RESOLVED, that the Amended and Restated Certificate of Incorporation of this corporation be amended and restated in its entirety to read as follows:

FIRST: The name of this corporation is Anagran, Inc. (the "**Corporation**")

SECOND: The address of the registered office of the Corporation in the State of Delaware is 1209 Orange Street, in the City of Wilmington, County of New Castle. The name of its registered agent at such address is The Corporation Trust Company.

The following is a statement of the designations and the powers, privileges and rights, and the qualifications, limitations or restrictions thereof in respect of each class of capital stock of the

Corporation. Unless otherwise indicated, references to "Sections" or "Subsections" in this Article refer to sections and subsections of this Article Fourth.

A. COMMON STOCK

1. General. The voting, dividend and liquidation rights of the holders of the Common Stock are subject to and qualified by the rights, powers and preferences of the holders of the Preferred Stock set forth herein and as may be designated by resolution of the Board of Directors of the Corporation (the "**Board**") with respect to any series of Preferred Stock as authorized herein.

2. Voting. The holders of the Common Stock are entitled to one vote for each share of Common Stock held at all meetings of stockholders (and written actions in lieu of meetings). There shall be no cumulative voting.

B. PREFERRED STOCK

Preferred Stock may be issued from time to time in one or more series, each of such series to consist of such number of shares and to have such terms, rights, powers and preferences, and the qualifications and limitations with respect thereto, as stated or expressed herein.

1. Original Issue Prices. The original issue price per share of the Series A Preferred Stock shall be \$1.00 (the "**Series A Original Issue Price**") and the original issue price per share of the Series B Preferred Stock shall be \$1.217 (the "**Series B Original Issue Price**"). The Series A Original Issue Price and Series B Original Issue Price are hereinafter referred to collectively as the "**Original Issue Prices**".

2. Dividends.

(a) The Corporation shall not declare, pay or set aside any dividends on shares of Common Stock (other than dividends on shares of Common Stock payable in shares of Common Stock) in any year unless the holders of the Series A Preferred Stock and Series B Preferred Stock then outstanding shall, on a pari passu basis, first receive, or simultaneously receive for such year, a dividend on (A) each outstanding share of Series A Preferred Stock in an amount at least equal to \$0.08 per share of Series A Preferred Stock (subject to appropriate adjustment in the event of any stock dividend, stock split, combination or other similar recapitalization affecting such shares) and (B) each outstanding shares of Series B Preferred Stock in an amount at least equal to \$0.09736 per share of Series B Preferred Stock (subject to appropriate adjustment in the event of any stock dividend, stock split, combination or other similar recapitalization affecting such shares). The foregoing dividends shall not be cumulative.

(b) The Corporation shall not declare, pay or set aside any dividends on shares of any class or series of capital stock of the Corporation (other than dividends on shares of Common Stock payable in shares of Common Stock and other than dividends specified in the preceding sentence) unless the holders of the Series A Preferred Stock and Series B Preferred Stock then outstanding shall, on a pari passu basis, first receive, or simultaneously receive, in addition to any dividend payable pursuant to the foregoing provisions of this subsection, a dividend on each outstanding share of Series A Preferred Stock and Series B Preferred Stock, respectively, in an amount at least equal to (i) in the case of a dividend on Common Stock or any class or series that is

convertible into Common Stock, that dividend per share of Series A Preferred Stock or Series B Preferred Stock, respectively, as would equal the product of (A) the dividend payable on each share of such class or series determined, if applicable, as if all such shares of such class or series had been converted into Common Stock and (B) the number of shares of Common Stock issuable upon conversion of a share of Series A Preferred Stock or Series B Preferred Stock, respectively, in each case calculated on the record date for determination of holders entitled to receive such dividend or (ii) in the case of a dividend on any class or series that is not convertible into Common Stock, at a rate per share of Series A Preferred Stock or Series B Preferred Stock, respectively, determined by dividing the amount of the dividend payable on each share of such class or series of capital stock by the original issuance price of such class or series of capital stock and multiplying such fraction by an amount equal to the Series A Original Issue Price (subject to appropriate adjustment in the event of any stock dividend, stock split, combination or other similar recapitalization affecting such shares) or the Series B Original Issue Price (subject to appropriate adjustment in the event of any stock dividend, stock split, combination or other similar recapitalization affecting such shares), respectively.

(c) After payment of any dividends pursuant to Subsections (a) and (b) above, any additional dividends shall be distributed among all holders of Common Stock and all holders of Series A Preferred Stock and Series B Preferred Stock in proportion to the number of shares of Common Stock which would be held by each such holder if all shares of such series of Preferred Stock were converted to Common Stock at the then effective conversion rate for each such series of Preferred Stock.

3. Liquidation, Dissolution or Winding Up; Certain Mergers, Consolidations and Asset Sales.

(a) Preferential Payments to Holders of Preferred Stock. In the event of any voluntary or involuntary liquidation, dissolution or winding up of the Corporation, the holders of shares of Series A Preferred Stock and Series B Preferred Stock then outstanding shall, on a pari passu basis, be entitled to be paid out of the assets available for distribution to its stockholders, before any payment shall be made to the holders of Common Stock by reason of their ownership thereof, an amount equal to, in the case of Series A Preferred Stock, the Series A Original Issue Price, plus any dividends declared but unpaid thereon, and an amount equal to, in the case of Series B Preferred Stock, the Series B Original Issue Price, plus any dividends declared but unpaid thereon. If upon any such liquidation, dissolution or winding up of the Corporation the remaining assets available for distribution to its stockholders shall be insufficient to pay the holders of shares of Series A Preferred Stock and Series B Preferred Stock the full amount to which they shall be entitled pursuant to this Section 3(a), the holders of shares of Series A Preferred Stock and Series B Preferred Stock shall share ratably in any distribution of the remaining assets available for distribution in proportion to the respective amounts which would otherwise be payable in respect of the shares held by them upon such distribution if all amounts payable on or with respect to such shares pursuant to this Section 3(a) were paid in full.

(b) Distribution of Remaining Assets. After the payment of all preferential amounts required to be paid to the holders of shares of Preferred Stock pursuant to Section 3(a) above, the remaining assets available for distribution to the Corporation's stockholders shall be distributed among the holders of the shares of Preferred Stock and Common Stock, pro rata based on the

number of shares held by each such holder, treating for this purpose all such securities as if they had been converted to Common Stock pursuant to the terms of this Amended and Restated Certificate of Incorporation immediately prior to such dissolution, liquidation or winding up of the Corporation. The aggregate amount which a holder of a share of Series A Preferred Stock is entitled to receive under Subsection 3(a) and 3(b) is hereinafter referred to as the "**Series A Liquidation Amount**," and the aggregate amount which a holder of a share of Series B Preferred Stock is entitled to receive under Subsection 3(a) and 3(b) is hereinafter referred to as the "**Series B Liquidation Amount**."

