If, upon the occurrence of such Liquidation Event, the Proceeds thus distributed among the holders of the Series C Preferred Stock, following the payment in full of all amounts payable on the Series D Preferred Stock pursuant to subsection 2(a), shall be insufficient to permit the payment to such holders of the full amounts specified in this subsection 2(b), then the entire remaining Proceeds legally available for distribution shall be distributed ratably among the holders of the Series C Preferred Stock in proportion to the full preferential amount that each such holder is otherwise entitled to receive under this subsection 2(b).

(c) **Liquidation Preference on the Series B Preferred Stock.** In the event of any Liquidation Event, either voluntary or involuntary, the holders of Series B Preferred Stock shall be entitled to receive, following the payment in full of all amounts payable on the Series D Preferred Stock and Series C Preferred Stock pursuant to subsections 2(a) and 2(b), but prior and in preference to any distribution of the Proceeds to the holders of Series A/A-1 Preferred Stock and the holders of Common Stock by reason of their ownership of such stock, an amount per share for each share of Series B Preferred Stock equal to the sum of (i) the Original Issue Price applicable to the Series B Preferred Stock, plus (ii) declared but unpaid dividends (if any) on the Series B Preferred Stock (the “***Series B Liquidation Amount***”). If, upon the occurrence of such Liquidation Event, the Proceeds thus distributed among the holders of the Series B Preferred Stock, following the payment in full of all amounts payable on the Series D Preferred Stock pursuant to subsections 2(a) and C Preferred Stock pursuant to subsection 2(b), shall be insufficient to permit the payment to such holders of the full amounts specified in this subsection 2(c), then the entire remaining Proceeds legally available for distribution shall be distributed ratably among the holders of the Series B Preferred Stock in proportion to the full preferential amount that each such holder is otherwise entitled to receive under this subsection 2(c).

(d) **Liquidation Preference on the Series A/A-1 Preferred Stock.** In the event of any Liquidation Event, either voluntary or involuntary, the holders of Series A/A-1 Preferred Stock shall be entitled to receive, following the payment in full of all amounts payable on the Series D Preferred Stock pursuant to subsection 2(a), Series C Preferred Stock pursuant to subsection 2(b) and the Series B Preferred Stock pursuant to subsection 2(c), but prior and in preference to any distribution of the Proceeds to the holders of Common Stock by reason of their ownership of such stock, an amount per share for each share of Series A/A-1 Preferred Stock equal to the sum of (i) the Original Issue Price applicable to each series within the Series A/A-1 Preferred Stock, plus (ii) declared but unpaid dividends (if any) on each series within the Series A/A-1 Preferred Stock (the “***Series A/A-1 Liquidation Amount***”). If, upon the occurrence of such event, the Proceeds thus distributed among the holders of the Series A/A-1 Preferred Stock, following the payment in full of all amounts payable on the Series D Preferred

Stock pursuant to subsection 2(a), Series C Preferred Stock pursuant to subsection 2(b) and the Series B Preferred Stock pursuant to subsection 2(c), shall be insufficient to permit the payment to such holders of the full amounts specified in this subsection 2(d), then the entire remaining Proceeds legally available for distribution shall be distributed ratably among the holders of the Series A/A-1 Preferred Stock in proportion to the full preferential amount that each such holder is otherwise entitled to receive under this subsection 2(d).

(e) **Distribution of Remaining Proceeds.** Upon completion of the distributions required by subsections 2(a), 2(b), 2(c) and 2(d) of this Section 2, all of the remaining Proceeds available for distribution to stockholders shall be distributed among the holders of Preferred Stock and Common Stock pro rata based on the number of shares of Common Stock held by each such stockholder (assuming for purposes of such calculation full conversion of all Preferred Stock immediately prior to such Liquidation Event).

For purposes of this Sixth Amended and Restated Certificate of Incorporation, “**Original Issue Price**” shall mean (a) \$0.59708 per share for each share of the Series D Preferred Stock (as adjusted for any stock splits, stock dividends, combinations, subdivisions, recapitalizations or the like with respect to such series of Preferred Stock), (b) \$0.87989 per share for each share of the Series C Preferred Stock (as adjusted for any stock splits, stock dividends, combinations, subdivisions, recapitalizations or the like with respect to such series of Preferred Stock), (c) \$0.86319 per share for each share of the Series B Preferred Stock (as adjusted for any stock splits, stock dividends, combinations, subdivisions, recapitalizations or the like with respect to such series of Preferred Stock), (d) \$0.65818 per share for each share of the Series A-1 Preferred Stock (as adjusted for any stock splits, stock dividends, combinations, subdivisions, recapitalizations or the like with respect to such series of Preferred Stock) and (d) \$0.38643 per share for each share of the Series A Preferred Stock (as adjusted for any stock splits, stock dividends, combinations, subdivisions, recapitalizations or the like with respect to such series of Preferred Stock).

(f) (i) For purposes of this Section 2, a “**Liquidation Event**” shall mean (A) the closing of the sale, lease, transfer, exclusive license or other disposition of all or substantially all of this corporation’s assets, (B) the consummation of the merger or consolidation of this corporation with or into another entity (except a merger or consolidation in which the holders of capital stock of this corporation immediately prior to such merger or consolidation continue to hold at least 50% of the voting power of the capital stock of this corporation or the surviving or acquiring entity immediately following such merger or consolidation), (C) the closing of the transfer (whether by merger, consolidation or otherwise), in one transaction or a series of related transactions, to a person or group of affiliated persons (other than an underwriter of this corporation’s securities), of this corporation’s securities if, after such closing, such person or group of affiliated persons would hold 50% or more of the outstanding voting stock of this corporation (or the surviving or acquiring entity) or (D) a liquidation, dissolution or winding up of this corporation; *provided, however*, that a transaction shall not constitute a Liquidation Event if its sole purpose is to change the state of this corporation’s incorporation or to create a holding company that will be owned in substantially the same proportions by the persons who held this corporation’s securities immediately prior to such transaction. Notwithstanding the prior sentence, the primary sale of shares of this corporation’s capital stock in a financing transaction or in a series of transactions shall not be deemed a

Liquidation Event. The treatment of any particular transaction or series of related transactions as a Liquidation Event may be waived by the vote or written consent of (i) the holders of at least fifty-nine percent (59%) of the outstanding shares of Preferred Stock, voting together as a single class on an as-converted to Common Stock basis (the “**Preferred Majority**”) and (ii) the Requisite Series D Holders.

