The sixth series of Preferred Stock shall be designated "Series B Preferred Stock" and shall consist of Sixty-Seven Million Eight Hundred Thirty-Nine Thousand Eighty-Three (67,839,083) shares. The rights, preferences, privileges, and restrictions granted to and imposed on the Series A-1, Series A-2, Series A-3, Series AA, Series AA-1, Series B and Series B-1 Preferred Stock are as set forth below in this Article III(B).

1. **Dividend Provisions.** The holders of shares of Preferred Stock shall be entitled to receive dividends, out of any assets legally available therefor, prior and in preference to any declaration or payment of any dividend (payable other than in Common Stock or other securities and rights convertible into or entitling the holder thereof to receive, directly or indirectly, additional shares of Common Stock of the Corporation ("Common Stock Equivalents")) on the Common Stock of the Corporation, at the rate (as adjusted for stock splits, stock dividends, reclassifications or the like) of (a) \$0.06 per share per annum on each outstanding share of Series A-1 Preferred Stock, (b) \$0.0248 per share per annum on each outstanding share of Series A-2 Preferred Stock, (c) \$0.06 per share per annum on each outstanding share of Series A-3 Preferred Stock, (d) \$0.0121 per share per annum on each outstanding share of Series AA Preferred Stock, (e) \$0.0154 per share per annum on each outstanding share of Series AA-1 Preferred Stock, (f) \$0.0177 per share per annum on each outstanding share of Series B Preferred Stock, and (g) \$0.0195 per share per annum on each outstanding share of Series B-1 Preferred Stock, each payable quarterly when, as and if declared by the Board of Directors. Such dividends shall not be cumulative. After payment of such dividends, any additional dividends shall be distributed among the holders of Preferred Stock and Common Stock pro rata based on the number of shares of Common Stock then held by each holder (assuming conversion of all such Preferred Stock into Common Stock). No dividend or distribution shall be declared upon the shares of Common Stock unless a dividend pursuant to this Section 1 has been declared with respect to the shares of Preferred Stock.

2. **Liquidation.**

(a) **Series B Preference.** In the event of any liquidation, dissolution or winding up of the Corporation, either voluntary or involuntary, the holders of the Series B and Series B-1 Preferred Stock shall be entitled to receive, prior and in preference to any distribution of any of the assets of the Corporation to the holders of the other series of Preferred Stock or Common Stock by reason of their ownership thereof, an amount per share equal to (a) \$0.22148 (as adjusted for stock splits, stock dividends, reclassifications or the like with respect to the Series B Preferred Stock) for each share of Series B Preferred Stock then held by them, and (b) \$0.22148 (as adjusted for stock splits, stock dividends, reclassifications or the like with respect to the Series B-1 Preferred Stock) for each share of Series B-1 Preferred Stock then held by them, in each case, plus declared but unpaid dividends. If, upon the occurrence of such event, the assets and funds thus distributed among the holders of the Series B Preferred Stock shall be insufficient to permit the payment to such

holders of the full aforesaid preferential amounts, then, the entire assets and funds of the Corporation legally available for distribution shall be distributed ratably among the holders of the Series B and Series B-1 Preferred Stock in proportion to the preferential amount each such holder is otherwise entitled to receive.

(b) **Series AA and AA-1 Preference.** Upon the completion of the distribution required by Section 2(a) above to holders of the Series B Preferred Stock, in the event of any liquidation, dissolution or winding up of the Corporation, either voluntary or involuntary, the holders of the Series AA and Series AA-1 Preferred Stock shall be entitled to receive, prior and in preference to any distribution of any of the assets of the Corporation to the holders of the Series A-3 Preferred Stock, Series A-2 Preferred Stock, Series A-1 Preferred Stock or Common Stock by reason of their ownership thereof, an amount per share equal to (a) \$0.151142 (as adjusted for stock splits, stock dividends, reclassifications or the like with respect to the Series AA Preferred Stock) for each share of Series AA Preferred Stock then held by them and (b) \$0.19246 (as adjusted for stock splits, stock dividends, reclassifications or the like with respect to the Series AA-1 Preferred Stock) for each share of Series AA-1 Preferred Stock then held by them, in each case plus declared but unpaid dividends. If, upon the occurrence of such event, the assets and funds thus distributed among the holders of the Series AA and Series AA-1 Preferred Stock shall be insufficient to permit the payment to such holders of the full aforesaid preferential amounts, then, the entire assets and funds of the Corporation legally available for distribution shall be distributed ratably among the holders of the Series AA and Series AA-1 Preferred Stock in proportion to the preferential amount each such holder is otherwise entitled to receive.