(c) Deemed Liquidation Events.

(i) The following events shall be deemed to be a liquidation of the Corporation for purposes of this Section 3 (a "**Deemed Liquidation Event**"), unless the holders of two-thirds (2/3) of the Preferred Stock elect otherwise by written notice given to the Corporation prior to the effective date of any such event:

(A) a merger or consolidation in which

(I) the Corporation is a constituent party or

(II) a subsidiary of the Corporation is a constituent party and the Corporation issues shares of its capital stock pursuant to such merger or consolidation,

except any such merger or consolidation involving the Corporation or a subsidiary in which the shares of capital stock of the Corporation outstanding immediately prior to such merger or consolidation continue to represent, or are converted or exchanged for shares of capital stock which represent, immediately following such merger or consolidation at least a majority, by voting power, of the capital stock of (1) the surviving or resulting corporation or (2) if the surviving or resulting corporation is a wholly owned subsidiary of another corporation immediately following such merger or consolidation, the parent corporation of such surviving or resulting corporation (provided that, for the purpose of this Subsection 3(c)(i), all shares of Common Stock issuable upon exercise of Options (as defined in Section 5) outstanding immediately prior to such merger or consolidation or upon conversion of Convertible Securities (as defined in Section 5) outstanding immediately prior to such merger or consolidation shall be deemed to be outstanding immediately prior to such merger or consolidation and, if applicable, converted or exchanged in such merger or consolidation on the same terms as the actual outstanding shares of Common Stock are converted or exchanged) (a "**Surviving Merger**"); provided, however, that a merger shall not constitute a Deemed Liquidation Event if its sole purpose is to change the state of the Corporation's corporate domicile to a jurisdiction approved by the Board;

(B) the sale, lease, transfer or other disposition, in a single transaction or series of related transactions, by the Corporation or any subsidiary of the Corporation of all or substantially all the assets of the Corporation and its subsidiaries taken as a whole, except where such sale, lease, transfer or other disposition is to a wholly owned subsidiary of the Corporation;

(C) any liquidation, winding up, or bankruptcy reorganization of the Corporation;

(D) any recapitalization or reclassification of the Common or Preferred Stock effected by the Corporation which involves a transfer of control as described in Section 3(c)(i)(A); or

(E) any other transaction or series of related transactions, other than equity financings, where persons other than the holders of the Corporation's capital stock immediately prior to the transaction become beneficial owners of more than fifty percent (50%) of the voting power of the Corporation's capital stock immediately after the transaction.

(ii) The Corporation shall not have the power to effect any transaction constituting a Deemed Liquidation Event pursuant to Subsection 3(c)(i)(A)(I) above unless the agreement or plan of merger or consolidation provides that the consideration payable to the stockholders of the Corporation shall be allocated among the holders of capital stock of the Corporation in accordance with Subsections 3(a) and 3(b) above.

(iii) The amount deemed paid or distributed to the holders of capital stock of the Corporation upon any such merger, consolidation, sale, transfer, exclusive license, or other disposition shall be the cash or the value of the property, rights or securities paid or distributed to such holders by the Corporation or the acquiring person, firm or other entity. The value of such property, rights or securities shall be determined in good faith by the Board, including the affirmative vote of the Series A Directors and the Series B Director (each as defined below).

4. Voting.

(a) On any matter presented to the stockholders of the Corporation for their action or consideration at any meeting of stockholders of the Corporation (or by written consent of stockholders in lieu of meeting), each holder of outstanding shares of Preferred Stock shall be entitled to cast the number of votes equal to the number of whole shares of Common Stock into which the shares Preferred Stock held by such holder are convertible as of the record date for determining stockholders entitled to vote on such matter. Except as provided by law or by the provisions of Subsection 4(b) or 4(c) below, holders of Series A Preferred Stock and Series B Preferred Stock shall vote together with the holders of Common Stock, as a single class.

(b) The number of directors which shall constitute the Board shall be five (5). The holders of record of the shares of Series A Preferred Stock, exclusively and as a separate class, shall be entitled to elect two (2) directors of the Corporation (the "**Series A Directors**"), the holders of record of the shares of Series B Preferred Stock, exclusively and as a separate class, shall be entitled to elect one (1) director of the Corporation (the "**Series B Director**"), the holders of record of the shares of Common Stock, exclusively and as a separate class, shall be entitled to elect one (1) director of the Corporation, and the holders of Preferred Stock and Common Stock, voting together as a single class, shall have the right to elect one (1) director of the Corporation. Any director elected as provided in the preceding sentence may be removed without cause by, and only by, the affirmative vote of the holders of the shares of the class or series of stock entitled to elect such director or directors, given either at a special meeting of such stockholders duly called for that purpose or pursuant to a written consent in lieu of a meeting of stockholders. At any meeting held for the purpose of electing a director, the presence in person or by proxy of the holders of a majority of the outstanding shares of the class or series entitled to elect such director shall constitute a quorum

for the purpose of electing such director. A vacancy in any directorship filled by the holders of any class or series shall be filled only by vote or written consent in lieu of a meeting of the holders of such class or series or by any remaining director or directors elected by the holders of such class or series pursuant to this Subsection 4(b).

