The right to receive dividends on shares of Series B-1 Preferred Stock shall be cumulative, and shall accrue to holders of Series B-1 Preferred Stock regardless of the fact that dividends on said shares are not declared or paid in any calendar year.

(b) Series B Preferred Stock. Subject to the payment in full or setting aside of the amounts payable to the holders of Series B-1 Preferred Stock pursuant to Section 2(a), in any calendar year, the holders of outstanding shares of Series B Preferred Stock shall be entitled to receive dividends out of any assets at the time legally available therefor, at the Dividend Rate specified for such shares of Series B Preferred Stock payable in preference and priority to any declaration or payment of any Distribution on Series A Preferred Stock or Common Stock of the Corporation. After the payment or setting aside for payment of the dividends described in Section 2(a), Section 2(b) and Section 2(c), any additional dividends (other than dividends on Common Stock payable solely in Common Stock) declared or paid in any fiscal year shall be declared or paid among the holders of the Preferred Stock and Common Stock then

As authorized by Section 402.5(c) of the California Corporations Code, Sections 502 and 503 of the California Corporations Code shall not apply with respect to payments made by the Corporation in connection with (i) repurchases of Common Stock issued to or held by employees, officers, directors or consultants of the Corporation or its subsidiaries upon termination of their employment or services pursuant to agreements providing for the right of said repurchase or (ii) repurchases of Common Stock issued to or held by employees, officers, directors or consultants of the Corporation or its subsidiaries pursuant to rights of first refusal contained in agreements providing for such right.

### 3. Liquidation Rights.

(a) Series B-1 Preferred Stock Liquidation Preference. In the event of any liquidation, dissolution or winding up of the Corporation, either voluntary or involuntary, the holders of Series B-1 Preferred Stock shall be entitled to receive, prior and in preference to any Distribution of any of the assets or surplus funds of the Corporation to the holders of Common Stock, Series A Preferred Stock or Series B Preferred Stock by reason of their ownership of such stock, an amount per share for each share of Series B-1 Preferred Stock held by them equal to the sum of (i) the Liquidation Preference for such share of Series B-1 Preferred Stock and (ii) all declared or accrued but unpaid dividends on such share of Preferred Stock. If upon the liquidation, dissolution or winding up of the Corporation, the assets of the Corporation legally available for Distribution to the holders of Series B-1 Preferred Stock are insufficient to permit the payment to such holders of the full amounts specified in this Section 3(a), then the entire assets of the Corporation legally available for Distribution shall be distributed with equal priority and pro rata among the holders of Series B-1 Preferred Stock ratably and in proportion to the full amounts they would otherwise be entitled to receive pursuant to this Section 3(a).

(b) Series B Preferred Stock Liquidation Preference. Subject to the payment in full of the amounts payable to the holders of Series B-1 Preferred Stock pursuant to Section 3(a), in the event of any liquidation, dissolution or winding up of the Corporation, either voluntary or involuntary, the holders of Series B Preferred Stock shall be entitled to receive, prior and in preference to any Distribution of any of the assets or surplus funds of the Corporation to the holders of Common Stock or Series A Preferred Stock by reason of their ownership of such stock, an amount per share for each share of Series B Preferred Stock held by them equal to the sum of (i) one and a half (1.5) times the Liquidation Preference for such share of Series B Preferred Stock and (ii) all declared or accrued but unpaid dividends on such share of Preferred Stock. Subject to the payment to the holders of Series B-1 Preferred Stock pursuant to Section 3(a), if upon the liquidation, dissolution or winding up of the Corporation, the assets of the Corporation legally available for

Distribution to the holders of Series B Preferred Stock are insufficient to permit the payment to such holders of the full amounts specified in this Section 3(b), then the entire assets of the Corporation legally available for Distribution, after making the payments set forth in Section 3(a), shall be distributed with equal priority and pro rata among the holders of Series B Preferred Stock ratably and in proportion to the full amounts they would otherwise be entitled to receive pursuant to this Section 3(b).

(c) Series A Preferred Stock Liquidation Preference. Subject to the payment in full of the amounts payable to the holders of Series B-1 Preferred Stock and Series B Preferred Stock pursuant to Section 3(a) and Section 3(b) respectively, in the event of any liquidation, dissolution or winding up of the Corporation, either voluntary or involuntary, the holders of Series A Preferred Stock shall be entitled to receive, prior and in preference to any Distribution of any of the assets or surplus funds of the Corporation to the holders of Common Stock by reason of their ownership of such stock, an amount per share for each share of Series A Preferred Stock held by them equal to the sum of (i) the Liquidation Preference for such share of Series A Preferred Stock and (ii) all declared and unpaid dividends on such share of Preferred Stock. Subject to the payment to the holders of Series B-1 Preferred Stock and Series B Preferred Stock pursuant to Section 3(a) and Section 3(b), if upon the liquidation, dissolution or winding up of the Corporation, the assets of the Corporation legally available for Distribution to the holders of Series A Preferred Stock are insufficient to permit the payment to such holders of the full amounts specified in this Section 3(c), then the entire assets of the Corporation legally available for Distribution, after make the payments set forth in Section 3(a) and Section 3(b), shall be distributed with equal priority and pro rata among the holders of Series A Preferred Stock ratably and in proportion to the full amounts they would otherwise be entitled to receive pursuant to this Section 3(a) and Section 3(b).

