3. The Certificate of Incorporation is hereby amended and restated in its entirety to provide as herein set forth in full.

FIRST: The name of this corporation is Aushon Biosystems, Inc. (the "*Corporation*").

FOURTH: The total number of shares of all classes of stock that the Corporation shall have authority to issue is (i) Eighty Five Million (85,000,000) shares of Common Stock, \$0.001 par value per share ("*Common Stock*"), and (ii) Fifty Two Million Three Hundred Thirty Nine Thousand Eight Hundred and Ninety One (52,339,891) shares of Preferred Stock, \$0.001 par value per share ("*Preferred Stock*"), of

which (i) Twenty Seven Million Six Hundred Ninety Five Thousand Nine Hundred Thirty One (27,695,931) shares have been designated Series A Convertible Participating Preferred Stock ("*Series A Preferred Stock*") and (ii) Twenty Four Million Six Hundred Forty Three Thousand Nine Hundred Sixty (24,643,960) shares have been designated Series B Convertible Participating Preferred Stock ("*Series B Preferred Stock*").

The following is a statement of the designations and the powers, privileges and rights, and the qualifications, limitations or restrictions thereof, in respect of each class of capital stock of the Corporation.

A) COMMON STOCK

1. General. The voting, dividend and liquidation rights of the holders of Common Stock are subject to and qualified by the rights of the holders of Preferred Stock of any series as may be designated by the Board of Directors upon any issuance of Preferred Stock of any series.

2. Voting. The holders of Common Stock are entitled to one vote for each share held at all meetings of stockholders (and written actions in lieu of meetings). There shall be no cumulative voting.

The number of authorized shares of Common Stock may be increased or decreased (but not below the number of shares thereof then outstanding) by the affirmative vote of the holders of a majority of the stock of the Corporation entitled to vote, irrespective of the provisions of Section 242(b) of the General Corporation Law of Delaware.

3. Dividends. Dividends may be declared and paid on Common Stock from funds lawfully available therefor as and when determined by the Board of Directors and subject to any preferential dividend rights of any then outstanding Preferred Stock.

4. Liquidation. Upon the dissolution or liquidation of the Corporation, whether voluntary or involuntary, holders of Common Stock will be entitled to receive all assets of the Corporation available for distribution to its stockholders, subject to any preferential rights of any then outstanding Preferred Stock.

B) PREFERRED STOCK

The Preferred Stock has the following rights, preferences, powers, privileges and restrictions, qualifications and limitations.

1. Dividends.

(a) The holders of shares of Preferred Stock shall be entitled to receive dividends in any fiscal year, when, as and if declared by the Board of Directors, out of any assets at the time legally available therefor.

(b) The Corporation shall not declare or pay any cash dividends on shares of Common Stock until each of the holders of the Preferred Stock then outstanding shall have first received, or there shall have been declared and set aside for payment, a cash dividend on each outstanding share of Preferred Stock in an amount equal to the product of (i) the per share amount, if any, of the dividends to be declared, paid or set aside for the Common Stock, multiplied by (ii) the number of whole shares of Common Stock into which such shares of Preferred Stock is then convertible.

2. Liquidation, Dissolution or Winding Up; Certain Mergers, Consolidations and Asset Sales.

(a) In the event of any voluntary or involuntary liquidation, dissolution or winding up of the Corporation, before any payment shall be made to the holders of Common Stock by reason of their ownership thereof, the holders of shares of Preferred Stock then outstanding shall be entitled to be paid out of the assets of the Corporation available for distribution to its stockholders, on a pari passu basis, an amount equal to: (i) in the case of holders of Series A Preferred Stock, \$0.751 per share (subject to appropriate adjustment in the event of any stock dividend, stock split, combination or other similar recapitalization affecting the number of issued and outstanding shares of Series A Preferred Stock), plus any dividends declared but unpaid thereon, and (ii) in the case of holders of Series B Preferred Stock, \$0.375 per share (subject to appropriate adjustment in the event of any stock dividend, stock split, combination or other similar recapitalization affecting the number of issued and outstanding shares of Series B Preferred Stock), plus any dividends declared but unpaid thereon. If upon any such liquidation, dissolution or winding up of the Corporation the remaining assets of the Corporation available for distribution to its stockholders shall be insufficient to pay the holders of the Preferred Stock the full amount to which they shall be entitled, the holders of Preferred Stock shall share ratably in any distribution of the remaining assets and funds of the Corporation in proportion to the respective amounts which would otherwise be payable in respect of the shares of Preferred Stock held by them upon such distribution if all amounts payable on or with respect to such shares of Preferred Stock were paid in full.

(b) After the payment of all preferential amounts required to be paid to the holders of Preferred Stock, upon the dissolution, liquidation or winding up of the Corporation, any remaining assets and funds of the Corporation available for distribution shall be distributed among the holders of the Preferred Stock and the Common Stock then outstanding, pro rata based on the number of shares held by each such holder, treating for this purpose all such securities as if they had been converted to Common Stock pursuant to the terms of this Restated Certificate, as further amended and/or restated from time to time, immediately prior to such dissolution, liquidation or winding up of the Corporation.