(c) At any time when at least 2,000,000 shares of Preferred Stock (subject to appropriate adjustment in the event of any dividend, stock split, combination or other similar recapitalization affecting such shares) are outstanding, except where the vote or written consent of the holders of a greater number of shares of the Corporation is required by law or by the Amended and Restated Certificate of Incorporation, and in addition to any other vote required by law or the Amended and Restated Certificate of Incorporation, without the written consent or affirmative vote of the holders of a majority of the then outstanding shares of Series A Preferred Stock and Series B Preferred Stock, voting together as a single class on an as-converted basis, given in writing or by vote at a meeting, the Corporation shall not, either directly or by amendment, merger, consolidation or otherwise:

(i) liquidate, dissolve or wind-up the business and affairs of the Corporation, effect any Deemed Liquidation Event, or consent to any of the foregoing;

(ii) amend, alter or repeal any provision of the Amended and Restated Certificate of Incorporation or Bylaws of the Corporation;

(iii) create any additional class or series of shares of stock, or alter the authorized number of shares of Preferred Stock or alter the authorized number of shares of any additional class or series of shares of stock, or create or authorize any obligation or security convertible into shares of any class or series of stock, or issue any shares of any class or series of stock or obligation or security convertible into shares of any class or series of stock other than (i) options to purchase Common Stock or shares of Common Stock issued to employees or directors of, or consultants to, the Corporation or a subsidiary pursuant to an employee equity incentive plan or arrangement approved by the Board (including the affirmative vote of the Series A Directors and the Series B Director), or shares of Common Stock issuable upon exercise of any such stock options, or (ii) shares of Common Stock sold pursuant to a Qualifying Public Offering (as defined below);

(iv) purchase or redeem or pay or declare any dividend or make any distribution on, any shares of stock or securities other than the Series A Preferred Stock or Series B Preferred Stock as expressly authorized herein, or permit any subsidiary of the Corporation to take any such action, except for dividends or other distributions payable on the Common Stock solely in the form of additional shares of Common Stock and other than securities repurchased from former employees, officers, directors, consultants or other persons who performed services for the Corporation or any subsidiary in connection with the cessation of such employment or service at the lower of the original purchase price or the then-current fair market value thereof;

(v) create, or authorize the creation of, or issue, or authorize the issuance of, or permit any subsidiary to take any such action, any debt security or incur any equipment leases, bank lines of credit or indebtedness for borrowed money, unless such debt security, equipment lease, bank line of credit or indebtedness has received the prior approval of the Board, including the approval of the Series A Directors and the Series B Director;

(vi) increase or decrease the authorized number of directors constituting the Board;

(vii) effect any merger, consolidation or other business combination involving the Corporation or a subsidiary other than a Surviving Merger, or sell, lease, transfer or otherwise dispose, in a single transaction or series of related transactions, all or substantially all the assets of the Corporation or a subsidiary;

(viii) enter into any transaction or business arrangement with an officer or stockholder of the Corporation or with a company or other entity in which an officer or stockholder of the Corporation owns 1% or more of the outstanding equity or voting interests; or

(ix) engage in any business or activity materially different than the line of business engaged in by the Corporation on the date hereof.

(d) At any time when at least 1,000,000 shares of Series B Preferred Stock (subject to appropriate adjustment in the event of any dividend, stock split, combination or other similar recapitalization affecting such shares) are outstanding, except where the vote or written consent of the holders of a greater number of shares of the Corporation is required by law or by the Amended and Restated Certificate of Incorporation, and in addition to any other vote required by law or the Amended and Restated Certificate of Incorporation, without the written consent or affirmative vote of the holders of at least fifty-five percent (55%) of the then outstanding shares of Series B Preferred Stock, voting separately as a class on an as-converted basis, given in writing or by vote at a meeting, the Corporation shall not, either directly or by amendment, merger, consolidation or otherwise:

(i) create any additional class or series of shares of stock, or alter the authorized number of shares of Preferred Stock or alter the authorized number of shares of any additional class or series of shares of stock, or create or authorize any obligation or security convertible into shares of any class or series of stock, or issue any shares of any class or series of stock or obligation or security convertible into shares of any class or series of stock other than (i) options to purchase Common Stock or shares of Common Stock issued to employees or directors of, or consultants to, the Corporation or a subsidiary pursuant to an employee equity incentive plan or arrangement approved by the Board (including the affirmative vote of the Series A Directors and the Series B Director), or shares of Common Stock issuable upon exercise of any such stock options, or (ii) shares of Common Stock sold pursuant to a Qualifying Public Offering (as defined below);

(ii) effect any merger, consolidation or other business combination involving the Corporation or a subsidiary other than a Surviving Merger, or sell, transfer or otherwise dispose, in a single transaction or series of related transactions, all or substantially all the assets of the Corporation or effect a Deemed Liquidation Event; or

(iii) amend, alter or repeal any provision of this Section 4(d).

5. Optional Conversion.

The holders of the Preferred Stock shall have conversion rights as follows (the “**Conversion Rights**”):

(a) Right to Convert. Each share of Preferred Stock shall be convertible, at the option of the holder thereof, at any time and from time to time, and without the payment of additional consideration by the holder thereof, into such number of fully paid and nonassessable shares of Common Stock as is determined by dividing the applicable Original Issue Price by the Conversion Price applicable to such share in effect at the time of conversion. The “**Series A Conversion Price**” shall initially be equal to the Series A Original Issue Price, and the “**Series B Conversion Price**” shall initially be equal to the Series B Original Issue Price. Such initial Series A Conversion Price and initial Series B Conversion Price, and the rate at which shares of Series A Preferred Stock and Series B Preferred Stock may be converted into shares of Common Stock, shall be subject to adjustment as provided below.

In the event of a liquidation, dissolution or winding up of the Corporation or a Deemed Liquidation Event, the Conversion Rights shall terminate at the close of business on the last full day preceding the date fixed for the payment of any such amounts distributable on such event to the holders of Series A Preferred Stock and Series B Preferred Stock.

(b) Fractional Shares. No fractional shares of Common Stock shall be issued upon conversion of Preferred Stock. In lieu of any fractional shares to which the holder would otherwise be entitled, the Corporation shall pay cash equal to such fraction multiplied by the fair market value of a share of Common Stock as determined in good faith by the Board. Whether or not fractional shares would be issuable upon such conversion shall be determined on the basis of the total number of shares of Preferred Stock the holder is at the time converting into Common Stock and the aggregate number of shares of Common Stock issuable upon such conversion.

(c) Mechanics of Conversion.

(i) In order for a holder of Preferred Stock to voluntarily convert shares of Preferred Stock into shares of Common Stock, such holder shall surrender the certificate or certificates for such shares of Preferred Stock (or, if such registered holder alleges that such certificate has been lost, stolen or destroyed, a lost certificate affidavit and agreement reasonably acceptable to the Corporation to indemnify the Corporation against any claim that may be made against the Corporation on account of the alleged loss, theft or destruction of such certificate), at the office of the transfer agent for the Preferred Stock (or at the principal office of the Corporation if the Corporation serves as its own transfer agent), together with written notice that such holder elects to convert all or any number of the shares of the Preferred Stock represented by such certificate or certificates and, if applicable, any event on which such conversion is contingent. Such notice shall state such holder’s name or the names of the nominees in which such holder wishes the certificate or certificates for shares of Common Stock to be issued. If required by the Corporation, certificates surrendered for conversion shall be endorsed or accompanied by a written instrument or instruments of transfer, in form satisfactory to the Corporation, duly executed by the registered holder or his, her or its attorney duly authorized in writing. The close of business on the date of receipt by the transfer agent of such certificates (or lost certificate affidavit and agreement) and notice (or by the

Corporation if the Corporation serves as its own transfer agent) shall be the time of conversion (the "**Conversion Time**"), and the shares of Common Stock issuable upon conversion of the shares represented by such certificate shall be deemed to be outstanding of record as of such date. The Corporation shall, as soon as practicable after the Conversion Time, issue and deliver at such office to such holder of Preferred Stock, or to his, her or its such holder's nominees, a certificate or certificates for the number of shares of Common Stock to which such holder shall be entitled, together with cash in lieu of any fraction of a share.

