

RESTATED CERTIFICATE OF INCORPORATION

OF

ALLURENT, INC.

Allurent, Inc. (the "Corporation"), a Delaware corporation, hereby certifies as follows:

1. The name of the Corporation is Allurent, Inc. The date of filing of the original Certificate of Incorporation of the Corporation with the Secretary of State of Delaware was September 23, 2004. A Restated Certificate of Incorporation was filed with the Secretary of State of Delaware on March 2, 2006 and a Certificate of Amendment of Restated Certificate of Incorporation was filed with the Secretary of State of Delaware on August 10, 2007.

2. This Restated Certificate of Incorporation amends, restates and integrates the provisions of the prior Restated Certificate of Incorporation, as heretofore amended, of the Corporation and has been duly adopted in accordance with the provisions of Sections 141(f), 228, 242 and 245 of the General Corporation Law of the State of Delaware pursuant to the written consent of the Board of Directors of the Corporation and the written consent of the stockholders of the Corporation.

3. The text of the prior Restated Certificate of Incorporation, as heretofore amended, is hereby amended and restated in its entirety as follows:

FIRST: The name of the Corporation is: Allurent, Inc.

SECOND: The address of the Corporation's registered office in the State of Delaware is Corporation Trust Center, 1209 Orange Street, in the City of Wilmington, County of New Castle. The name of its registered agent at such address is The Corporation Trust Company.

THIRD: The nature of the business or purposes to be conducted or promoted by the Corporation is to engage in any lawful act or activity for which corporations may be organized under the General Corporation Law of Delaware.

FOURTH: The total number of shares of all classes of stock which the Corporation shall have authority to issue is 75,000,000 shares, consisting of (i) 50,000,000 shares of Common Stock, \$.01 par value per share ("Common Stock"), and (ii) 25,000,000 shares of Preferred Stock, \$.01 par value per share ("Preferred Stock").

The following is a statement of the designations and the powers, privileges and rights, and the qualifications, limitations or restrictions thereof in respect of each class of capital stock of the Corporation.

A. COMMON STOCK.

1. General. The voting, dividend and liquidation rights of the holders of the Common Stock are subject to and qualified by the rights of the holders of the Preferred Stock of any series as may be designated by the Board of Directors upon any issuance of the Preferred Stock of any series.

2. Voting. The holders of the Common Stock are entitled to one vote for each share held at all meetings of stockholders (and written actions in lieu of meetings). There shall be no cumulative voting.

The number of authorized shares of Common Stock may be increased or decreased (but not below the number of shares thereof then outstanding) by the affirmative vote of the holders of a majority of the stock of the Corporation entitled to vote, irrespective of the provisions of Section 242(b)(2) of the General Corporation Law of Delaware.

3. Dividends. Dividends may be declared and paid on the Common Stock from funds lawfully available therefor as and when determined by the Board of Directors and subject to any preferential dividend rights of any then outstanding Preferred Stock.

4. Liquidation. Upon the dissolution or liquidation of the Corporation, whether voluntary or involuntary, holders of Common Stock will be entitled to receive all assets of the Corporation available for distribution to its stockholders, subject to any preferential rights of any then outstanding Preferred Stock.

B. PREFERRED STOCK.

Preferred Stock may be issued from time to time in one or more series, each of such series to have such terms as stated or expressed herein and in the resolution or resolutions providing for the issue of such series adopted by the Board of Directors of the Corporation as hereinafter provided. Any shares of Preferred Stock which may be redeemed, purchased or acquired by the Corporation may be reissued except as otherwise provided by law. Different series of Preferred Stock shall not be construed to constitute different classes of shares for the purposes of voting by classes unless expressly provided.

Authority is hereby expressly granted to the Board of Directors from time to time to issue the Preferred Stock in one or more series, and in connection with the creation of any such series, by resolution or resolutions providing for the issue of the shares thereof, to determine and fix such voting powers, full or limited, or no voting powers, and such designations, preferences and relative participating, optional or other special rights, and qualifications, limitations or restrictions thereof, including without limitation thereof, dividend rights, conversion rights, redemption privileges and liquidation preferences, as shall be stated and expressed in such resolutions, all to the full extent now or hereafter permitted by the General Corporation Law of Delaware. Without limiting the generality of the foregoing, the resolutions providing for issuance of any series of Preferred Stock may provide that such series shall be superior or rank equally or be junior to the Preferred Stock of any other series to the extent permitted by law. Except as otherwise provided in this Certificate of Incorporation, no vote of the holders of the

Preferred Stock or Common Stock shall be a prerequisite to the designation or issuance of any shares of any series of the Preferred Stock authorized by and complying with the conditions of this Certificate of Incorporation, the right to have such vote being expressly waived by all present and future holders of the capital stock of the Corporation.

C. SERIES A, B AND C CONVERTIBLE PREFERRED STOCK.

Three million three hundred eighty-three thousand three hundred thirty (3,383,330) shares of Preferred Stock of the Corporation are "Series A Convertible Preferred Stock" (the "Series A Preferred Stock"), four million two hundred fifty-four thousand five hundred seventy-one (4,254,571) shares of Preferred Stock of the Corporation are "Series B Convertible Preferred Stock" (the "Series B Preferred Stock") and six million four hundred three thousand fifty-seven (6,403,057) shares of the authorized and unissued Preferred Stock of the Corporation are hereby designated "Series C Convertible Preferred Stock" (the "Series C Preferred Stock"), with the following rights, preferences, powers, privileges and restrictions, qualifications and limitations.

1. Dividends. The Corporation shall not declare, pay or set aside any dividends (other than dividends payable in shares of Common Stock) on shares of Common Stock unless the holders of the Preferred Stock then outstanding shall first receive, or simultaneously receive, a dividend on each outstanding share of Preferred Stock equal to the product of (i) the per share dividend to be declared, paid or set aside for the Common Stock, multiplied by (ii) the number of shares of Common Stock into which such share of Preferred Stock is then convertible.

2. Liquidation, Dissolution or Winding Up; Certain Mergers, Consolidations and Asset Sales.

(a) Priority Payments to Holders of Preferred Stock. In the event of any voluntary or involuntary liquidation, dissolution or winding up of the Corporation, the holders of shares of Preferred Stock then outstanding shall be entitled to be paid out of the assets of the Corporation available for distribution to its stockholders, before any payment shall be made to the holders of Common Stock by reason of their ownership thereof, (i) in the case of the Series A Preferred Stock, an amount equal to the greater of (A) \$0.60 per share of Series A Preferred Stock (subject to appropriate adjustment in the event of any stock dividend, stock split, combination or other similar recapitalization affecting such shares), plus any declared but unpaid dividends on such shares, or (B) such amount per share of Series A Preferred Stock as would have been payable had such share been converted into Common Stock pursuant to the provisions of Section 4 immediately prior to such liquidation, dissolution or winding up (the "Series A Liquidation Amount"), (ii) in the case of the Series B Preferred Stock, an amount equal to the greater of (A) \$1.008 per share of Series B Preferred Stock (subject to appropriate adjustment in the event of any stock dividend, stock split, combination or other similar recapitalization affecting such shares), plus any declared but unpaid dividends on such shares, or (B) such amount per share of Series B Preferred Stock as would have been payable had such share been converted into Common Stock pursuant to the provisions of Section 4 immediately prior to such liquidation, dissolution or winding up (the "Series B Liquidation Amount"), and (iii) in the case of the Series C Preferred Stock, an amount equal to the greater of (A) \$1.49 per share of Series C Preferred Stock (subject to appropriate adjustment in the event of any stock dividend, stock split,

combination or other similar recapitalization affecting such shares), plus any declared but unpaid dividends on such shares, or (B) such amount per share of Series C Preferred Stock as would have been payable had such share been converted into Common Stock pursuant to the provisions of Section 4 immediately prior to such liquidation, dissolution or winding up (the "Series C Liquidation Amount"). If upon any such liquidation, dissolution or winding up of the Corporation the remaining assets of the Corporation available for distribution to its stockholders shall be insufficient to pay the holders of shares of Series A Preferred Stock the full Series A Liquidation Amount, the holders of Series B Preferred Stock the full Series B Liquidation Amount and the holders of Series C Preferred Stock the full Series C Liquidation Amount, the holders of shares of Series A Preferred Stock, Series B Preferred Stock and Series C Preferred Stock shall share ratably in any distribution of the remaining assets and funds of the Corporation in proportion to the respective amounts which would otherwise be payable in respect of the shares held by them upon such distribution if all amounts payable on or with respect to such shares were paid in full.

