AMENDED AND RESTATED CERTIFICATE OF INCORPORATION

OF

ADOMO, INC.

Adomo, Inc. (the "*corporation*"), a corporation organized and existing under the General Corporation Law of the State of Delaware (the "*General Corporation Law*") hereby certifies as follows:

1. That the corporation was incorporated on February 13, 2004 under the name Adomo, Inc., pursuant to the General Corporation Law.
2. Pursuant to Sections 242 and 245 of the General Corporation Law, this Amended and Restated Certificate of Incorporation restates and integrates and further amends the provisions of the Certificate of Incorporation of the corporation.
3. The text of the Certificate of Incorporation is hereby amended and restated in its entirety as follows:

ARTICLE I

That the name of the corporation is: Adomo, Inc.

ARTICLE II

The address of the Company's registered office in the State of Delaware is Corporation Trust Center, 1209 Orange Street, Wilmington, New Castle County, Delaware 19801. The name of its registered agent at such address is The Corporation Trust Company.

ARTICLE III

The purpose of the corporation is to engage in any lawful act or activity for which corporations may be organized under the General Corporation Law of the State of Delaware.

ARTICLE IV

The corporation is authorized to issue two classes of stock to be designated, respectively, "*Common Stock*" and "*Preferred Stock*." The total number of shares of Common Stock that the corporation is authorized to issue is 40,000,000, with a par value of \$0.001 per share. The total number of shares of Preferred Stock that the corporation is authorized to issue is 20,000,000, with a par value of \$0.001 per share, 3,000,000 of which are designated "*Series A Preferred Stock*," and 10,000,000 of which are designated "*Series B Preferred Stock*."

The corporation shall from time to time in accordance with the laws of the State of Delaware increase the authorized amount of its Common Stock if at any time the number of shares of Common Stock remaining unissued and available for issuance upon conversion of the Preferred Stock shall

not be sufficient to permit conversion of the Preferred Stock. The number of authorized shares of Common Stock may be increased or decreased (but not below the number of shares of Common Stock then outstanding) by the affirmative vote of the holders of a majority of the stock of the corporation (voting together as a single class on an as-if-converted basis).

The undesignated Preferred Stock may be issued from time to time in one or more series. Subject to Section 4(c), the corporation's board of directors is authorized to determine the designation of any series, to fix the number of shares of any series of the undesignated Preferred Stock, and to determine or alter the rights, preferences, privileges, and restrictions granted to or imposed upon any wholly unissued series of undesignated Preferred Stock, and, within the limits and restrictions stated in any resolution or resolutions of the corporation's board of directors originally fixing the number of shares constituting any series of the undesignated Preferred Stock, to increase or decrease (but not below the number of shares of any such series then outstanding) the number of shares of any such series subsequent to the issue of shares of that series. In case the number of shares of any series shall be so decreased, the shares constituting such decrease shall resume the status which they had prior to the adoption of the resolution originally fixing the number of shares of such series.

The relative rights, preferences, privileges and restrictions granted to or imposed upon the respective classes and series of the shares of capital stock or the holders thereof are as set forth below.

Section 1. Dividends. The holders of Series A Preferred Stock shall be entitled to receive, for each share of Series A Preferred Stock held by such holders, out of any funds legally available therefor, noncumulative cash dividends at the rate of ten percent (10%) of the Original Issue Price (as defined below) per annum (as adjusted for any recapitalizations, stock combinations, stock dividends, stock splits and the like), when, as and if declared by the corporation's Board of Directors. The holders of Series B Preferred Stock shall be entitled to receive, for each share of Series B Preferred Stock held by such holders, out of any funds legally available therefor, noncumulative cash dividends at the rate of nine percent (9%) of the Original Issue Price (as defined below) per annum (as adjusted for any recapitalizations, stock combinations, stock dividends, stock splits and the like), when, as and if declared by the corporation's Board of Directors. The "Original Issue Price" of the Series A Preferred Stock shall be twenty-five cents (\$0.25) and the "Original Issue Price" of the Series B Preferred Stock shall be [one dollar (\$1.00)]. No dividend shall be paid on the Common Stock in any year, other than dividends payable solely in capital stock, until all dividends for such year have been declared and paid on the Preferred Stock, and no dividends on the Common Stock shall be paid unless the amount of such dividend on the Common Stock is also paid on the Preferred Stock on an as-converted to Common Stock basis.

Section 2. Liquidation Preference.