(c) A merger or consolidation in which (i) the Corporation is a constituent party or (ii) a subsidiary of the Corporation is a constituent party and the Corporation issues shares of its capital stock pursuant to such merger or consolidation (except any such merger or consolidation involving the Corporation or its subsidiary in which the holders of capital stock of the Corporation immediately prior to such merger or consolidation continue to hold immediately following such merger or consolidation at least 50% by voting power of the outstanding capital stock of (1) the surviving or resulting corporation or (2) if the surviving or resulting corporation is a wholly owned subsidiary of another corporation immediately following such merger or consolidation, the parent corporation of such resulting or surviving corporation), or the sale, conveyance, mortgage, pledge or lease of all or substantially all of the assets of the Corporation shall be deemed to be a liquidation, dissolution or winding up of the Corporation for purposes of this Section 2 unless the holders of a majority of the then outstanding shares of Preferred Stock elect otherwise, voting together as a single class and on an as-converted basis, by giving written notice thereof to the Corporation at least two (2) days before the effective date of such event. If no such notice is given, such event shall be deemed to be a liquidation, dissolution or winding up for the purposes of the Preferred Stock. The amount deemed distributed to the holders of Preferred Stock or Common Stock in connection with a transaction referred to in this Section 2(c) shall be the cash or the value of the property, rights or other securities distributed to such holders by the acquiring person, firm or other entity. The value or property, rights or other securities shall be determined by and in the good faith discretion of the Board of Directors of the Corporation. Payment of preferential amounts required to be paid to the holders of Preferred Stock shall constitute a redemption of such Preferred Stock, and after such payment with respect to any share of Preferred Stock such share shall cease to be outstanding for any purpose. The Corporation shall promptly provide to the holders of shares of Preferred Stock such information concerning the terms of such merger, consolidation or asset sale and the value of the assets of the Corporation as may reasonably be requested by the holders of Preferred Stock in order to assist them in determining whether to make such an election.

### 3. Voting.

(a) Each holder of outstanding shares of Preferred Stock shall be entitled to the number of votes equal to the number of whole shares of Common Stock into which the shares of Preferred Stock held by such holder are then convertible (as adjusted from time to time pursuant to Section 4 hereof), at each meeting of stockholders of the Corporation (and written actions of stockholders in lieu of meetings) with respect to any and all matters presented to the stockholders of the Corporation for their action or consideration. Except as provided by law or by the provisions of Subsection 3(b) or 3(c) below, holders of the Preferred Stock shall vote together with the holders of Common Stock as a single class on any actions to be taken by the stockholders of the Corporation.

(b) So long as at least Thirteen Million Seventy Eight Thousand Two (13,078,000) shares of Preferred Stock (such number to be appropriately adjusted in the event of any stock splits, stock dividends, recapitalizations or similar events occurring on

or after the date of filing of this Restated Certificate affecting the number of issued and outstanding shares of Preferred Stock) are outstanding, the holders of record of a majority of the outstanding shares of Preferred Stock, exclusively and as a separate class, voting on an as-converted basis, shall be entitled to elect four (4) directors of the Corporation ("*Preferred Stock Directors*"). At any meeting held for the purpose of electing directors, the presence in person or by proxy of the holders of a majority of the shares of Preferred Stock then outstanding (calculated on an as-converted basis) shall constitute a quorum of the Preferred Stock for the purpose of electing directors by holders of the Preferred Stock. Vacancies in the directorships filled by the holders of the Preferred Stock shall be filled only by vote or written consent in lieu of a meeting of the holders of the Preferred Stock. Any director elected as provided by this Section 3(b) may be removed without cause by, and only by, the affirmative majority vote of the holders of the shares of the class or series of capital stock entitled to elect such director or directors, given either at a special meeting of such stockholders duly called for that purpose or pursuant to a written consent of stockholders.

(c) In addition to any other rights provided by law, so long as at least Thirteen Million Seventy Eight Thousand Two (13,078,000) shares of Preferred Stock (such number to be proportionately adjusted in the event of any stock splits, stock dividends, recapitalizations or similar events occurring on or after the date of filing of this Restated Certificate affecting the number of issued and outstanding shares of Preferred Stock) are outstanding, the Corporation shall not, without the prior written consent or affirmative vote of the holders of a majority of the then outstanding shares of Preferred Stock, voting together as a single class and on an as-converted basis:

(i) effect or obligate itself to effect, any merger, sale, lease, assignment, transfer or other conveyance of all or substantially all or any substantial portion of the assets of the Corporation or any subsidiary thereof, or any consolidation or merger involving the Corporation or any subsidiary thereof, or any dissolution, liquidation or winding up of the Corporation;

(ii) voluntarily liquidate or dissolve;

(iii) incur any indebtedness for borrowed money that, when added to all then outstanding indebtedness for borrowed money, exceeds \$250,000 in the aggregate that is not approved by a majority of the Preferred Stock Directors then serving on the Board of Directors of the Corporation (for the avoidance of doubt, the indebtedness for borrowed money does not include any trade credit incurred in the ordinary course of business);

(iv) amend or delete any provision of, or add any provision to, this Restated Certificate, as further amended and/or restated from time to time;

(v) authorize or issue any new or existing class or classes or series of capital stock having any preference or priority as to dividends, liquidation preferences or redemption rights superior to or on a parity with the Series A Preferred

Stock or the Series B Preferred Stock, or authorize or issue shares of stock of any class or any bonds, debentures, notes or other obligations convertible into or exchangeable for, or having rights to purchase, any shares of stock of the Corporation having any preference or priority as to dividends, liquidation preferences or redemption rights superior to or on a parity with the Series A Preferred Stock or the Series B Preferred Stock; or

(vi) reclassify any shares of Common Stock of the Corporation;

(vii) pay or declare any dividend or distribution on any shares of its capital stock, or apply any of its assets to the redemption, retirement, purchase or acquisition, directly or indirectly, through subsidiaries or otherwise, of any shares of its capital stock, except for the repurchase by the Corporation of capital stock held by an employee, director or consultant of the Corporation at cost upon termination of their employment or services with the Corporation, or as contemplated by this Restated Certificate, as further amended and/or restated from time to time, or the Second Amended and Restated Right of First Refusal and Co-Sale Agreement dated on or about the date of filing of this Restated Certificate by and among the Corporation and the other parties named therein;

(viii) increase or decrease the size of the Corporation's Board of Directors unless such increase or decrease is approved by a unanimous vote of the Board of Directors.

4. Optional Conversion. The holders of the Preferred Stock shall have conversion rights as follows (the "*Conversion Rights*"):

(a) Right to Convert.