(b) Payments to Holders of Common Stock. After the payment of all preferential amounts required to be paid to the holders of Preferred Stock, upon the dissolution, liquidation or winding up of the Corporation, the remaining assets and funds of the Corporation available for distribution to its stockholders shall be distributed among the holders of shares of Common Stock pro rata based on the number of shares of Common Stock held by each.

(c) Deemed Liquidation Events.

(i) The following events shall be deemed to be a liquidation of the Corporation for purposes of this Section 2 (a "Deemed Liquidation Event"):

(A) a merger or consolidation in which

(I) the Corporation is a constituent party, or

(II) a subsidiary of the Corporation is a constituent party and the Corporation issues shares of its capital stock pursuant to such merger or consolidation,

except any such merger or consolidation involving the Corporation or a subsidiary in which the holders of capital stock of the Corporation immediately prior to such merger or consolidation continue to hold immediately following such merger or consolidation at least a majority by voting power of the capital stock of (1) the surviving or resulting corporation or (2) if the surviving or resulting corporation is a wholly owned subsidiary of another corporation immediately following such merger or consolidation, the parent corporation of such surviving or resulting corporation; or

(B) the sale or exclusive license, in a single transaction or series of related transactions, by the Corporation of all or substantially all the assets of the Corporation (except where such sale is to a wholly owned subsidiary of the Corporation).

(ii) The Corporation shall not effect any transaction constituting a Deemed Liquidation Event pursuant to Section 2(c)(i)(A) above unless (A) the agreement or plan of merger or consolidation provides that the consideration payable to the stockholders of the Corporation shall be allocated among the holders of capital stock of the Corporation in accordance with Sections 2(a) and 2(b) above or (B) the holders of at least a majority of the then outstanding shares of Series A Preferred Stock, the holders of at least 60% of the then outstanding shares of Series B Preferred Stock and the holders of at least two thirds of the then outstanding shares of Series C Preferred Stock, each voting separately as a class, specifically consent in writing to the allocation of such consideration in a manner different from that provided in Sections 2(a) and 2(b) above.

(iii) In the event of a Deemed Liquidation Event pursuant to Section 2(c)(i)(B) above, the Corporation shall effect a dissolution of the Corporation under the Delaware General Corporation Law within 90 days after such Deemed Liquidation Event. The Corporation shall use the consideration received by the Corporation for such Deemed Liquidation Event (net of any liabilities associated with the assets sold or exclusively licensed, as determined in good faith by the Board of Directors of the Corporation), to the extent legally available therefor (the "Net Proceeds"), to redeem, on the 90th day after such Deemed Liquidation Event (the "Liquidation Redemption Date"), all outstanding shares of Preferred Stock at a price per share equal to the Series A Liquidation Amount, Series B Liquidation Amount or Series C Liquidation Amount, as the case may be. In the event of a redemption pursuant to the preceding sentence, if the Net Proceeds are not sufficient to redeem all outstanding shares of Preferred Stock, the Corporation shall redeem a pro rata portion of each holder's shares of Preferred Stock in proportion to the respective amounts which would otherwise be payable in respect of the shares of Preferred Stock held by them upon such redemption if all such shares were redeemed in full. The provisions of Sections 6(b) through 6(e) below shall apply, with such necessary changes in the details thereof as are necessitated by the context, to the redemption of the Preferred Stock pursuant to this Section 2(c)(iii). Prior to the distribution or redemption provided for in this Section 2(c)(iii), the Corporation shall not expend or dissipate the consideration received for such Deemed Liquidation Event, except to discharge expenses incurred in the ordinary course of business.

(iv) The amount deemed paid or distributed to the holders of capital stock of the Corporation upon any such merger, consolidation, sale or redemption shall be the cash or the value of the property, rights or securities paid or distributed to such holders by the Corporation or the acquiring person, firm or other entity. The value of such property, rights or securities shall be determined in good faith by the Board of Directors of the Corporation.

3. Voting.

(a) On any matter presented to the stockholders of the Corporation for their action or consideration at any meeting of stockholders of the Corporation (or by written action of stockholders in lieu of meeting), each holder of outstanding shares of Preferred Stock shall be entitled to the number of votes equal to the number of whole shares of Common Stock into

which the shares of Preferred Stock held by such holder are convertible as of the record date for determining stockholders entitled to vote on such matter. Except as provided by law or by the provisions of Sections 3(b) and 3(c) below, holders of Preferred Stock shall vote together with the holders of Common Stock, and with the holders of any other series of Preferred Stock the terms of which so provide, as a single class.

(b) The Corporation shall not amend, alter or repeal the preferences, rights or privileges or any terms of any series of Preferred Stock so as to affect adversely such series of Preferred Stock (the "Affected Series") without the written consent or affirmative vote of the holders of the Requisite Vote (as defined below) of the then outstanding shares of the Affected Series, given in writing or by vote at a meeting, consenting or voting (as the case may be) separately as a class; provided, however, that, subject to the provisions of Section 242 of the General Corporation Law of the State of Delaware, only the consent of the holders of a majority of all then outstanding shares of Preferred Stock, voting together as a single class (on an as-converted basis), shall be required if such amendment affects all Preferred Stock in the same manner. "Requisite Vote" shall mean (i) in the case of the Series A Preferred Stock, a majority of the votes entitled to be cast by such shares, (ii) in the case of the Series B Preferred Stock, 60% of the votes entitled to be cast by such shares, and (iii) in the case of the Series C Preferred Stock, two thirds of the votes entitled to be cast by such shares. The creation or issuance of any class or series of stock senior to, or on a parity with, the Series A Preferred Stock shall be deemed not to adversely affect the Series A Preferred Stock and shall not require the written consent or affirmative vote of the holders of the Series A Preferred Stock.

(c) Without the written consent or affirmative vote of the holders of 60% of the then outstanding shares of Series B Preferred Stock and Series C Preferred Stock, given in writing or by vote at a meeting, consenting or voting (as the case may be) together as a separate class, the Corporation shall not:

- (i) create any class or series of stock senior to the Series B Preferred Stock or the Series C Preferred Stock, or any class or series of stock on a parity with the Series B Preferred Stock or the Series C Preferred Stock, whether pursuant to the provisions of Section 151(g) of the General Corporation Law of Delaware or otherwise;
- (ii) effect a change of control, liquidation, merger, reincorporation, or recapitalization involving the Corporation, or a sale, exclusive license or other transfer of all or substantially all of the Corporation's assets;
- (iii) change the number of directors; or
- (iv) declare or pay any dividend or make any distribution on any shares of the Corporation's capital stock (other than dividends on Common Stock payable solely in Common Stock) or apply any of the Corporation's assets to the redemption or repurchase of the Corporation's capital stock (except as contemplated by this Certificate of Incorporation or the Amended and Restated Right of First Refusal and Co-Sale Agreement dated on or about

the date of filing this Restated Certificate of Incorporation by and among the Corporation and certain of its stockholders and except for repurchases from former employees or consultants of the Corporation at cost).

(d) Anything in this Restated Certificate of Incorporation to the contrary notwithstanding: (i) any amendment of this Section 3 which adversely affects the holders of the Series C Preferred Stock (regardless of whether such amendment affects the holders of all or any other series of Preferred Stock in the same manner) shall require the affirmative vote or written consent of two thirds of the votes entitled to be cast by the holders of the Series C Preferred Stock, voting as a separate class, in addition to any other vote required by law or this Restated Certificate of Incorporation and (ii) no amendment or modification of this Restated Certificate of Incorporation shall impose any material new (or increase in a material way any existing) obligation, liability, restriction or other duty on any holder of Series C Preferred Stock that has not consented to such amendment or modification.

