company, any reclassification or recapitalization of the capital stock of the Company, any merger or consolidation of the Company with or into any other corporation, or any Asset Transfer (as defined in Section 4), or any voluntary or involuntary dissolution, liquidation or winding up of the Company, the Company shall mail to each holder of Series Preferred at least ten (10) days prior to the record date specified therein (or such shorter period approved by the holders of two-thirds of the outstanding Series Preferred) a notice specifying (A) the date on which any such record is to be taken for the purpose of such dividend or distribution and a description of such dividend or distribution, (B) the date on which any such Acquisition, reorganization, reclassification, transfer, consolidation, merger, Asset Transfer, dissolution, liquidation or winding up is expected to become effective, and (C) the date, if any, that is to be fixed as to when the holders of record of Common Stock (or other securities) shall be entitled to exchange their shares of Common Stock (or other securities) for securities or other property deliverable upon such Acquisition, reorganization, reclassification, transfer, consolidation, merger, Asset Transfer, dissolution, liquidation or winding up.

(k) Automatic Conversion.

(i) Each share of Series Preferred shall automatically be converted into shares of Common Stock, based on the then-effective Series Preferred Conversion Price, (A) at any time upon the affirmative election of the holders of at least two-thirds of the outstanding shares of the Series Preferred, or (B) immediately upon the closing of a firmly underwritten public offering pursuant to an effective registration statement under the Securities Act of 1933, as amended, covering the offer and sale of Common Stock for the account of the Company in which (i) the valuation of the Company, before giving effect to such offering, is at least \$200,000,000 and (ii) the aggregate net proceeds to the Company (after underwriting discounts, commissions and fees) are at least \$50,000,000. Upon such automatic conversion, any declared and unpaid dividends shall be paid in accordance with the provisions of Section 5(d).

(ii) Upon the occurrence of either of the events specified in Section 5(k)(i) above, the outstanding shares of Series Preferred shall be converted automatically without any further action by the holders of such shares and whether or not the certificates representing such shares are surrendered to the Company or its transfer agent; *provided, however,* that the Company shall not be obligated to issue certificates evidencing the shares of Common Stock issuable upon such conversion unless the certificates evidencing such shares of Series Preferred are either delivered to the Company or its transfer agent as provided below, or the holder notifies the Company or its transfer agent that such certificates have been lost, stolen or destroyed and executes an agreement satisfactory to the Company to indemnify the Company from any loss incurred by it in connection with such certificates. Upon the occurrence of such automatic conversion of the Series Preferred, the holders of Series Preferred shall surrender the certificates representing such shares at the office of the Company or any transfer agent for the

Series Preferred. Thereupon, there shall be issued and delivered to such holder promptly at such office and in its name as shown on such surrendered certificate or certificates, a certificate or certificates for the number of shares of Common Stock into which the shares of Series Preferred surrendered were convertible on the date on which such automatic conversion occurred, and any declared and unpaid dividends shall be paid in accordance with the provisions of Section 5(d).

(l) **Fractional Shares.** No fractional shares of Common Stock shall be issued upon conversion of Series Preferred. All shares of Common Stock (including fractions thereof) issuable upon conversion of more than one share of Series Preferred by a holder thereof shall be aggregated for purposes of determining whether the conversion would result in the issuance of any fractional share. If, after the aforementioned aggregation, the conversion would result in the issuance of any fractional share, the Company shall, in lieu of issuing any fractional share, pay cash equal to the product of such fraction multiplied by the fair market value of one (1) share of Common Stock (as determined by the Board) on the date of conversion.

(m) **Reservation of Stock Issuable Upon Conversion.** The Company shall at all times reserve and keep available out of its authorized but unissued shares of Common Stock, solely for the purpose of effecting the conversion of the shares of the Series Preferred, such number of its shares of Common Stock as shall from time to time be sufficient to effect the conversion of all outstanding shares of the Series Preferred. If at any time the number of authorized but unissued shares of Common Stock shall not be sufficient to effect the conversion of all then outstanding shares of the Series Preferred, the Company will take such corporate action as may, in the opinion of its counsel, be necessary to increase its authorized but unissued shares of Common Stock to such number of shares as shall be sufficient for such purpose.