(d) Remaining Assets. After the payment or setting aside for payment to the holders of Preferred Stock of the full amounts specified in Section 3(a), Section 3(b) and Section 3(c) above, the entire remaining assets of the Corporation legally available for Distribution in connection with a liquidation, dissolution or winding up of the Corporation shall be distributed with equal priority and pro rata among the holders of the Series B-1 Preferred Stock, Series B Preferred Stock and Common Stock then outstanding in proportion to the number of shares of Common Stock held by them, with each share of Series B-1 Preferred Stock and Series B Preferred Stock being treated for this purpose as if it had been converted to Common Stock at the then applicable Conversion Rate, until such time as (i) with respect to the holders of Series B-1 Preferred Stock, such holders shall have received an aggregate liquidation amount under Section 3(a) and this Section 3(d) equal to two times the Series B-1 Preferred Stock Liquidation Preference and (ii) with respect to the holders of Series B Preferred Stock, such holders shall have received an aggregate liquidation amount under Section 3(b) and this Section 3(d) equal to three times the Series B Preferred Stock Liquidation Preference. Thereafter, all remaining assets and funds shall be distributed ratably among the holders of Common Stock.

(e) Shares not Treated as Both Preferred Stock and Common Stock in any Distribution. Shares of Preferred Stock shall not be entitled to be converted into shares of Common Stock in order to participate in any Distribution, or series of Distributions, as shares of Common Stock, without first foregoing participation in the Distribution, or series of Distributions, as shares of Preferred Stock.

(f) Reorganization. For purposes of this Section 3, a liquidation, dissolution or winding up of the Corporation shall be deemed to be occasioned by, and to include, (a) the acquisition of the Corporation by another entity by means of any transaction or series of related transactions to which the Corporation is party (including, without limitation, any stock acquisition, reorganization, merger or consolidation but excluding any sale of stock for capital raising purposes or any merger or consolidation effected exclusively to change the domicile of the Corporation) other than a transaction or series of transactions in which the holders of the voting securities of the Corporation outstanding immediately prior to such transaction continue to retain (either by such voting securities remaining outstanding or by such voting securities being converted into voting securities of the surviving entity), as a result of shares in the Corporation held by such holders prior to such transaction, at least a majority of the total voting power represented by the voting securities of the Corporation or such surviving entity outstanding immediately after such transaction or series of transactions; (b) a sale, lease, exclusive license or other conveyance of all or substantially all of the assets of the Corporation; or (c) any liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary.

(g) Valuation of Non-Cash Consideration. If any assets of the Corporation distributed to shareholders in connection with any liquidation, dissolution or winding up of the Corporation are other than cash, then the value of such assets shall be their fair market value as determined in good faith by the Board of Directors, except that any publicly-traded securities to be distributed to shareholders shall be valued as follows:

(i) If the securities are then traded on a national securities exchange or the Nasdaq Stock Market (or a similar national quotation system), then the value of the securities shall be deemed to be the average of the closing prices of the securities on such exchange or system over the thirty (30) trading day period ending three (3) trading days prior to the Distribution;

(ii) if the securities are actively traded over-the-counter, then the value of the securities shall be deemed to be the average of the closing bid prices of the securities over the thirty (30) trading day period ending three (3) trading days prior to the Distribution.

In the event of a merger or other acquisition of the Corporation by another entity, the Distribution date shall be deemed to be the date such transaction closes.

For the purposes of this Section 3(g), "trading day" shall mean any day which the exchange or system on which the securities to be distributed are traded is open and "closing prices" or "closing bid prices" shall be deemed to be: (i) for securities traded primarily on the New York Stock Exchange, the American Stock Exchange or Nasdaq, the last reported trade price or sale price, as the case may be, at 4:00 p.m., New York time, on that day and (ii) for securities listed or traded on other exchanges, markets and systems, the market price as of the end of the regular hours trading period that is generally accepted as such for such exchange, market or system. If, after the date hereof, the benchmark times generally accepted in the securities industry for determining the market price of a stock as of a given trading day shall change from those set forth above, the fair market value shall be determined as of such other generally accepted benchmark times.

4. Conversion. The holders of the Preferred Stock shall have conversion rights as follows (the "Conversion Rights"):

(a) Right to Convert. Each share of Preferred Stock shall be convertible, at the option of the holder thereof, at any time after the date of issuance of such share at the office of the Corporation or any transfer agent for the Preferred Stock, into that number of fully-paid, nonassessable shares of Common Stock determined by multiplying each share of Preferred Stock by the Conversion Rate (as defined below) then in effect for such Preferred Stock. The "Conversion Rate" for each such series shall be the quotient obtained by dividing the Original Issue Price for the relevant series of Preferred Stock by the Conversion Price for such series of Preferred Stock, calculated to the nearest hundredth. Upon any decrease or increase in the Conversion Price for any series of Preferred Stock, as described in this Section 4, the Conversion Rate for such series shall be appropriately increased or decreased.