(a) In the event of any liquidation, dissolution or winding up of the corporation, prior and in preference to any distribution of any of the assets or funds of the corporation to the holders of the Common Stock and Series A Preferred Stock by reason of their ownership of such stock, the holders of Series B Preferred Stock shall be entitled to receive for each outstanding share of Series B Preferred Stock then held by them an amount equal to [\$1.00] plus declared but unpaid dividends on such share (as adjusted for any recapitalizations, stock combinations, stock dividends, stock splits and the like). If, upon the occurrence of a liquidation, dissolution or winding up, the

assets and funds of the corporation legally available for distribution to stockholders by reason of their ownership of stock of the corporation shall be insufficient to permit the payment to such holders of Series B Preferred Stock of the full aforementioned preferential amounts, then the entire assets and funds of the corporation legally available for distribution to stockholders by reason of their ownership of stock of the corporation shall be distributed ratably among the holders of Series B Preferred Stock in proportion to the preferential amount each such holder is otherwise entitled to receive.

(b) Upon a liquidation, dissolution or winding up of the corporation, and after payment to the holders of Series B Preferred Stock of the amounts to which they are entitled pursuant to Section 2(a), prior and in preference to any distribution of any of the assets or funds of the corporation to the holders of Common Stock by reason of their ownership of such stock, the holders of Series A Preferred Stock shall be entitled to receive for each outstanding share of Series A Preferred Stock then held by them an amount equal to \$0.25, plus declared but unpaid dividends on such share (as adjusted for any recapitalizations, stock combinations, stock dividends, stock splits and the like). If, upon the occurrence of a liquidation, dissolution or winding up, the assets and funds of the corporation legally available for distribution to stockholders by reason of their ownership of stock of the corporation shall be insufficient to permit the payment to such holders of Series A Preferred Stock and Series B Preferred Stock of the full aforementioned preferential amounts, then such assets and funds will first be distributed to holders of Series B Preferred Stock in satisfaction of the full preferential amount to which holders of Series B Preferred Stock are entitled. Thereafter, any remaining assets and funds of the corporation legally available for distribution will be distributed ratably among the holders of Series A Preferred Stock in proportion to the preferential amount each such holder is otherwise entitled to receive.

(c) Upon a liquidation, dissolution or winding up of the corporation, and after payment to the holders Series A Preferred Stock and Series B Preferred Stock of the amounts to which they are entitled pursuant to Sections 2(a) and 2(b), all assets and funds of the corporation that remain legally available for distribution to stockholders by reason of their ownership of stock of the corporation shall be distributed ratably among the holders of Common Stock and the holders of Preferred Stock on an as-converted to Common Stock basis.

(d) For the purposes of this Section 2, a liquidation, dissolution or winding up of the corporation shall be deemed to be occasioned by, and to include, the corporation's sale of all or substantially all of its assets or the acquisition of this corporation by another entity by means of merger or consolidation resulting in the exchange of the outstanding shares of this corporation for securities or consideration issued, or caused to be issued, by the acquiring corporation or its subsidiary, unless the stockholders of this corporation, as constituted immediately prior to such transaction, hold at least 50% of the voting power of the surviving corporation in such a transaction.

(e) If any of the assets of this corporation are to be distributed under this Section 2, or for any other purpose, in the form of securities, then such securities shall be valued in good faith by the Board of Directors which shall take into account such objective evidence of value (such as market trading prices and the like) as is reasonably available to the Board of Directors at the time of valuation.

(f) If any of the assets of this corporation are to be distributed under this Section 2, or for any other purpose, in a form other than cash or securities, then the Board of Directors shall

be empowered to, and shall promptly determine the value of the assets to be distributed to the holders of Preferred Stock or Common Stock. This corporation shall, upon receipt of such determination, give prompt written notice of the determination to each holder of shares of Preferred Stock or Common Stock.