(i) Series A Preferred Stock. Each share of Series A Preferred Stock shall be convertible, at the option of the holder thereof, at any time and from time to time, and without the payment of additional consideration by the holder thereof, into such number of fully paid and nonassessable shares of Common Stock as is determined by dividing \$1.00 (subject to appropriate adjustment in the event of any stock dividend, stock split, combination or other similar recapitalization affecting the number of issued and outstanding shares of Series A Preferred Stock) by the Series A Conversion Price (as defined below) in effect at the time of conversion. The "*Series A Conversion Price*" shall initially be \$0.76. Such initial Conversion Price, and the rate at which shares of Series A Preferred Stock may be converted into shares of Common Stock, shall be subject to adjustment as provided below.

(ii) Series B Preferred Stock. Each share of Series B Preferred Stock shall be convertible, at the option of the holder thereof, at any time and from time to time, and without the payment of additional consideration by the holder thereof, into such number of fully paid and nonassessable shares of Common Stock as is determined by dividing \$0.375 (subject to appropriate adjustment in the event of any stock dividend, stock split, combination or other similar recapitalization affecting the number of issued

and outstanding shares of Series B Preferred Stock) by the Series B Conversion Price (as defined below) in effect at the time of conversion. The "*Series B Conversion Price*" shall initially be \$0.375. Such initial Series B Conversion Price, and the rate at which shares of Series B Preferred Stock may be converted into shares of Common Stock, shall be subject to adjustment as provided below.

In the event of a notice of redemption of any shares of Preferred Stock pursuant to Section 6 hereof, the Conversion Rights of the shares designated for redemption shall terminate at the close of business on the full day preceding the date fixed for redemption, unless the redemption price is not paid when due, in which case the Conversion Rights for such shares shall continue until such price is paid in full. In the event of a liquidation, dissolution or winding up of the Corporation, the Conversion Rights shall terminate at the close of business on the second full day preceding the date fixed for the payment of any amounts distributable on such event to the holders of Preferred Stock.

(b) Fractional Shares. No fractional shares of Common Stock shall be issued upon conversion of the Preferred Stock. In lieu of any fractional shares to which the holder would otherwise be entitled, the Corporation shall pay cash equal to such fraction multiplied by the then effective Conversion Price of the applicable shares of Preferred Stock.

(c) Mechanics of Conversion.

(i) In order for a holder of Preferred Stock to convert shares of Preferred Stock into shares of Common Stock, such holder shall surrender the certificate or certificates for such shares of Preferred Stock, at the office of the transfer agent for the Preferred Stock (or at the principal office of the Corporation if the Corporation serves as its own transfer agent), together with written notice that such holder elects to convert all or any number of the shares of Preferred Stock represented by such certificate or certificates. Such notice shall state such holder's name or the names of the nominees in which such holder wishes the certificate or certificates for shares of Common Stock to be issued. If required by the Corporation, certificates surrendered for conversion shall be endorsed or accompanied by a written instrument or instruments of transfer, in form satisfactory to the Corporation, duly executed by the registered holder or his or its attorney duly authorized in writing. The date of receipt of such certificates and notice by the transfer agent (or by the Corporation if the Corporation serves as its own transfer agent) shall be the conversion date ("*Conversion Date*"). The Corporation shall, as soon as practicable after the Conversion Date, issue and deliver at such office to such holder of Preferred Stock, or to his or its nominees, a certificate or certificates for the number of shares of Common Stock to which such holder shall be entitled, together with cash in lieu of any fraction of a share.

(ii) The Corporation shall at all times when the Preferred Stock shall be outstanding, reserve and keep available out of its authorized but unissued stock, for the purpose of effecting the conversion of the Preferred Stock, such number of its duly authorized shares of Common Stock as shall from time to time be sufficient to effect the

conversion of all outstanding Preferred Stock. Before taking any action which would cause an adjustment reducing the Series A Conversion Price or the Series B Conversion Price, as the case may be, below the then par value of the shares of Common Stock issuable upon conversion of such Preferred Stock, the Corporation will take any corporate action which may, in the opinion of its counsel, be necessary in order that the Corporation may validly and legally issue fully paid and nonassessable shares of Common Stock at such adjusted Conversion Price.

(iii) Upon any such conversion, no adjustment to the Series A Conversion Price or the Series B Conversion Price shall be made for any declared but unpaid dividends on the Preferred Stock surrendered for conversion or on the Common Stock delivered upon conversion.

(iv) All shares of Preferred Stock which shall have been surrendered for conversion as herein provided shall no longer be deemed to be outstanding and all rights with respect to such shares, including the rights, if any, to receive notices and to vote, shall immediately cease and terminate on the Conversion Date, except only the right of the holders thereof to receive shares of Common Stock in exchange therefor and payment of any dividends declared but unpaid thereon. Any shares of Preferred Stock so converted shall be retired and cancelled and shall not be reissued, and the Corporation (without the need for stockholder action) may from time to time take such appropriate action as may be necessary to reduce the authorized number of shares of Preferred Stock accordingly.

(v) The Corporation shall pay any and all issue and other taxes that may be payable in respect of any issuance or delivery of shares of Common Stock upon conversion of shares of Preferred Stock pursuant to this Section 4. The Corporation shall not, however, be required to pay any tax which may be payable in respect of any transfer involved in the issuance and delivery of shares of Common Stock in a name other than that in which the shares of Preferred Stock so converted were registered, and no such issuance or delivery shall be made unless and until the person or entity requesting such issuance has paid to the Corporation the amount of any such tax or has established, to the satisfaction of the Corporation, that such tax has been paid.

(d) Adjustments to Conversion Price for Diluting Issues:

(i) Special Definitions. For purposes of this Subsection 4(d), the following definitions shall apply:

(A) "*Option*" shall mean rights, options or warrants to subscribe for, purchase or otherwise acquire Common Stock or Convertible Securities.