(b) Automatic Conversion. Each share of Preferred Stock shall automatically be converted into fully-paid, non-assessable shares of Common Stock at the then effective Conversion Rate for such share (i) immediately prior to the closing of a firm commitment underwritten public offering pursuant to an effective registration statement under the Securities Act of 1933, as amended (the "Securities Act"), covering the offer and sale of the Corporation's Common Stock, provided that the offering price per share is not less than \$2.43 (as adjusted for Recapitalizations) and the aggregate gross proceeds to the Corporation are not less than \$45,000,000, or (ii) upon the receipt by the Corporation of a written request for such conversion from the holders of a majority of the Preferred Stock (on an as-converted basis) then outstanding, or, if later, the effective date for conversion specified in such request (each of the events referred to in (i) and (ii) are referred to herein as an "Automatic Conversion Event").

(c) Mechanics of Conversion. No fractional shares of Common Stock shall be issued upon conversion of Preferred Stock. In lieu of any fractional shares to which the holder would otherwise be entitled, the Corporation shall pay cash equal to such fraction multiplied by the then fair market value of a share of Common Stock as determined by the Board of Directors. For such purpose, all shares of Preferred Stock held by each holder of Preferred Stock shall be aggregated, and, upon conversion, any resulting fractional share of Common Stock shall be paid in cash. Before any holder of Preferred Stock shall be entitled to convert the same into full shares of Common Stock, and to receive certificates therefor, they shall either (A) surrender the certificate or certificates therefor, duly endorsed, at the office of the Corporation or of any transfer agent for the Preferred Stock or (B) notify the Corporation or its transfer agent that such certificates have been lost, stolen or destroyed and execute an agreement satisfactory to the Corporation to indemnify the Corporation from any loss incurred by it in connection with such certificates, and shall give written notice to the Corporation at such office that they elect to convert the same; provided, however, that on the date of an Automatic Conversion Event, the outstanding shares of Preferred Stock shall be converted automatically without any further action by the holders of such shares and whether or not the certificates representing such shares are surrendered to the Corporation or its transfer agent; provided further, however, that the Corporation shall not be obligated to issue certificates evidencing the shares of Common Stock issuable upon such Automatic Conversion Event unless either the certificates evidencing such shares of Preferred Stock are delivered to the Corporation or its transfer

agent as provided above, or the holder notifies the Corporation or its transfer agent that such certificates have been lost, stolen or destroyed and executes an agreement satisfactory to the Corporation to indemnify the Corporation from any loss incurred by it in connection with such certificates. On the date of the occurrence of an Automatic Conversion Event, each holder of record of shares of Preferred Stock shall be deemed to be the holder of record of the Common Stock issuable upon such conversion, notwithstanding that the certificates representing such shares of Preferred Stock shall not have been surrendered at the office of the Corporation, that notice from the Corporation shall not have been received by any holder of record of shares of Preferred Stock, or that the certificates evidencing such shares of Common Stock shall not then be actually delivered to such holder.

The Corporation shall, as soon as practicable after such delivery, or after such agreement and indemnification, issue and deliver at such office to such holder of Preferred Stock, a certificate or certificates for the number of shares of Common Stock to which such holder shall be entitled as aforesaid and a check payable to the holder in the amount of any cash amounts payable as the result of a conversion into fractional shares of Common Stock, plus any declared and unpaid dividends on the converted Preferred Stock. Such conversion shall be deemed to have been made immediately prior to the close of business on the date of such surrender of the shares of Preferred Stock to be converted, and the person or persons entitled to receive the shares of Common Stock issuable upon such conversion shall be treated for all purposes as the record holder or holders of such shares of Common Stock on such date; provided, however, that if the conversion is in connection with an underwritten offer of securities registered pursuant to the Securities Act or a merger, sale or liquidation of the Corporation, the conversion may, at the option of any holder tendering Preferred Stock for conversion, be conditioned upon the closing of such transaction, in which event the person(s) entitled to receive the Common Stock issuable upon such conversion of the Preferred Stock shall not be deemed to have converted such Preferred Stock until immediately prior to the closing of such transaction.

(d) Adjustments to Conversion Price for Diluting Issues.