Section 3. Conversion. The holders of Preferred Stock shall have conversion rights as follows:

(a) **Right to Convert.** Each share of Preferred Stock shall be convertible, at the option of the holder thereof, at any time after the date of issuance of such share, at the office of the corporation or any transfer agent for such Preferred Stock, into such number of fully paid and nonassessable shares of Common Stock as is determined by dividing (i) the Original Issue Price of such share of Series A Preferred Stock or Series B Preferred Stock, as applicable, by (ii) the Conversion Price (the "*Conversion Price*") at the time in effect for a share of such series of Preferred Stock. The Original Issue Price per share of Series A Preferred Stock is \$0.25 (as adjusted for any recapitalizations, stock combinations, stock dividends, stock splits and the like with respect to the Series A Preferred Stock). The Original Issue Price per share of Series B Preferred Stock is [\$1.00] (as adjusted for any recapitalizations, stock combinations, stock dividends, stock splits and the like with respect to the Series B Preferred Stock). The Conversion Price per share of Series A Preferred Stock initially shall be \$0.25, subject to adjustment from time to time as provided below. The Conversion Price per share of Series B Preferred Stock initially shall be [\$1.00], subject to adjustment from time to time as provided below. All references herein to the Conversion Price with respect to Series A Preferred Stock and Series B Preferred Stock shall mean the Conversion Price as so adjusted.

(b) **Automatic Conversion.** Each share of Preferred Stock shall automatically be converted into shares of Common Stock at the then effective Conversion Price upon the earlier of (i) the closing of a firm commitment underwritten public offering pursuant to an effective registration statement under the Securities Act of 1933, as amended, covering the offer and sale of Common Stock to the public involving gross proceeds to the Company of not less than \$30,000,000 (a "*Qualified Initial Public Offering*") or (ii) the consent of holders of not less than a majority of the then outstanding shares of Preferred Stock voting together as a single class and not as separate series, and on an as-converted to Common Stock basis.

(c) **Mechanics of Conversion.** No fractional shares of Common Stock shall be issued upon conversion of Preferred Stock. In lieu of any fractional shares to which the holder would otherwise be entitled, the corporation shall pay cash equal to such fraction multiplied by the then effective Conversion Price of such series of Preferred Stock. Before any holder of Preferred Stock shall be entitled to convert the same into shares of Common Stock pursuant to Section 3(a), such holder shall surrender the certificate or certificates therefor, duly endorsed, at the office of the corporation or of any transfer agent for such Preferred Stock, and shall give written notice by mail, postage prepaid, to the corporation at its principal corporate office, of the election to convert the same, and such conversion shall be deemed to have been made immediately prior to the close of business on the date of such surrender of the shares of Preferred Stock to be converted. In the event of an automatic conversion pursuant to Section 3(b), the outstanding shares of Preferred Stock shall be converted automatically without any further action by the holder of such shares and whether or not the certificates representing such shares are surrendered to the corporation or the transfer agent for such Preferred Stock; and the corporation shall not be obligated to issue certificates evidencing

the shares of Common Stock issuable upon such automatic conversion unless the certificates evidencing such shares of Preferred Stock are either delivered to the corporation or the transfer agent for such Preferred Stock as provided above, or the holder notifies the corporation or the transfer agent for such Preferred Stock that such certificates have been lost, stolen or destroyed and executes an agreement satisfactory to the corporation or its transfer agent to indemnify the corporation and/or its transfer agent from any loss incurred by it in connection with such certificates (and in the case of a transfer agent, if so required, provides a bond in such amount reasonably satisfactory to such transfer agent). The corporation shall, as soon as practicable thereafter, issue and deliver to such address as the holder may direct, a certificate or certificates for the number of shares of Common Stock to which such holder shall be entitled. If the conversion is in connection with a public offering of securities described in Section 3(b), the conversion shall be conditioned upon the closing with the underwriters of the sale of securities pursuant to such offering, and the conversion shall not be deemed to have occurred until immediately prior to the closing of such sale of securities.

(d) **Status of Converted Stock.** In the event any shares of Preferred Stock shall be converted pursuant to this Section 3, the shares so converted shall be canceled and shall not be reissued by the corporation.

(e) **Adjustment of Conversion Price of Preferred Stock.** The Conversion Price shall be subject to adjustment from time to time as follows:

(i) **Adjustments for Subdivisions or Combinations of Common Stock.** In the event the outstanding shares of Common Stock shall be subdivided by stock split, stock dividend or otherwise, into a greater number of shares of Common Stock, the Conversion Price of each series of Preferred Stock then in effect shall, concurrently with the effectiveness of such subdivision, be proportionately decreased. In the event the outstanding shares of Common Stock shall be combined or consolidated into a lesser number of shares of Common Stock, the Conversion Price of each series of Preferred Stock then in effect shall, concurrently with the effectiveness of such combination or consolidation, be proportionately increased.