(B) "*Original Issue Date*" shall mean the date on which a share of Series B Preferred Stock was first issued.

(C) “*Convertible Securities*” shall mean any evidences of indebtedness, shares or other securities directly or indirectly convertible into or exchangeable for Common Stock, but excluding Options.

(D) “*Additional Shares of Common Stock*” shall mean all shares of Common Stock issued (or, pursuant to Subsection 4(d)(iii) below, deemed to be issued) by the Corporation after the Original Issue Date other than the following (“Exempted Securities”):

(I) shares of Common Stock issued or issuable upon conversion or exchange of any Convertible Securities or exercise of any Options outstanding on the Original Issue Date;

(II) shares of Common Stock issued or issuable as a dividend or distribution on Preferred Stock;

(III) shares of Common Stock issued or issuable by reason of a dividend, stock split, split-up or other distribution on shares of Common Stock that is covered by Subsection 4(e) or 4(f) below;

(IV) up to 13,293,361 shares of Common Stock (or Options or Convertible Securities with respect thereto) (or such higher number as may be approved by a majority of the Preferred Stock Directors then serving on the Board of Directors of the Corporation), subject in either case to appropriate adjustment in the event of any stock dividend, stock split, combination or other similar recapitalization affecting such shares, issued or deemed issued to employees or directors of, or consultants to, the Corporation or any of its subsidiaries pursuant to the Corporation’s 2006 Stock Incentive Plan or similar plans or arrangements approved by a majority of the Preferred Stock Directors then serving on the Board of Directors of the Corporation (provided that any Options for such shares that expire or terminate unexercised or any restricted stock repurchased by the Corporation shall not be counted toward such maximum number unless and until such shares are regranted as new stock grants (or as new Options) pursuant to the terms of any such plan, agreement or arrangement);

(V) shares of Common Stock (or Options or Convertible Securities with respect thereto) issued solely in consideration for the acquisition (whether by merger or otherwise) by the Corporation or any of its subsidiaries of all or substantially all of the stock or assets of any other entity; provided that such transaction, and the issuance of shares in connection therewith, has been approved by a majority of the Preferred Stock Directors then serving on the Board of Directors of the Corporation;

(VI) shares of Common Stock (or Options or Convertible Securities with respect thereto) issued or issuable to financial institutions or lessors in connection with commercial credit agreements, equipment financings or similar transactions; provided that such transaction, and the issuance of shares in connection

therewith, has been approved by a majority of the Preferred Stock Directors then serving on the Board of Directors of the Corporation;

(VII) shares of Common Stock (or Options or Convertible Securities with respect thereto) issued or issuable in connection with strategic transactions involving the Company and other entities, including (i) joint ventures, and manufacturing, marketing or distribution arrangements, or (ii) technology transfer or development arrangements, provided that such strategic transactions, and the issuance of shares in connection therewith, has been approved by a majority of the Preferred Stock Directors then serving on the Board of Directors of the Corporation; or

(VIII) (i) up to Twenty Four Million Six Hundred Forty Three Thousand Nine Hundred Sixty (24,643,960) shares of Series B Preferred Stock issued pursuant to that certain Series B Convertible Preferred Stock Purchase Agreement dated on or about the Effective Time or (ii) Common Stock issued upon conversion of the Series B Preferred Stock.

(ii) No Adjustment of Conversion Price. No adjustment in the number of shares of Common Stock into which the Series A Preferred Stock or Series B Preferred Stock is convertible shall be made by adjustment in the Series A Conversion Price or the Series B Conversion Price: (a) unless the consideration per share (determined pursuant to Subsection 4(d)(v)) for an Additional Share of Common Stock issued or deemed to be issued by the Corporation is less than the Series A Conversion Price or the Series B Conversion Price, as applicable, in effect immediately prior to the issue of such Additional Shares, or (b) the Corporation receives written notice from the holders of a majority of the then outstanding shares of Series A Preferred Stock or Series B Preferred Stock, as applicable, agreeing that no such adjustment shall be made as the result of the issuance of such Additional Shares of Common Stock.

(iii) Issue of Securities Deemed Issue of Additional Shares of Common Stock.

If the Corporation at any time or from time to time after the Original Issue Date shall issue any Options (excluding Options which are Exempted Securities) or Convertible Securities (excluding Convertible Securities which are Exempted Securities) or shall fix a record date for the determination of holders of any class of securities entitled to receive any such Options or Convertible Securities, then the maximum number of shares of Common Stock (as set forth in the instrument relating thereto without regard to any provision contained therein for a subsequent adjustment of such number) issuable upon the exercise of such Options or, in the case of Convertible Securities and Options therefor, the conversion or exchange of such Convertible Securities, shall be deemed to be Additional Shares of Common Stock issued as of the time of such issue or, in case such a record date shall have been fixed, as of the close of business on such record date, provided, however, that Additional Shares of Common Stock shall not be deemed to have been issued unless the consideration per share (determined pursuant to Subsection 4(d)(v))

hereof) of such Additional Shares of Common Stock would be less than the applicable Conversion Price in effect on the date of and immediately prior to such issue, or such record date, as the case may be; and provided, further that in any such case in which Additional Shares of Common Stock are deemed to be issued:

(A) No further adjustment in the Series A Conversion Price or Series B Conversion Price shall be made upon the subsequent issue of Convertible Securities or shares of Common Stock upon the exercise of such Options or conversion or exchange of such Convertible Securities;

(B) If such Options or Convertible Securities by their terms provide, with the passage of time or otherwise, for any increase or decrease in the consideration payable to the Corporation, upon the exercise, conversion or exchange thereof, the Series A Conversion Price or the Series B Conversion Price, as applicable, computed upon the original issue thereof (or upon the occurrence of a record date with respect thereto), and any subsequent adjustments based thereon, shall, upon any such increase or decrease becoming effective, be recomputed to reflect such increase or decrease insofar as it affects such Options or the rights of conversion or exchange under such Convertible Securities;