4. Optional Conversion. The holders of the Preferred Stock shall have conversion rights as follows (the "Conversion Rights"):

(a) Right to Convert. Each share of Preferred Stock shall be convertible, at the option of the holder thereof, at any time and from time to time, and without the payment of additional consideration by the holder thereof, into such number of fully paid and nonassessable shares of Common Stock as is determined by (i) in the case of the Series A Preferred Stock, dividing \$0.60 by the Series A Conversion Price (as defined below) in effect at the time of conversion, (ii) in the case of the Series B Preferred Stock, dividing \$1.008 by the Series B Conversion Price (as defined below) in effect at the time of conversion, and (iii) in the case of the Series C Preferred Stock, dividing \$1.49 by the Series C Conversion Price (as defined below) in effect at the time of conversion. The "Series A Conversion Price" shall initially be \$0.60, the "Series B Conversion Price" shall initially be \$1.008 and the "Series C Conversion Price" shall initially be \$1.49. Such initial Series A Conversion Price, Series B Conversion Price or Series C Conversion Price (as applicable, the "Conversion Price"), and the rate at which shares of Series A Preferred Stock, Series B Preferred Stock or Series C Preferred Stock, as applicable, may be converted into shares of Common Stock, shall be subject to adjustment as provided below.

In the event of a notice of redemption of any shares of Preferred Stock pursuant to Section 6 hereof, the Conversion Rights of the shares designated for redemption shall terminate at the close of business on the last full day preceding the date fixed for redemption, unless the redemption price is not paid on such redemption date, in which case the Conversion Rights for such shares shall continue until such price is paid in full. In the event of a liquidation, dissolution or winding up of the Corporation, the Conversion Rights shall terminate at the close of business on the last full day preceding the date fixed for the payment of any such amounts distributable on such event to the holders of Preferred Stock. In the event of such a redemption or liquidation, dissolution or winding up, the Corporation shall provide to each holder of shares of Preferred Stock notice of such redemption or liquidation, dissolution or winding up, which notice shall (i) be sent at least 15 days prior to the termination of the Conversion Rights and (ii) state the amount per share of Preferred Stock that will be paid or distributed on such redemption or liquidation, dissolution or winding up, as the case may be.

(b) Fractional Shares. No fractional shares of Common Stock shall be issued upon conversion of the Preferred Stock. In lieu of any fractional shares to which the holder would otherwise be entitled, the Corporation shall pay cash equal to such fraction multiplied by the then effective Conversion Price.

(c) Mechanics of Conversion.

(i) In order for a holder of Preferred Stock to convert shares of Preferred Stock into shares of Common Stock, such holder shall surrender the certificate or certificates for such shares of Preferred Stock, at the office of the transfer agent for the Preferred Stock (or at the principal office of the Corporation if the Corporation serves as its own transfer agent), together with written notice that such holder elects to convert all or any number of the shares of the Preferred Stock represented by such certificate or certificates. Such notice shall state such holder's name or the names of the nominees in which such holder wishes the certificate or certificates for shares of Common Stock to be issued. If required by the Corporation, certificates surrendered for conversion shall be endorsed or accompanied by a written instrument or instruments of transfer, in form satisfactory to the Corporation, duly executed by the registered holder or his or its attorney duly authorized in writing. The date of receipt of such certificates and notice by the transfer agent (or by the Corporation if the Corporation serves as its own transfer agent) shall be the conversion date ("Conversion Date"), and the shares of Common Stock issuable upon conversion of the shares represented by such certificate shall be deemed to be outstanding of record as of such date. The Corporation shall, as soon as practicable after the Conversion Date, issue and deliver at such office to such holder of Preferred Stock, or to his or its nominees, a certificate or certificates for the number of shares of Common Stock to which such holder shall be entitled, together with cash in lieu of any fraction of a share.

(ii) The Corporation shall at all times when the Preferred Stock shall be outstanding, reserve and keep available out of its authorized but unissued stock, for the purpose of effecting the conversion of the Preferred Stock, such number of its duly authorized shares of Common Stock as shall from time to time be sufficient to effect the conversion of all outstanding Preferred Stock. Before taking any action which would cause an adjustment reducing the Conversion Price below the then par value of the shares of Common Stock issuable upon conversion of the Preferred Stock, the Corporation will take any corporate action which may, in the opinion of its counsel, be necessary in order that the Corporation may validly and legally issue fully paid and nonassessable shares of Common Stock at such adjusted Conversion Price.

(iii) Upon any such conversion, no adjustment to the Conversion Price shall be made for any declared but unpaid dividends on the Preferred Stock surrendered for conversion or on the Common Stock delivered upon conversion.

(iv) All shares of Preferred Stock which shall have been surrendered for conversion as herein provided shall no longer be deemed to be outstanding and all rights with respect to such shares, including the rights, if any, to receive notices and to vote,

shall immediately cease and terminate on the Conversion Date, except only the right of the holders thereof to receive shares of Common Stock in exchange therefor and payment of any dividends declared but unpaid thereon. Any shares of Preferred Stock so converted shall be retired and cancelled and shall not be reissued, and the Corporation (without the need for stockholder action) may from time to time take such appropriate action as may be necessary to reduce the authorized number of shares of Preferred Stock accordingly.

(v) The Corporation shall pay any and all issue and similar taxes that may be payable in respect of any issuance or delivery of shares of Common Stock upon conversion of shares of Preferred Stock pursuant to this Section 4. The Corporation shall not, however, be required to pay any tax which may be payable in respect of any transfer involved in the issuance and delivery of shares of Common Stock in a name other than that in which the shares of Preferred Stock so converted were registered, and no such issuance or delivery shall be made unless and until the person or entity requesting such issuance has paid to the Corporation the amount of any such tax or has established, to the satisfaction of the Corporation, that such tax has been paid.

(d) Adjustments to Conversion Price for Diluting Issues.

(i) Special Definitions. For purposes of this Section 4, the following definitions shall apply:

(A) “Option” shall mean rights, options or warrants to subscribe for, purchase or otherwise acquire Common Stock or Convertible Securities.

(B) “Original Issue Date” shall mean the date on which a share of Series C Preferred Stock was first issued.

(C) “Convertible Securities” shall mean any evidences of indebtedness, shares or other securities directly or indirectly convertible into or exchangeable for Common Stock, but excluding Options.

(D) “Additional Shares of Common Stock” shall mean all shares of Common Stock issued (or, pursuant to Section 4(d)(iii) below, deemed to be issued) by the Corporation after the Original Issue Date, other than:

(I) shares of Common Stock issued or issuable upon conversion or exchange of any Convertible Securities or exercise of any Options outstanding on the Original Issue Date;

(II) shares of Common Stock issued or issuable as a dividend or distribution on all shares of Preferred Stock;

(III) shares of Common Stock issued or issuable by reason of a dividend, stock split, split-up or other distribution on shares of Common Stock that is covered by Section 4(e) or 4(f) below;

(IV) up to 3,089,607 shares of Common Stock (or Options with respect thereto) (subject in either case to appropriate adjustment in the event of any stock dividend, stock split, combination or other similar recapitalization affecting such shares), issued or issuable to employees or directors of, or consultants to, the Corporation or any of its subsidiaries pursuant to a plan, agreement or arrangement approved by the Board of Directors of the Corporation; provided that any Options for such shares that expire or terminate unexercised or any restricted stock repurchased by the Corporation shall not be counted toward such maximum number unless and until such shares are regranted as new stock grants (or as new Options) pursuant to the terms of any such plan, agreement or arrangement, and provided further that such number may be increased with the approval of the Board of Directors of the Corporation, including the approval of the Series B Director (as defined in the Amended and Restated Stockholders' Voting Agreement dated on or about the date of filing this Restated Certificate of Incorporation by and among the Corporation and certain holders of its capital stock);

(V) shares of Common Stock (or Options with respect thereto) issued or issuable in connection with any present or future strategic partnerships, licenses of technology, equipment leases or other commercial financing transactions approved by the Board of Directors of the Corporation, including the approval of the Series B Director;

(VI) shares of Common Stock issued solely in consideration for the acquisition (whether by merger or otherwise) by the Corporation or any of its subsidiaries of the stock or assets of any other entity approved by the Board of Directors of the Corporation, including the approval of the Series B Director; or

(VII) up to 1,405,226 shares of Common Stock (subject to appropriate adjustment in the event of any stock dividend, stock split, combination or other similar recapitalization affecting such shares) issued or issuable upon exercise of warrants outstanding on the Original Issue Date and originally issued to GSI Commerce Solutions, Inc. (the "GSI Warrant") and Silicon Valley Bank.