(c) **Series A-2 and Series A-3 Preference.** Upon the completion of the distribution required by Section 2(b) above to holders of the Series AA and AA-1 Preferred Stock, in the event of any liquidation, dissolution or winding up of the Corporation, either voluntary or involuntary, the holders of the Series A-2 and Series A-3 Preferred Stock shall be entitled to receive, prior and in preference to any distribution of any of the assets of the Corporation to the holders of the Series A-1 Preferred Stock and Common Stock by reason of their ownership thereof, an amount per share equal to (a) \$0.31 (as adjusted for stock splits, stock dividends, reclassifications or the like with respect to the Series A-2 Preferred Stock) for each share of Series A-2 Preferred Stock then held by them and (b) \$0.75 per share (as adjusted for stock splits, stock dividends, reclassifications or the like with respect to the Series A-3 Preferred Stock) for each share of Series A-3 Preferred Stock then held by them, in each case plus declared but unpaid dividends. If, upon the occurrence of such event, the assets and funds thus distributed among the holders of the Series A-2 and Series A-3 Preferred Stock shall be insufficient to permit the payment to such holders of the full aforesaid preferential amounts, then, the entire assets and funds of the Corporation legally available for distribution shall be distributed ratably among the holders of the Series A-2 and Series A-3 Preferred Stock in proportion to the preferential amount each such holder is otherwise entitled to receive.

(d) **Series A-1 Preference.** Upon the completion of the distribution required by Section 2(c) above to holders of the Series A-2 and Series A-3 Preferred Stock, in the event of any liquidation, dissolution or winding up of the Corporation, either voluntary or involuntary, the holders of the Series A-1 Preferred Stock shall be entitled to receive, prior and in preference to any distribution of any of the assets of the Corporation to the holders of the Common Stock by reason of their ownership thereof, an amount per share equal to \$0.75 per share (as adjusted

for stock splits, stock dividends, reclassifications or the like with respect to the Series A-1 Preferred Stock) for each share of Series A-1 Preferred Stock then held by them, in each case plus declared but unpaid dividends. If, upon the occurrence of such event, the assets and funds thus distributed among the holders of the Series A-1 Preferred Stock shall be insufficient to permit the payment to such holders of the full aforesaid preferential amounts, then, the entire assets and funds of the Corporation legally available for distribution shall be distributed ratably among the holders of the Series A-1 Preferred Stock in proportion to the preferential amount each such holder is otherwise entitled to receive.

(e) **Remaining Assets.** Upon the completion of the distributions required by Section 2(a) through Section 2(d) above, the remaining assets of the Corporation available for distribution to shareholders shall be distributed among the holders of the Common Stock pro rata based on the number of shares of Common Stock held by each.

(f) **Certain Acquisitions.**

(i) **Deemed Liquidation.** For purposes of this Section 2 and Section 6 below, a liquidation, dissolution, or winding up of the Corporation shall be deemed to occur if the Corporation shall sell, convey, license, lease or otherwise dispose of all or substantially all of its intellectual property or business or merge with or into or consolidate with any other corporation, limited liability company or other entity (other than a wholly-owned subsidiary of the Corporation) or effect any other transaction or series of related transactions in which holders of the capital stock of the Corporation immediately prior to the transaction hold and control less than a majority of the voting power of the Corporation immediately after such transaction, (any such transaction, a "Liquidation Transaction"), provided that none of the following shall be considered a Liquidation Transaction: (i) a merger effected exclusively for the purpose of changing the domicile of the Corporation, (ii) an equity financing in which the Corporation is the surviving corporation, or (iii) a transaction in which the shareholders of the Corporation immediately prior to the transaction own in the same proportion 50% or more of the voting power of the surviving corporation following the transaction.