(i) Special Definition. For purposes of this Section 4(d), "Additional Shares of Common" shall mean all shares of Common Stock issued (or, pursuant to Section 4(d)(iii), deemed to be issued) by the Corporation after the filing of this Amended and Restated Articles of Incorporation, other than:

(1) shares of Common Stock issued or issuable upon conversion of shares of Preferred Stock;

(2) shares of Common Stock issued or issuable to officers, directors and employees of, or consultants to, the Corporation pursuant to stock grants, option plans, purchase plans or other employee stock incentive programs or arrangements approved by the Board of Directors, or upon exercise of options or warrants granted to such parties pursuant to any such plan or arrangement;

(3) shares of Common Stock or Preferred Stock issued upon the exercise or conversion of Options or Convertible Securities outstanding as of the date of the filing of this Amended and Restated Articles of Incorporation;

(4) shares of Common Stock issued or issuable pursuant to the acquisition of another corporation by the Corporation by merger, purchase of substantially all of the assets or other reorganization or pursuant to a joint venture agreement;

(5) shares of Common Stock issued or issuable as a dividend or distribution on Preferred Stock or pursuant to any event for which adjustment is made pursuant to paragraph 4(e), (f), (g) or (h) hereof;

(6) shares of Common Stock issued or issuable to banks, equipment lessors or other financial institutions pursuant to a commercial leasing or debt financing transaction; and

(7) shares of Common Stock that are otherwise excluded by vote or written consent of holders of at least two-thirds (2/3) of the Series B-1 Preferred Stock.

(ii) No Adjustment of Conversion Price. No adjustment in the Conversion Price of a particular series of Preferred Stock shall be made in respect of the issuance of Additional Shares of Common unless the consideration per share (as determined pursuant to Section 4(d)(v)) for an Additional Share of Common issued or deemed to be issued by the Corporation is less than the Conversion Price in effect on the date of, and immediately prior to, such issue, for such series of Preferred Stock.

(iii) Deemed Issue of Additional Shares of Common. In the event the Corporation at any time or from time to time after the date of the filing of this Amended and Restated Articles of Incorporation shall issue any Options or Convertible Securities or shall fix a record date for the determination of holders of any class of securities entitled to receive any such Options or Convertible Securities, then the maximum number of shares (as set forth in the instrument relating thereto without regard to any provisions contained therein for a subsequent adjustment of such number) of Common Stock issuable upon the exercise of such Options or, in the case of Convertible Securities, the conversion or exchange of such Convertible Securities or, in the case of Options for Convertible Securities, the exercise of such Options and the conversion or exchange of the underlying securities, shall be deemed to have been issued as of the time of such issue or, in case such a record date shall have been fixed, as of the close of business on such record date, provided that in any such case in which shares are deemed to be issued:

(1) no further adjustment in the Conversion Price of any series of Preferred Stock shall be made upon the subsequent issue of Convertible Securities or shares of Common Stock in connection with the exercise of such Options or conversion or exchange of such Convertible Securities;

(2) if such Options or Convertible Securities by their terms provide, with the passage of time or otherwise, for any change in the consideration payable to the Corporation or in the number of shares of Common Stock issuable upon the exercise, conversion or exchange thereof (other than a change pursuant to the anti-dilution provisions of such Options or Convertible Securities such as this Section 4(d) or pursuant to Recapitalization provisions of such Options or Convertible Securities such as Sections 4(e), 4(f), 4(g) and 4(h) hereof), the Conversion Price of each series of Preferred Stock and any subsequent adjustments based thereon shall be recomputed to reflect such change as if such change had been in effect as of the original issue thereof (or upon the occurrence of the record date with respect thereto);

(3) no readjustment pursuant to clause (2) above shall have the effect of increasing the Conversion Price of a series of Preferred Stock to an amount above the Conversion Price that would have resulted from any other issuances of Additional Shares of Common and any other adjustments provided for herein between the original adjustment date and such readjustment date;

(4) upon the expiration of any such Options or any rights of conversion or exchange under such Convertible Securities which shall not have been exercised, the Conversion Price of each series of Preferred Stock computed upon the original issue thereof (or upon the occurrence of a record date with respect thereto) and any subsequent adjustments based thereon shall, upon such expiration, be recomputed as if:

(A) in the case of Convertible Securities or Options for Common Stock, the only Additional Shares of Common issued were the shares of Common Stock, if any, actually issued upon the exercise of such Options or the conversion or exchange of such Convertible Securities and the consideration received therefor was the consideration actually received by the Corporation for the issue of such exercised Options plus the consideration actually received by the Corporation upon such exercise or for the issue of all such Convertible Securities which were actually converted or exchanged, plus the additional consideration, if any, actually received by the Corporation upon such conversion or exchange, and

(B) in the case of Options for Convertible Securities, only the Convertible Securities, if any, actually issued upon the exercise thereof were issued at the time of issue of such Options, and the consideration received by the Corporation for the Additional Shares of Common deemed to have been then issued was the consideration actually received by the Corporation for the issue of such exercised Options, plus the consideration deemed to have been received by the Corporation (determined pursuant to Section 4(d)(v)) upon the issue of the Convertible Securities with respect to which such Options were actually exercised; and

(5) if such record date shall have been fixed and such Options or Convertible Securities are not issued on the date fixed therefor, the adjustment previously made in the Conversion Price which became effective on such record date shall be canceled as of the close of business on such record date, and thereafter the Conversion Price shall be adjusted pursuant to this Section 4(d)(iii) as of the actual date of their issuance.