(ii) No Adjustment of Conversion Price. No adjustment in the Conversion Price shall be made as the result of the issuance of Additional Shares of Common Stock if: (a) the consideration per share (determined pursuant to Section 4(d)(v)) for such Additional Share of Common Stock issued or deemed to be issued by the Corporation is equal to or greater than the applicable Conversion Price in effect immediately prior to the issuance or deemed issuance of such Additional Shares of Common Stock, or (b) prior to such issuance or deemed issuance, the Corporation receives written notice from the holders of (i) in the case of the Series A Preferred Stock, at least a majority of the then outstanding shares of Series A Preferred Stock, (ii) in the case of the Series B Preferred

Stock, at least 60% of the then outstanding shares of Series B Preferred Stock, and (iii) in the case of the Series C Preferred Stock, at least two thirds of the then outstanding shares of Series C Preferred Stock, agreeing that no such adjustment shall be made as the result of the issuance or deemed issuance of Additional Shares of Common Stock.

(iii) Issue of Securities Deemed Issue of Additional Shares of Common Stock.

(A) If the Corporation at any time or from time to time after the Original Issue Date shall issue any Options or Convertible Securities (excluding Options or Convertible Securities which, upon exercise, conversion or exchange thereof, would entitle the holder thereof to receive shares of Common Stock which are specifically excepted from the definition of Additional Shares of Common Stock by Section 4(d)(i)(D) above) or shall fix a record date for the determination of holders of any class of securities entitled to receive any such Options or Convertible Securities, then the maximum number of shares of Common Stock (as set forth in the instrument relating thereto without regard to any provision contained therein for a subsequent adjustment of such number) issuable upon the exercise of such Options or, in the case of Convertible Securities and Options therefor, the conversion or exchange of such Convertible Securities, shall be deemed to be Additional Shares of Common Stock issued as of the time of such issue or, in case such a record date shall have been fixed, as of the close of business on such record date.

(B) If the terms of any Option or Convertible Security, the issuance of which resulted in an adjustment to the Conversion Price pursuant to the terms of Section 4(d)(iv) below, are revised (either automatically pursuant to the provisions contained therein or as a result of an amendment to such terms) to provide for either (1) any increase or decrease in the number of shares of Common Stock issuable upon the exercise, conversion or exchange of any such Option or Convertible Security or (2) any increase or decrease in the consideration payable to the Corporation upon such exercise, conversion or exchange, then, effective upon such increase or decrease becoming effective, the Conversion Price computed upon the original issue of such Option or Convertible Security (or upon the occurrence of a record date with respect thereto) shall be readjusted to such Conversion Price as would have obtained had such revised terms been in effect upon the original date of issuance of such Option or Convertible Security. Notwithstanding the foregoing, no adjustment pursuant to this clause (B) shall have the effect of increasing the Conversion Price to an amount which exceeds the lower of (i) the Conversion Price on the original adjustment date, or (ii) the Conversion Price that would have resulted from any issuances of Additional Shares of Common Stock between the original adjustment date and such readjustment date.

(C) If the terms of any Option or Convertible Security, the issuance of which did not result in an adjustment to the Conversion Price pursuant to the terms of Section 4(d)(iv) below (either because the consideration per share

(determined pursuant to Section 4(d)(v) hereof) of the Additional Shares of Common Stock subject thereto was equal to or greater than the applicable Conversion Price then in effect, or because such Option or Convertible Security was issued before the Original Issue Date), are revised after the Original Issue Date (either automatically pursuant the provisions contained therein or as a result of an amendment to such terms) to provide for either (1) any increase or decrease in the number of shares of Common Stock issuable upon the exercise, conversion or exchange of any such Option or Convertible Security or (2) any increase or decrease in the consideration payable to the Corporation upon such exercise, conversion or exchange, then such Option or Convertible Security, as so amended, and the Additional Shares of Common Stock subject thereto (determined in the manner provided in Section 4(d)(iii)(A) above) shall be deemed to have been issued effective upon such increase or decrease becoming effective.

(D) Upon the expiration or termination of any unexercised Option or unconverted or unexchanged Convertible Security which resulted (either upon its original issuance or upon a revision of its terms) in an adjustment to the Conversion Price pursuant to the terms of Section 4(d)(iv) below, the Conversion Price shall be readjusted to such Conversion Price as would have obtained had such Option or Convertible Security never been issued.

(E) No adjustment in the Conversion Price shall be made upon the issue of shares of Common Stock or Convertible Securities upon the exercise of Options or the issue of shares of Common Stock upon the conversion or exchange of Convertible Securities in accordance with their terms.

(iv) Adjustment of Conversion Price Upon Issuance of Additional Shares of Common Stock. In the event the Corporation shall at any time after the Original Issue Date issue Additional Shares of Common Stock (including Additional Shares of Common Stock deemed to be issued pursuant to Section 4(d)(iii), but excluding Additional Shares of Common Stock issued in an initial public offering which results in the conversion of the applicable series of Preferred Stock into Common Stock pursuant to Section 5(a), without consideration or for a consideration per share less than the applicable Conversion Price in effect immediately prior to such issue, then the Conversion Price shall be reduced, concurrently with such issue, to a price (calculated to the nearest cent) determined by multiplying such Conversion Price by a fraction, (x) the numerator of which shall be (1) the number of shares of Common Stock outstanding immediately prior to such issue plus (2) the number of shares of Common Stock which the aggregate consideration received or to be received by the Corporation for the total number of Additional Shares of Common Stock so issued would purchase at such Conversion Price, and (y) the denominator of which shall be the number of shares of Common Stock outstanding immediately prior to such issue plus the number of such Additional Shares of Common Stock so issued; provided that, (i) for the purpose of this Section 4(d)(iv), all shares of Common Stock issuable upon conversion or exchange of Convertible Securities outstanding immediately prior to such issue shall be deemed to be

outstanding, and (ii) the number of shares of Common Stock deemed issuable upon conversion or exchange of such outstanding Convertible Securities shall be determined without giving effect to any adjustments to the conversion or exchange price or conversion or exchange rate of such Convertible Securities resulting from the issuance of Additional Shares of Common Stock that is the subject of this calculation.

(v) Determination of Consideration. For purposes of this Section 4(d), the consideration received by the Corporation for the issue of any Additional Shares of Common Stock shall be computed as follows:

(A) Cash and Property: Such consideration shall:

(I) insofar as it consists of cash, be computed at the aggregate of cash received by the Corporation, excluding amounts paid or payable for accrued interest;

(II) insofar as it consists of property other than cash, be computed at the fair market value thereof at the time of such issue, as determined in good faith by the Board of Directors of the Corporation; and

(III) in the event Additional Shares of Common Stock are issued together with other shares or securities or other assets of the Corporation for consideration which covers both, be the proportion of such consideration so received, computed as provided in clauses (I) and (II) above, as determined in good faith by the Board of Directors of the Corporation.