(C) Upon the expiration or termination of any unexercised Option, the Series A Conversion Price or Series B Conversion Price, as applicable, shall be readjusted to the Series A Conversion Price or Series B Conversion Price that would be in effect had such Option never been issued, and the Additional Shares of Common Stock deemed issued as the result of the original issue of such Option shall not be deemed issued for the purposes of any subsequent adjustment of the Series A Conversion Price or Series B Conversion Price, as applicable;

(D) In the event of any change in the number of shares of Common Stock issuable upon the exercise, conversion or exchange of any such Option or Convertible Security, including, but not limited to, a change resulting from the anti-dilution provisions thereof (but excluding any change resulting from any events resulting in changes under Section 4(e) or 4(f) below), the Series A Conversion Price and Series B Conversion Price, as applicable, then in effect shall forthwith be readjusted to such Series A Conversion Price or Series B Conversion Price as would have obtained had the adjustment which was made upon the issuance of such Option or Convertible Security not exercised or converted prior to such change been made upon the basis of such change; and

(E) No readjustment pursuant to clause (B), (C) or (D) above shall have the effect of increasing the Series A Conversion Price or Series B Conversion Price to an amount which exceeds the lower of (i) the Series A Conversion Price or Series B Conversion Price, as applicable, on the original adjustment date, or (ii) the Series A Conversion Price or Series B Conversion Price that would have resulted from any issuances of Additional Shares of Common Stock between the original adjustment date and such readjustment date.

In the event the Corporation, after the Original Issue Date, amends the terms of any such Options or Convertible Securities (whether such Options or Convertible Securities were outstanding on the Original Issue Date or were issued after the Original Issue Date), then such Options or Convertible Securities, as so amended, shall be deemed to have been issued after the Original Issue Date and the provisions of this Subsection 4(d)(iii) shall apply.

(iv) Adjustment of Conversion Price Upon Issuance of Additional Shares of Common Stock. In the event the Corporation shall at any time after the Original Issue Date issue Additional Shares of Common Stock (including Additional Shares of Common Stock deemed to be issued pursuant to Subsection 4(d)(iii), but excluding shares issued as a stock split or combination as provided in Subsection 4(e) or upon a dividend or distribution as provided in Subsection 4(f)), without consideration or for a consideration per share less than the Series A Conversion Price or Series B Conversion Price, as applicable, in effect immediately prior to such issue, then and in such event, the Series A Conversion Price or Series B Conversion Price, as applicable, shall be reduced, concurrently with such issue, to a price (calculated to the nearest cent) determined by multiplying the Series A Conversion Price or Series B Conversion Price, as applicable, by a fraction, (A) the numerator of which shall be (1) the number of shares of Common Stock outstanding immediately prior to such issue (calculated assuming conversion of all issued and outstanding shares of Preferred Stock as well as all other issued and outstanding Options and Convertible Securities, and the exercise, exchange or conversion of all then outstanding options, warrants or subscription rights) plus (2) the number of shares of Common Stock which the aggregate consideration received or to be received by the Corporation for the total number of Additional Shares of Common Stock so issued would purchase at the Series A Conversion Price or Series B Conversion Price, as applicable; and (B) the denominator of which shall be (1) the number of shares of Common Stock outstanding immediately prior to such issue (calculated assuming conversion of all issued and outstanding shares of Preferred Stock as well as all other issued and outstanding Convertible Securities, and the exercise, exchange or conversion of all then outstanding options, warrants or subscription rights) plus (2) the number of such Additional Shares of Common Stock so issued; provided that, the number of shares of Common Stock deemed issuable upon exercise or conversion of such outstanding Options and Convertible Securities shall not give effect to any adjustments to the conversion price or conversion rate of such Options or Convertible Securities resulting from the issuance of Additional Shares of Common Stock that is the subject of this calculation.

(v) Determination of Consideration. For purposes of this Subsection 4(d), the consideration received by the Corporation for the issue of any Additional Shares of Common Stock shall be computed as follows:

(A) Cash and Property: Such consideration shall:

(I) insofar as it consists of cash, be computed at the aggregate of cash received by the Corporation, excluding amounts paid or payable for accrued interest;

(II) insofar as it consists of property other than cash, be computed at the fair market value thereof at the time of such issue, as determined in good faith by the Board of Directors; and

(III) in the event Additional Shares of Common Stock are issued together with other shares or securities or other assets of the Corporation for consideration which covers both, be the proportion of such consideration so received, computed as provided in clauses (I) and (II) above, as determined in good faith by the Board of Directors.

(B) Options and Convertible Securities. The consideration per share received by the Corporation for Additional Shares of Common Stock deemed to have been issued pursuant to Subsection 4(d)(iii), relating to Options and Convertible Securities, shall be determined by dividing:

(I) the total amount, if any, received or receivable by the Corporation as consideration for the issue of such Options or Convertible Securities, plus the minimum aggregate amount of additional consideration (as set forth in the instruments relating thereto, without regard to any provision contained therein for a subsequent adjustment of such consideration) payable to the Corporation upon the exercise of such Options or the conversion or exchange of such Convertible Securities, or in the case of Options for Convertible Securities, the exercise of such Options for Convertible Securities and the conversion or exchange of such Convertible Securities, by

(II) the maximum number of shares of Common Stock (as set forth in the instruments relating thereto, without regard to any provision contained therein for a subsequent adjustment of such number) issuable upon the exercise of such Options or the conversion or exchange of such Convertible Securities.

(vi) Multiple Closing Dates. In the event the Corporation shall issue on more than one date Additional Shares of Common Stock which are comprised of shares of the same series or class of Preferred Stock, and such issuance dates occur within a period of no more than 180 days, then, upon the final such issuance, the Series A Conversion Price or the Series B Conversion Price, as applicable, shall be adjusted to give effect to all such issuances as if they occurred on the date of the final such issuance (and without giving effect to any adjustments as a result of such prior issuances within such period).