(iv) Adjustment of Conversion Price Upon Issuance of Additional Shares of Common. In the event the Corporation shall issue Additional Shares of Common (including Additional Shares of Common deemed to be issued pursuant to Section 4(d)(iii)) without consideration or for a consideration per share less than the applicable Conversion Price of a series of Preferred Stock in effect on the date of and immediately prior to such issue, then: (a) with respect to the Series A Preferred Stock, the Conversion Price of the Series A Preferred Stock shall be reduced, concurrently with such issue, to a price (calculated to the nearest cent) determined by multiplying such Conversion Price by a fraction, (x) the numerator of which shall be the number of shares of Common Stock outstanding immediately prior to such issue plus the number of shares which the aggregate consideration received by the Corporation for the total number of Additional Shares of Common so issued would purchase at such Conversion Price, and (y) the denominator of which shall be the number of shares of Common Stock outstanding immediately prior to such issue plus the number of such Additional Shares of Common so issued; and (b) with respect to the Series B-1 Preferred Stock and the Series B Preferred Stock, the Conversion Price of the Series B-1 Preferred Stock and the Series B Preferred Stock, respectively, shall be reduced, concurrently with such issue, to a price equal to the consideration per share received by the Corporation for such Additional Shares of Common so issued. Notwithstanding the foregoing, the Conversion Price shall not be reduced at such time if the amount of such reduction would be less than \$0.01. For the purposes of this Subsection 4(d)(iv), all shares of Common Stock issuable upon conversion of all outstanding shares of Preferred Stock and the exercise and/or conversion of any other outstanding Convertible Securities and all outstanding Options shall be deemed to be outstanding.

(v) Determination of Consideration. For purposes of this subsection 4(d), the consideration received by the Corporation for the issue (or deemed issue) of any Additional Shares of Common shall be computed as follows:

(1) Cash and Property. Such consideration shall:

(a) insofar as it consists of cash, be computed at the aggregate amount of cash received by the Corporation;

(b) insofar as it consists of property other than cash, be computed at the fair market value thereof at the time of such issue, as determined in good faith by the Board of Directors; and

(c) in the event Additional Shares of Common are issued together with other shares or securities or other assets of the Corporation for consideration which covers both, be the proportion of such consideration so received, computed as provided in clauses (a) and (b) above, as reasonably determined in good faith by the Board of Directors.

(2) Options and Convertible Securities. The consideration per share received by the Corporation for Additional Shares of Common deemed to have been issued pursuant to Section 4(d)(iii) shall be determined by dividing:

(x) the total amount, if any, received or receivable by the Corporation as consideration for the issue of such Options or Convertible Securities, plus the minimum aggregate amount of additional consideration (as set forth in the instruments relating thereto, without regard to any provision contained therein for a subsequent adjustment of such consideration) payable to the Corporation upon the exercise of such Options or the conversion or exchange of such Convertible Securities, or in the case of Options for Convertible Securities, the exercise of such Options for Convertible Securities and the conversion or exchange of such Convertible Securities, by

(y) the maximum number of shares of Common Stock issuable upon the exercise of such Options or the conversion or exchange of such Convertible Securities (as set forth in the instruments relating thereto, other than a change pursuant to the anti-dilution provisions of such Options or Convertible Securities such as this Section 4(d) or pursuant to Recapitalization provisions of such Options or Convertible Securities such as Sections 4(e), 4(f), 4(g) and 4(h) hereof).

(e) Adjustments for Subdivisions or Combinations of Common Stock. In the event the outstanding shares of Common Stock shall be subdivided (by stock split, by payment of a stock dividend or otherwise), into a greater number of shares of Common Stock, the Conversion Price of each series of Preferred Stock in effect immediately prior to such subdivision shall, concurrently with the effectiveness of such subdivision, be proportionately decreased. In the event the outstanding shares of Common Stock shall be combined (by reclassification or otherwise) into a lesser number of shares of Common Stock, the Conversion Prices of each series of Preferred Stock in effect immediately prior to such combination shall, concurrently with the effectiveness of such combination, be proportionately increased.

(f) Adjustments for Subdivisions or Combinations of Preferred Stock. In the event the outstanding shares of Preferred Stock or a series of Preferred Stock shall be subdivided (by stock split, by payment of a stock dividend or otherwise), into a greater number of shares of Preferred Stock, the Original Issue Price and Liquidation Preference of the affected series of Preferred Stock in effect immediately prior to such subdivision shall, concurrently with the effectiveness of such subdivision, be proportionately decreased. In the event the outstanding shares of Preferred Stock or a series of Preferred Stock shall be combined (by reclassification or otherwise) into a lesser number of shares of Preferred Stock, the Original Issue Price and Liquidation Preference of the affected series of Preferred Stock in effect immediately prior to such combination shall, concurrently with the effectiveness of such combination, be proportionately increased.

