The purpose of the Corporation is to engage in any lawful act or activity for which corporations may be organized under the Delaware General Corporation Law.

ARTICLE IV

(A) **Classes of Stock.** The Corporation is authorized to issue two classes of stock to be designated, respectively, "Common Stock" and "Preferred Stock." The total number of shares which the Corporation is authorized to issue is Seventy Million Four Hundred Forty-Three Thousand Six Hundred Twenty Seven (70,443,627) shares, each with a par value of \$0.0001 per share. Forty-Two Million (42,000,000) shares shall be Common Stock and Twenty Eight Million Four Hundred Forty-Three Thousand Six Hundred Twenty Seven (28,443,627) shares shall be Preferred Stock.

(B) **Increase in Authorized Common Stock.** The number of authorized shares of Common Stock may be increased or decreased (but not below the number of shares of Common

Stock then outstanding) by the affirmative vote of the holders of a majority of the shares of stock of the Corporation (voting together on an as-if-converted basis).

(C) **Rights, Preferences and Restrictions of Preferred Stock.** The Preferred Stock authorized by this Amended and Restated Certificate of Incorporation (this “Restated Certificate”) may be issued from time to time in one or more series. The first series of Preferred Stock shall be designated “Series A Preferred Stock” and shall consist of Two Million Eight Hundred Thirty-Nine Thousand Eight Hundred FortyThree (2,839,843) shares. The second series of Preferred Stock shall be designated “Series B Preferred Stock” and shall consist of Five Million Six Hundred Twenty Four Thousand Four Hundred Sixty Six (5,624,466) shares. The third series of Preferred Stock shall be designated “Series C Preferred Stock” and shall consist of Three Million Four Hundred Sixteen Thousand Five Hundred Seventy Three (3,416,573) shares. The fourth series of Preferred Stock shall be designated “Series D Preferred Stock” and shall consist of Nine Million Seven Hundred Thousand (9,700,000) shares. The fifth series of Preferred Stock shall be designated “Series E Preferred Stock” and shall consist of Six Million Eight Hundred Sixty-Two Thousand Seven Hundred Forty Five (6,862,745) shares. The rights, preferences, privileges and restrictions granted to and imposed on the Series A Preferred Stock, Series B Preferred Stock, Series C Preferred Stock, Series D Preferred Stock and Series E Preferred Stock are as set forth below in this Article IV(C). Except where otherwise indicated, reference hereafter to “Series Preferred” shall mean Series A Preferred Stock, Series B Preferred Stock, Series C Preferred Stock, Series D Preferred Stock and Series E Preferred Stock.

1. **Dividend Provisions.** The holders of shares of Series A, Series B, Series C, Series D and Series E Preferred Stock shall be entitled to receive dividends, out of any assets legally available therefor, prior and in preference to any declaration or payment of any dividend (payable other than in Common Stock or other securities and rights convertible into or entitling the holder thereof to receive, directly or indirectly, additional shares of Common Stock of the Corporation) on the Common Stock of the Corporation, at the rate of (a) \$0.10 per share (as adjusted for stock splits, stock dividends, reclassification and the like) per annum on each outstanding share of Series A Preferred Stock, (b) \$0.14776 per share (as adjusted for stock splits, stock dividends, reclassification and the like) per annum on each outstanding share of Series B Preferred Stock, (c) \$0.1904 per share (as adjusted for stock splits, stock dividends, reclassification and the like) per annum on each outstanding share of Series C Preferred Stock, (d) \$0.28376 per share (as adjusted for stock splits, stock dividends, reclassification and the like) per annum on each outstanding share of Series D Preferred Stock and (e) \$0.408 per share (as adjusted for stock splits, stock dividends, reclassification and the like) per annum on each outstanding share of Series E Preferred Stock, payable quarterly when, as and if declared by the Board of Directors of the Corporation (the “Board of Directors”). Such dividends shall not be cumulative. After payment of such dividends, any additional dividends shall be distributed among the holders of Series A, Series B, Series C, Series D and Series E Preferred Stock and Common Stock pro rata based on the number of shares of Common Stock then held by each holder (assuming conversion of all such Series Preferred into Common Stock).