(ii) **Adjustments for Stock Dividends and Other Distributions.** In the event the corporation makes, or fixes a record date for the determination of holders of Common Stock entitled to receive, any distribution (excluding repurchases of securities by the corporation not made on a pro rata basis) payable in property or in securities of the corporation other than shares of Common Stock, and other than as otherwise adjusted for in this Section 3 or as provided for in Section 1 in connection with a dividend, then and in each such event the holders of Preferred Stock shall receive, at the time of such distribution, the amount of property or the number of securities of the corporation that they would have received had their Preferred Stock been converted into Common Stock on the date of such event.

(iii) **Adjustments for Reorganizations, Reclassifications or Similar Events.** If the Common Stock shall be changed into the same or a different number of shares of any other class or classes of stock or other securities or property, whether by capital reorganization, reclassification or otherwise, then each share of Preferred Stock shall thereafter be convertible into the number of shares of stock or other securities or property to which a holder of the number of shares of Common Stock of the corporation deliverable upon conversion of such shares of Preferred Stock shall have been entitled upon such reorganization, reclassification or other event.

(iv) **Adjustments for Diluting Issues.** In addition to the adjustment of the Conversion Price provided above, the Conversion Price of Preferred Stock shall be subject to further adjustment from time to time as follows:

(A) **Special Definitions.**

(1) "*Options*" shall mean rights, options or warrants to subscribe for, purchase or otherwise acquire either Common Stock or Convertible Securities.

(2) "*Filing Date*" shall mean the date on which this Amended and Restated Certificate of Incorporation is accepted for filing by the Secretary of State of the State of Delaware.

(3) "*Convertible Securities*" shall mean securities convertible into or exchangeable for Common Stock, either directly or indirectly.

(4) "*Additional Shares of Common Stock*" shall mean all shares of Common Stock issued (or, pursuant to Section 3(e)(iv)(C), deemed to be issued) by the corporation after the Filing Date other than shares of Common Stock issued (or, pursuant to Section 3(e)(iv)(C), deemed to be issued):

- i) upon conversion of shares of Preferred Stock;
- ii) to an employee, consultant or director pursuant to stock option, stock grant, stock purchase or similar plans or arrangements approved by the Board of Directors in connection with rendering of services, including without limitation upon the exercise of Options outstanding as of the Filing Date;
- iii) to an equipment lessor, bank, financial institution or similar entity in a transaction approved by the Board of Directors, the principal purpose of which is other than the raising of equity capital;
- iv) as a dividend or other distribution in connection with which an adjustment to the Conversion Price is made pursuant to Section 3(e)(i), (ii) or (iii);
- v) in the corporation's Qualified Initial Public Offering;
- vi) in a bona fide merger or acquisition that is approved by the Board of Directors;
- vii) pursuant to any transaction approved by the Board of Directors primarily for the purpose of (A) a joint venture, technology licensing or research and development activity, (B) distribution or manufacture of the corporation's products or services, or (C) any other transaction involving strategic partners or non-employee service providers, in any case that is primarily for purposes other than raising equity capital;
- viii) if the holders of a majority of the then outstanding shares of each series of Preferred Stock the Conversion Price of which may be subject

to adjustment upon such issuance agree in writing that such shares shall not constitute Additional Shares of Common Stock; or

ix) pursuant to the issuance or exercise of those certain warrants to purchase Common Stock issuable in connection with the conversion of those certain convertible promissory notes with an aggregate principal amount of \$1,359,244.42 convertible into or which may be convertible into Series B Preferred Stock outstanding on the Filing Date.

(B) No Adjustment of Conversion Price. No adjustment in the Conversion Price shall be made pursuant to Section 3(e)(iv)(D) unless the consideration per share for an Additional Share of Common Stock issued (or, pursuant to Section 3(e)(iv)(C), deemed to be issued) by the corporation is less than the Conversion Price in effect on the date of, and immediately prior to, such issue, and provided that, except with respect to recomputations of adjustments made in accordance with Section 3(e)(iv)(C)(3), any such adjustment shall not have the effect of increasing the Conversion Price to an amount which exceeds the Conversion Price existing immediately prior to such adjustment.