(B) Options and Convertible Securities. The consideration per share received by the Corporation for Additional Shares of Common Stock deemed to have been issued pursuant to Section 4(d)(iii), relating to Options and Convertible Securities, shall be determined by dividing

(I) the total amount, if any, received or receivable by the Corporation as consideration for the issue of such Options or Convertible Securities, plus the minimum aggregate amount of additional consideration (as set forth in the instruments relating thereto, without regard to any provision contained therein for a subsequent adjustment of such consideration) payable to the Corporation upon the exercise of such Options or the conversion or exchange of such Convertible Securities, or in the case of Options for Convertible Securities, the exercise of such Options for Convertible Securities and the conversion or exchange of such Convertible Securities, by

(II) the maximum number of shares of Common Stock (as set forth in the instruments relating thereto, without regard to any provision contained therein for a subsequent adjustment of such number) issuable

upon the exercise of such Options or the conversion or exchange of such Convertible Securities.

(vi) Multiple Closing Dates. In the event the Corporation shall issue on more than one date Additional Shares of Common Stock which are comprised of shares of the same series or class of Preferred Stock, and such issuance dates occur within a period of no more than 120 days, then, upon the final such issuance, the Conversion Price shall be readjusted to give effect to all such issuances as if they occurred on the date of the final such issuance (and without giving effect to any adjustments as a result of such prior issuances within such period).

- (c) Adjustment for Stock Splits and Combinations. If the Corporation shall at any time or from time to time after the Original Issue Date effect a subdivision of the outstanding Common Stock or combine the outstanding shares of Preferred Stock, the Conversion Price then in effect immediately before that subdivision or combination shall be proportionately decreased. If the Corporation shall at any time or from time to time after the Original Issue Date combine the outstanding shares of Common Stock or effect a subdivision of the outstanding shares of Preferred Stock, the Conversion Price then in effect immediately before the combination or subdivision shall be proportionately increased. Any adjustment under this paragraph shall become effective at the close of business on the date the subdivision or combination becomes effective.

(f) Adjustment for Certain Dividends and Distributions. In the event the Corporation at any time or from time to time after the Original Issue Date shall make or issue, or fix a record date for the determination of holders of Common Stock entitled to receive, a dividend or other distribution payable in additional shares of Common Stock, then and in each such event the Conversion Price then in effect immediately before such event shall be decreased as of the time of such issuance or, in the event such a record date shall have been fixed, as of the close of business on such record date, by multiplying the Conversion Price then in effect by a fraction:

(I) the numerator of which shall be the total number of shares of Common Stock issued and outstanding immediately prior to the time of such issuance or the close of business on such record date, and

(II) the denominator of which shall be the total number of shares of Common Stock issued and outstanding immediately prior to the time of such issuance or the close of business on such record date plus the number of shares of Common Stock issuable in payment of such dividend or distribution;

provided, however, that if such record date shall have been fixed and such dividend is not fully paid or if such distribution is not fully made on the date fixed therefor, the Conversion Price shall be recomputed accordingly as of the close of business on such record date and thereafter the Conversion Price shall be adjusted pursuant to this paragraph as of the time of actual payment of such dividends or distributions; and provided further, however, that no such adjustment shall be made if the holders of Preferred Stock simultaneously receive (i) a dividend or other distribution of shares of Common Stock in a number equal to the number of shares of Common Stock as they

would have received if all outstanding shares of Preferred Stock had been converted into Common Stock on the date of such event or (ii) a dividend or other distribution of shares of Preferred Stock which are convertible, as of the date of such event, into such number of shares of Common Stock as is equal to the number of additional shares of Common Stock being issued with respect to each share of Common Stock in such dividend or distribution.

(g) Adjustments for Other Dividends and Distributions. In the event the Corporation at any time or from time to time after the Original Issue Date shall make or issue, or fix a record date for the determination of holders of Common Stock entitled to receive, a dividend or other distribution payable in securities of the Corporation (other than shares of Common Stock) or in cash or other property (other than regular cash dividends paid out of earnings or earned surplus, determined in accordance with generally accepted accounting principles), then and in each such event provision shall be made so that the holders of the Preferred Stock shall receive upon conversion thereof in addition to the number of shares of Common Stock receivable thereupon, the kind and amount of securities of the Corporation, cash or other property which they would have been entitled to receive had the Preferred Stock been converted into Common Stock on the date of such event and had they thereafter, during the period from the date of such event to and including the conversion date, retained such securities receivable by them as aforesaid during such period, giving application to all adjustments called for during such period under this paragraph with respect to the rights of the holders of the Preferred Stock; provided, however, that no such adjustment shall be made if the holders of Preferred Stock simultaneously receive a dividend or other distribution of such securities, cash or other property in an amount equal to the amount of such securities as they would have received if all outstanding shares of Preferred Stock had been converted into Common Stock on the date of such event.

(h) Adjustment for Merger or Reorganization, etc. Subject to the provisions of Section 2(c), if there shall occur any reorganization, recapitalization, reclassification, consolidation or merger involving the Corporation in which the Common Stock (but not the Preferred Stock) is converted into or exchanged for securities, cash or other property (other than a transaction covered by paragraphs (e), (f) or (g) of this Section 4), then, following any such reorganization, recapitalization, reclassification, consolidation or merger, each share of Preferred Stock shall be convertible into the kind and amount of securities, cash or other property which a holder of the number of shares of Common Stock of the Corporation issuable upon conversion of one share of Preferred Stock immediately prior to such reorganization, recapitalization, reclassification, consolidation or merger would have been entitled to receive pursuant to such transaction; and, in such case, appropriate adjustment (as determined in good faith by the Board of Directors of the Corporation) shall be made in the application of the provisions in this Section 4 with respect to the rights and interests thereafter of the holders of the Preferred Stock, to the end that the provisions set forth in this Section 4 (including provisions with respect to changes in and other adjustments of the Conversion Price) shall thereafter be applicable, as nearly as reasonably may be, in relation to any securities or other property thereafter deliverable upon the conversion of the Preferred Stock.

(i) Certificate as to Adjustments. Upon the occurrence of each adjustment or readjustment of the Conversion Price pursuant to this Section 4, the Corporation at its expense shall, as promptly as reasonably practicable but in any event not later than 10 days thereafter,

compute such adjustment or readjustment in accordance with the terms hereof and furnish to each holder of Preferred Stock a certificate setting forth such adjustment or readjustment (including the kind and amount of securities, cash or other property into which the Preferred Stock is convertible) and showing in detail the facts upon which such adjustment or readjustment is based. The Corporation shall, as promptly as reasonably practicable after the written request at any time of any holder of Preferred Stock (but in any event not later than 10 days thereafter), furnish or cause to be furnished to such holder a certificate setting forth (i) the Conversion Price then in effect, and (ii) the number of shares of Common Stock and the amount, if any, of other securities, cash or property which then would be received upon the conversion of Preferred Stock.

(j) Notice of Record Date. In the event:

(i) the Corporation shall take a record of the holders of its Common Stock (or other stock or securities at the time issuable upon conversion of the Preferred Stock) for the purpose of entitling or enabling them to receive any dividend or other distribution, or to receive any right to subscribe for or purchase any shares of stock of any class or any other securities, or to receive any other right; or

(ii) of any capital reorganization of the Corporation, any reclassification of the Common Stock of the Corporation, any consolidation or merger of the Corporation with or into another corporation (other than a consolidation or merger in which the Corporation is the surviving entity and its Common Stock is not converted into or exchanged for any other securities or property), or any transfer of all or substantially all of the assets of the Corporation; or

(iii) of the voluntary or involuntary dissolution, liquidation or winding-up of the Corporation,

then, and in each such case, the Corporation will send or cause to be sent to the holders of the Preferred Stock a notice specifying, as the case may be, (i) the record date for such dividend, distribution or right, and the amount and character of such dividend, distribution or right, or (ii) the effective date on which such reorganization, reclassification, consolidation, merger, transfer, dissolution, liquidation or winding-up is to take place, and the time, if any is to be fixed, as of which the holders of record of Common Stock (or such other stock or securities at the time issuable upon the conversion of the Preferred Stock) shall be entitled to exchange their shares of Common Stock (or such other stock or securities) for securities or other property deliverable upon such reorganization, reclassification, consolidation, merger, transfer, dissolution, liquidation or winding-up. Such notice shall be sent at least 10 business days prior to the record date or effective date for the event specified in such notice.