2. Liquidation.

(a) Preference. In the event of any liquidation, dissolution or winding up of the Corporation, either voluntary or involuntary, the holders of the Series A, Series B, Series C, Series D and Series E Preferred Stock shall be entitled to receive, prior and in preference to any distribution of any of the assets of the Corporation to the holders of Common Stock by reason of their ownership thereof, an amount per share equal to (i) \$1.25 per share (as adjusted for stock splits, stock dividends, reclassification and the like) for each share of Series A Preferred Stock held by them at the closing of such transaction, plus all declared but unpaid dividends payable on the Series A Preferred Stock, (ii) \$1.847 per share (as adjusted for stock splits, stock dividends, reclassification and the like) for each share of Series B Preferred Stock held by them at the closing of such transaction, plus all declared but unpaid dividends payable on the Series B Preferred Stock, (iii) \$2.38 per share (as adjusted for stock splits, stock dividends, reclassification and the like) for each share of Series C Preferred Stock held by them at the closing of such transaction, plus all declared but unpaid dividends payable on the Series C Preferred Stock, (iv) \$3.547 per share (as adjusted for stock splits, stock dividends, reclassification and the like) for each share of Series D Preferred Stock held by them at the closing of such transaction, plus all declared but unpaid dividends payable on the Series D Preferred Stock and (v) \$5.10 per share (as adjusted for stock splits, stock dividends, reclassification and the like) for each share of Series E Preferred Stock held by them at the closing of such transaction, plus all declared but unpaid dividends payable on the Series E Preferred Stock. If, upon the occurrence of such event, the assets and funds thus distributed among the holders of the Series A, Series B, Series C, Series D and Series E Preferred Stock shall be insufficient to permit the payment to such holders of the full aforesaid preferential amounts, then the entire assets and funds of the Corporation legally available for distribution shall be distributed ratably among the holders of the Series A, Series B, Series C, Series D and Series E Preferred Stock in proportion to the preferential amount each such holder is otherwise entitled to receive.

(b) Remaining Assets.

(i) Upon the completion of the distribution required by Section 2(a) above, the remaining assets of the Corporation available for distribution to stockholders shall be distributed among the holders of the Series A, Series B, Series C, Series D and Series E Preferred Stock and the Common Stock pro rata based on the number of shares of Common Stock held by each at the closing of such transaction (assuming conversion of all such Series Preferred into Common Stock) until:

(A) with respect to the holders of the Series A Preferred Stock, such holders shall have received the greater of (x) an aggregate of \$3.125 per share (as adjusted for stock splits, stock dividends, reclassification and the like) of Series A Preferred Stock held by them at the closing of such transaction or (y) the amount such holder would have received if such holder had converted his, her or its shares of Series A Preferred Stock into Common Stock immediately prior to such liquidation, dissolution or winding up of the Corporation;

(B) with respect to the holders of the Series B Preferred Stock, such holders shall have received the greater of (x) an aggregate of \$4.6175 per share (as adjusted for stock splits, stock dividends, reclassification and the like) of Series B Preferred Stock held by them at the closing of such transaction or (y) the amount such holder would have received if such holder had converted his, her or its shares of Series B Preferred Stock into Common Stock immediately prior to such liquidation, dissolution or winding up of the Corporation;

(C) with respect to the holders of the Series C Preferred Stock, such holders shall have received the greater of (x) an aggregate of \$5.95 per share (as adjusted for stock splits, stock dividends, reclassification and the like) of Series C Preferred Stock held by them at the closing of such transaction or (y) the amount such holder would have received if such holder had converted his, her or its shares of Series C Preferred Stock into Common Stock immediately prior to such dissolution, liquidation or winding up of the Corporation;