(ii)

(A) In the event of a Liquidation Event referred to in Subsection 2(f)(i)(A), if the corporation does not effect a dissolution of the corporation under the General Corporation Law within 90 days after such Liquidation Event, then (1) the corporation shall send a written notice to each holder of Preferred Stock no later than the 90th day after the Liquidation Event advising such holders of their right (and the requirements to be met to secure such right) pursuant to the terms of the following clause (2) to require the redemption of such shares of Preferred Stock, and (3) if the holders of the Preferred Majority or the Requisite Series D Holders so request in a written instrument delivered to the corporation not later than 120 days after such Liquidation Event, the corporation shall use the consideration received by the corporation for such Liquidation Event (net of any retained liabilities associated with the assets sold or technology licensed, as determined in good faith by the Board of Directors), together with any other assets of the corporation available for distribution to its stockholders, all to the extent permitted by Delaware law governing distributions to stockholders (the “**Available Proceeds**”), on the 150th day after such Liquidation Event, to redeem all outstanding shares of (1) Series D Preferred Stock at a price per share equal to the Series D Liquidation Amount, (2) Series C Preferred Stock at a price per share equal to the Series C Liquidation Amount, (3) the Series B Preferred Stock at a price per share equal to the Series B Liquidation Amount, and (4) the Series A/A-1 Preferred Stock at a price per share equal to the Series A/A-1 Liquidation Amount. Notwithstanding the foregoing, in the event of a redemption pursuant to the preceding sentence, if the Available Proceeds are not sufficient to redeem all outstanding shares of Preferred Stock, the corporation shall redeem a pro rata portion of each holder’s shares of Preferred Stock based on the priorities and preferences set forth in Subsections 2(a)-(e) to the fullest extent of such Available Proceeds, and shall redeem the remaining shares as soon as it may lawfully do so under Delaware law governing distributions to stockholders. The provisions of Section 3 shall apply, with such necessary changes in the details thereof as are necessitated by the context, to the redemption of the Preferred Stock pursuant to this Subsection 2(f)(ii)(A). Prior to the distribution or redemption provided for in this Subsection 2(f)(ii)(A), the corporation shall not expend or dissipate the consideration received for such Liquidation Event, except to discharge expenses incurred in connection with such Liquidation Event or in the ordinary course of business.

(iii) **Allocation of Escrow and Contingent Consideration.** In the event of a Liquidation Event if any portion of the consideration payable to the stockholders of the corporation is payable only upon satisfaction of contingencies (the “**Additional Consideration**”), the agreement or plan of merger or consolidation for such transaction shall provide that (a) the portion of such consideration that is not Additional Consideration (such portion, the “**Initial Consideration**”) shall be allocated among the holders of capital stock of the Corporation in accordance with subsections 2(a)-(e) as if the Initial Consideration were the only consideration payable in connection with such Liquidation Event and (b) any Additional

Consideration which becomes payable to the stockholders of the Corporation upon satisfaction of such contingencies shall be allocated among the holders of capital stock of the Corporation in accordance with subsections 2(a)-(e) after taking into account the previous payment of the Initial Consideration as part of the same transaction. For the purposes of this Subsection 2(f)(iii), consideration placed into escrow or retained as holdback to be available for satisfaction of indemnification or similar obligations in connection with such Liquidation Event shall be deemed to be Additional Consideration.

(iv) In any Liquidation Event, if Proceeds received by this corporation or its stockholders is other than cash or securities, its value will be deemed its fair market value as determined by this corporation's Board of Directors. Any securities shall be valued as follows:

(A) For securities not subject to investment letter or other similar restrictions on free marketability:

(1) If traded on a securities exchange or a similar national quotation system, the value shall be deemed to be the average of the closing prices of the securities on such exchange or market over the twenty (20) trading-day period ending three (3) trading days prior to the closing of the Liquidation Event;

(2) If actively traded over-the-counter, the value shall be deemed to be the average of the closing bid or sale prices (whichever is applicable) of the securities over the twenty (20) trading-day period ending three (3) trading days prior to the closing of the Liquidation Event; and

(3) If there is no active public market, the value shall be the fair market value thereof, as mutually determined by the Board of Directors of this corporation and the Preferred Majority.

(B) The method of valuation of securities subject to investment letter or other similar restrictions on free marketability (other than restrictions arising solely by virtue of a stockholder's status as an affiliate or former affiliate) shall be to make an appropriate discount from the market value determined as above in (A) (1), (2) or (3) to reflect the approximate fair market value thereof, as mutually determined by the Board of Directors of this corporation and the Preferred Majority.

(C) The foregoing methods for valuing non-cash consideration to be distributed in connection with a Liquidation Event shall, upon approval by the stockholders of the definitive agreements governing a Liquidation Event, be superseded by any determination of such value set forth in the definitive agreements governing such Liquidation Event.

(v) In the event the requirements of this Section 2 are not complied with, this corporation shall forthwith either:

(A) cause the closing of such Liquidation Event to be postponed until such time as the requirements of this Section 2 have been complied with; or

(B) cancel such transaction, in which event the rights, preferences and privileges of the holders of Preferred Stock shall revert to and be the same as such rights, preferences and privileges existing immediately prior to the date of the first notice referred to in subsection 2(f)(vi) hereof.