5. Mandatory Conversion.

(a) Upon the Mandatory Conversion Date (as defined below), all outstanding shares of Series A Preferred Stock, Series B Preferred Stock and/or Series C Preferred Stock, as the case may be, shall automatically be converted into shares of Common Stock, at the then effective

conversion rate, and such shares may not be reissued by the Corporation as Series A Preferred Stock, Series B Preferred Stock and/or Series C Preferred Stock, as the case may be. The "Mandatory Conversion Date" shall mean, in the case of the Series A Preferred Stock, the earliest of (i) the closing of the sale of shares of Common Stock, at a price to the public of at least \$1.20 per share (subject to appropriate adjustment for stock splits, stock dividends, combinations and other similar recapitalizations affecting such shares) and resulting in gross proceeds to the Corporation of at least \$30,000,000, in a firm-commitment underwritten public offering pursuant to an effective registration statement under the Securities Act of 1933, as amended, resulting in the listing of the Common Stock on the Nasdaq Global Market or the New York Stock Exchange, (ii) a date agreed to in writing by the holders of at least 60% of the then outstanding shares of Series A Preferred Stock, or (iii) the date on which fewer than 60% of the number of shares of Series A Preferred Stock originally issued in the Corporation's offering of Series A Preferred Stock remain outstanding. The "Mandatory Conversion Date" shall mean, in the case of the Series B Preferred Stock, the earliest of (i) the closing of the sale of shares of Common Stock, at a price to the public of at least \$2.00 per share (subject to appropriate adjustment for stock splits, stock dividends, combinations and other similar recapitalizations affecting such shares) and resulting in gross proceeds to the Corporation of at least \$30,000,000, in a firm-commitment underwritten public offering pursuant to an effective registration statement under the Securities Act of 1933, as amended, resulting in the listing of the Common Stock on the Nasdaq Global Market or the New York Stock Exchange, (ii) a date agreed to in writing by the holders of at least 60% of the then outstanding shares of Series B Preferred Stock, or (iii) the date on which fewer than one-third of the number of shares of Series B Preferred Stock originally issued in the Corporation's offering of Series B Preferred Stock remain outstanding. The "Mandatory Conversion Date" shall mean, in the case of the Series C Preferred Stock, the earliest of (i) the closing of the sale of shares of Common Stock, at a price to the public of at least \$3.00 per share (subject to appropriate adjustment for stock splits, stock dividends, combinations and other similar recapitalizations affecting such shares) and resulting in gross proceeds to the Corporation of at least \$30,000,000, in a firm-commitment underwritten public offering pursuant to an effective registration statement under the Securities Act of 1933, as amended, resulting in the listing of the Common Stock on the Nasdaq Global Market or the New York Stock Exchange, (ii) a date agreed to in writing by the holders of at least two thirds of the then outstanding shares of Series C Preferred Stock, or (iii) the date on which fewer than one-third of the number of shares of Series C Preferred Stock originally issued in the Corporation's offering of Series C Preferred Stock remain outstanding, provided that for the purpose of making any determination under this clause (iii), shares of Series C Preferred Stock that have been or may be issued pursuant to the exercise of the GSI Warrant shall be considered to have been issued in such Series C Preferred Stock offering and to be outstanding.

(b) All holders of record of shares of Preferred Stock shall be given written notice of the Mandatory Conversion Date and the place designated for mandatory conversion of all such shares of Preferred Stock pursuant to this Section 5. Such notice need not be given in advance of the occurrence of the Mandatory Conversion Date. Such notice shall be sent by first class or registered mail, postage prepaid, or given by electronic communication in compliance with the provisions of the Delaware General Corporation Law, to each record holder of Preferred Stock. Upon receipt of such notice, each holder of shares of Preferred Stock shall surrender his or its certificate or certificates for all such shares to the Corporation at the place designated in such

notice, and shall thereafter receive certificates for the number of shares of Common Stock to which such holder is entitled pursuant to this Section 5. On a Mandatory Conversion Date, all outstanding shares of the series of Preferred Stock to which such Mandatory Conversion Date applies shall be deemed to have been converted into shares of Common Stock, which shall be deemed to be outstanding of record, and all rights with respect to the Preferred Stock so converted, including the rights, if any, to receive notices and vote (other than as a holder of Common Stock) will terminate, except only the rights of the holders thereof, upon surrender of their certificate or certificates therefor, to receive certificates for the number of shares of Common Stock into which such Preferred Stock has been converted, and payment of any declared but unpaid dividends thereon. If so required by the Corporation, certificates surrendered for conversion shall be endorsed or accompanied by written instrument or instruments of transfer, in form satisfactory to the Corporation, duly executed by the registered holder or by his or its attorney duly authorized in writing. As soon as practicable after the Mandatory Conversion Date and the surrender of the certificate or certificates for Preferred Stock, the Corporation shall cause to be issued and delivered to such holder, or on his or its written order, a certificate or certificates for the number of full shares of Common Stock issuable on such conversion in accordance with the provisions hereof and cash as provided in Section 4(b) in respect of any fraction of a share of Common Stock otherwise issuable upon such conversion.

(c) All certificates evidencing shares of Preferred Stock which are required to be surrendered for conversion in accordance with the provisions hereof shall, from and after the Mandatory Conversion Date, be deemed to have been retired and cancelled and the shares of Preferred Stock represented thereby converted into Common Stock for all purposes, notwithstanding the failure of the holder or holders thereof to surrender such certificates on or prior to such date. Such converted Preferred Stock may not be reissued, and the Corporation may thereafter take such appropriate action (without the need for stockholder action) as may be necessary to reduce the authorized number of shares of Preferred Stock accordingly.

6. Redemption.

(a) Mandatory Redemption; Three Installments. Shares of Preferred Stock shall be redeemed by the Corporation at a price equal to the Redemption Price (as defined below) in three equal annual installments with the first installment payable 60 days after receipt by the Corporation at any time on or after the seventh anniversary of the date on which a share of Series C Preferred Stock was first issued, from the holders of at least a majority of the then outstanding shares of Preferred Stock, voting together on as-converted basis as a single class, of written notice requesting redemption of all shares of Preferred Stock (the date of each such installment being referred to as a "Redemption Date"). On each Redemption Date, the Corporation shall redeem that number of outstanding shares of Preferred Stock, on a series by series basis, determined by dividing (i) the total number of shares of each series of Preferred Stock outstanding immediately prior to such Redemption Date by (ii) the number of remaining Redemption Dates (including the Redemption Date to which such calculation applies). If the Corporation does not have sufficient funds legally available to redeem the Preferred Stock on any Redemption Date, the Corporation shall redeem a pro rata portion of each holder's shares of Preferred Stock (in proportion to the respective amounts which would otherwise be payable in

respect of the shares of Preferred Stock held by a holder thereof upon such redemption if all such shares were redeemed in full) out of funds legally available therefor and shall redeem the remaining shares to have been redeemed as soon as practicable after the Corporation has funds legally available therefor. The "Redemption Price" shall equal \$0.60 per share in the case of the Series A Preferred Stock, \$1.008 per share in the case of the Series B Preferred Stock and \$1.49 per share in the case of the Series C Preferred Stock, in each case plus all declared but unpaid dividends thereon and subject to appropriate adjustment for stock splits, stock dividends, combinations and other similar recapitalizations affecting such shares. If the Corporation does not redeem any shares of Preferred Stock when required (including, without limitation because it does not have sufficient funds legally available), the Redemption Price for all shares not redeemed when required shall bear interest at a monthly rate of one percent (1%) from the applicable Redemption Date through the date such shares are actually redeemed.