(e) Adjustment for Stock Splits and Combinations. If the Corporation shall at any time or from time to time after the Original Issue Date effect a subdivision of the outstanding Common Stock, the Series A Conversion Price and the Series B

Conversion Price then in effect immediately before that subdivision, shall be proportionately decreased. If the Corporation shall at any time or from time to time after the Original Issue Date combine the outstanding shares of Common Stock, the Series A Conversion Price and Series B Conversion Price then in effect immediately before the combination shall be proportionately increased. Any adjustment under this paragraph shall become effective at the close of business on the date the subdivision or combination becomes effective.

(f) Adjustment for Certain Dividends and Distributions. In the event the Corporation at any time, or from time to time after the Original Issue Date shall make or issue, or fix a record date for the determination of holders of Common Stock entitled to receive, a dividend or other distribution payable in additional shares of Common Stock, then and in each such event the Series A Conversion Price and the Series B Conversion Price then in effect immediately before such event shall be decreased as of the time of such issuance or, in the event such a record date shall have been fixed, as of the close of business on such record date, by multiplying the Series A Conversion Price or Series B Conversion Price, as applicable, then in effect by a fraction:

(i) the numerator of which shall be the total number of shares of Common Stock actually issued and outstanding immediately prior to the time of such issuance or the close of business on such record date, and

(ii) the denominator of which shall be the total number of shares of Common Stock actually issued and outstanding immediately prior to the time of such issuance or the close of business on such record date, plus the number of shares of Common Stock issuable in payment of such dividend or distribution to the holders of Common Stock; provided, however, if such record date shall have been fixed and such dividend is not fully paid or if such distribution is not fully made on the date fixed therefor, the Series A Conversion Price or Series B Conversion Price, as applicable, shall be recomputed accordingly as of the close of business on such record date and thereafter the Series A Conversion Price or Series B Conversion Price, as applicable, shall be adjusted pursuant to this paragraph as of the time of actual payment of such dividends or distributions; and provided further, however, that no such adjustment to the Series A Conversion Price shall be made if the holders of Series A Preferred Stock simultaneously receive (i) a dividend or other distribution of shares of Common Stock in a number equal to the number of shares of Common Stock as they would have received if all outstanding shares of Series A Preferred Stock had been converted into Common Stock on the date of such event or (ii) a dividend or other distribution of shares of Series A Preferred Stock which are convertible, as of the date of such event, into such number of shares of Common Stock as is equal to the number of additional shares of Common Stock being issued with respect to each share of Common Stock in such dividend or distribution; and provided further, however, that no such adjustment to the Series B Conversion Price shall be made if the holders of Series B Preferred Stock simultaneously receive (i) a dividend or other distribution of shares of Common Stock in a number equal to the number of shares of Common Stock as they would have received if all outstanding shares of Series B Preferred Stock had been converted into Common Stock on the date of such event or

(ii) a dividend or other distribution of shares of Series B Preferred Stock which are convertible, as of the date of such event, into such number of shares of Common Stock as is equal to the number of additional shares of Common Stock being issued with respect to each share of Common Stock in such dividend or distribution.

(g) Adjustments for Other Dividends and Distributions. In the event the Corporation at any time or from time to time after the Original Issue Date shall make or issue, or fix a record date for the determination of holders of Common Stock entitled to receive, a dividend or other distribution payable in securities of the Corporation other than shares of Common Stock, then and in each such event provision shall be made so that the holders of Preferred Stock shall receive upon conversion thereof in addition to the number of shares of Common Stock receivable thereupon, the amount of securities of the Corporation that they would have received had the Preferred Stock been converted into Common Stock on the date of such event and had they thereafter, during the period from the date of such event to and including the conversion date, retained such securities receivable by them as aforesaid during such period, giving application to all adjustments called for during such period under this paragraph with respect to the rights of the holders of the Preferred Stock; and provided further, however, that no such adjustment shall be made if the holders of Preferred Stock simultaneously receive a dividend or other distribution of such securities in an amount equal to the amount of such securities as they would have received if all outstanding shares of Preferred Stock had been converted into Common Stock on the date of such event.

(h) Adjustment for Reclassification, Exchange, or Substitution. If the Common Stock issuable upon the conversion of the Preferred Stock shall be changed into the same or a different number of shares of any class or classes of stock, whether by capital reorganization, reclassification, or otherwise (other than a subdivision or combination of shares or stock dividend provided for above, or a reorganization, merger, consolidation, or sale of assets provided for below), then and in each such event the holder of each such share of Preferred Stock shall have the right thereafter to convert such share into the kind and amount of shares of stock and other securities and property receivable, upon such reorganization, reclassification, or other change, by holders of the number of shares of Common Stock into which such shares of Preferred Stock might have been converted immediately prior to such reorganization, reclassification, or change, all subject to further adjustment as provided herein.

(i) Adjustment for Merger or Reorganization, etc. In case of any consolidation or merger of the Corporation with or into another corporation or the sale of all or substantially all of the assets of the Corporation to another corporation (other than a consolidation, merger or sale which is covered by Subsection 2(c)), each share of Preferred Stock shall thereafter be convertible (or shall be converted into a security which shall be convertible) into the kind and amount of shares of stock or other securities or property to which a holder of the number of shares of Common Stock of the Corporation deliverable upon conversion of such Preferred Stock would have been entitled upon such consolidation, merger or sale; and, in such case, appropriate adjustment (as determined in good faith by the Board of Directors) shall be made in the application of the provisions in

this Section 4 set forth with respect to the rights and interest thereafter of the holders of Preferred Stock to the end that the provisions set forth in this Section 4 (including provisions with respect to changes in and other adjustments of the Series A Conversion Price and Series B Conversion Price) shall thereafter be applicable, as nearly as reasonably may be, in relation to any shares of stock or other property thereafter deliverable upon the conversion of the Preferred Stock.