(ii) **Valuation of Consideration.** In the event of a Liquidation Transaction, if the consideration received by the Corporation is other than cash, its value will be deemed its fair market value. Any securities shall be valued as follows:

(A) Securities not subject to investment letter or other similar restrictions on free marketability:

(1) If traded on a securities exchange or The Nasdaq Stock Market ("Nasdaq"), the value shall be based on a formula determined in good faith by the Board of Directors and derived from the closing prices of the securities on such exchange or Nasdaq over a specified time period;

(2) If actively traded over-the-counter, the value shall be based on a formula determined in good faith by the Board of Directors and derived from the

closing bid or sales prices (whichever is applicable) for such securities over a specified time period, and

(3) If there is no active public market, the value shall be the fair market value thereof, as determined in good faith by the Board of Directors.

(B) The method of valuation of securities subject to investment letter or other restrictions on free marketability (other than restrictions arising solely by virtue of a shareholder's status as an affiliate or former affiliate) shall be to make an appropriate discount from the market value determined as specified above in Section 2(e)(ii)(A) to reflect the approximate fair market value thereof, as determined in good faith by the Board of Directors.

(iii) **Notice of Liquidation Transaction.** The Corporation shall give each holder of record of Preferred Stock written notice of any impending Liquidation Transaction not later than 10 days prior to the shareholders' meeting called to approve such Liquidation Transaction, or 10 days prior to the closing of such Liquidation Transaction, whichever is earlier, and shall also notify such holders in writing of the final approval of such Liquidation Transaction. The first of such notices shall describe the material terms and conditions of the impending Liquidation Transaction and the provisions of this Section 2, and the Corporation shall thereafter give such holders prompt notice of any material changes. The Liquidation Transaction shall in no event take place sooner than 10 days after the Corporation has given the first notice provided for herein or sooner than 10 days after the Corporation has given notice of any material changes provided for herein. Notwithstanding the other provisions of these Restated Articles, all notice periods or requirements in these Restated Articles may be shortened or waived, either before or after the action for which notice is required, upon the written consent of the holders of a majority of the voting power of the outstanding shares of Preferred Stock that are entitled to such notice rights.

(iv) **Effect of Noncompliance.** In the event the requirements of this Section 2(f) are not complied with, the Corporation shall forthwith either cause the closing of the Liquidation Transaction to be postponed until the requirements of this Section 2 have been complied with, or cancel such Liquidation Transaction, in which event the rights, preferences, privileges and restrictions of the holders of Preferred Stock shall revert to and be the same as such rights, preferences, privileges and restrictions existing immediately prior to the date of the first notice referred to in Section 2(f)(iii).

3. **Redemption.** The Preferred Stock is not-redeemable.

4. **Conversion.** The holders of the Preferred Stock shall have conversion rights as follows (the "**Conversion Rights**"):

(a) **Right to Convert.** Subject to Section 4(c), each share of Preferred Stock shall be convertible, at the option of the holder thereof, at any time after the date of issuance of such share, at the office of the Corporation or any transfer agent for such stock, into such number of fully paid and nonassessable shares of Common Stock as is determined by dividing (a) \$0.75 in the case of the Series A-1 Preferred Stock, (b) \$0.31 in the case of the Series A-2 Preferred Stock,

(c) \$0.75 in the case of the Series A-3 Preferred Stock, (d) \$0.151142 in the case of the Series AA Preferred Stock, (e) \$0.19246 in the case of the Series AA-1 Preferred Stock, (f) \$0.22148 in the case of the Series B Preferred Stock, and (g) \$0.24363 in the case of the Series B-1 Preferred Stock, by the Conversion Price applicable to such share determined as hereafter provided, in effect on the date the certificate is surrendered for conversion. The initial Conversion Price shall be \$0.75 per share of Series A-1 Preferred Stock, \$0.31 per share of Series A-2 Preferred Stock, \$0.75 per share of Series A-3 Preferred Stock, \$0.151142 in the case of Series AA Preferred Stock, \$0.19246 in the case of Series AA-1 Preferred Stock, and \$0.22148 in the case of the Series B Preferred Stock, and \$0.24363 in the case of the Series B-1 Preferred Stock. Such initial Conversion Price shall be subject to adjustment as set forth in Section 4(d).