(b) Redemption Notice. Written notice of the mandatory redemption (the "Redemption Notice") shall be mailed, postage prepaid, to each holder of record of Preferred Stock, at its post office address last shown on the records of the Corporation, or given by electronic communication in compliance with the provisions of the Delaware General Corporation Law, not less than 30 days prior to each Redemption Date. Each Redemption Notice shall state:

(I) the number of shares of Preferred Stock held by the holder that the Corporation shall redeem on the Redemption Date specified in the Redemption Notice;

(II) the Redemption Date and the Redemption Price;

(III) the date upon which the holder's right to convert such shares terminates (as determined in accordance with Section 4(a)); and

(IV) that the holder is to surrender to the Corporation, in the manner and at the place designated, his certificate or certificates representing the shares of Preferred Stock to be redeemed.

(c) Surrender of Certificates; Payment. On or before the applicable Redemption Date, each holder of shares of Preferred Stock to be redeemed on such Redemption Date, unless such holder has exercised his right to convert such shares as provided in Section 4 hereof, shall surrender the certificate or certificates representing such shares to the Corporation, in the manner and at the place designated in the Redemption Notice, and thereupon the Redemption Price for such shares shall be payable to the order of the person whose name appears on such certificate or certificates as the owner thereof, and each surrendered certificate shall be canceled and retired. In the event less than all of the shares of Preferred Stock represented by a certificate are redeemed, a new certificate representing the unredeemed shares of Preferred Stock shall promptly be issued.

(d) Rights Subsequent to Redemption. If the Redemption Notice shall have been duly given, and if on the applicable Redemption Date the Redemption Price payable upon redemption of the shares of Preferred Stock to be redeemed on such Redemption Date is paid or

tendered for payment, then notwithstanding that the certificates evidencing any of the shares of Preferred Stock so called for redemption shall not have been surrendered, dividends with respect to such shares of Preferred Stock shall cease to accrue after such Redemption Date and all rights with respect to such shares shall forthwith after the Redemption Date terminate, except only the right of the holders to receive the Redemption Price without interest upon surrender of their certificate or certificates therefor.

(e) Redeemed or Otherwise Acquired Shares. Any shares of Preferred Stock which are redeemed or otherwise acquired by the Corporation or any of its subsidiaries shall be automatically and immediately canceled and shall not be reissued, sold or transferred as shares of Preferred Stock. Neither the Corporation nor any of its subsidiaries may exercise any voting or other rights granted to the holders of Preferred Stock.

7. Waiver. Any of the rights of the holders of Series A Preferred Stock set forth herein may be waived by the affirmative consent or vote of the holders of at least a majority of the shares of Series A Preferred Stock then outstanding, any of the rights of the holders of Series B Preferred Stock set forth herein may be waived by the affirmative consent or vote of the holders of at least 60% of the shares of Series B Preferred Stock then outstanding, and any of the rights of the holders of Series C Preferred Stock set forth herein may be waived by the affirmative consent or vote of the holders of at least two thirds of the shares of Series C Preferred Stock then outstanding.

FIFTH: In furtherance of and not in limitation of powers conferred by statute, it is further provided:

1. The business and affairs of the Corporation shall be managed by or under the direction of the Board of Directors.
2. Election of directors need not be by written ballot.
3. The Board of Directors is expressly authorized to adopt, amend, alter or repeal the By-Laws of the Corporation.

SIXTH: Except to the extent that the General Corporation Law of Delaware prohibits the elimination or limitation of liability of directors for breaches of fiduciary duty, no director of the Corporation shall be personally liable to the Corporation or its stockholders for monetary damages for any breach of fiduciary duty as a director, notwithstanding any provision of law imposing such liability. No amendment to or repeal of this provision shall apply to or have any effect on the liability or alleged liability of any director of the Corporation for or with respect to any acts or omissions of such director occurring prior to such amendment.

SEVENTH: The Corporation shall provide indemnification as follows:

1. Actions, Suits and Proceedings Other than by or in the Right of the Corporation. The Corporation shall indemnify each person who was or is a party or threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal,

administrative or investigative (other than an action by or in the right of the Corporation) by reason of the fact that he or she is or was, or has agreed to become, a director or officer of the Corporation, or is or was serving, or has agreed to serve, at the request of the Corporation, as a director, officer, partner, employee or trustee of, or in a similar capacity with, another corporation, partnership, joint venture, trust or other enterprise (including any employee benefit plan) (all such persons being referred to hereafter as an "Indemnatee"), or by reason of any action alleged to have been taken or omitted in such capacity, against all expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by or on behalf of Indemnatee in connection with such action, suit or proceeding and any appeal therefrom, if Indemnatee acted in good faith and in a manner which Indemnatee reasonably believed to be in, or not opposed to, the best interests of the Corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that Indemnatee did not act in good faith and in a manner which Indemnatee reasonably believed to be in, or not opposed to, the best interests of the Corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that his or her conduct was unlawful.

2. Actions or Suits by or in the Right of the Corporation. The Corporation shall indemnify any Indemnatee who was or is a party to or threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the Corporation to procure a judgment in its favor by reason of the fact that Indemnatee is or was, or has agreed to become, a director or officer of the Corporation, or is or was serving, or has agreed to serve, at the request of the Corporation, as a director, officer, partner, employee or trustee of, or in a similar capacity with, another corporation, partnership, joint venture, trust or other enterprise (including any employee benefit plan), or by reason of any action alleged to have been taken or omitted in such capacity, against all expenses (including attorneys' fees) and, to the extent permitted by law, amounts paid in settlement actually and reasonably incurred by or on behalf of Indemnatee in connection with such action, suit or proceeding and any appeal therefrom, if Indemnatee acted in good faith and in a manner which Indemnatee reasonably believed to be in, or not opposed to, the best interests of the Corporation, except that no indemnification shall be made under this Section 2 in respect of any claim, issue or matter as to which Indemnatee shall have been adjudged to be liable to the Corporation, unless, and only to the extent, that the Court of Chancery of Delaware shall determine upon application that, despite the adjudication of such liability but in view of all the circumstances of the case, Indemnatee is fairly and reasonably entitled to indemnity for such expenses (including attorneys' fees) which the Court of Chancery of Delaware shall deem proper.

3. Indemnification for Expenses of Successful Party. Notwithstanding any other provisions of this Article, to the extent that an Indemnatee has been successful, on the merits or otherwise, in defense of any action, suit or proceeding referred to in Sections 1 and 2 of this Article, or in defense of any claim, issue or matter therein, or on appeal from any such action, suit or proceeding, Indemnatee shall be indemnified against all expenses (including attorneys' fees) actually and reasonably incurred by or on behalf of Indemnatee in connection therewith.

4. Notification and Defense of Claim. As a condition precedent to an Indemnatee's right to be indemnified, such Indemnatee must notify the Corporation in writing as soon as practicable of any action, suit, proceeding or investigation involving such Indemnatee for which indemnity will or could be sought. With respect to any action, suit, proceeding or investigation of which the Corporation is so notified, the Corporation will be entitled to participate therein at its own expense and/or to assume the defense thereof at its own expense, with legal counsel reasonably acceptable to Indemnatee. After notice from the Corporation to Indemnatee of its election so to assume such defense, the Corporation shall not be liable to Indemnatee for any legal or other expenses subsequently incurred by Indemnatee in connection with such action, suit, proceeding or investigation, other than as provided below in this Section 4. Indemnatee shall have the right to employ his or her own counsel in connection with such action, suit, proceeding or investigation, but the fees and expenses of such counsel incurred after notice from the Corporation of its assumption of the defense thereof shall be at the expense of Indemnatee unless (i) the employment of counsel by Indemnatee has been authorized by the Corporation, (ii) counsel to Indemnatee shall have reasonably concluded that there may be a conflict of interest or position on any significant issue between the Corporation and Indemnatee in the conduct of the defense of such action, suit, proceeding or investigation or (iii) the Corporation shall not in fact have employed counsel to assume the defense of such action, suit, proceeding or investigation, in each of which cases the fees and expenses of counsel for Indemnatee shall be at the expense of the Corporation, except as otherwise expressly provided by this Article. The Corporation shall not be entitled, without the consent of Indemnatee, to assume the defense of any claim brought by or in the right of the Corporation or as to which counsel for Indemnatee shall have reasonably made the conclusion provided for in clause (ii) above. The Corporation shall not be required to indemnify Indemnatee under this Article for any amounts paid in settlement of any action, suit, proceeding or investigation effected without its written consent. The Corporation shall not settle any action, suit, proceeding or investigation in any manner which would impose any penalty or limitation on Indemnatee without Indemnatee's written consent. Neither the Corporation nor Indemnatee will unreasonably withhold or delay its consent to any proposed settlement.