(ii) The Corporation shall at all times when the Preferred Stock shall be outstanding, reserve and keep available out of its authorized but unissued stock, for the purpose of effecting the conversion of the Preferred Stock, such number of its duly authorized shares of Common Stock as shall from time to time be sufficient to effect the conversion of all outstanding Preferred Stock; and if at any time the number of authorized but unissued shares of Common Stock shall not be sufficient to effect the conversion of all then outstanding shares of the Preferred Stock, the Corporation shall take such corporate action as may be necessary to increase its authorized but unissued shares of Common Stock to such number of shares as shall be sufficient for such purposes, including, without limitation, engaging in best efforts to obtain the requisite stockholder approval of any necessary amendment to this Amended and Restated Certificate of Incorporation. Before taking any action which would cause an adjustment reducing the Conversion Price for any series of Preferred Stock below the then par value of the shares of Common Stock issuable upon conversion of the such shares of Preferred Stock, the Corporation will take any corporate action which may, in the opinion of its counsel, be necessary in order that the Corporation may validly and legally issue fully paid and nonassessable shares of Common Stock at such adjusted Conversion Price.

(iii) All shares of Preferred Stock which shall have been surrendered for conversion as herein provided shall no longer be deemed to be outstanding and all rights with respect to such shares, including the rights, if any, to receive notices and to vote, shall immediately cease and terminate at the Conversion Time, except only the right of the holders thereof to receive shares of Common Stock in exchange therefor and to receive payment of any dividends declared but unpaid thereon. Any shares of Preferred Stock so converted shall be retired and cancelled and shall not be reissued as shares of such series, and the Corporation (without the need for stockholder action) may from time to time take such appropriate action as may be necessary to reduce the authorized number of shares of Preferred Stock accordingly.

(iv) Upon any such conversion, no adjustment to the Conversion Price of each series of Preferred Stock shall be made for any declared but unpaid dividends on such series of Preferred Stock surrendered for conversion or on the Common Stock delivered upon conversion.

(v) The Corporation shall pay any and all issue and other similar taxes that may be payable in respect of any issuance or delivery of shares of Common Stock upon conversion of shares of Preferred Stock pursuant to this Section 5. The Corporation shall not, however, be required to pay any tax which may be payable in respect of any transfer involved in the issuance and delivery of shares of Common Stock in a name other than that in which the shares of Preferred Stock so converted were registered, and no such issuance or delivery shall be made unless and until the person or entity requesting such issuance has paid to the Corporation the amount of any such tax or has established, to the satisfaction of the Corporation, that such tax has been paid.

(d) Conversion Price Adjustments for Diluting Issues.

(i) Special Definitions. For purposes of this Section 5, the following definitions shall apply:

(A) “**Option**” shall mean rights, options or warrants to subscribe for, purchase or otherwise acquire Common Stock or Convertible Securities.

(B) “**Original Issue Date**” shall mean the date on which the first share of Series B Preferred Stock was issued.

(C) “**Convertible Securities**” shall mean any evidences of indebtedness, shares or other securities directly or indirectly convertible into or exchangeable for Common Stock, but excluding Options.

(D) “**Additional Shares of Common Stock**” shall mean all shares of Common Stock issued (or, pursuant to Subsection 5(d)(iii) below, deemed to be issued) by the Corporation after the Original Issue Date, other than the following (“**Exempted Securities**”):

- (I) shares of Common Stock issued or deemed issued as a dividend or distribution on Series A Preferred Stock or Series B Preferred Stock;
- (II) shares of Common Stock issued or issuable by reason of a dividend, stock split, split-up or other distribution on shares of Common Stock that is covered by Subsection 5(e) or 5(f) below;
- (III) shares of Common Stock issued or deemed issued to employees or directors of, or consultants to, or vendors or other commercial partners (if in transactions with primarily non-financing purposes) of the Corporation or any of its subsidiaries pursuant to a plan, agreement or arrangement approved by the Board, including the Series A Directors and the Series B Director; or
- (IV) shares of Common Stock issued or issuable to banks, equipment lessors or other financial institutions, or to real property lessors, pursuant to a debt financing, equipment leasing or real property leasing transaction approved by the Board, including the Series A Directors and the Series B Director.

(ii) No Adjustment of Conversion Prices. No adjustment in the Conversion Price for any series of Preferred Stock shall be made as the result of the issuance of Additional Shares of Common Stock if the consideration per share (determined pursuant to Subsection 5(d)(v)) for such Additional Shares of Common Stock issued or deemed to be issued by

the Corporation is equal to or greater than the applicable Conversion Price in effect immediately prior to the issuance or deemed issuance of such Additional Shares of Common Stock. With respect to the Series A Preferred Stock, no adjustment in the Series A Conversion Price shall be made as a result of the issuance of Additional Shares of Common Stock if prior to such issuance or deemed issuance, the Corporation receives written notice from the holders of at least two-thirds (2/3) of the then outstanding shares of Series A Preferred Stock, agreeing that no such adjustment shall be made as the result of the issuance or deemed issuance of such Additional Shares of Common Stock. With respect to the Series B Preferred Stock, no adjustment in the Series B Conversion Price shall be made as a result of the issuance of Additional Shares of Common Stock if prior to such issuance or deemed issuance, the Corporation receives written notice from the holders of at least two-thirds (2/3) of the then outstanding shares of Series B Preferred Stock, agreeing that no such adjustment shall be made as the result of the issuance or deemed issuance of such Additional Shares of Common Stock.

(iii) Deemed Issue of Additional Shares of Common Stock.