(D) with respect to the holders of the Series D Preferred Stock, such holders shall have received the greater of (x) an aggregate of \$7.094 per share (as adjusted for stock splits, stock dividends, reclassification and the like) of Series D Preferred Stock held by them at the closing of such transaction or (y) the amount such holder would have received if such holder had converted his, her or its shares of Series D Preferred Stock into Common Stock immediately prior to such liquidation, dissolution or winding up of the Corporation; and

(E) with respect to the holders of the Series E Preferred Stock, such holders shall have received the greater of (x) an aggregate of \$8.925 per share (as adjusted for stock splits, stock dividends, reclassification and the like) of Series E Preferred Stock held by them at the closing of such transaction or (y) the amount such holder would have received if such holder had converted his, her or its shares of Series E Preferred Stock into Common Stock immediately prior to such liquidation, dissolution or winding up of the Corporation.

(iii) In determining the amount any holder of Series Preferred shall receive pursuant to this Section 2(b), (X) the amount of all distributions previously received by such holder pursuant to Section 2(a) and (b) shall be taken into account and included in such amount, (Y) the amount of all prior distribution shall be valued at the time of their initial distribution (i.e. no appreciation or depreciation of the value of any prior distribution shall be taken into account), and (Z) the application of Section 2(b) to all series of Preferred Stock shall be taken into account.

(c) **Certain Acquisitions.**

(i) **Deemed Liquidation.** For purposes of this Section 2, a liquidation, dissolution or winding up of the Corporation shall be deemed to occur if the Corporation shall sell, convey, or otherwise dispose of all or substantially all of its property or business or merge with or into or consolidate with any other corporation, limited liability

company or other entity (other than a wholly-owned subsidiary of the Corporation) or effect any other transaction or series of related transactions in which the stockholders of the Corporation immediately prior to such transactions(s) own less than fifty percent (50%) of the voting power of the surviving entity immediately after such transaction(s) (any such transaction or transactions, a "Liquidation Transaction"); provided that none of the following shall be considered a Liquidation Transaction: (i) a merger effected exclusively for the purpose of changing the domicile of the Corporation or (ii) an equity financing in which the Corporation is the surviving corporation.

(ii) **Valuation of Consideration.** In the event of a deemed liquidation as described in Section 2(c)(i) above, if the consideration received by the Corporation is other than cash, its value will be deemed its fair market value. Any securities shall be valued as follows:

(A) Securities not subject to investment letter or other similar restrictions on free marketability:

(1) If traded on a securities exchange or The Nasdaq Stock Market ("Nasdaq"), the value shall be deemed to be the average of the closing prices of the securities on such exchange over the thirty-day period ending three (3) days prior to the closing;

(2) If actively traded over-the-counter, the value shall be deemed to be the average of the closing bid or sales prices (whichever is applicable) of the securities over the thirty-day period ending three (3) days prior to the closing; and

(3) If there is no active public market, the value shall be the fair market value thereof, as determined in good faith by the Board of Directors.

(B) The method of valuation of securities subject to investment letter or other restrictions on free marketability (other than restrictions arising solely by virtue of a stockholder's status as an affiliate or former affiliate) shall be to make an appropriate discount from the market value determined as above in Section 2(c)(ii)(A) to reflect the approximate fair market value thereof, as determined in good faith by the Board of Directors.

(iii) **Notice of Liquidation Transaction.** The Corporation shall give each holder of record of Series Preferred written notice of any impending Liquidation Transaction not later than ten (10) days prior to the stockholders' meeting called to approve such Liquidation Transaction, or ten (10) days prior to the closing of such Liquidation Transaction, whichever is earlier, and shall also notify such holders in writing of the final approval of such Liquidation Transaction. The first of such notices shall describe the material terms and conditions of the impending Liquidation Transaction and the provisions of this Section 2, and the Corporation shall thereafter give such holders prompt notice of any material changes. The Liquidation Transaction shall in no event take place sooner than ten (10) days after the Corporation has given the first notice provided for herein or sooner than ten (10) days after the Corporation has given notice of any material changes provided for herein; provided, however,

that such periods may be shortened upon the written consent of the holders of Series Preferred that are entitled to such notice rights or similar notice rights and that represent at least a majority of the voting power of all then outstanding shares of such Series Preferred.