5. Advance of Expenses. Subject to the provisions of Section 6 of this Article, in the event that the Corporation does not assume the defense pursuant to Section 4 of this Article of any action, suit, proceeding or investigation of which the Corporation receives notice under this Article, any expenses (including attorneys' fees) incurred by or on behalf of an Indemnatee in defending an action, suit, proceeding or investigation or any appeal therefrom shall be paid by the Corporation in advance of the final disposition of such matter; provided, however, that the payment of such expenses incurred by or on behalf of Indemnatee in advance of the final disposition of such matter shall be made only upon receipt of an undertaking by or on behalf of Indemnatee to repay all amounts so advanced in the event that it shall ultimately be determined that Indemnatee is not entitled to be indemnified by the Corporation as authorized in this Article; and further provided that no such advancement of expenses shall be made under this Article if it is determined (in the manner described in Section 6) that (i) Indemnatee did not act in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the Corporation, or (ii) with respect to any criminal action or proceeding, Indemnatee had reasonable cause to believe his or her conduct was unlawful. Such undertaking shall be accepted without reference to the financial ability of Indemnatee to make such repayment.

6. Procedure for Indemnification. In order to obtain indemnification or advancement of expenses pursuant to Section 1, 2, 3 or 5 of this Article, an Indemnatee shall submit to the Corporation a written request. Any such advancement of expenses shall be made promptly, and in any event within 30 days after receipt by the Corporation of the written request of Indemnatee, unless the Corporation determines within such 30-day period that Indemnatee did not meet the applicable standard of conduct set forth in Section 1, 2 or 5 of this Article, as the case may be. Any such indemnification, unless ordered by a court, shall be made with respect to requests under Section 1 or 2 only as authorized in the specific case upon a determination by the Corporation that the indemnification of Indemnatee is proper because Indemnatee has met the applicable standard of conduct set forth in Section 1 or 2, as the case may be. Such determination shall be made in each instance (a) by a majority vote of the directors of the Corporation consisting of persons who are not at that time parties to the action, suit or proceeding in question ("disinterested directors"), whether or not a quorum, (b) by a committee of disinterested directors designated by majority vote of disinterested directors, whether or not a quorum, (c) if there are no disinterested directors, or if the disinterested directors so direct, by independent legal counsel (who may, to the extent permitted by law, be regular legal counsel to the Corporation) in a written opinion, or (d) by the stockholders of the Corporation.

7. Remedies. The right to indemnification or advancement of expenses as granted by this Article shall be enforceable by Indemnatee in any court of competent jurisdiction. Neither the failure of the Corporation to have made a determination prior to the commencement of such action that indemnification is proper in the circumstances because Indemnatee has met the applicable standard of conduct, nor an actual determination by the Corporation pursuant to Section 6 of this Article that Indemnatee has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that Indemnatee has not met the applicable standard of conduct. Indemnatee's expenses (including attorneys' fees) reasonably incurred in connection with successfully establishing Indemnatee's right to indemnification, in whole or in part, in any such proceeding shall also be indemnified by the Corporation.

8. Limitations. Notwithstanding anything to the contrary in this Article, except as set forth in Section 7 of the Article, the Corporation shall not indemnify an Indemnatee pursuant to this Article in connection with a proceeding (or part thereof) initiated by such Indemnatee unless the initiation thereof was approved by the Board of Directors of the Corporation. Notwithstanding anything to the contrary in this Article, the Corporation shall not indemnify an Indemnatee to the extent such Indemnatee is reimbursed from the proceeds of insurance, and in the event the Corporation makes any indemnification payments to an Indemnatee and such Indemnatee is subsequently reimbursed from the proceeds of insurance, Indemnatee shall promptly refund such indemnification payments to the Corporation to the extent of such insurance reimbursement.

9. Subsequent Amendment. No amendment, termination or repeal of this Article or of the relevant provisions of the General Corporation Law of Delaware or any other applicable laws shall affect or diminish in any way the rights of any Indemnatee to indemnification under the provisions hereof with respect to any action, suit, proceeding or investigation arising out of or relating to any actions, transactions or facts occurring prior to the final adoption of such amendment, termination or repeal. If the General Corporation Law of Delaware is amended after

adoption of this Article to expand further the indemnification permitted to Indemnitees, then the Corporation shall indemnify such persons to the fullest extent permitted by the General Corporation Law of Delaware, as so amended.

10. Other Rights. The indemnification and advancement of expenses provided by this Article shall not be deemed exclusive of any other rights to which an Indemnatee seeking indemnification or advancement of expenses may be entitled under any law (common or statutory), agreement or vote of stockholders or disinterested directors or otherwise, both as to action in Indemnatee's official capacity and as to action in any other capacity while holding office for the Corporation, and shall continue as to an Indemnatee who has ceased to be a director or officer, and shall inure to the benefit of the estate, heirs, executors and administrators of Indemnatee. Nothing contained in this Article shall be deemed to prohibit, and the Corporation is specifically authorized to enter into, agreements with officers and directors providing indemnification rights and procedures different from those set forth in this Article. In addition, the Corporation may, to the extent authorized from time to time by its Board of Directors, grant indemnification rights to other employees or agents of the Corporation or other persons serving the Corporation and such rights may be equivalent to, or greater or less than, those set forth in this Article.

11. Partial Indemnification. If an Indemnatee is entitled under any provision of this Article to indemnification by the Corporation for some or a portion of the expenses (including attorneys' fees), judgments, fines or amounts paid in settlement actually and reasonably incurred by or on behalf of Indemnatee in connection with any action, suit, proceeding or investigation and any appeal therefrom but not, however, for the total amount thereof, the Corporation shall nevertheless indemnify Indemnatee for the portion of such expenses (including attorneys' fees), judgments, fines or amounts paid in settlement to which Indemnatee is entitled.

12. Insurance. The Corporation may purchase and maintain insurance, at its expense, to protect itself and any director, officer, employee or agent of the Corporation or another corporation, partnership, joint venture, trust or other enterprise (including any employee benefit plan) against any expense, liability or loss incurred by him in any such capacity, or arising out of his status as such, whether or not the Corporation would have the power to indemnify such person against such expense, liability or loss under the General Corporation Law of Delaware.

13. Merger or Consolidation. If the Corporation is merged into or consolidated with another corporation and the Corporation is not the surviving corporation, the surviving corporation shall assume the obligations of the Corporation under this Article with respect to any action, suit, proceeding or investigation arising out of or relating to any actions, transactions or facts occurring prior to the date of such merger or consolidation.

14. Savings Clause. If this Article or any portion hereof shall be invalidated on any ground by any court of competent jurisdiction, then the Corporation shall nevertheless indemnify each Indemnatee as to any expenses (including attorneys' fees), judgments, fines and amounts paid in settlement in connection with any action, suit, proceeding or investigation, whether civil, criminal or administrative, including an action by or in the right of the Corporation, to the fullest

extent permitted by any applicable portion of this Article that shall not have been invalidated and to the fullest extent permitted by applicable law.

15. Definitions. Terms used herein and defined in Section 145(h) and Section 145(i) of the General Corporation Law of Delaware shall have the respective meanings assigned to such terms in such Section 145(h) and Section 145(i).

EIGHTH: The Corporation reserves the right to amend, alter, change or repeal any provision contained in this Certificate of Incorporation, in the manner now or hereafter prescribed by statute and this Certificate of Incorporation, and all rights conferred upon stockholders herein are granted subject to this reservation.

IN WITNESS WHEREOF, the Corporation has caused this Restated Certificate of Incorporation to be signed by its duly authorized officer this 23rd day of October, 2007.