(vi) This corporation shall give each holder of record of Preferred Stock written notice of such impending Liquidation Event not later than twenty (20) days prior to the stockholders' meeting called to approve such transaction, or twenty (20) days prior to the closing of such transaction, whichever is earlier, and shall also notify such holders in writing of the final approval of such transaction. The first of such notices shall describe the material terms and conditions of the impending transaction and the provisions of this Section 2, and this corporation shall thereafter give such holders prompt notice of any material changes thereto. The transaction shall in no event take place sooner than twenty (20) days after this corporation has given the first notice provided for herein or sooner than ten (10) days after this corporation has given notice of any material changes provided for herein; *provided, however*, that subject to compliance with the General Corporation Law such periods may be shortened or waived upon the written consent of the Preferred Majority.

3. Redemption.

In the event less than all the shares represented by any such certificate are redeemed, a new certificate shall be issued representing the unredeemed shares.

(f) **Termination of Rights; Insufficient Funds.** From and after each Redemption Date, unless there shall have been a default in payment of the applicable Redemption Price, all rights of the holders of shares of Preferred Stock designated for redemption on such Redemption Date in the Redemption Notice as holders of Preferred Stock (except the right to receive the applicable Redemption Price without interest upon surrender of their certificate or certificates) shall cease with respect to such shares, and such shares shall not thereafter be transferred on the books of this corporation or be deemed to be outstanding for any purpose whatsoever. If the funds of this corporation legally available for redemption of shares of Preferred Stock on a Redemption Date are insufficient to redeem the total number of shares of Preferred Stock to be redeemed on such date, those funds that are legally available will be used to redeem the maximum possible number of such shares ratably among the holders of such shares to be redeemed in proportion to the aggregate applicable Redemption Price that each such holder would be entitled to receive pursuant to subsections 3(a), 3(b), 3(c) or 3(d), as the case may be. The shares of Preferred Stock not redeemed shall remain outstanding and entitled to all the rights and preferences provided herein. At any time thereafter when additional funds of this corporation are legally available for the redemption of shares of Preferred Stock, such funds will immediately be used to redeem the balance of the shares that this corporation has become obliged to redeem on any Redemption Date but that it has not redeemed.

4. **Conversion.** The holders of the Preferred Stock shall have conversion rights as follows (the “**Conversion Rights**”):

(a) **Right to Convert.** Each share of Preferred Stock shall be convertible, at the option of the holder thereof, at any time and from time to time, and without the payment of additional consideration by the holder thereof, at the office of this corporation or any transfer agent for such stock, into such number of fully paid and nonassessable shares of Common Stock as is determined by dividing the Original Issue Price for such series by the

Conversion Price (as defined below) for such series (the conversion rate for a series of Preferred Stock into Common Stock is referred to herein as the “**Conversion Rate**” for such series), determined as hereafter provided, in effect on the time of conversion. The “**Conversion Price**” shall initially be \$0.59708 per share for the Series D Preferred Stock, \$0.74030 per share for the Series C Preferred Stock, \$0.73180 per share for the Series B Preferred Stock, \$0.6280 per share for the Series A-1 Preferred Stock and \$0.38643 per share for the Series A Preferred Stock; *provided, however*, that the Conversion Price for the Series D Preferred Stock, Series C Preferred Stock, Series B Preferred Stock, Series A-1 Preferred Stock and Series A Preferred Stock, as the case may be, shall be subject to adjustment as set forth in subsection 4(d).

(b) **Automatic Conversion.** Each share of Preferred Stock shall automatically be converted into shares of Common Stock at the applicable Conversion Rate at the time in effect for each series of Preferred Stock immediately upon the earlier of (i) this corporation’s sale of its Common Stock in a firm commitment underwritten public offering pursuant to a registration statement on Form S-1 under the Securities Act of 1933, as amended, the public offering price of which was not less than three times the Original Issue Price per share of the applicable series of Preferred Stock (as adjusted for any stock splits, stock dividends, combinations, subdivisions, recapitalizations or the like) and which results in at least \$25,000,000 of net proceeds to this corporation (a “**Qualified Public Offering**”) or (ii) the date specified by written consent or agreement of the Preferred Majority and the Requisite Series D Holders.

(c) **Mechanics of Conversion.**

(i) Before any holder of Preferred Stock shall be entitled to voluntarily convert the same into shares of Common Stock pursuant to subsection 4(a), he or she shall surrender the certificate or certificates therefor (or, if such holder alleges that such certificate has been lost, stolen or destroyed, a lost certificate affidavit and agreement reasonably acceptable to this corporation to indemnify this corporation against any claim that may be made against this corporation on account of the alleged loss, theft or destruction of such certificate), duly endorsed, at the office of this corporation or of any transfer agent for the Preferred Stock, and shall give written notice to this corporation at its principal corporate office, of the election to convert the same and shall state therein the name or names in which the certificate or certificates for shares of Common Stock are to be issued. This corporation shall, as soon as practicable thereafter, issue and deliver at such office to such holder of Preferred Stock, or to the nominee or nominees of such holder, a certificate or certificates for the number of shares of Common Stock to which such holder shall be entitled as aforesaid, together with any cash in lieu of a fraction of a share. Such conversion shall be deemed to have been made immediately prior to the close of business on the date of such surrender of the shares of Preferred Stock to be converted, and the person or persons entitled to receive the shares of Common Stock issuable upon such conversion shall be treated for all purposes as the record holder or holders of such shares of Common Stock as of such date.