(iv) **Effect of Noncompliance.** In the event the requirements of this Section 2(c) are not complied with, the Corporation shall forthwith either cause the closing of the Liquidation Transaction to be postponed until the requirements of this Section 2 have been complied with, or cancel such Liquidation Transaction, in which event the rights, preferences, privileges and restrictions of the holders of Series Preferred shall revert to and be the same as such rights, preferences, privileges and restrictions existing immediately prior to the date of the first notice referred to in Section 2(c)(iii) hereof.

3. **Redemption.** The Series Preferred is not redeemable.

4. **Conversion.** The holders of Series Preferred shall have conversion rights as follows (the “Conversion Rights”):

(a) **Right to Convert.** Subject to Section 4(c), each share of Series A, Series B, Series C, Series D and Series E Preferred Stock shall be convertible, at the option of the holder thereof, at any time after the date of issuance of such share, at the office of the Corporation or any transfer agent for such stock, into such number of fully paid and nonassessable shares of Common Stock as is determined by dividing (i) \$1.25 in the case of the Series A Preferred Stock, (ii) \$1.847 in the case of the Series B Preferred Stock, (iii) \$2.38 in the case of the Series C Preferred Stock, (iv) \$3.547 in the case of the Series D Preferred Stock and (v) \$5.10 in the case of the Series E Preferred Stock, by the Conversion Price applicable to such share, determined as hereafter provided, in effect on the date the certificate is surrendered for conversion. The initial Conversion Price per share shall be \$1.25 for shares of Series A Preferred Stock, \$1.847 for shares of Series B Preferred Stock, \$2.38 for the shares of Series C Preferred Stock, \$3.547 for shares of Series D Preferred Stock and \$5.10 for shares of Series E Preferred Stock. Such initial Conversion Price shall be subject to adjustment as set forth in Section 4(d) below.

(b) **Automatic Conversion.** Each share of Series A, Series B, Series C, Series D and Series E Preferred Stock shall automatically be converted into shares of Common Stock at the Conversion Price at the time in effect for such share immediately upon the earlier of (i) except as provided below in Section 4(c), upon the closing of a firm commitment underwritten public offering of the Corporation’s Common Stock at a price per share of not less than \$8.925 (as adjusted for stock splits, dividends and the like) and for a total offering of not less than \$30,000,000 (before deductions of underwriters commissions and expenses) (a “Qualified IPO”) pursuant to a registration statement under the Securities Act of 1933, as amended (the “Securities Act”) or (ii) the date specified by written consent or agreement of the holders of a majority of the then outstanding shares of Series Preferred, voting together as a single class.

(c) **Mechanics of Conversion.** Before any holder of Series Preferred shall be entitled to convert such Series Preferred into shares of Common Stock, the holder shall