(C) Deemed Issue of Additional Shares of Common Stock. Except as otherwise provided in Section 3(e)(iv)(A) or 3(e)(iv)(B), in the event the corporation at any time or from time to time after the Filing Date shall issue any Options or Convertible Securities or shall fix a record date for the determination of any holders of any class of securities entitled to receive any such Options or Convertible Securities, then the maximum number of shares (as set forth in the instrument relating thereto but without taking into account potential antidilution adjustments) of Common Stock issuable (without achievement of any milestones other than the passage of time) upon the exercise of such Options or, in the case of Convertible Securities and Options therefor, the conversion or exchange of such Convertible Securities, shall be deemed to be Additional Shares of Common Stock issued as of the time of such issue or, in case such a record date shall have been fixed, as of the close of business on such record date, provided that in any such case in which additional shares of Common Stock are deemed to be issued:

(1) no further adjustment in the Conversion Price shall be made upon the subsequent issue of Convertible Securities or shares of Common Stock upon the exercise of such Options or conversion or exchange of such Convertible Securities;

(2) if such Options or Convertible Securities by their terms provide, with the passage of time or otherwise, for any increase or decrease in the consideration payable to the corporation, or increase or decrease in the number of shares of Common Stock issuable, upon the exercise, conversion or exchange thereof, the Conversion Price computed upon the original issue thereof or upon the occurrence of a record date with respect thereto, and any subsequent adjustments based thereon, shall, upon any such increase or decrease becoming effective, be recomputed to reflect such increase or decrease;

(3) upon the expiration of any such Options or any rights of conversion or exchange under such Convertible Securities which shall not have been exercised, the Conversion Price computed upon the original issue thereof or upon the occurrence of a record date with respect thereto, and any subsequent adjustments based thereon, shall, upon such expiration, be recomputed as if:

i) in the case of Convertible Securities or Options for Common Stock, the only Additional Shares of Common Stock issued were shares of Common Stock, if any, actually issued upon the exercise of such Options or the conversion or exchange of such Convertible Securities, and the consideration received therefor was the consideration actually received by the corporation for the issue of all such Options, whether or not exercised, plus the consideration actually received by the corporation upon such exercise, or for the issue of all such Convertible Securities, whether or not converted or exchanged, plus the additional consideration, if any, actually received by the corporation upon such conversion or exchange; and

ii) in the case of Options for Convertible Securities, only the Convertible Securities, if any, actually issued upon the exercise thereof were issued at the time of issue of such Options and the consideration received by the corporation for the Additional Shares of Common Stock deemed to have been then issued was the consideration actually received by the corporation for the issue of all such Options, whether or not exercised, plus the consideration deemed to have been received by the corporation upon the issue of the Convertible Securities with respect to which such Options were actually exercised;

(4) no readjustment pursuant to Section 3(e)(iv)(C)(2) or (3) above shall have the effect of increasing the Conversion Price to an amount which exceeds the Conversion Price existing immediately prior to the original adjustment with respect to the issuance of such Options or Convertible Securities, as adjusted for any Additional Shares of Common Stock issued (or, pursuant to Section 3(e)(iv)(C), deemed to be issued) between such original adjustment date and such readjustment date;

(5) in the case of any Options which expire by their terms not more than 30 days after the date of issue thereof, no adjustment of the Conversion Price shall be made until the expiration or exercise of all such Options; and

(6) in the case of any Option or Convertible Security with respect to which the maximum number of shares of Common Stock issuable upon exercise or conversion or exchange thereof is not determinable, adjustment of the Conversion Price shall only be made with respect to the number actually determinable and no adjustment to the Conversion Price shall be made with respect to the number undeterminable until such undeterminable number becomes determinable.

(D) Adjustment of Conversion Price Upon Issuance of Additional Shares of Common Stock. Subject to the limitation set forth in Section 3(e)(iv)(B), above, if Additional Shares of Common Stock are issued (or, pursuant to Section 3(e)(iv)(C), deemed to be issued) without consideration or for a consideration per share (computed on an as-converted to Common Stock basis) less than a Conversion Price in effect on the date of, and immediately prior to, such issue (a "*Dilutive Issue*"), then and in such event, such Conversion Price shall be reduced, concurrently with such issue, to a price (calculated to the nearest cent) determined by multiplying such Conversion Price by a fraction, (x) the numerator of which shall be the number of shares of Common Stock outstanding immediately prior to such issue plus the number of shares of Common Stock which the aggregate consideration received by the corporation for the total number of Additional Shares of Common Stock so issued would purchase at such Conversion Price, and (y) the denominator of which shall be the number of shares of Common Stock outstanding immediately prior to such issue plus the number of such Additional Shares of Common Stock so issued. For the

purposes of this Section 3(e)(iv)(D), all shares of Common Stock issuable upon exercise of outstanding Options and upon conversion of outstanding Convertible Securities and Preferred Stock, shall be deemed to be outstanding, and immediately after any Additional Shares of Common Stock are deemed issued pursuant to Section 3(e)(iv)(C), such Additional Shares of Common Stock shall be deemed to be outstanding.