(ii) If the conversion is in connection with an underwritten offering of securities registered pursuant to the Securities Act of 1933, as amended, the

conversion may, at the option of any holder tendering Preferred Stock for conversion, be conditioned upon the closing with the underwriters of the sale of securities pursuant to such offering, in which event the persons entitled to receive the Common Stock upon conversion of the Preferred Stock shall not be deemed to have converted such Preferred Stock until immediately prior to the closing of such sale of securities.

(iii) If the conversion is in connection with the automatic conversion provisions of subsection 4(b) above, such conversion shall be deemed to have been made on the date of closing of the transaction pursuant to subsection 4(b)(i) or the conversion date described in the stockholder consent approving such conversion pursuant to subsection 4(b)(ii) (the “*Automatic Conversion Time*”), and the persons entitled to receive shares of Common Stock issuable upon such conversion shall be treated for all purposes as the record holders of such shares of Common Stock as of such date. All holders of record of shares of Preferred Stock shall be sent written notice of the Automatic Conversion Time and the place designated for automatic conversion of all such shares of Preferred Stock pursuant to subsection 4(b). Such notice need not be sent in advance of the occurrence of the Automatic Conversion Time. Upon receipt of such notice, each holder of shares of Preferred Stock shall surrender his, her or its certificate or certificates for all such shares (or, if such holder alleges that such certificate has been lost, stolen or destroyed, a lost certificate affidavit and agreement reasonably acceptable to this corporation to indemnify this corporation against any claim that may be made against this corporation on account of the alleged loss, theft or destruction of such certificate) to this corporation at the place designated in such notice, and shall thereafter receive certificates for the number of shares of Common Stock to which such holder is entitled pursuant to subsection 4(b). At the Automatic Conversion Time, all outstanding shares of Preferred Stock shall be deemed to have been converted into shares of Common Stock, which shall be deemed to be outstanding of record, and all rights with respect to the Preferred Stock so converted, including the rights, if any, to receive notices and vote (other than as a holder of Common Stock), will terminate, except only the rights of the holders thereof, upon surrender of their certificate or certificates (or lost certificate affidavit and agreement) therefor, to receive a certificate or certificates for the number of full shares of Common Stock issuable on such conversion in accordance with the provisions hereof. If so required by this corporation, certificates surrendered for conversion shall be endorsed or accompanied by written instrument or instruments of transfer, in form satisfactory to this corporation, duly executed by the registered holder or by his, her or its attorney duly authorized in writing. As soon as practicable after the Automatic Conversion Time and the surrender of the certificate or certificates (or lost certificate affidavit and agreement) for the Preferred Stock, this corporation shall issue and deliver to such holder, or to his, her or its nominees, a certificate or certificates for the number of full shares of Common Stock issuable on such conversion in accordance with the provisions hereof.

(iv) All shares of Preferred Stock shall, from and after the Automatic Conversion Time, no longer be deemed to be outstanding and, notwithstanding the failure of the holder or holders thereof to surrender the certificates for such shares on or prior to such time, all rights with respect to such shares shall immediately cease and terminate at the Automatic Conversion Time, except only the right of the holders thereof to receive shares of Common Stock in exchange therefor and to receive payment of any dividends declared but unpaid thereon.

(d) Conversion Price Adjustments of Preferred Stock for Certain Dilutive Issuances, Splits and Combinations.

(i) The applicable Conversion Price of the Series D Preferred Stock, Series C Preferred Stock, Series B Preferred Stock, Series A-1 Preferred Stock and Series A Preferred Stock shall be subject to adjustment from time to time as follows:

(A) If this corporation shall issue, after the date upon which this Sixth Amended and Restated Certificate of Incorporation is accepted for filing by the Secretary of State of the State of Delaware (the “**Filing Date**”), any Additional Stock (as defined below) without consideration or for a consideration per share less than the applicable Conversion Price of the Series D Preferred Stock, Series C Preferred Stock, the Series B Preferred Stock, the Series A Preferred Stock or the Series A-1 Preferred Stock, as the case may be, in effect immediately prior to the issuance of such Additional Stock, then such applicable Conversion Price shall forthwith (except as otherwise provided in this clause (i)) be adjusted to a price determined by multiplying the Conversion Price applicable to such series of Preferred Stock by a fraction:

(1) the numerator of which shall be (X) the number of shares of Common Stock Outstanding (as defined below) immediately prior to such issuance plus (Y) the number of shares of Common Stock that the aggregate consideration received by this corporation for such issuance would purchase at such Conversion Price; and

(2) the denominator of which shall be (X) the number of shares of Common Stock Outstanding immediately prior to such issuance plus (Y) the number of shares of such Additional Stock.

For purposes of this Section 4(d)(i)(A), the term “**Common Stock Outstanding**” shall mean and include the following: (1) outstanding Common Stock, (2) Common Stock issuable upon conversion of outstanding Preferred Stock, (3) Common Stock issuable upon exercise of outstanding stock options and (4) Common Stock issuable upon exercise (and, in the case of warrants to purchase Preferred Stock, conversion) of outstanding warrants. Shares described in (1) through (4) above shall be included whether vested or unvested, whether contingent or non-contingent and whether exercisable or not yet exercisable.

(B) No adjustment of the Conversion Price for the Preferred Stock shall be made in an amount less than one cent per share, provided that any adjustments that are not required to be made by reason of this sentence shall be carried forward and shall be either taken into account in any subsequent adjustment made prior to three (3) years from the date of the event giving rise to the adjustment being carried forward, or, if none, shall be made at the end of such three (3) years from the date of the event giving rise to the adjustment being carried forward. Except to the limited extent provided for in subsections 4(d)(i)(E)(3) and 4(d)(i)(E)(4) below, no adjustment of such Conversion Price pursuant to this subsection 4(d)(i) shall have the effect of increasing the Conversion Price above the Conversion Price in effect immediately prior to such adjustment.