surrender the certificate or certificates therefor, duly endorsed, at the office of the Corporation or of any transfer agent for such series of Series Preferred or the holder shall notify the Corporation or its transfer agent that such certificate(s) have been lost, stolen or destroyed and execute an agreement satisfactory to the Corporation to indemnify the Corporation from any loss incurred by it in connection with such certificates, and shall give written notice to the Corporation at its principal corporate office, of the election to convert the same and shall state therein the name or names in which the certificate or certificates for shares of Common Stock are to be issued; provided, however, that in the event of an automatic conversion pursuant to paragraph 4(b) above, the outstanding shares of such Series Preferred shall be converted automatically without any further action by the holders of such shares and whether or not the certificates representing such shares are surrendered to the Corporation or its transfer agent; provided further, however, that the Corporation shall not be obligated to issue certificates evidencing the shares of Common Stock issuable upon such automatic conversion unless either the certificates evidencing such shares of Series Preferred are delivered to the Corporation or its transfer agent as provided above, or the holder notifies the Corporation or its transfer agent that such certificates have been lost, stolen or destroyed and executes an agreement satisfactory to the Corporation to indemnify the Corporation from any loss incurred by it in connection with such certificates. The Corporation shall, as soon as practicable thereafter, issue and deliver at such office to such holder of Series Preferred, or to the nominee or nominees of such holder, a certificate or certificates for the number of shares of Common Stock to which such holder shall be entitled as aforesaid. Such conversion shall be deemed to have been made immediately prior to the close of business on the date of such surrender of the shares of such series of Series Preferred to be converted, and the person or persons entitled to receive the shares of Common Stock issuable upon such conversion shall be treated for all purposes as the record holder or holders of such shares of Common Stock as of such date. If the conversion is in connection with an underwritten offering of securities registered pursuant to the Securities Act the conversion may, at the option of any holder tendering such Series Preferred for conversion, be conditioned upon the closing with the underwriters of the sale of securities pursuant to such offering, in which event the person(s) entitled to receive Common Stock upon conversion of such Series Preferred shall not be deemed to have converted such Series Preferred until immediately prior to the closing of such sale of securities. All shares of Series Preferred which shall have been surrendered for conversion as herein provided shall no longer be deemed to be outstanding and all rights with respect to such shares, including the rights, if any, to receive notices and to vote, shall immediately cease and terminate, except only the right of the holders thereof to receive shares of Common Stock in exchange therefor and to receive payment of any dividends declared but unpaid thereon. Any shares of Series Preferred so converted shall be retired and cancelled and shall not be reissued as shares of such series, and the Corporation (without the need for stockholder action) may from time to time take such appropriate action as may be necessary to reduce the authorized number of shares of such Series Preferred accordingly.

(d) **Conversion Price Adjustments of Series Preferred for Certain Dilutive Issuances, Splits and Combinations.** The Conversion Price of the Series Preferred shall be subject to adjustment from time to time as follows:

(i) **Issuance of Additional Stock below Purchase Price.** If the Corporation should issue, at any time after the date upon which any shares of Series E

Preferred Stock were just issued (the "Purchase Date"), any Additional Stock (as defined below) without consideration or for a consideration per share less than the Conversion Price for such series in effect immediately prior to the issuance of such Additional Stock, the Conversion Price for such series in effect immediately prior to each such issuance shall automatically be adjusted as set forth in this Section 4(d)(i), unless otherwise provided in this Section 4(d)(i).

(A) **Adjustment Formula.** Whenever the Conversion Price is adjusted pursuant to this Section 4(d)(i), the new Conversion Price shall be determined by multiplying the Conversion Price then in effect by a fraction, (x) the numerator of which shall be the number of shares of Common Stock outstanding immediately prior to such issuance (the "Outstanding Common") plus the number of shares of Common Stock that the aggregate consideration received by the Corporation for the total number of shares of Additional Stock so issued would purchase at such Conversion Price; and (y) the denominator of which shall be the number of shares of Outstanding Common plus the number of shares of such Additional Stock so issued. For purposes of the foregoing calculation, the term "Outstanding Common" shall include shares of Common Stock deemed issued pursuant to Section 4(d)(i)(E) below.