(j) No Impairment. The Corporation will not, by amendment of this Restated Certificate, as further amended and/or restated from time to time, or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed under this Section 4 by the Corporation, without the written consent of the holders of a majority of the then outstanding shares of Series A Preferred Stock with respect to the Series A Conversion Price and without the written consent of the holders of a majority of the then outstanding shares of Series B Preferred Stock with respect to the Series B Conversion Price, but will at all times in good faith assist in the carrying out of all the provisions of this Section 4 and in the taking of all such action as may be necessary or appropriate in order to protect the Conversion Rights of the holders of the Series A Preferred Stock and Series B Preferred Stock against impairment.

(k) Certificate as to Adjustments. Upon the occurrence of each adjustment or readjustment of the Series A Conversion Price or the Series B Conversion Price pursuant to this Section 4, the Corporation at its expense shall promptly compute such adjustment or readjustment in accordance with the terms hereof and furnish to each holder of the affected series of Preferred Stock a certificate setting forth such adjustment or readjustment and showing in detail the facts upon which such adjustment or readjustment is based. The Corporation shall, upon the written request at any time of any holder of Preferred Stock, furnish or cause to be furnished to such holder a similar certificate setting forth (i) such adjustments and readjustments, (ii) the Series A Conversion Price and/or the Series B Conversion Price, as applicable, then in effect for the Preferred Stock held by such holder, and (iii) the number of shares of Common Stock and the amount, if any, of other property which then would be received upon the conversion of such Preferred Stock.

(l) Notice of Record Date. In the event:

(i) that the Corporation declares a dividend (or any other distribution) on its Common Stock payable in Common Stock or other securities of the Corporation;

(ii) that the Corporation subdivides or combines its outstanding shares of Common Stock;

(iii) of any reclassification of the Common Stock of the Corporation (other than a subdivision or combination of its outstanding shares of

Common Stock or a stock dividend or stock distribution thereon), or of any consolidation or merger of the Corporation into or with another corporation, or of the sale of all or substantially all of the assets of the Corporation; or

(iv) of the involuntary or voluntary dissolution, liquidation or winding up of the Corporation; then the Corporation shall use reasonable efforts to cause to be filed at its principal office or at the office of the transfer agent of the Preferred Stock, and shall cause to be mailed to the holders of the Preferred Stock at their last addresses as shown on the records of the Corporation or such transfer agent, at least ten days prior to the date specified in clause (A) below or twenty days before the date specified in clause (B) below, a notice stating

(A) the record date of such dividend, distribution, subdivision or combination, or, if a record is not to be taken, the date as of which the holders of Common Stock of record to be entitled to such dividend, distribution, subdivision or combination are to be determined, or

(B) the date on which such reclassification, consolidation, merger, sale, dissolution, liquidation or winding up is expected to become effective, and the date as of which it is expected that holders of Common Stock of record shall be entitled to exchange their shares of Common Stock for securities or other property deliverable upon such reclassification, consolidation, merger, sale, dissolution or winding up; provided, however, that the Corporation's failure to provide any notice required under this Section 4(l) after using reasonable efforts shall not be deemed a default, breach or violation of this Section 4(l).

5. Mandatory Conversion.

(a) Upon the earlier of (i) the closing of the sale of shares of Common Stock, at a price to the public of at least \$1.3125 per share (subject to appropriate adjustment for stock splits, stock dividends, combinations and other similar recapitalizations affecting such shares), in a firm underwritten public offering pursuant to an effective registration statement under the Securities Act of 1933, as amended, resulting in at least \$20,000,000 of proceeds (after deducting underwriter discounts and commissions) to the Corporation (a "Qualified Public Offering") or (ii) a date agreed to in writing by a vote of the holders of a majority of the Preferred Stock, voting together as a single class and on an as-converted basis (each a "*Mandatory Conversion Event*"), (i) all outstanding shares of Preferred Stock shall automatically be converted into shares of Common Stock, at the then effective conversion rate and (ii) the number of authorized shares of Preferred Stock shall be automatically reduced by the number of shares of Preferred Stock that had been designated as Series A Preferred Stock or Series B Preferred Stock, and all provisions for the Preferred Stock set forth in Sections 1 through 7 hereof, and all references to the Series A Preferred Stock and the Series B Preferred Stock shall be deleted and shall be of no further force or effect.

(b) All holders of record of shares of Preferred Stock shall be given written notice of the Mandatory Conversion Event and the place and date (the "*Mandatory Conversion Date*") designated for mandatory conversion of all such shares of Preferred Stock pursuant to this Section 5. Such notice need not be given in advance of the occurrence of the Mandatory Conversion Event. Such notice shall be sent by first class or registered mail, postage prepaid, or given by electronic communication in compliance with the provisions of the Delaware General Corporation Law, to each record holder of Preferred Stock at such holder's address last shown on the records of the transfer agent for the Preferred Stock (or the records of the Corporation, if it serves as its own transfer agent). Upon receipt of such notice, each holder of shares of Preferred Stock shall surrender his or its certificate or certificates for all such shares to the Corporation at the place designated in such notice, and shall thereafter receive certificates for the number of shares of Common Stock to which such holder is entitled pursuant to this Section 5. On the Mandatory Conversion Date, all outstanding shares of Preferred Stock shall be deemed to have been converted into shares of Common Stock, which shall be deemed to be outstanding of record, and all rights with respect to the Preferred Stock so converted, including the rights, if any, to receive notices and vote (other than as a holder of Common Stock) will terminate, except only the rights of the holders thereof, upon surrender of their certificate or certificates therefor, to receive certificates for the number of shares of Common Stock into which such Preferred Stock has been converted, and payment of any declared but unpaid dividends thereon. If so required by the Corporation, certificates surrendered for conversion shall be endorsed or accompanied by written instrument or instruments of transfer, in form satisfactory to the Corporation, duly executed by the registered holder or by his or its attorney duly authorized in writing. As soon as practicable after the Mandatory Conversion Date and the surrender of the certificate or certificates for Preferred Stock, the Corporation shall cause to be issued and delivered to such holder, or on his or its written order, a certificate or certificates for the number of full shares of Common Stock issuable on such conversion in accordance with the provisions hereof and cash as provided in Subsection 4(b) in respect of any fraction of a share of Common Stock otherwise issuable upon such conversion.