(g) Adjustment for Common Stock Dividends and Distributions. If the Corporation, at any time or from time to time after the date of filing of this Amended and Restated Articles of Incorporation, makes, or fixes a record date for the determination of holders of Common Stock entitled to receive, a dividend or other distribution payable in shares of Common Stock, in each such event the Conversion Price then in effect for each series of Preferred Stock shall be decreased as of the time of such issuance or, in the event such record date is fixed, as of the close of business on such record date, by multiplying the Conversion Price then in effect for such series of Preferred Stock by a fraction (i) the numerator of which is the total number of shares of Common Stock issued

and outstanding immediately prior to the time of such issues or the close of business on such record date and (ii) the denominator of which is the total number of shares of Common Stock issued and outstanding immediately prior to the time of such issuance or the close of business on such record date plus the number of shares of Common Stock issuable in payment of such dividend or distribution; provided, however, that if such record date is fixed and such dividend is not fully paid or if such distribution is not fully made on the date fixed therefor, the Conversion Price for each series of Preferred Stock shall be recomputed accordingly as of the close of business on such record date and thereafter the Conversion Price shall be adjusted pursuant to this Section 4(g) to reflect the actual payment of such dividend or distribution.

(h) Adjustments for Reclassification, Exchange and Substitution. Subject to Section 3 above, if at any time or from time to time, the Common Stock issuable upon conversion of the Preferred Stock shall be changed into the same or a different number of shares of any other class or classes of stock, whether by recapitalization, capital reorganization, reclassification or otherwise (other than a subdivision, combination of shares or merger or sale of assets provided for above or in Section 3), then, in any such event, in lieu of the number of shares of Common Stock which the holders would otherwise have been entitled to receive, each holder of such Preferred Stock shall have the right thereafter to convert such shares of Preferred Stock into a number of shares of such other class or classes of stock which a holder of the number of shares of Common Stock deliverable upon conversion of such series of Preferred Stock immediately before that change would have been entitled to receive in such reorganization or reclassification, all subject to further adjustment as provided herein with respect to such other shares. In addition, to the extent applicable in any reorganization or recapitalization, provision shall be made so that the holders of the Preferred Stock shall thereafter be entitled to receive upon conversion of the Preferred Stock the number of shares of stock or other securities or property of the Corporation or otherwise, to which a holder of Common Stock deliverable upon conversion would have been entitled on such reorganization or recapitalization.

(i) Certificate as to Adjustments. Upon the occurrence of each adjustment or readjustment of the Conversion Price pursuant to this Section 4, the Corporation at its expense shall promptly compute such adjustment or readjustment in accordance with the terms hereof and furnish to each holder of Preferred Stock a certificate setting forth such adjustment or readjustment and showing in detail the facts upon which such adjustment or readjustment is based. The Corporation shall, upon the written request at any time of any holder of Preferred Stock, furnish or cause to be furnished to such holder a like certificate setting forth (i) such adjustments and readjustments, (ii) the Conversion Price at the time in effect and (iii) the number of shares of Common Stock and the amount, if any, of other property which at the time would be received upon the conversion of Preferred Stock.

(j) Reservation of Stock Issuable Upon Conversion. The Corporation shall at all times reserve and keep available out of its authorized but unissued shares of Common Stock solely for the purpose of effecting the conversion of the shares of the Preferred Stock, such number of its shares of Common Stock as shall from time to time be sufficient to effect the conversion of all then outstanding shares of the Preferred Stock; and if at any time the number of authorized but unissued shares of Common Stock shall not be sufficient to effect the conversion of all then outstanding

shares of the Preferred Stock, the Corporation will take such corporate action as may, in the opinion of its counsel, be necessary to increase its authorized but unissued shares of Common Stock to such number of shares as shall be sufficient for such purpose.

## 5. Voting.

(a) Restricted Class Voting. Except as otherwise expressly provided herein or as required by law, the holders of Preferred Stock and the holders of Common Stock shall vote together and not as separate classes.

(b) No Series Voting. Other than as provided herein or required by law, there shall be no series voting.

(c) Preferred Stock. Each holder of Preferred Stock shall be entitled to the number of votes equal to the number of shares of Common Stock into which the shares of Preferred Stock held by such holder could be converted at the then effective Conversion Rate immediately after the close of business on the record date fixed for a shareholders meeting or the effective date of a written consent. Fractional votes shall not, however, be permitted and any fractional voting rights resulting from the above formula (after aggregating all shares into which shares of Preferred Stock held by each holder could be converted), shall be disregarded. The holders of shares of Preferred Stock shall be entitled to vote on all matters on which the Common Stock shall be entitled to vote and may act by written consent in the same manner as the Common Stock. Holders of Preferred Stock shall be entitled to notice of any shareholders' meeting in accordance with the Bylaws of the Corporation.