(B) **Definition of "Additional Stock".** For purposes of this Section 4(d)(i), "Additional Stock" shall mean any shares of Common Stock issued (or deemed to have been issued pursuant to Section 4(d)(i)(E)) by the Corporation after the Purchase Date) other than

(1) Common Stock issued pursuant to stock dividends, stock splits or similar transactions, as described in Section 4(d)(ii) hereof;

(2) Shares of Common Stock issued or issuable to employees, consultants or directors of the Corporation directly or pursuant to a stock option plan, restricted stock plan or other stock plan or other agreements, the terms of which are approved by the Board of Directors, including a majority of the members of the Board of Directors elected by the holders of Series Preferred (the "Preferred Directors");

(3) Capital stock, or options or warrants to purchase capital stock, issued to financial institutions or lessors in connection with commercial credit arrangements, equipment financings, commercial property lease transactions or similar transactions, the terms of which are approved by the Board of Directors, including a majority of the Preferred Directors;

(4) Capital stock issued upon the conversion or exercise of convertible or exercisable securities, including options and warrants granted prior to the date of this Restated Certificate;

(5) Capital stock, or warrants or options to purchase capital stock, issued in connection with bona fide acquisitions, mergers or similar transactions, the terms of which are approved by the Board of Directors, including a majority of the Preferred Directors;

(6) Shares of Common Stock issued or issuable upon conversion of the Series Preferred;

(7) Shares of Common Stock issued or issuable in a public offering prior to or in connection with which all outstanding shares of Series Preferred will be converted to Common Stock;

(8) Capital stock issued or issuable to an entity as a component of any business relationship with such entity for the purpose of (A) joint venture, technology licensing or development activities, (B) distribution, supply or manufacture of the Corporation's products or services or (C) any other arrangements involving corporate partners that are primarily for purposes other than raising capital, the terms of which business relationship with such entity are approved by the Board of Directors, including a majority of the Preferred Directors; and

(9) Shares of Common Stock issued or issuable with the affirmative vote of at least a majority of the then outstanding shares of Series Preferred, voting together as a class.

(C) **No Fractional Adjustments.** No adjustment of the Conversion Price for the Series Preferred shall be made in an amount less than one cent per share, provided that any adjustments which are not required to be made by reason of this sentence shall be carried forward and shall be either taken into account in any subsequent adjustment made prior to three years from the date of the event giving rise to the adjustment being carried forward, or shall be made at the end of three years from the date of the event giving rise to the adjustment being carried forward.

(D) **Determination of Consideration.** In the case of the issuance of Common Stock for cash, the consideration shall be deemed to be the amount of cash paid therefor before deducting any reasonable discounts, commissions or other expenses allowed, paid or incurred by the Corporation for any underwriting or otherwise in connection with the issuance and sale thereof. In the case of the issuance of the Common Stock for a consideration in whole or in part other than cash, the consideration other than cash shall be deemed to be the fair value thereof as determined by the Board of Directors irrespective of any accounting treatment.

(E) **Deemed Issuances of Common Stock.** In the case of the issuance (whether before, on or after the applicable Purchase Date) of securities or rights convertible into, or entitling the holder thereof to receive directly or indirectly, additional shares of Common Stock (the "**Common Stock Equivalents**"), the following provisions shall apply for all purposes of this Section 4(d)(i):

(1) The aggregate maximum number of shares of Common Stock deliverable upon conversion, exchange or exercise (assuming the satisfaction of any conditions to convertibility, exchangeability or exercisability, including, without limitation, the passage of time, but without taking into account potential antidilution

adjustments) of any Common Stock Equivalents and subsequent conversion, exchange or exercise thereof shall be deemed to have been issued at the time such securities were issued or such Common Stock Equivalents were issued and for a consideration equal to the consideration, if any, received by the Corporation for any such securities and related Common Stock Equivalents (excluding any cash received on account of accrued interest or accrued dividends), plus the minimum additional consideration, if any, to be received by the Corporation (without taking into account potential antidilution adjustments) upon the conversion, exchange or exercise of any Common Stock Equivalents (the consideration in each case to be determined in the manner provided in Section 4(d)(i)(D)).