(C) In the case of the issuance of Additional Stock for cash, the consideration shall be deemed to be the amount of cash paid therefor before deducting any reasonable discounts, commissions or other expenses allowed, paid or incurred by this corporation for any underwriting or otherwise in connection with the issuance and sale thereof.

(D) In the case of the issuance of the Additional Stock for a consideration in whole or in part other than cash, the consideration other than cash shall be deemed to be the fair market value thereof as determined by the Board of Directors irrespective of any accounting treatment.

(E) In the case of the issuance of options to purchase or rights to subscribe for Common Stock, securities by their terms convertible into or exchangeable for Common Stock or options to purchase or rights to subscribe for such convertible or exchangeable securities, the following provisions shall apply for purposes of determining the number of shares of Additional Stock issued and the consideration paid therefor:

(1) The aggregate maximum number of shares of Common Stock deliverable upon exercise (assuming the satisfaction of any conditions to exercisability, including without limitation, the passage of time, but without taking into account potential antidilution adjustments) of such options to purchase or rights to subscribe for Common Stock shall be deemed to have been issued at the time such options or rights were issued and for a consideration equal to the consideration (determined in the manner provided in subsections 4(d)(i)(C) and 4(d)(i)(D)), if any, received by this corporation upon the issuance of such options or rights plus the minimum exercise price provided in such options or rights (without taking into account potential antidilution adjustments) for the Common Stock covered thereby.

(2) The aggregate maximum number of shares of Common Stock deliverable upon conversion of, or in exchange (assuming the satisfaction of any conditions to convertibility or exchangeability, including, without limitation, the passage of time, but without taking into account potential antidilution adjustments) for, any such convertible or exchangeable securities or upon the exercise of options to purchase or rights to subscribe for such convertible or exchangeable securities and subsequent conversion or exchange thereof shall be deemed to have been issued at the time such securities were issued or such options or rights were issued and for a consideration equal to the consideration, if any, received by this corporation for any such securities and related options or rights (excluding any cash received on account of accrued interest or accrued dividends), plus the minimum additional consideration, if any, to be received by this corporation (without taking into account potential antidilution adjustments) upon the conversion or exchange of such securities or the exercise of any related options or rights (the consideration in each case to be determined in the manner provided in subsections 4(d)(i)(C) and 4(d)(i)(D)).

(3) In the event of any change in the number of shares of Common Stock deliverable or in the consideration payable to this corporation upon exercise of such options or rights or upon conversion of or in exchange for such convertible or exchangeable securities, the Conversion Price of the Series D Preferred Stock, Series C Preferred Stock, Series B Preferred Stock and Series A/A-1 Preferred Stock, as applicable, to the extent in

any way affected by or computed using such options, rights or securities, shall be recomputed to reflect such change, but no further adjustment shall be made for the actual issuance of Common Stock or any payment of such consideration upon the exercise of any such options or rights or the conversion or exchange of such securities.

(4) Upon the expiration of any such options or rights, the termination of any such rights to convert or exchange or the expiration of any options or rights related to such convertible or exchangeable securities, the Conversion Price of the Series D Preferred Stock, Series C Preferred Stock, Series B Preferred Stock and Series A/A-1 Preferred Stock, as applicable, to the extent in any way affected by or computed using such options, rights or securities or options or rights related to such securities, shall be recomputed to reflect the issuance of only the number of shares of Common Stock (and convertible or exchangeable securities that remain in effect) actually issued upon the exercise of such options or rights, upon the conversion or exchange of such securities or upon the exercise of the options or rights related to such securities.

(5) The number of shares of Additional Stock deemed issued and the consideration deemed paid therefor pursuant to subsections 4(d)(i)(E)(1) and 4(d)(i)(E)(2) shall be appropriately adjusted to reflect any change, termination or expiration of the type described in either subsection 4(d)(i)(E)(3) or 4(d)(i)(E)(1)(4).

(6) If the number of shares of Common Stock issuable upon exercise of such options or rights or upon conversion of or in exchange for such convertible or exchangeable securities, or the consideration payable to this corporation upon such exercise of such options or rights or upon conversion of or in exchange for such convertible or exchangeable securities, cannot be calculated at all at the time such options or rights were issued, any adjustment to the Conversion Price of the Series D Preferred Stock, Series C Preferred Stock, Series B Preferred Stock and Series A/A-1 Preferred Stock, as applicable, that would result under the terms of this subsection 4(d)(i)(E) at the time of such issuance shall instead be effected at the time such number of shares and/or amount of consideration is first calculable (even if subject to subsequent adjustments), assuming for purposes of calculating such adjustment to the Conversion Price of the Series D Preferred Stock, Series C Preferred Stock, Series B Preferred Stock and Series A/A-1 Preferred Stock, as applicable, that such issuance took place at the time such calculation can first be made.

(ii) “**Additional Stock**” shall mean any shares of Common Stock issued (or deemed to have been issued pursuant to subsection 4(d)(i)(E)) by this corporation on or after the Filing Date other than shares of Common Stock issued (or deemed issued pursuant to subsection 4(d)(i)(E)):

(A) as a dividend or distribution on all outstanding shares of Preferred Stock;

(B) pursuant to a transaction described in subsection 4(d)(iii) hereof;

(C) to employees, directors, consultants and other service providers, or stock options to purchase such shares of Common Stock issued to employees, directors, consultants and other service providers, for the primary purpose of soliciting or retaining their services pursuant to a plan, agreement or agreement approved by this corporation's Board of Directors and reflected in the minutes of this corporation or approved in the future by this corporation's Board of Directors, including a majority of the Preferred Directors;

(D) upon exercise of stock options or warrants to purchase shares of Common Stock outstanding as of the Filing Date, in each case provided such issuance is pursuant to the terms of such stock option or warrant;

(E) pursuant to a Qualified Public Offering;

(F) upon conversion of the Preferred Stock;

(G) upon conversion or exchange of securities convertible into or exchangeable for shares of Common Stock and outstanding as of the Filing Date, in each case provided such issuance is pursuant to the terms of such securities;

(H) as a result of a decrease in the Conversion Price of any series of Preferred Stock resulting from the operation of Section 4(d);

(I) pursuant to the Series D Preferred Purchase Agreement, dated on or about the date hereof, as amended from time to time, between this corporation and the other parties thereto; or

(J) pursuant to equipment leasing or other debt financing transactions, or warrants to purchase such shares of Common Stock or Preferred Stock pursuant to equipment leasing or other debt financing transactions, approved unanimously by this corporation's Board of Directors.