(A) If the Corporation at any time or from time to time after the Original Issue Date shall issue any Options or Convertible Securities (excluding Options or Convertible Securities which, upon exercise, conversion or exchange thereof, would entitle the holder thereof to receive Exempted Securities pursuant to Subsections 5(d)(i)(D)(I), (II), (III), or (IV)) or shall fix a record date for the determination of holders of any class of securities entitled to receive any such Options or Convertible Securities, then the maximum number of shares of Common Stock (as set forth in the instrument relating thereto, assuming the satisfaction of any conditions to exercisability, convertibility or exchangeability but without regard to any provision contained therein for a subsequent adjustment of such number) issuable upon the exercise of such Options or, in the case of Convertible Securities and Options therefor, the conversion or exchange of such Convertible Securities, shall be deemed to be Additional Shares of Common Stock issued as of the time of such issue or, in case such a record date shall have been fixed, as of the close of business on such record date.

(B) If the terms of any Option or Convertible Security, the issuance of which resulted in an adjustment to the Conversion Price of any series of Preferred Stock pursuant to the terms of Subsection 5(d)(iv) below, are revised (either automatically pursuant to the provisions contained therein or as a result of an amendment to such terms) to provide for either (1) any increase or decrease in the number of shares of Common Stock issuable upon the exercise, conversion or exchange of any such Option or Convertible Security or (2) any increase or decrease in the consideration payable to the Corporation upon such exercise, conversion or exchange, then, effective upon such increase or decrease becoming effective, the Conversion Price of such series of Preferred Stock computed upon the original issue of such Option or Convertible Security (or upon the occurrence of a record date with respect thereto) shall be readjusted to such Conversion Price as would have obtained had such revised terms been in effect upon the original date of issuance of such Option or Convertible Security. Notwithstanding the foregoing, no adjustment pursuant to this clause (B) shall have the effect of increasing the Conversion Price of any series of Preferred Stock to an amount which exceeds the lower of (i) the Conversion Price of such series of Preferred Stock on the original adjustment date, or (ii) the Conversion Price of such series of Preferred Stock that would have resulted from any issuances of Additional Shares of Common Stock between the original adjustment date and such readjustment date.

(C) If the terms of any Option or Convertible Security (excluding Options or Convertible Securities which, upon exercise, conversion or exchange thereof, would entitle the holder thereof to receive Exempted Securities pursuant to Subsections 5(d)(i)(E)(I), (II), (III), or (IV)), the issuance of which did not result in an adjustment to the Conversion Price of a series of Preferred Stock pursuant to the terms of Subsection 5(d)(iv) below (either because the consideration per share (determined pursuant to Subsection 5(d)(v) hereof) of the Additional Shares of Common Stock subject thereto was equal to or greater than the Conversion Price of such series of Preferred Stock then in effect, or because such Option or Convertible Security was issued before the Original Issue Date), are revised after the Original Issue Date (either automatically pursuant to the provisions contained therein or as a result of an amendment to such terms) to provide for either (1) any increase or decrease in the number of shares of Common Stock issuable upon the exercise, conversion or exchange of any such Option or Convertible Security or (2) any increase or decrease in the consideration payable to the Corporation upon such exercise, conversion or exchange, then such Option or Convertible Security, as so amended, and the Additional Shares of Common Stock subject thereto (determined in the manner provided in Subsection 5(d)(iii)(A) above) shall be deemed to have been issued effective upon such increase or decrease becoming effective. If the change in such Option or Convertible Security causes an adjustment pursuant to this provision and such Option or Convertible Security is then further changed as a result of the adjustments made pursuant to this provision, no further adjustment shall be made hereunder as a result of the further automatic change in such Option or Convertible Security.

(D) Upon the expiration or termination of any unexercised Option or unconverted or unexchanged Convertible Security which resulted (either upon its original issuance or upon a revision of its terms) in an adjustment to the Conversion Price of any series of Preferred Stock pursuant to the terms of Subsection 5(d)(iv) below, the Conversion Price of such series of Preferred Stock shall be readjusted to such series Conversion Price as would have obtained had such Option or Convertible Security never been issued.

(iv) Conversion Price Adjustments of Preferred Stock Upon Issuance of Additional Shares of Common Stock. In the event the Corporation shall at any time after the Original Issue Date issue Additional Shares of Common Stock (including Additional Shares of Common Stock deemed to be issued pursuant to Subsection 5(d)(iii)), without consideration or for a consideration per share less than the Conversion Price of a series of Preferred Stock in effect immediately prior to such issue, then the Conversion Price of such series of Preferred Stock shall be reduced, concurrently with such issue, to a price equal to the price paid per share for such Additional Shares of Common Stock.

(v) Determination of Consideration. For purposes of this Subsection 5(d), the consideration received by the Corporation for the issue of any Additional Shares of Common Stock shall be computed as follows:

(A) Cash and Property: Such consideration shall:

(I) insofar as it consists of cash, be computed at the aggregate amount of cash received by the Corporation, excluding amounts paid or payable for accrued interest;

- (II) insofar as it consists of property other than cash, be computed at the fair market value thereof at the time of such issue, as determined in good faith by the Board (including the affirmative vote of the Series A Directors and the Series B Director); and
- (III) in the event Additional Shares of Common Stock are issued together with other shares or securities or other assets of the Corporation for consideration which covers both, be the proportion of such consideration so received, computed as provided in clauses (I) and (II) above, as determined in good faith by the Board (including the affirmative vote of the Series A Directors and the Series B Director).

(B) Options and Convertible Securities. The consideration per share received by the Corporation for Additional Shares of Common Stock deemed to have been issued pursuant to Subsection 5(d)(iii), relating to Options and Convertible Securities, shall be determined by dividing:

- (I) the total amount, if any, received or receivable by the Corporation as consideration for the issue of such Options or Convertible Securities, plus the minimum aggregate amount of additional consideration (as set forth in the instruments relating thereto, without regard to any provision contained therein for a subsequent adjustment of such consideration) payable to the Corporation upon the exercise of such Options or the conversion or exchange of such Convertible Securities, or in the case of Options for Convertible Securities, the exercise of such Options for Convertible Securities and the conversion or exchange of such Convertible Securities, by
- (II) the maximum number of shares of Common Stock (as set forth in the instruments relating thereto, without regard to any provision contained therein for a subsequent adjustment of such number) issuable upon the exercise of such Options or the conversion or exchange of such Convertible Securities.

(vi) Multiple Closing Dates. In the event the Corporation shall issue on more than one date Additional Shares of Common Stock that are a part of one transaction or a series of related transactions and that would result in an adjustment to the Conversion Price of any series of Preferred Stock pursuant to the terms of Subsection 5(d)(iv) above, then, upon the final such issuance, the Conversion Price of such series of Preferred Stock shall be readjusted to give effect to

all such issuances as if they occurred on the date of the first such issuance (and without additional giving effect to any adjustments as a result of any subsequent issuances within such period).