(2) In the event of any change in the number of shares of Common Stock deliverable or in the consideration payable to the Corporation upon conversion, exchange or exercise of any Common Stock Equivalents, other than a change resulting from the antidilution provisions thereof, the Conversion Price of any series of Series Preferred, to the extent in any way affected by or computed using such Common Stock Equivalents, shall be recomputed to reflect such change, but no further adjustment shall be made for the actual issuance of Common Stock or any payment of such consideration upon the conversion, exchange or exercise of such Common Stock Equivalents.

(3) Upon the termination or expiration of the convertibility, exchangeability or exercisability of any Common Stock Equivalents, the Conversion Price of any series of Series Preferred, to the extent in any way affected by or computed using such Common Stock Equivalents, shall be recomputed to reflect the issuance of only the number of shares of Common Stock (and Common Stock Equivalents that remain convertible, exchangeable or exercisable) actually issued upon the conversion, exchange or exercise of such Common Stock Equivalents.

(4) The number of shares of Common Stock deemed issued and the consideration deemed paid therefor pursuant to Section 4(d)(i)(E)(1) shall be appropriately adjusted to reflect any change, termination or expiration of the type described in either Section 4(d)(i)(E)(2) or 4(d)(i)(E)(3).

(F) **No Increased Conversion Price.** Notwithstanding any other provisions of this Section 4(d)(i), except to the limited extent provided for in Sections 4(d)(i)(E)(2) and 4(d)(i)(E)(3), no adjustment of the Conversion Price pursuant to this Section 4(d)(i) shall have the effect of increasing the Conversion Price above the Conversion Price in effect immediately prior to such adjustment.

(ii) **Stock Splits and Dividends.** In the event the Corporation should at any time after the Purchase Date fix a record date for the effectuation of a split or subdivision of the outstanding shares of Common Stock or the determination of holders of Common Stock entitled to receive a dividend or other distribution payable in additional shares of Common Stock or Common Stock Equivalents without payment of any consideration by such holder for the additional shares of Common Stock or the Common Stock Equivalents (including the additional shares of Common Stock issuable upon conversion or exercise thereof), then, as of such record date (or the date of such dividend distribution, split or subdivision if no record date

is fixed), the Conversion Price of each of the Series A, Series B, Series C, Series D and Series E Preferred Stock shall be appropriately decreased so that the number of shares of Common Stock issuable on conversion of each share of such series shall be increased in proportion to such increase of the aggregate of shares of Common Stock outstanding and those issuable with respect to such Common Stock Equivalents with the number of shares issuable with respect to Common Stock Equivalents determined from time to time in the manner provided for deemed issuances in Section 4(d)(i)(E).

(iii) **Reverse Stock Splits.** If the number of shares of Common Stock outstanding at any time after the Purchase Date is decreased by a combination of the outstanding shares of Common Stock without a corresponding combination of the Series A, Series B, Series C and/or Series D Preferred Stock, then, following the record date of such combination, the Conversion Price for each of the Series A, Series B, Series C, Series D and Series E Preferred Stock shall be appropriately increased so that the number of shares of Common Stock issuable on conversion of each share of such series shall be decreased in proportion to such decrease in outstanding shares.

(e) **Other Distributions.** In the event the Corporation shall declare a distribution payable in securities of other persons, evidences of indebtedness issued by the Corporation or other persons, assets (excluding cash dividends) or options or rights not referred to in Section 4(d)(ii), then, in each such case for the purpose of this Section 4(e), the holders of Series Preferred shall be entitled to a proportionate share of any such distribution as though they were the holders of the number of shares of Common Stock of the Corporation into which their shares of Series Preferred are convertible as of the record date fixed for the determination of the holders of Common Stock of the Corporation entitled to receive such distribution.