(iii) In the event this corporation should at any time or from time to time after the Filing Date fix a record date for the effectuation of a split or subdivision of the outstanding shares of Common Stock or the determination of holders of Common Stock entitled to receive a dividend or other distribution payable in additional shares of Common Stock or other securities or rights convertible into, or entitling the holder thereof to receive directly or indirectly, additional shares of Common Stock (hereinafter referred to as "**Common Stock Equivalents**") without payment of any consideration by such holder for the additional shares of Common Stock or the Common Stock Equivalents (including the additional shares of Common Stock issuable upon conversion or exercise thereof), then, as of such record date (or the date of such dividend distribution, split or subdivision if no record date is fixed), the Conversion Price of each series of Preferred Stock shall be appropriately decreased so that the number of shares of Common Stock issuable on conversion of each share of such series of Preferred Stock shall be increased in proportion to such increase of the aggregate of shares of Common Stock outstanding and those issuable with respect to such Common Stock Equivalents with the number of shares issuable with respect to Common Stock Equivalents determined from time to time in the manner provided for deemed issuances in subsection 4(d)(i)(E).

(iv) If the number of shares of Common Stock outstanding at any time after the Filing Date is decreased by a combination of the outstanding shares of Common Stock, then, following the record date of such combination, the Conversion Price for each series of Preferred Stock shall be appropriately increased so that the number of shares of Common Stock issuable on conversion of each share of such series shall be decreased in proportion to such decrease in outstanding shares.

(v) In the event this corporation shall issue on more than one date Additional Stock that are a part of one transaction or a series of related transactions and that would result in an adjustment to the Conversion Price of any series of Preferred Stock pursuant to the terms of subsection 4(d), then, upon the final such issuance, the applicable Conversion Price shall be readjusted to give effect to all such issuances as if they occurred on the date of the first such issuance (and without giving effect to any additional adjustments as a result of any such subsequent issuances within such period).

(e) **Other Distributions.** In the event this corporation shall declare a distribution payable in securities of other persons, evidences of indebtedness issued by this corporation or other persons, assets (excluding cash dividends) or options or rights not referred to in subsection 4(d)(iii), then, in each such case for the purpose of this subsection 4(e), the holders of the Series D Preferred Stock, Series C Preferred Stock, the Series B Preferred Stock and the Series A/A-1 Preferred Stock shall be entitled to a proportionate share of any such distribution as though they were the holders of the number of shares of Common Stock of this corporation into which their shares of Series D Preferred Stock, Series C Preferred Stock, Series B Preferred Stock and Series A/A-1 Preferred Stock, as applicable, are convertible as of the record date fixed for the determination of the holders of Common Stock of this corporation entitled to receive such distribution.

(f) **Recapitalizations and Mergers.** Subject to the provisions of Section 2, if at any time or from time to time there shall be a reorganization, recapitalization, reclassification, consolidation or merger of the Common Stock (other than a subdivision, combination or merger or sale of assets transaction provided for elsewhere in this Section 4 or in Section 2) provision shall be made so that the holders of the Series D Preferred Stock, Series C Preferred Stock, the Series B Preferred Stock and the Series A/A-1 Preferred Stock shall thereafter be entitled to receive upon conversion of the Series D Preferred Stock, Series C Preferred Stock, Series B Preferred Stock and Series A/A-1 Preferred Stock the number of shares of stock or other securities or property of this corporation or otherwise, to which a holder of Common Stock deliverable upon conversion of such series of Preferred Stock would have been entitled on such recapitalization. In any such case, appropriate adjustment shall be made in the application of the provisions of this Section 4 with respect to the rights of the holders of the Series D Preferred Stock, Series C Preferred Stock, the Series B Preferred Stock and the Series A/A-1 Preferred Stock after the recapitalization to the end that the provisions of this Section 4 (including adjustment of the Conversion Price of each series of Preferred Stock then in effect and the number of shares purchasable upon conversion of the Preferred Stock) shall be applicable after that event as nearly equivalently as may be practicable.

(g) **No Fractional Shares and Certificate as to Adjustments.**

(i) No fractional shares shall be issued upon the conversion of any share or shares of the Series D Preferred Stock, Series C Preferred Stock, Series B Preferred Stock or Series A/A-1 Preferred Stock and the aggregate number of shares of Common Stock to be issued to particular stockholders, shall be rounded down to the nearest whole share and this corporation shall pay in cash the fair market value of any fractional shares as of the time when entitlement to receive such fractions is determined. Whether or not fractional shares would be issuable upon such conversion shall be determined on the basis of the total number of shares of Series D Preferred Stock, Series C Preferred Stock, Series B Preferred Stock and Series A/A-1 Preferred Stock the holder is at the time converting into Common Stock and the number of shares of Common Stock issuable upon such conversion.