(b) **Automatic Conversion.** Each share of Preferred Stock shall automatically be converted into shares of Common Stock at the Conversion Price at the time in effect for such share immediately upon the earlier of (i) except as provided below in Section 4(c), the Corporation's sale of its Common Stock in a firm commitment underwritten public offering pursuant to a registration statement under the Securities Act of 1933, as amended (the "Securities Act"), at a pre-offering market capitalization of at least \$100,000,000 (calculated based on capital stock outstanding on an as-converted basis, assuming conversion or exercise of all convertible or exercisable securities and including all shares reserved for issuance pursuant to any stock option or similar plan) and which results in aggregate cash proceeds to the Corporation of not less than \$30,000,000 (prior to underwriting discounts and commissions) or (ii) the date specified by written consent or agreement of the holders of not less than sixty percent (60%) of the then outstanding shares of Preferred Stock.

(c) **Mechanics of Conversion.** Before any holder of Preferred Stock shall be entitled to convert such Preferred Stock into shares of Common Stock, the holder shall surrender the certificate or certificates therefor, duly endorsed, at the office of the Corporation or of any transfer agent for such series of Preferred Stock, and shall give written notice to the Corporation at its principal corporate office, of the election to convert the same and shall state therein the name or names in which the certificate or certificates for shares of Common Stock are to be issued. The Corporation shall, as soon as practicable thereafter, issue and deliver at such office to such holder of Preferred Stock, or to the nominee or nominees of such holder, a certificate or certificates for the number of shares of Common Stock to which such holder shall be entitled as aforesaid. Such conversion shall be deemed to have been made immediately prior to the close of business on the date of such surrender of the shares of such series of Preferred Stock to be converted, and the person or persons entitled to receive the shares of Common Stock issuable upon such conversion shall be treated for all purposes as the record holder or holders of such shares of Common Stock as of such date. If the conversion is in connection with an underwritten public offering of securities registered pursuant to the Securities Act, the conversion may, at the option of any holder tendering such Preferred Stock for conversion, be conditioned upon the closing with the underwriters of the sale of securities pursuant to such offering, in which event any persons entitled to receive Common Stock upon conversion of such Preferred Stock shall not be deemed to have converted such Preferred Stock until immediately prior to the closing of such sale of securities. Notwithstanding the foregoing, in the event of an automatic conversion pursuant to Section 4(b), the outstanding shares of Preferred Stock so converted shall be converted automatically without any further action by the holder of such shares and whether or not the certificates representing such shares are surrendered to the Corporation

or the transfer agent for such Preferred Stock, provided however, that the Corporation shall not be obligated to issue certificates evidencing the shares of Common Stock issuable upon such automatic conversion unless the certificates evidencing such shares of Preferred Stock are either delivered to the Corporation or the transfer agent for such Preferred Stock as provided above, or the holder notifies the Corporation or the transfer agent for such Preferred Stock that such certificates have been lost, stolen or destroyed and executes an agreement satisfactory to the Corporation to indemnify the Corporation from any loss incurred by it in connection with such certificates. The Corporation shall, as soon as practicable thereafter, issue and deliver to such address as the holder may direct, a certificate or certificates for the number of shares of Common Stock to which such holder shall be entitled.

(d) **Conversion Price Adjustments of Preferred Stock for Certain Dilutive Issuances, Splits and Combinations.** The Conversion Price of the Preferred Stock shall be subject to adjustment from time to time as follows:

(i) **Issuance of Additional Stock below Purchase Price.** If the Corporation should issue, at any time after the date of filing of these Restated Articles (the "**Filing Date**"), any Additional Stock (as defined below) without consideration or for a consideration per share less than the Conversion Price then in effect for the Series AA Preferred Stock, Series AA-1 Preferred Stock, or Series B Preferred Stock immediately prior to the issuance of such Additional Stock, then the Conversion Price for each such series of Preferred Stock in effect immediately prior to the issuance of such Additional Stock shall automatically be adjusted, concurrently with such issuance, as set forth in this Section 4(d)(i), unless otherwise provided in this Section 4(d)(i).

(A) **Adjustment Formula.** Whenever the Conversion Price for a series of Preferred Stock is adjusted pursuant to this Section 4(d)(i), the new Conversion Price for such series of Preferred Stock shall be determined by multiplying the Conversion Price then in effect by a fraction, (x) the numerator of which shall be the number of shares of Common Stock outstanding immediately prior to such issuance (the "**Outstanding Common**") plus the number of shares of Common Stock that the aggregate consideration received by the Corporation for such issuance would purchase at the Conversion Price then in effect for such series of Preferred Stock; and (y) the denominator of which shall be the number of shares of Outstanding Common plus the number of shares of such Additional Stock. For purposes of the foregoing calculation, the term "Outstanding Common" shall include shares of Common Stock deemed issued pursuant to Section 4(d)(i)(E) below.