(e) Adjustment for Stock Splits and Combinations. If the Corporation shall at any time or from time to time after the Original Issue Date effect a subdivision of the outstanding Common Stock without a comparable subdivision of any series of Preferred Stock or combine the outstanding shares of any series of Preferred Stock without a comparable combination of the Common Stock, the Conversion Price of such series of Preferred Stock in effect immediately before that subdivision or combination shall be proportionately decreased so that the number of shares of Common Stock issuable on conversion of each share of such series shall be increased in proportion to such increase in the aggregate number of shares of Common Stock outstanding. If the Corporation shall at any time or from time to time after the Original Issue Date combine the outstanding shares of Common Stock without a comparable combination of a series of Preferred Stock or effect a subdivision of the outstanding shares of a series of Preferred Stock without a comparable subdivision of the Common Stock, the Conversion Price of such series of Preferred Stock in effect immediately before the combination or subdivision shall be proportionately increased so that the number of shares of Common Stock issuable on conversion of each share of such series shall be decreased in proportion to such decrease in the aggregate number of shares of Common Stock outstanding. Any adjustment under this subsection shall become effective at the close of business on the date the subdivision or combination becomes effective.

(f) Adjustment for Certain Dividends and Distributions. In the event the Corporation at any time or from time to time after the Original Issue Date shall make or issue, or fix a record date for the determination of holders of Common Stock entitled to receive, a dividend or other distribution payable on the Common Stock in additional shares of Common Stock, then and in each such event the Conversion Price of each series of Preferred Stock in effect immediately before such event shall be decreased as of the time of such issuance or, in the event such a record date shall have been fixed, as of the close of business on such record date, by multiplying the applicable Conversion Price of such series of Preferred Stock then in effect by a fraction:

(1) the numerator of which shall be the total number of shares of Common Stock issued and outstanding immediately prior to the time of such issuance or the close of business on such record date, and

(2) the denominator of which shall be the total number of shares of Common Stock issued and outstanding immediately prior to the time of such issuance or the close of business on such record date plus the number of shares of Common Stock issuable in payment of such dividend or distribution;

provided, however, that if such record date shall have been fixed and such dividend is not fully paid or if such distribution is not fully made on the date fixed therefor, the Conversion Price of each series of Preferred Stock shall be recomputed accordingly as of the close of business on such record date and thereafter the Conversion Price of each series of Preferred Stock shall be adjusted pursuant to this subsection as of the time of actual payment of such dividends or distributions; and provided further, however, that no such adjustment shall be made if the holders of such series of Preferred Stock simultaneously receive (i) a dividend or other distribution of shares of Common Stock in a number equal to the number of shares of Common Stock as they would have received if all

outstanding shares of such series of Preferred Stock had been converted into Common Stock on the date of such event or (ii) a dividend or other distribution of shares of such series of Preferred Stock which are convertible, as of the date of such event, into such number of shares of Common Stock as is equal to the number of additional shares of Common Stock being issued with respect to each share of Common Stock in such dividend or distribution.

(g) Adjustments for Other Dividends and Distributions. In the event the Corporation at any time or from time to time after the Original Issue Date shall make or issue, or fix a record date for the determination of holders of capital stock of the Corporation entitled to receive, a dividend or other distribution payable in securities of the Corporation (other than a distribution of shares of Common Stock in respect of outstanding shares of Common Stock) or in other property and the provisions of Section (C)(2) do not apply to such dividend or distribution, then and in each such event the holders of each series of Preferred Stock shall receive, simultaneously with the distribution to the holders of such capital stock, a dividend or other distribution of such securities or other property in an amount equal to the amount of such securities or other property as they would have received if all outstanding shares of such series of Preferred Stock had been converted into Common Stock on the date of such event.

(h) Adjustment for Merger or Reorganization, etc. Subject to the provisions of Subsection 3(c), if there shall occur any reorganization, recapitalization, reclassification, consolidation or merger involving the Corporation in which the Common Stock (but not the Preferred Stock) is converted into or exchanged for securities, cash or other property (other than a transaction covered by Subsections (e), (f) or (g) of this Section 5), then, following any such reorganization, recapitalization, reclassification, consolidation or merger, each share of each series of Preferred Stock shall thereafter be convertible in lieu of the Common Stock into which it was convertible prior to such event into the kind and amount of securities, cash or other property which a holder of the number of shares of Common Stock of the Corporation issuable upon conversion of one share of such series of Preferred Stock immediately prior to such reorganization, recapitalization, reclassification, consolidation or merger would have been entitled to receive pursuant to such transaction; and, in such case, appropriate adjustment (as determined in good faith by the Board) shall be made in the application of the provisions in this Section 5 with respect to the rights and interests thereafter of the holders of such series of Preferred Stock, to the end that the provisions set forth in this Section 5 (including provisions with respect to changes in and other adjustments of the Conversion Price of such series of Preferred Stock) shall thereafter be applicable, as nearly as reasonably may be, in relation to any securities or other property thereafter deliverable upon the conversion of such series of Preferred Stock.

(i) Certificate as to Adjustments. Upon the occurrence of each adjustment or readjustment of the Conversion Price of any series of Preferred Stock pursuant to this Section 5, the Corporation at its expense shall, as promptly as reasonably practicable but in any event not later than 10 days thereafter, compute such adjustment or readjustment in accordance with the terms hereof and furnish to each holder of such series of Preferred Stock a certificate setting forth such adjustment or readjustment (including the kind and amount of securities, cash or other property into which the series of Preferred Stock is convertible) and showing in detail the facts upon which such adjustment or readjustment is based. The Corporation shall, as promptly as reasonably practicable after the written request at any time of any holder of shares of any series of Preferred Stock (but in any event not later than 10 days thereafter), furnish or cause to be furnished to such holder a certificate setting

forth (i) the Conversion Price of such series of Preferred Stock then in effect, and (ii) the number of shares of Common Stock and the amount, if any, of other securities, cash or property which then would be received upon the conversion of such series of Preferred Stock.