(f) **Recapitalizations.** If at any time or from time to time there shall be a recapitalization or reclassification of the Common Stock or the merger or consolidation of the Corporation with or into another corporation or other entity (other than a Liquidation Transaction as defined in Section 2 or a subdivision, combination or merger or sale of assets transaction provided for elsewhere in this Section 4) provision shall be made so that the holders of Series Preferred shall thereafter be entitled to receive upon conversion of such Series Preferred the number of shares of stock or other securities or property of the Corporation or otherwise, to which a holder of Common Stock deliverable upon conversion would have been entitled on such recapitalization, reclassification, merger, or consolidation. In any such case, appropriate adjustment shall be made in the application of the provisions of this Section 4 with respect to the rights of the holders of such Series Preferred after the recapitalization, reclassification, merger, or consolidation to the end that the provisions of this Section 4 (including adjustment of the Conversion Price then in effect and the number of shares purchasable upon conversion of such Series Preferred) shall be applicable after that event and be as nearly equivalent as practicable.

(g) **No Impairment.** The Corporation will not, by amendment of its Certificate of Incorporation or through any reorganization, recapitalization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder by the Corporation, but will at all times in good faith assist in the carrying out of all

the provisions of this Section 4 and in the taking of all such action as may be necessary or appropriate in order to protect the Conversion Rights of the holders of Series Preferred against impairment.

(h) **No Fractional Shares and Certificate as to Adjustments.**

(i) No fractional shares shall be issued upon the conversion of any share or shares of Series Preferred, and the number of shares of Common Stock to be issued shall be rounded to the nearest whole share. The number of shares issuable upon such conversion shall be determined on the basis of the total number of shares of Series Preferred the holder is at the time converting into Common Stock and the number of shares of Common Stock issuable upon such aggregate conversion.

(ii) Upon the occurrence of each adjustment or readjustment of the Conversion Price of Series A, Series B, Series C, Series D or Series E Preferred Stock pursuant to this Section 4, the Corporation, at its expense, shall promptly compute such adjustment or readjustment in accordance with the terms hereof and prepare and furnish to each holder of such Series Preferred a certificate setting forth such adjustment or readjustment and showing in detail the facts upon which such adjustment or readjustment is based. The Corporation shall, upon the written request at any time of any holder of Series A, Series B, Series C, Series D or Series E Preferred Stock, furnish or cause to be furnished to such holder a like certificate setting forth (A) such adjustment and readjustment, (B) the Conversion Price for such series of Series Preferred at the time in effect, and (C) the number of shares of Common Stock and the amount, if any, of other property which at the time would be received upon the conversion of a share of such series of Series Preferred.

(i) **Notices of Record Date.** In the event of any taking by the Corporation of a record of the holders of any class of securities for the purpose of determining the holders thereof who are entitled to receive any dividend (other than a cash dividend) or other distribution, any right to subscribe for, purchase or otherwise acquire any shares of stock of any class or any other securities or property, or to receive any other right, the Corporation shall mail to each holder of Series Preferred, at least ten (10) days prior to the date specified therein, a notice specifying the date on which any such record is to be taken for the purpose of such dividend, distribution or right, and the amount and character of such dividend, distribution or right.

(j) **Reservation of Stock Issuable Upon Conversion.** The Corporation shall at all times reserve and keep available out of its authorized but unissued shares of Common Stock, solely for the purpose of effecting the conversion of the shares of the Series Preferred, such number of its shares of Common Stock as shall from time to time be sufficient to effect the conversion of all outstanding shares of such series of Series Preferred; and if at any time the number of authorized but unissued shares of Common Stock shall not be sufficient to effect the conversion of all then outstanding shares of such series of Series Preferred, in addition to such other remedies as shall be available to the holder of such Series Preferred, the Corporation will take such corporate action as may, in the opinion of its counsel, be necessary to increase its authorized but unissued shares of Common Stock to such number of shares as shall

be sufficient for such purposes, including, without limitation, engaging in best efforts to obtain the requisite stockholder approval of any necessary amendment to this Restated Certificate.

(k) **Notices.** Any notice required by the provisions of this Section 4 to be given to the holders of shares of Series Preferred shall be deemed given five (5) days after being deposited in the United States mail, postage prepaid, and addressed to each holder of record at his address appearing on the books of the Corporation.