(B) **Definition of "Additional Stock."** For purposes of this Section 4(d)(i), "**Additional Stock**" shall mean any shares of Common Stock issued (or deemed to have been issued pursuant to Section 4(d)(i)(E)) by the Corporation after the Filing Date other than:

(1) Common Stock or Common Stock Derivatives (as defined in Section 4(d)(i)(E) below) issued pursuant to stock dividends, stock splits or similar transactions, as described in Section 4(d)(ii) hereof;

(2) 38,206,961 shares of Common Stock or Common Stock Derivatives (excluding options already exercised) issued or issuable to employees, consultants or directors of the Corporation pursuant to a stock option plan or restricted stock plan approved by the Board of Directors of the Corporation;

(3) Common Stock or Common Stock Derivatives, issued to financial institutions or lessors in connection with commercial credit arrangements, equipment financings, commercial property lease transactions or similar transactions approved by the Board of Directors,

(4) Shares of Common Stock, Preferred Stock or Common Stock Derivatives issuable upon exercise of warrants, options, notes or other rights to acquire securities outstanding as of the Filing Date;

(5) Common Stock, or Common Stock Derivatives, issued in connection with bona fide acquisitions, mergers or similar transactions, the terms of which are approved by the Board of Directors;

(6) Shares of Common Stock issued or issuable upon conversion of the Series A-1, Series A-2, Series A-3, Series AA, Series AA-1, Series B, or Series B-1 Preferred Stock;

(7) Shares of Common Stock issued or issuable in a initial public offering prior to or in connection with which all outstanding shares Preferred Stock will be converted to Common Stock; and

(8) Common Stock or Common Stock Derivatives issued or issuable to an entity as a component of any business relationship with such entity for the purpose of (A) joint venture, technology licensing or development activities, (B) distribution, supply or manufacture of the Corporation's products or services or (C) any other arrangements involving corporate partners that are primarily for purposes other than raising capital, the terms of which business relationship with such entity are approved by the Board of Directors and holders of an aggregate of at least sixty percent (60%) of the outstanding Preferred Stock, voting together as a single class.

(C) No Fractional Adjustments. No adjustment of the Conversion Price for the Preferred Stock shall be made in an amount less than one hundredth of a cent per share, provided that any adjustments which are not required to be made by reason of this sentence shall be carried forward and shall be either taken into account in any subsequent adjustment made prior to three years from the date of the event giving rise to the adjustment being carried forward, or shall be made at the end of three years from the date of the event giving rise to the adjustment being carried forward.

(D) Determination of Consideration. In the case of the issuance of Common Stock for cash, the consideration shall be deemed to be the amount of cash paid therefor before deducting any reasonable discounts, commissions or other expenses allowed, paid or

incurred by the Corporation for any underwriting or otherwise in connection with the issuance and sale thereof. In the case of the issuance of the Common Stock for a consideration in whole or in part other than cash, the consideration other than cash shall be deemed to be the fair value thereof as determined by the Board of Directors in good faith irrespective of any accounting treatment.

(E) **Deemed Issuances of Common Stock.** In the case of the issuance (whether before, on or after the Filing Date) of options to purchase or rights to subscribe for Common Stock, securities by their terms convertible into or exchangeable for Common Stock or options to purchase or rights to subscribe for such convertible or exchangeable securities (collectively the "Common Stock Derivatives"), the following provisions shall apply for all purposes of this Section 4(d)(i):

(1) The aggregate maximum number of shares of Common Stock deliverable upon conversion, exchange or exercise (assuming the satisfaction of any conditions to convertibility, exchangeability or exercisability, including, without limitation, the passage of time, but without taking into account potential antidilution adjustments) of any Common Stock Derivatives and subsequent conversion, exchange or exercise thereof shall be deemed to have been issued at the time such Common Stock Derivatives were issued and for a consideration equal to the consideration, if any, received by the Corporation for any such securities and related Common Stock Derivatives (excluding any cash received on account of accrued interest or accrued dividends), plus the minimum additional consideration, if any, to be received by the Corporation (without taking into account potential antidilution adjustments) upon the conversion, exchange or exercise of any Common Stock Derivatives (the consideration in each case to be determined in the manner provided in Section 4(d)(i)(D)).