(j) Notice of Record Date. In the event:

(i) the Corporation shall take a record of the holders of its Common Stock (or other stock or securities at the time issuable upon conversion of any Preferred Stock) for the purpose of entitling or enabling them to receive any dividend or other distribution, or to receive any right to subscribe for or purchase any shares of stock of any class or any other securities, or to receive any other right; or

(ii) of any capital reorganization of the Corporation, any reclassification of the Common Stock of the Corporation, or any Deemed Liquidation Event; or

(iii) of the voluntary or involuntary dissolution, liquidation or winding-up of the Corporation,

then, and in each such case, the Corporation will send or cause to be sent to the holders of Preferred Stock a notice specifying, as the case may be, (i) the record date for such dividend, distribution or right, and the amount and character of such dividend, distribution or right, or (ii) the effective date on which such reorganization, reclassification, consolidation, merger, transfer, dissolution, liquidation or winding-up is proposed to take place, and the time, if any is to be fixed, as of which the holders of record of Common Stock (or such other stock or securities at the time issuable upon the conversion of any Preferred Stock) shall be entitled to exchange their shares of Common Stock (or such other stock or securities) for securities or other property deliverable upon such reorganization, reclassification, consolidation, merger, transfer, dissolution, liquidation or winding-up, and the amount per share and character of such exchange applicable to each series of Preferred Stock and the Common Stock. Such notice shall be sent at least 10 days prior to the record date or effective date for the event specified in such notice. Any notice required by the provisions hereof to be given to a holder of shares of Preferred Stock shall be deemed sent to such holder if deposited in the United States mail, postage prepaid, and addressed to such holder at such holder's address appearing on the books of the Corporation.

6. Mandatory Conversion.

(a) Upon the earlier of (A) the closing of the sale of shares of Common Stock to the public at a price of at least \$9.74 per share (subject to appropriate adjustment for stock splits, stock dividends, combinations and other similar recapitalizations affecting such shares), in a firm-commitment underwritten initial public offering pursuant to an effective registration statement under the Securities Act of 1933, as amended, resulting in at least \$40 million of gross proceeds to the Corporation (a "**Qualifying Public Offering**"), or (B) a date specified by vote or written consent of the holders of at least a majority of the then outstanding Preferred Stock, voting as a single class on an as-converted basis, and fifty-five percent (55%) of the then outstanding shares of Series B Preferred Stock, voting as a separate series on an as-converted basis (the "**Mandatory Conversion Date**"), (i) all outstanding shares of Preferred Stock shall automatically be converted into shares of

Common Stock, at the then effective conversion rates and (ii) such shares may not be reissued by the Corporation as shares of such series.

(b) All holders of record of shares of Preferred Stock shall be given written notice of the Mandatory Conversion Date and the place designated for mandatory conversion of all such shares of Preferred Stock pursuant to this Section 6. Such notice need not be given in advance of the occurrence of the Mandatory Conversion Date. Such notice shall be sent by first class or registered mail, postage prepaid, or given by electronic communication in compliance with the provisions of the General Corporation Law, to each record holder of Preferred Stock. Upon receipt of such notice, each holder of shares of Preferred Stock shall surrender his, her or its certificate or certificates for all such shares to the Corporation at the place designated in such notice, and shall thereafter receive certificates for the number of shares of Common Stock to which such holder is entitled pursuant to this Section 6. On the Mandatory Conversion Date, all outstanding shares of Preferred Stock shall be deemed to have been converted into shares of Common Stock, which shall be deemed to be outstanding of record, and all rights with respect to the Preferred Stock so converted, including the rights, if any, to receive notices and vote (other than as a holder of Common Stock), will terminate, except only the rights of the holders thereof, upon surrender of their certificate or certificates therefor, to receive certificates for the number of shares of Common Stock into which such Preferred Stock has been converted, and payment of any declared but unpaid dividends thereon. If so required by the Corporation, certificates surrendered for conversion shall be endorsed or accompanied by written instrument or instruments of transfer, in form satisfactory to the Corporation, duly executed by the registered holder or by his, her or its attorney duly authorized in writing. As soon as practicable after the Mandatory Conversion Date and the surrender of the certificate or certificates for Preferred Stock, the Corporation shall cause to be issued and delivered to such holder, or on his, her or its written order, a certificate or certificates for the number of full shares of Common Stock issuable on such conversion in accordance with the provisions hereof and cash as provided in Subsection 5(b) in respect of any fraction of a share of Common Stock otherwise issuable upon such conversion.

(c) All certificates evidencing shares of Preferred Stock which are required to be surrendered for conversion in accordance with the provisions hereof shall, from and after the Mandatory Conversion Date, be deemed to have been retired and cancelled and the shares of Preferred Stock represented thereby converted into Common Stock for all purposes, notwithstanding the failure of the holder or holders thereof to surrender such certificates on or prior to such date. Such converted Preferred Stock may not be reissued as shares of such Series, and the Corporation may thereafter take such appropriate action (without the need for stockholder action) as may be necessary to reduce the authorized number of shares of Preferred Stock accordingly.

(d) Special Mandatory Conversion.

(i) At any time following October 5, 2007, if (a) a holder of shares of Preferred Stock (a "**Preferred Holder**") is entitled to exercise the right of first offer (the "**Right of First Offer**") set forth in Section 4.1 of the Amended and Restated Investors' Rights Agreement, dated as of October 28, 2005, by and among this Corporation and certain investors, as amended from time to time (the "**Investors' Rights Agreement**"), with respect to a Qualified Financing (as defined below), (b) the Corporation has complied with its notice obligations, or such obligations have been waived, under the Right of First Offer with respect to such Qualified Financing and the Corporation

thereafter proceeds to consummate the Qualified Financing, and (c) such holder (a **“Non-Participating Holder”**) does not, by exercise of such holder’s Right of First Offer, acquire his, her or its Pro Rata Amount (as defined below), then the Applicable Portion (as defined below) of such Non-Participating Holder’s Preferred Stock, as applied individually to each series of Preferred Stock held by such Non-Participating Holder, shall automatically and without further action on the part of such holder be converted effective upon, subject to, and immediately prior to, the consummation of the Qualified Financing (the **“Mandatory Offering Date”**) into shares of Common Stock, at the then effective conversion rate for such series of Preferred Stock. Upon conversion pursuant to this Section 6(d)(i), the shares of Preferred Stock so converted shall be cancelled and not subject to reissuance.