(d) Election of Directors. So long as at least 2,500,000 shares (as adjusted for Recapitalizations) of Series B Preferred Stock remain outstanding, the holders of Series B Preferred Stock, voting as a separate class, shall be entitled to elect three (3) members of the Corporation's Board of Directors at each meeting or pursuant to each consent of the Corporation's shareholders for the election of directors and to fill any vacancy caused by the resignation, death, or removal of such directors. The holders of Preferred Stock and the holders of Common Stock, voting as a single class, shall be entitled to elect two (2) members of the Corporation's Board of Directors at each meeting or pursuant to each consent of the Corporation's shareholders for the election of directors and to fill any vacancy caused by the resignation, death, or removal of such directors. The holders of Common Stock, voting as a separate class, shall be entitled to two (2) members of the Corporation's Board of Directors at each meeting or pursuant to each consent of the Corporation's shareholders for the election of directors and to fill any vacancy caused by the resignation, death, or removal of such directors. Any additional members of the Corporation's Board of Directors shall be elected by the holders of Common Stock and Preferred Stock, voting together as a single class.

(e) Common Stock. Each holder of shares of Common Stock shall be entitled to one vote for each share thereof held.

## 6. Redemption.

(a) At any time on or after May 22, 2012, and at the election of the holders of at least a majority of the then outstanding shares of Series B-1 Preferred Stock, this Corporation shall redeem in cash, out of funds legally available therefor, all (but not less than all) outstanding shares of Series B-1 Preferred Stock which have not been converted into Common Stock, in three (3) equal annual installments (each a "Series B-1 Redemption Date"). The Corporation shall redeem the shares of Series B-1 Preferred Stock by paying in cash an amount per share equal to the Original Issue Price for such Series B-1 Preferred Stock, plus an amount equal to all declared or accrued but unpaid dividends thereon, whether or not earned (the "Series B-1 Redemption Price"). The number of shares of Series B-1 Preferred Stock that the Corporation shall be required under this Section 6 to redeem on any one (1) Series B-1 Redemption Date shall be equal to the amount determined by dividing: (a) the aggregate number of shares of Series B-1 Preferred Stock outstanding immediately prior to the Series B-1 Redemption Date by; (b) the number of remaining Series B-1 Redemption Dates (including the Series B-1 Redemption Date to which such calculation applies). If the funds legally available for redemption of the Series B-1 Preferred Stock shall be insufficient to permit the payment to such holders of the full respective Series B-1 Redemption Prices, the Corporation shall effect such redemption pro rata among the holders of the Series B-1 Preferred Stock so that each holder of Series B-1 Preferred Stock shall receive a redemption payment equal to a fraction of the aggregate amount available for redemption, the numerator of which is the number of shares of Series B-1 Preferred Stock held by such holder with each number multiplied by the Series B-1 Redemption Price of each share of Series B-1 Preferred Stock held by such holder, and the denominator of which is the number of shares of Series B-1 Preferred Stock outstanding multiplied by the Redemption Price of each such outstanding share of Series B-1 Preferred Stock, and the Corporation shall redeem the remaining shares to be redeemed as soon as sufficient funds are legally available.

(b) Subject to the rights of the Series B-1 Preferred Stock set forth in Section 6(a), at any time after November 2, 2010, and at the election of the holders of at least a majority of the then outstanding shares of Series B Preferred Stock, this Corporation shall redeem in cash, out of funds legally available therefor, all (but not less than all) outstanding shares of Series B Preferred Stock which have not been converted into Common Stock, in three (3) equal annual installments (each a "Series B Redemption Date," and together with the Series B-1 Redemption Date, the "Redemption Date"). The Corporation shall redeem the shares of Series B Preferred Stock by paying in cash an amount per share equal to the Original Issue Price for such Series B Preferred Stock, plus an amount equal to all declared or accrued but unpaid dividends thereon, whether or not earned (the "Series B Redemption Price" and together with the Series B-1 Redemption Price, the "Redemption Price"). The number of shares of Series B Preferred Stock that the Corporation shall be required under this Section 6 to redeem on any one (1) Series B Redemption Date shall be equal to the amount determined by dividing: (a) the aggregate number of shares of Series B Preferred Stock outstanding immediately prior to the Series B Redemption Date by; (b) the number of remaining Series B Redemption Dates (including the Series B Redemption Date to which such calculation applies). If the funds legally available for redemption of the Series B Preferred Stock shall be insufficient to permit the payment to such holders of the full respective Series B Redemption Prices, the Corporation shall effect such redemption pro rata among the holders of the Series B Preferred Stock so that each holder of Series B Preferred Stock shall receive a redemption payment equal to a fraction of the aggregate amount available for redemption, the numerator of which is the number of

shares of Series B Preferred Stock held by such holder with each number multiplied by the Series B Redemption Price of each share of Series B Preferred Stock held by such holder, and the denominator of which is the number of shares of Series B Preferred Stock outstanding multiplied by the Series B Redemption Price of each such outstanding share of Series B Preferred Stock, and the Corporation shall redeem the remaining shares to be redeemed as soon as sufficient funds are legally available. The Corporation shall, within 5 days of receipt of any request by the holders of Series B Preferred Stock to redeem any such shares of Series B Preferred Stock, provide written notice of Series B-1 Preferred Stock of such request.