(ii) Upon the occurrence of each adjustment or readjustment of the Conversion Price of Series D Preferred Stock, Series C Preferred Stock, Series B Preferred Stock or Series A/A-1 Preferred Stock pursuant to this Section 4, this corporation, at its expense, shall promptly compute such adjustment or readjustment in accordance with the terms hereof and prepare and furnish to each holder of Series D Preferred Stock, Series C Preferred Stock, Series B Preferred Stock and Series A/A-1 Preferred Stock, as applicable, a certificate setting forth such adjustment or readjustment and showing in detail the facts upon which such adjustment or readjustment is based. This corporation shall, upon the written request at any time of any holder of Preferred Stock, furnish or cause to be furnished to such holder a like certificate setting forth (A) such adjustment and readjustment, (B) the Conversion Price for the Series D Preferred Stock, Series C Preferred Stock, Series B Preferred Stock or Series A/A-1 Preferred Stock, as applicable, at the time in effect, and (C) the number of shares of Common Stock and the amount, if any, of other property that at the time would be received upon the conversion of a share of Series D Preferred Stock, Series C Preferred Stock, Series B Preferred Stock or Series A/A-1 Preferred Stock.

(h) **Notices of Record Date.** In the event of any taking by this corporation of a record of the holders of any class of securities for the purpose of determining the holders thereof who are entitled to receive any dividend (other than a cash dividend) or other distribution, this corporation shall mail to each holder of Preferred Stock, at least ten (10) days prior to the date specified therein, a notice specifying the date on which any such record is to be taken for the purpose of such dividend or distribution, and the amount and character of such dividend or distribution.

(i) **Reservation of Stock Issuable Upon Conversion.** This corporation shall at all times reserve and keep available out of its authorized but unissued shares of Common Stock, solely for the purpose of effecting the conversion of the shares of the Series D Preferred Stock, Series C Preferred Stock, Series B Preferred Stock or Series A/A-1 Preferred Stock, such number of its shares of Common Stock as shall from time to time be sufficient to effect the conversion of all outstanding shares of the Series D Preferred Stock, Series C Preferred Stock, Series B Preferred Stock or Series A/A-1 Preferred Stock; and if at any time the number of authorized but unissued shares of Common Stock shall not be sufficient to effect the conversion of all then-outstanding shares of the Preferred Stock, in addition to such other remedies as shall be available to the holder of such Preferred Stock, this corporation will take such corporate action as may, in the opinion of its counsel, be necessary to increase its authorized but unissued shares of Common Stock to such number of shares as shall be sufficient

for such purposes, including, without limitation, engaging in best efforts to obtain the requisite stockholder approval of any necessary amendment to this Sixth Amended and Restated Certificate of Incorporation.

(j) Notices. Any notice required by the provisions of this Section 4 to be given to the holders of shares of Preferred Stock shall be deemed given if deposited in the United States mail, postage prepaid, and addressed to each holder of record at his address appearing on the books of this corporation.

(k) Waiver of Adjustment to Conversion Price. Notwithstanding anything herein to the contrary, (i) any downward adjustment of the Conversion Price of the Series D Preferred Stock may be waived, either prospectively or retroactively in a particular instance, by the consent or vote of the Requisite Series D Holders; any such waiver shall bind all holders of shares of the Series D Preferred Stock; (ii) any downward adjustment of the Conversion Price of the Series C Preferred Stock may be waived, either prospectively or retroactively in a particular instance, by the consent or vote of the Requisite Series C Holders; any such waiver shall bind all holders of shares of the Series C Preferred Stock, (iii) any downward adjustment of the Conversion Price of the Series B Preferred Stock may be waived, either prospectively or retroactively in a particular instance, by the consent or vote of the Requisite Series B Holders; any such waiver shall bind all holders of shares of the Series B Preferred Stock, (iv) any downward adjustment of the Conversion Price of the Series A-1 Preferred Stock may be waived, either prospectively or retroactively in a particular instance, by the consent or vote of the holders of a majority of the outstanding shares of the Series A-1 Preferred Stock, voting separately as a class; any such waiver shall bind all holders of shares of the Series A-1 Preferred Stock, and (v) any downward adjustment of the Conversion Price of the Series A Preferred Stock may be waived, either prospectively or retroactively in a particular instance, by the consent or vote of the holders of a majority of the outstanding shares of the Series A Preferred Stock, voting separately as a class; any such waiver shall bind all holders of shares of the Series A Preferred Stock.

(l) Taxes. This corporation shall pay any and all issue and other similar taxes that may be payable in respect of any issuance or delivery of shares of Common Stock upon conversion of shares of Preferred Stock pursuant to subsection 4(c). This corporation shall not, however, be required to pay any tax which may be payable in respect of any transfer involved in the issuance and delivery of shares of Common Stock in a name other than that in which the shares of Preferred Stock so converted were registered, and no such issuance or delivery shall be made unless and until the person or entity requesting such issuance has paid to this corporation the amount of any such tax or has established, to the satisfaction of this corporation, that such tax has been paid.

(m) Termination of Conversion Rights. In the event of a notice of redemption of any shares of Preferred Stock pursuant to Section 3, the Conversion Rights of the shares designated for redemption shall terminate at the close of business on the last full day preceding the applicable Redemption Date, unless the redemption price is not fully paid on such Redemption Date, in which case the Conversion Rights for such shares shall continue until such price is paid in full. In the event of a Liquidation Event, the Conversion Rights shall terminate at

the close of business on the last full day preceding the date fixed for the payment of any such amounts distributable on such event to the holders of Preferred Stock.