(E) **Determination of Consideration.** For purposes of this Section 3(e)(iv), the consideration received by the corporation for any Additional Shares of Common Stock issued (or, pursuant to Section 3(e)(iv)(C), deemed to be issued) shall be computed as follows:

(1) **Cash and Property.** Such consideration shall:

i) insofar as it consists of cash, be computed at the aggregate amount of cash received by the corporation after deducting any commissions paid by the corporation with respect to such issuance;

ii) insofar as it consists of property other than cash, be computed at the fair value thereof at the time of such issuance, as determined in good faith by the Board of Directors of the corporation; and

iii) if Additional Shares of Common Stock are issued (or, pursuant to Section 3(e)(iv)(C), deemed to be issued) together with other shares or securities or other assets of the corporation for consideration which covers both, be the proportion of such consideration so received, computed as provided in clauses (i) and (ii) of this Section 3(e)(iv)(E)(1), as determined in good faith by the Board of Directors of the corporation.

(2) **Options and Convertible Securities.** The consideration received by the corporation for Additional Shares of Common Stock deemed to have been issued pursuant to Section 3(e)(iv)(C), relating to Options and Convertible Securities, shall be the sum of (x) the total amount, if any, received or receivable by the corporation as consideration for the issue of such Options or Convertible Securities, plus (y) the minimum aggregate amount of additional consideration (as set forth in the instruments relating thereto but without taking into account potential antidilution adjustments) payable to the corporation upon the exercise of such Options or the conversion or exchange of such Convertible Securities, or in the case of Options for Convertible Securities (without achievement of any milestones other than the passage of time), the exercise of such Options for Convertible Securities and the conversion or exchange of such Convertible Securities.

(f) **Certificate as to Adjustments.** Upon the occurrence of each adjustment or readjustment of the Conversion Price pursuant to this Section 3, the corporation at its expense shall promptly compute such adjustment or readjustment in accordance with the terms hereof and furnish to each holder of Preferred Stock to which such adjustment pertains a certificate setting forth such adjustment or readjustment and showing in detail the facts upon which such adjustment or readjustment is based. The corporation shall, upon the written request at any time of any holder of Preferred Stock, furnish or cause to be furnished to such holder a like certificate setting forth (i) such adjustments and readjustments, (ii) the Conversion Price at the time in effect, and (iii) the number of shares of Common Stock and the amount, if any, of other property which at the time would be received upon the conversion of such holder's Preferred Stock.

(g) **Reservation of Stock Issuable Upon Conversion.** The corporation shall at all times reserve and keep available out of its authorized but unissued shares of Common Stock, solely for the purpose of effecting the conversion of the shares of the Preferred Stock, such number of its shares of Common Stock as shall from time to time be sufficient to effect the conversion of all outstanding shares of Preferred Stock; and if at any time the number of authorized but unissued shares of Common Stock shall not be sufficient to effect the conversion of all then outstanding shares of Preferred Stock, in addition to such other remedies as shall be available to the holder of such Preferred Stock, the corporation will take such corporate action as may, in the opinion of its counsel, be necessary to increase its authorized but unissued shares of Common Stock to such number of shares as shall be sufficient for such purposes, including, without limitation, using reasonable efforts to obtain the requisite stockholder approval of any necessary amendment to this Amended and Restated Certificate of Incorporation.

Section 4. Voting.

(a) **General.** Except as otherwise required by law, each holder of Preferred Stock shall be entitled to the number of votes equal to the number of shares of Common Stock into which the shares of Preferred Stock so held could be converted at the record date for determination of the stockholders entitled to vote, or, if no such record date is established, at the date such vote is taken or any written consent of stockholders is solicited. Except as required by law or as otherwise set forth herein (including without limitation Sections 4(b) and 4(c)), all shares of all series of Preferred Stock and all shares of Common Stock shall vote together as a single class. Fractional votes by the holders of Preferred Stock shall not, however, be permitted, and any fractional voting rights shall (after aggregating all shares into which shares of Preferred Stock held by each holder could be converted) be rounded down to the nearest whole number.