(ii) The holder of any shares of Preferred Stock converted pursuant to Section 6(d)(i) shall deliver to the Corporation during regular business hours at the office of any transfer agent of the Corporation for the Preferred Stock, or at such other place as may be designated by the Corporation, the certificate or certificates for the shares so converted, duly endorsed or assigned in blank or to the Corporation. As promptly as practicable thereafter, the Corporation shall issue and deliver to such holder, at the place designated by such holder, a certificate or certificates for the number of full shares of Common Stock to be issued and a new certificate or certificates for the number of shares, if any, of each series of Preferred Stock represented by each such certificate or certificates and not converted into Common Stock pursuant to this Section 6(d), and such holder shall be deemed to have become a stockholder of record of Common Stock on the Mandatory Offering Date, unless the transfer books of the Corporation are closed on that date, in which event he, she or it shall be deemed to have become a stockholder of record of Common Stock on the next succeeding date on which the transfer books are open.

(iii) For purposes of this Section 6(d):

(A) **“Applicable Portion”** shall mean, with respect to any Non-Participating Holder, a number of shares of Preferred Stock calculated by multiplying the aggregate number of shares of Preferred Stock held by such Non-Participating Holder immediately prior to an Qualified Financing by a fraction, the numerator of which is equal to the amount, if positive, by which such Non-Participating Holder’s Pro Rata Amount exceeds the number of New Securities (as defined below) actually purchased by such Non-Participating Holder in such Qualified Financing, and the denominator of which is equal to such Non-Participating Holder’s Pro Rata Amount.

(B) **“New Securities”** shall mean equity securities of the Corporation, whether now authorized or not, or rights, options, or warrants to purchase said equity securities, or securities of any type whatsoever that are, or may become, convertible into or exchangeable into or exercisable for said equity securities, set aside by the Board for purchase by holders of outstanding shares of Preferred Stock in connection with a Qualified Financing, and offered to such holders.

(C) **“Pro Rata Amount”** shall mean, with respect to any holder of Preferred Stock, the lesser of (a) a number of New Securities calculated by multiplying the aggregate number of New Securities by a fraction, the numerator of which is equal to the number of shares of Preferred Stock held by such holder, and the denominator of which is equal to the aggregate number of outstanding shares of Preferred Stock, or (b) the maximum number of New Securities that such

holder is permitted by the Corporation to purchase in such Qualified Financing, after giving effect to any cutbacks or limitations established by the Board and applied on a pro rata basis to all holders of Preferred Stock.

(D) “**Qualified Financing**” shall mean any transaction involving the issuance or sale of New Securities of the Corporation after the Original Issue Date, unless the holders of at least a majority of the then outstanding shares of Preferred Stock elect otherwise by written notice given to the Corporation at least five (5) days prior to the consummation of the Qualified Financing.

7. Redemption. Neither the Corporation nor the holders of Series A Preferred Stock or Series B Preferred Stock shall have the unilateral right to call or redeem or cause to have called to redeemed any shares of the Series A Preferred Stock or the Series B Preferred Stock.

8. Waiver. Any of the rights, powers or preferences of the holders Preferred Stock set forth herein may be defeated by the affirmative consent or vote of the holders of at least two-thirds (2/3) of the shares Preferred Stock then outstanding, voting together as a single class on an as-converted basis; provided, however, that no rights set forth in Section 4(b) may be defeated without the affirmative consent or vote of the holders of at least a majority of the Series B Preferred Stock then outstanding and no rights set forth in Section 4(d) may be defeated without the affirmative consent or vote of the holders of at least 55% of the Series B Preferred Stock then outstanding.

FIFTH: Subject to any additional vote required by this Amended and Restated Certificate of Incorporation, in furtherance and not in limitation of the powers conferred by statute, the Board is expressly authorized to make, repeal, alter, amend and rescind any or all of the Bylaws of the Corporation.

SIXTH: Subject to any additional vote required by this Amended and Restated Certificate of Incorporation, the number of directors of the Corporation shall be determined in the manner set forth in the Bylaws of the Corporation.

SEVENTH: Elections of directors need not be by written ballot unless the Bylaws of the Corporation shall so provide.

EIGHTH: Meetings of stockholders may be held within or without the State of Delaware, as the Bylaws of the Corporation may provide. The books of the Corporation may be kept outside the State of Delaware at such place or places as may be designated from time to time by the Board or in the Bylaws of the Corporation.

NINTH: To the fullest extent permitted by law, a director of the Corporation shall not be personally liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director. If the General Corporation Law or any other law of the State of Delaware is amended after approval by the stockholders of this Article Ninth to authorize corporate action further eliminating or limiting the personal liability of directors, then the liability of a director of the Corporation shall be eliminated or limited to the fullest extent permitted by the General Corporation Law as so amended.

Any repeal or modification of the foregoing provisions of this Article Ninth by the stockholders of the Corporation shall not adversely affect any right or protection of a director of the Corporation existing at the time of, or increase the liability of any director of the Corporation with respect to any acts or omissions of such director occurring prior to, such repeal or modification.

TENTH: To the fullest extent permitted by applicable law, the Corporation is authorized to provide indemnification of (and advancement of expenses to) directors, officers and agents of the Corporation (and any other persons to which General Corporation Law permits the Corporation to provide indemnification) through Bylaw provisions, agreements with such agents or other persons, vote of stockholders or disinterested directors or otherwise, in excess of the indemnification and advancement otherwise permitted by Section 145 of the General Corporation Law.

Any amendment, repeal or modification of the foregoing provisions of this Article Tenth shall not adversely affect any right or protection of any director, officer or other agent of the Corporation existing at the time of, or increase the liability of any director of the Corporation with respect to any acts or omissions of such director, officer or other agent occurring prior to, such amendment, repeal or modification.

ELEVENTH: Subject to any additional vote required by this Amended and Restated Certificate of Incorporation, the Corporation reserves the right to amend, alter, change or repeal any provision contained in this Amended and Restated Certificate of Incorporation, in the manner now or hereafter prescribed by statute, and all rights conferred upon stockholders herein are granted subject to this reservation.

TWELTH: In connection with repurchases by the Corporation of its Common Stock from employees, officers, directors, advisors, consultants or other persons performing services for the Corporation or any subsidiary pursuant to agreements under which the Corporation has the option to repurchase such shares at cost upon the occurrence of certain events, such as the termination of employment, Sections 502 and 503 of the California Corporations Code shall not apply in all or in part with respect to such repurchases.

3. The foregoing amendment and restatement was approved by the holders of the requisite number of shares of said corporation in accordance with Section 228 of the General Corporation Law.

4. That said Amended and Restated Certificate of Incorporation, which restates and integrates and further amends the provisions of the Corporation's Amended and Restated Certificate of Incorporation, has been duly adopted in accordance with Sections 242 and 245 of the General Corporation Law.