(2) In the event of any change in the number of shares of Common Stock deliverable or in the consideration payable to the Corporation upon conversion, exchange or exercise of any Common Stock Derivatives including, but not limited to, a change resulting from the antidilution provisions thereof, the Conversion Price of the Preferred Stock, to the extent in any way affected by or computed using such Common Stock Derivatives, shall be recomputed to reflect such change, but no further adjustment shall be made for the actual issuance of Common Stock or any payment of such consideration upon the conversion, exchange or exercise of such Common Stock Derivatives.

(3) Upon the termination or expiration of the convertibility, exchangeability or exercisability of any Common Stock Derivatives, the Conversion Price of the Preferred Stock, to the extent in any way affected by or computed using such Common Stock Derivatives, shall be recomputed to reflect the issuance of only the number of shares of Common Stock (and Common Stock Derivatives that remain convertible, exchangeable or exercisable) actually issued upon the conversion, exchange or exercise of such Common Stock Derivatives.

(4) The number of shares of Common Stock deemed issued and the consideration deemed paid therefor pursuant to Section 4(d)(i)(E)(1) shall be appropriately adjusted to reflect any change, termination or expiration of the type described in either Section 4(d)(i)(E)(2) or 4(d)(i)(E)(3).

(F) **No Increased Conversion Price.** Notwithstanding any other provisions of this Section 4(d)(i), except to the limited extent provided for in Sections 4(d)(i)(E)(2) and 4(d)(i)(E)(3), no adjustment of the Conversion Price pursuant to this Section 4(d)(i) shall have the effect of increasing the Conversion Price above the Conversion Price in effect immediately prior to such adjustment.

(ii) **Stock Splits and Dividends.** In the event the Corporation should at any time after the Filing Date fix a record date for the effectuation of a split or subdivision of the outstanding shares of Common Stock or the determination of holders of Common Stock entitled to receive a dividend or other distribution payable in additional shares of Common Stock or Common Stock Derivatives without payment of any consideration by such holder for the additional shares of Common Stock or the Common Stock Derivatives (including the additional shares of Common Stock issuable upon conversion or exercise thereof), then, as of such record date (or the date of such dividend distribution, split or subdivision if no record date is fixed), the Conversion Price of the Preferred Stock shall be appropriately decreased so that the number of shares of Common Stock issuable on conversion of each share of such series shall be increased in proportion to such increase of the aggregate of shares of Common Stock outstanding and those issuable with respect to such Common Stock Derivatives with the number of shares issuable with respect to Common Stock Derivatives determined from time to time in the manner provided for deemed issuances in Section 4(d)(i)(F).

(iii) **Reverse Stock Splits.** If the number of shares of Common Stock outstanding at any time after the Filing Date is decreased by a combination of the outstanding shares of Common Stock, then, following the record date of such combination, the Conversion Price for the Preferred Stock shall be appropriately increased so that the number of shares of Common Stock issuable on conversion of each share of such series shall be decreased in proportion to such decrease in outstanding shares of Common Stock.

(e) **Other Distributions.** In the event the Corporation shall declare a distribution payable in securities of other persons, evidences of indebtedness issued by the Corporation or other persons, assets (excluding cash dividends) or options or rights not referred to in Section 4(d)(ii), then, in each such case for the purpose of this Section 4(e), the holders of Preferred Stock shall be entitled to a proportionate share of any such distribution as though they were the holders of the number of shares of Common Stock of the Corporation into which their shares of Preferred Stock are convertible as of the record date fixed for the determination of the holders of Common Stock of the Corporation entitled to receive such distribution.

(f) **Recapitalizations.** If at any time or from time to time there shall be a recapitalization of the Common Stock (other than a subdivision, combination or merger or sale of assets transaction provided for elsewhere in this Section 4 or in Section 2) provision shall be made so that the holders of the Preferred Stock shall thereafter be entitled to receive upon conversion of such Preferred Stock the number of shares of stock or other securities or property of the Corporation or otherwise, to which a holder of Common Stock deliverable upon conversion would have been entitled on such recapitalization. In any such case, appropriate adjustment shall be made in the application of the provisions of this Section 4 with respect to the rights of the holders of such Preferred Stock after the recapitalization to the end that the provisions of this Section 4 (including

adjustment of the Conversion Price then in effect and the number of shares purchasable upon conversion of such Preferred Stock) shall be applicable after that event and be as nearly equivalent as practicable.