(b) **Election of Directors.** The authorized number of directors of the corporation shall be set forth in the Bylaws of the corporation and may be increased or decreased in accordance with their provisions. For so long as at least 300,000 shares of Series A Preferred Stock remain outstanding (as adjusted for recapitalizations, stock combinations, stock dividends, stock splits and the like), the holders of shares of Series A Preferred Stock, voting separately as a class, shall be entitled to elect one (1) director of the corporation at each annual election of directors (and to fill any vacancies with respect thereto). For so long as at least 1,000,000 shares of Series B Preferred Stock remain outstanding (as adjusted for recapitalizations, stock combinations, stock dividends, stock splits and the like), the holders of shares of Series B Preferred Stock, voting separately as a class, shall be entitled to elect two (2) directors of the corporation at each annual election of directors (and to fill any vacancies with respect thereto). The Common Stock, voting separately as a class, shall be entitled to elect one (1) director of the corporation at each annual election of directors (and to fill any vacancies with respect thereto). The holders of Common Stock and Preferred Stock, voting together as a single class on an as-if-converted basis, shall be entitled to elect all remaining members of the Board at each annual election of directors to fill any vacancies with respect thereto.

In the case of any vacancy (other than a vacancy caused by removal) in the office of a director occurring among the directors elected by the holders of a class or series of stock pursuant to this Section 4(b), the remaining director so elected by that class or series may (or if there are no such directors remaining, by the affirmative vote of the holders of a majority of the shares of that class or series), elect a successor or successors to hold office for the unexpired term of the director or directors whose place or places shall be vacant. Any director who shall have been elected by the

holders of a class or series of stock or by any directors so elected as provided in the immediately preceding sentence hereof may be removed during the aforesaid term of office, either with or without cause, by, and only by, the affirmative vote of the holders of the shares of the class or series of stock entitled to elect such director or directors, given either at an annual or special meeting of such stockholders duly called for that purpose or pursuant to a written consent of stockholders, and any vacancy thereby created may be filled by the holders of that class or series of stock represented at the meeting or pursuant to written consent.

(c) **Approval by Series A and Series B Preferred Stock.** The corporation shall not, without first obtaining the approval of the holders of not less than a majority of the then outstanding total number of shares of Preferred Stock voting together as a single class and not as a separate series, and on an as-converted to Common Stock basis:

(i) amend or repeal any provision of, or add any provision to, the corporation's Certificate of Incorporation if such action would adversely alter or change the rights, preferences, privileges, or restrictions of the Preferred Stock;

(ii) increase the authorized number of shares of Preferred Stock;

(iii) authorize, create or issue any shares of any class or series of stock having any right, preference or priority superior to any such right, preference or priority of the Preferred Stock with respect to dividends, liquidation, redemption or voting or on parity with any such right, preference or priority of the Preferred Stock with respect to dividends and liquidation;

(iv) increase the number of shares of Common Stock reserved for issuance pursuant to the corporation's 1999 Stock Plan in excess of 3,680,000 shares (as adjusted for any recapitalizations, stock combinations, stock dividends, stock splits and the like);

(v) enter into a transaction that would occasion the sale of all or substantially all of its assets or the acquisition of this corporation by another entity by means of merger or consolidation resulting in the exchange of the outstanding shares of this corporation for securities or consideration issued, or caused to be issued, by the acquiring corporation or its subsidiary, unless the stockholders of this corporation, as constituted immediately prior to such transaction, hold at least 50% of the voting power of the surviving or resulting corporation in such a transaction; or

(vi) effect a reclassification or recapitalization of the outstanding capital stock of the corporation.

In addition, the holders of Preferred Stock shall vote separately on matters that otherwise by applicable law require a class vote, voting together as a single class or as separate series of Preferred Stock, as dictated by applicable law.

Section 5. Consent to Distributions. Each holder of Preferred Stock shall be deemed to have consented, for purposes of Sections 502, 503 and 506 of the California Corporations Code and Sections 1 and 2 of this Article IV, to distributions made by the corporation in connection with the repurchase of shares of Common Stock at cost from employees, officers, directors or consultants of the corporation in connection with the termination of their employment or services pursuant to agreements or arrangements approved by the Board of Directors of the corporation.

Section 6. Reacquired Shares. No shares of Preferred Stock purchased or otherwise acquired by the corporation in any manner whatsoever shall be reissued.

Section 7. Waiver of Rights, Preferences or Privileges.