(c) All certificates evidencing shares of Preferred Stock which are required to be surrendered for conversion in accordance with the provisions hereof shall, from and after the Mandatory Conversion Date, be deemed to have been retired and cancelled and the shares of Preferred Stock represented thereby converted into Common Stock for all purposes, notwithstanding the failure of the holder or holders thereof to surrender such certificates on or prior to such date. Such converted Preferred Stock may not be reissued, and the Corporation may thereafter take such appropriate action (without the need for stockholder action) as may be necessary to reduce the authorized number of shares of Preferred Stock accordingly.

## 6. Redemption.

(a) The Corporation shall redeem the Preferred Stock in three annual installments commencing 60 days after receipt by the Corporation at any time on or after the fifth anniversary of the Original Issue Date, from the holders of a majority of the then

outstanding shares of Preferred Stock, voting together as a single class and on an as-converted basis, written notice requesting redemption of all shares of Preferred Stock (the date of each such installment being referred to as a "Redemption Date"). On each Redemption Date, the Corporation shall redeem, on a pro rata basis in accordance with the number of shares of Preferred Stock owned by each holder, that number of outstanding shares of Preferred Stock determined by dividing (i) the total number of shares of Preferred Stock outstanding immediately prior to such Redemption Date by (ii) the number of remaining Redemption Dates (including the Redemption Date to which such calculation applies). If the Corporation does not have sufficient funds legally available to redeem the Preferred Stock on any Redemption Date, the Corporation shall redeem a pro rata portion of each holder's shares of Preferred Stock out of funds legally available therefor and shall redeem the remaining shares to have been redeemed as soon as practicable after the Corporation has funds legally available therefor. The rights set forth in this Section 6(a) shall terminate upon a Qualified Public Offering.

(b) The price at which shares shall be redeemed shall be equal to (i) in the case of Shares of Series A Preferred Stock, \$0.751 per share (subject to appropriate adjustment in the event of any stock dividend, stock split, combination or other recapitalization affecting such Series A Preferred Stock), plus all declared but unpaid dividends thereon, and (ii) in the case of Series B Preferred Stock at a price equal to \$0.375 per share (subject to appropriate adjustment in the event of any stock dividend, stock split, combination or other recapitalization affecting such Series B Preferred Stock), plus all declared but unpaid dividends thereon.

(c) Written notice of the mandatory redemption (the "Redemption Notice") shall be mailed, postage prepaid, to each holder of record of Preferred Stock, at its post office address last shown on the records of the Corporation, or given by electronic communication in compliance with the provisions of the Delaware General Corporation Law, not less than 30 days prior to each Redemption Date. Each Redemption Notice shall state:

- (I) the number of shares of Preferred Stock held by the holder that the Corporation shall redeem on the Redemption Date specified in the Redemption Notice;
- (II) the Redemption Date and the Redemption Price;
- (III) the date upon which the holder's right to convert such shares terminates (as determined in accordance with Section 4(a)); and
- (IV) that the holder is to surrender to the Corporation, in the manner and at the place

designated, his certificate or certificates representing the shares of Preferred Stock to be redeemed.

(d) Surrender of Certificates; Payment. On or before the applicable Redemption Date, each holder of shares of Preferred Stock to be redeemed on such Redemption Date, unless such holder has exercised his right to convert such shares as provided in Section 4 hereof, shall surrender the certificate or certificates representing such shares to the Corporation, in the manner and at the place designated in the Redemption Notice, and thereupon the Redemption Price for such shares shall be payable to the order of the person whose name appears on such certificate or certificates as the owner thereof, and each surrendered certificate shall be canceled and retired. In the event less than all of the shares of Preferred Stock represented by a certificate are redeemed, a new certificate representing the unredeemed shares of Preferred Stock shall promptly be issued to such holder.

(e) Rights Subsequent to Redemption. If the Redemption Notice shall have been duly given, and if on the applicable Redemption Date the Redemption Price payable upon redemption of the shares of Preferred Stock to be redeemed on such Redemption Date is paid or tendered for payment, then notwithstanding that the certificates evidencing any of the shares of Preferred Stock so called for redemption shall not have been surrendered, dividends with respect to such shares of Preferred Stock shall cease to accrue after such Redemption Date and all rights with respect to such shares shall forthwith after the Redemption Date terminate, except only the right of the holders to receive the Redemption Price without interest upon surrender of their certificate or certificates therefore.

(f) No Reissuance of Redeemed Shares. Any Preferred Stock redeemed pursuant to this Section 6 will be cancelled and will not under any circumstances be reissued, sold or transferred and the Corporation may from time to time take such appropriate action as may be necessary to reduce the authorized Preferred Stock accordingly.

7. Waiver. Any of the rights of the holders of the Series A Preferred Stock and Series B Preferred Stock set forth herein may be waived by the affirmative consent or vote of the holders of a majority of the then outstanding shares of Preferred Stock, voting together as a single class on an as-converted basis. Any of the rights of the holders of Series A Preferred Stock that are not also rights of the Series B Preferred Stock set forth herein may be waived by the affirmative consent or vote of the holders of a majority of the then outstanding shares of Series A Preferred Stock, voting separately as a class. Any of the rights of the holders of Series B Preferred Stock that are not also rights of the Series A Preferred Stock set forth herein may be waived by the affirmative consent or vote of the holders of a majority of the then outstanding shares of Series B Preferred Stock, voting separately as a class.