(c) Any redemption effected pursuant to Section 6(a) shall be made on a pro rata basis among the holders of the Series B-1 Preferred Stock in proportion to the shares of Series B-1 Preferred Stock then held by them. Any redemption effected pursuant to Section 6(b) shall be made on a pro rata basis among the holders of the Series B Preferred Stock in proportion to the shares of Series B Preferred Stock then held by them.

(d) At least ten (10), but no more than thirty (30) days prior to each Redemption Date, written notice shall be mailed, first class postage prepaid, to each holder of record (at the close of business on the business day next preceding the day on which notice is given) of the Preferred Stock to be redeemed, at the address last shown on the records of the Corporation for such holder, notifying such holder of the redemption to be effected, specifying the number of shares to be redeemed from such holder, the Redemption Date, the Redemption Price, the place at which payment may be obtained and calling upon such holder to surrender to the Corporation, in the manner and at the place designated, the holder's certificate or certificates representing the shares to be redeemed (the "Redemption Notice"). Except as provided herein, on or after the Redemption Date each holder of Preferred Stock to be redeemed shall surrender to this Corporation the certificate or certificates representing such shares, in the manner and at the place designated in the Redemption Notice, and thereupon the Redemption Price of such shares shall be payable to the order of the person whose name appears on such certificate or certificates as the owner thereof and each surrendered certificate shall be cancelled. In the event less than all the shares represented by any such certificate are redeemed, a new certificate shall be issued representing the unredeemed shares.

(e) From and after the applicable Redemption Dates, unless there shall have been a default in payment of the Redemption Price, all rights of the holders of shares of Preferred Stock designated for redemption in the Redemption Notice as holders of Preferred Stock (except the right to receive the Redemption Price without interest upon surrender of their certificate or certificates) shall cease with respect to the shares designated for redemption on such date, and such shares shall not thereafter be transferred on the books of the Corporation or be deemed to be outstanding for any purpose whatsoever. The shares of Preferred Stock not redeemed shall remain outstanding and entitled to all the rights and preferences provided herein.

7. Series B-1 and Series B Amendments and Changes. As long as an aggregate of at least 2,500,000 shares of Series B-1 Preferred Stock and Series B Preferred Stock shall be issued and outstanding, the Corporation shall not (by amendment, merger, or otherwise), without first obtaining the approval (by vote or written consent as provided by law) of the holders of at least

two-thirds (2/3) of the outstanding shares of the Series B-1 Preferred Stock and the Series B Preferred Stock, voting together on an as-converted basis as a single class:

(a) amend, alter or repeal any provision of the Amended and Restated Articles of Incorporation or bylaws of the Corporation if such action would adversely alter the rights, preferences, privileges or powers of, or restrictions provided for the benefit of the Series B-1 or Series B Preferred Stock;

(b) increase the authorized number of shares of Common Stock or Series A Preferred Stock, Series B Preferred Stock or Series B-1 Preferred Stock;

(c) authorize or create (by reclassification or otherwise) any new class or series of shares having rights, preferences or privileges senior to or on a parity with the Series B-1 Preferred Stock;

(d) authorize a sale of all or substantially all of the assets of the Corporation or the voluntarily liquidation, dissolution or winding up of the Corporation;

(e) authorize a merger, consolidation or other series of transactions where the shareholders of the Corporation before such transaction will hold less than a majority of the shares of the surviving entity;

(f) increase the number of shares authorized for issuance under any existing stock or option plan or create any new stock or option plan;

(g) take any action that results in the payment or declaration of a dividend on any shares of Common Stock or Preferred Stock other than pursuant to (i) Section 6, (ii) repurchases of Common Stock issued to or held by employees, officers, directors or consultants of the Corporation or its subsidiaries upon termination of their employment or services pursuant to agreements providing for the right of said repurchase or (iii) repurchases of Common Stock issued to or held by employees, officers, directors or consultants of the Corporation or its subsidiaries pursuant to rights of first refusal contained in agreements providing for such right;

(h) incur indebtedness for money borrowed or any other liabilities (including without limitation operating and capital leases) in excess of \$1,000,000 in the aggregate;

(i) increase the size of the Board of Directors or any committee thereof; or

(j) acquire a material amount of assets through a merger or purchase of all or substantially all of the assets or capital stock of another entity.

8. Series A Amendments and Changes. As long as 800,000 shares of the Series A Preferred Stock shall be issued and outstanding, the Corporation shall not, without first obtaining the approval (by vote or written consent as provided by law) of the holders of a majority of the outstanding shares of the Series A Preferred Stock, alter or change the rights, preferences, or restrictions of the Series A Preferred Stock by amending this Amended and Restated Articles of

Incorporation so as to affect the Series A Preferred Stock adversely in a different manner than the Series B-1 Preferred Stock or Series B Preferred Stock.

9. Notices. Any notice required by the provisions of this Article V to be given to the holders of Preferred Stock shall be deemed given if deposited in the United States mail, postage prepaid, and addressed to each holder of record at such holder's address appearing on the books of the Corporation.