5. Voting Rights.

(a) **General Voting Rights.** On any matter presented to the stockholders of this corporation for their action or consideration at any meeting of stockholders of this corporation (or by written consent of stockholders in lieu of meeting), the holder of each share of Preferred Stock shall have the right to one vote for each share of Common Stock into which such Preferred Stock could be converted as of the record date for determining stockholders entitled to vote on such matter, and with respect to such vote, such holder shall have full voting rights and powers equal to the voting rights and powers of the holders of Common Stock, and shall be entitled to notice of any stockholders' meeting in accordance with the Bylaws of this corporation. Except as provided by law or by the other provisions of this Sixth Amended and Restated Certificate of Incorporation, holders of Preferred Stock shall vote together with the holders of Common Stock as a single class. Fractional votes shall not, however, be permitted and any fractional voting rights available on an as-converted basis (after aggregating all shares into which shares of Preferred Stock held by each holder could be converted) shall be rounded to the nearest whole number (with one-half being rounded upward).

(b) **Voting for the Election of Directors.** As long as any shares of Series D Preferred Stock are outstanding, the holders of such shares of Series D Preferred Stock, exclusively and as a separate class, shall be entitled to elect two (2) directors of this corporation at any election of directors (each a "***Series D Director***"). As long as any shares of Series C Preferred Stock are outstanding, the holders of such shares of Series C Preferred Stock, exclusively and as a separate class, shall be entitled to elect one (1) director of this corporation at any election of directors (the "***Series C Director***"). As long as any shares of Series B Preferred Stock are outstanding, the holders of such shares of Series B Preferred Stock, exclusively and as a separate class, shall be entitled to elect one (1) director of this corporation at any election of directors (the "***Series B Director***"). As long as any shares of Series A-1 Preferred Stock are outstanding, the holders of such shares of Series A-1 Preferred Stock, exclusively and as a separate class, shall be entitled to elect two (2) directors of this corporation at any election of directors (each a "***Series A-1 Director***"). As long as any shares of Series A Preferred Stock are outstanding, the holders of such shares of Series A Preferred Stock, exclusively and as a separate class, shall be entitled to elect one (1) director of this corporation at any election of directors (the "***Series A Director***," and together with the Series D Directors, Series C Directors, Series B Directors and Series A-1 Directors, the "***Preferred Directors***"). The holders of Common Stock, exclusively and as a separate class, shall be entitled to elect one (1) director of this corporation at any election of directors. The holders of Preferred Stock and Common Stock (voting together as a single class and not as separate series, and on an as-converted basis) shall be entitled to elect any remaining directors of this corporation.

Notwithstanding the provisions of Section 223(a)(1) and 223(a)(2) of the General Corporation Law, any vacancy, including newly created directorships resulting from any increase in the authorized number of directors or amendment of this Sixth Amended and Restated Certificate of Incorporation, and vacancies created by removal or resignation of a director, may be filled by a majority of the directors then in office, though less than a quorum, or

by a sole remaining director, and the directors so chosen shall hold office until the next annual election and until their successors are duly elected and shall qualify, unless sooner displaced; *provided, however*, that where such vacancy occurs among the directors elected by the holders of a class or series of stock, the holders of shares of such class or series may override the Board of Directors' action to fill such vacancy by voting for their own designee to fill such vacancy (i) at a meeting of this corporation's stockholders or (ii) by written consent. Any director may be removed during his or her term of office, either with or without cause, by, and only by, the affirmative vote of the holders of the shares of the class or series of stock entitled to elect such director or directors, given either at a special meeting of such stockholders duly called for that purpose or pursuant to a written consent of stockholders, and any vacancy thereby created may be filled by the holders of that class or series of stock represented at the meeting or pursuant to written consent.

6. Preferred Stock Protective Provisions.

(a) Preferred Stock Majority Protective Provisions. So long as any shares of the Preferred Stock are outstanding, this corporation shall not, either directly or indirectly (by amendment, merger, consolidation or otherwise) without (in addition to any other vote required by law or the Sixth Amended and Restated Certificate of Incorporation) first obtaining the approval (by vote or written consent, as provided by law) of the Preferred Majority (and any such act or transaction entered into without such consent or vote shall be null and void *ab initio*, and of no force or effect):

- (i) consummate a Liquidation Event;
- (ii) increase or decrease (other than by redemption or conversion) the total number of authorized shares of any series of Preferred Stock;
- (iii) take any action or enter into any agreement (whether by means of amendment to this Sixth Amended and Restated Certificate of Incorporation or by merger, consolidation or otherwise) to issue, create or authorize any new class or series of securities which has a preference over, or is offered with rights on a *pari passu* basis with, the Series D Preferred Stock, Series C Preferred Stock, Series B Preferred Stock, Series A Preferred Stock or Series A-1 Preferred Stock with respect to liquidation, dividends, or redemption;
- (iv) amend, alter or repeal any provision of this corporation's Certificate of Incorporation or Bylaws;
- (v) increase or decrease the authorized number of directors of this corporation;
- (vi) incur any indebtedness for borrowed money of this corporation or any subsidiary exceeding, in the aggregate, \$100,000;
- (vii) change the principal business of the corporation (which is ophthalmic medical devices), enter new lines of business not approved by this Corporation's Board of Directors (including a majority of the Preferred Directors), or exit the current line of business;

(viii) increase or decrease the shares of Common Stock reserved for issuance under the 2012 Equity Incentive Plan;

Any repeal or modification of any of the foregoing provisions of this Article X shall not

adversely affect any right or protection of a director, officer, agent or other person existing at the time of, or increase the liability of any director of this corporation with respect to any acts or omissions of such director, officer or agent occurring prior to such repeal or modification.

ARTICLE XI

This corporation reserves the right to amend, alter, change or repeal any provision contained in this Sixth Amended and Restated Certificate of Incorporation, in the manner now or hereafter prescribed by statute, and all rights conferred upon stockholders herein are granted subject to this reservation.

ARTICLE XII

This corporation renounces any interest or expectancy of this corporation in, or in being offered an opportunity to participate in, any Excluded Opportunity.