(n) **Notices.** Any notice required by the provisions of this Section 5 shall be in writing and shall be deemed effectively given: (i) upon personal delivery to the party to be notified, (ii) when sent by confirmed electronic mail or facsimile if sent during normal business hours of the recipient; and if not, then on the next business day, (iii) five (5) days after having been sent by registered or certified mail, return receipt requested, postage prepaid, or (iv) one (1) day after deposit with a nationally recognized overnight courier, specifying next day delivery, with verification of receipt. All notices shall be addressed to each holder of record at the address of such holder appearing on the books of the Company.

(o) **Payment of Taxes.** The Company will pay all taxes (other than taxes based upon income) and other governmental charges that may be imposed with respect to the issue or delivery of shares of Common Stock upon conversion of shares of Series Preferred, excluding any tax or other charge imposed in connection with any transfer involved in the issue and delivery of shares of Common Stock in a name other than that in which the shares of Series Preferred so converted were registered.

6. REDEMPTION.

The Series Preferred shall not be redeemable by the Company.

7. NO REISSUANCE OF SERIES PREFERRED.

No shares or shares of Series Preferred acquired by the Company by reason of redemption, purchase, conversion or otherwise shall be reissued.

V.

A. The liability of the directors of the Company for monetary damages shall be eliminated to the fullest extent under applicable law.

B. The Company is authorized to provide indemnification of agents (as defined in Section 317 of the CGCL) for breach of duty to the Company and its stockholders through bylaw provisions or through agreements with the agents, or through stockholder resolutions, or otherwise, in excess of the indemnification otherwise permitted by Section 317 of the CGCL, subject, at any time or times that the Company is subject to Section 2115(b) of the CGCL, to the limits on such excess indemnification set forth in Section 204 of the CGCL.

C. Any repeal or modification of this Article V shall only be prospective and shall not affect the rights under this Article V in effect at the time of the alleged occurrence of any action or omission to act giving rise to liability.

D. In the event that a member of the Board of Directors of the Company who is also a partner or employee of an entity that is a holder of Preferred Stock and that is in the business of investing and reinvesting in other entities, or an employee of an entity that manages such an entity (each, a "Fund") acquires knowledge of a potential transaction or other matter in such individual's capacity as a partner or employee of the Fund or the manager or general partner of the Fund (and other than directly in connection with such individual's service as a member of the Board of Directors of the Company) and that may be an opportunity of interest for both the Company and such Fund (a "Corporate Opportunity"), then the Company (i) renounces any expectancy that such director or Fund offer an opportunity to participate in such Corporate Opportunity to the Company and (ii) to the fullest extent permitted by law, waives any claim that such opportunity constituted a Corporate Opportunity that should have been presented by such director or Fund to the Company or any of its affiliates.

VI.

For the management of the business and for the conduct of the affairs of the Company, and in further definition, limitation and regulation of the powers of the Company, of its directors and of its stockholders or any class thereof, as the case may be, it is further *provided* that:

A. The management of the business and the conduct of the affairs of the Company shall be vested in its Board. The number of directors which shall constitute the whole Board shall be fixed by the Board in the manner provided in the Bylaws, subject to any restrictions which may be set forth in this Third Amended and Restated Certificate of Incorporation.

B. The Board of Directors is expressly empowered to adopt, amend or repeal the Bylaws of the Company. The stockholders shall also have the power to adopt, amend or repeal the Bylaws of the Company; provided however, that, in addition to any vote of the holders of any class or series of stock of the Company required by law or by this Third Amended and Restated Certificate of Incorporation, the affirmative vote of the holders of at least a majority of the voting

power of all of the then-outstanding shares of the capital stock of the Company entitled to vote generally in the election of directors, voting together as a single class, shall be required to adopt, amend or repeal any provision of the Bylaws of the Company.

C. The directors of the Company need not be elected by written ballot unless the Bylaws so provide.