(g) **No Impairment.** The Corporation will not, by amendment of these Restated Articles (except in accordance with applicable law) or through any reorganization, recapitalization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder by the Corporation, but will at all times in good faith assist in the carrying out of all the provisions of this Section 4 and in the taking of all such action as may be necessary or appropriate in order to protect the Conversion Rights of the holders of Preferred Stock against impairment.

(h) **No Fractional Shares and Certificates as to Adjustments.**

(i) No fractional shares shall be issued upon the conversion of any share or shares of Preferred Stock. In lieu of fractional shares, the Corporation will pay cash in an amount equal to the fair value of such fractional shares, based on the fair market value of the shares of Common Stock, as determined in good faith by the Board of Directors, as of the time when those who would otherwise be entitled to receive such fractional shares is determined. The number of shares issuable upon such conversion shall be determined on the basis of the total number of shares of Preferred Stock the holder is at the time converting into Common Stock and the number of shares of Common Stock issuable upon such aggregate conversion.

(ii) Upon the occurrence of each adjustment or readjustment of the Conversion Price of Preferred Stock pursuant to this Section 4, the Corporation, at its expense, shall promptly compute such adjustment or readjustment in accordance with the terms hereof and prepare and furnish to each holder of such Preferred Stock a certificate setting forth such adjustment or readjustment and showing in detail the facts upon which such adjustment or readjustment is based. The Corporation shall, upon the written request at any time of any holder of Preferred Stock, furnish or cause to be furnished to such holder a like certificate setting forth (A) such adjustment and readjustment, (B) the Conversion Price for the Preferred Stock at the time in effect, and (C) the number of shares of Common Stock and the amount, if any, of other property which at the time would be received upon the conversion of a share of the Preferred Stock.

(i) Notices of Record Date. In the event of any taking by the Corporation of a record of the holders of any class of securities for the purpose of determining the holders thereof who are entitled to receive any dividend (other than a cash dividend) or other distribution, any right to subscribe for, purchase or otherwise acquire any shares of stock of any class or any other securities or property, or to receive any other right, the Corporation shall mail to each holder of Preferred Stock, at least 10 days prior to the date specified therein, a notice specifying the date on which any such record is to be taken for the purpose of such dividend, distribution or right, and the amount and character of such dividend, distribution or right.

(j) Reservation of Stock Issuable Upon Conversion. The Corporation shall at all times reserve and keep available out of its authorized but unissued shares of Common

Stock, solely for the purpose of effecting the conversion of the shares of the Preferred Stock, such number of its shares of Common Stock as shall from time to time be sufficient to effect the conversion of all outstanding shares of such series of Preferred Stock; and if at any time the number of authorized but unissued shares of Common Stock shall not be sufficient to effect the conversion of all then outstanding shares of such series of Preferred Stock, in addition to such other remedies as shall be available to the holder of such Preferred Stock, the Corporation will take such corporate action as may, in the opinion of its counsel, be necessary to increase its authorized but unissued shares of Common Stock to such number of shares as shall be sufficient for such purposes, including, without limitation, engaging in best efforts to obtain the requisite shareholder approval of any necessary amendment to these Restated Articles.

(k) **Notices.** Any notice required by the provisions of this Section 4 to be given to the holders of shares of Preferred Stock shall be deemed given if deposited in the United States mail, postage prepaid, and addressed to each holder of record at his address appearing on the books of the Corporation.

## 5. Voting Rights

(a) Voting on an As-Converted Basis. Except as expressly provided by these Articles or as provided by law, the holders of Preferred Stock shall have the same voting rights as the holders of Common Stock and shall be entitled to notice of any shareholders' meeting in accordance with the Bylaws of the Corporation, and the holders of Common Stock and the Preferred Stock shall vote together as a single class on all matters. Each holder of Common Stock shall be entitled to one vote for each share of Common Stock held, and each holder of Preferred Stock shall be entitled to the number of votes equal to the number of shares of Common Stock into which such shares of Preferred Stock could be converted. Fractional votes shall not, however, be permitted and any fractional voting rights available on an as-converted basis (after aggregating all shares into which shares of Preferred Stock held by each holder could be converted) shall be rounded to the nearest whole number (with one-half being rounded upward).

(b) Election of Directors. The Board of Directors shall consist of six members. So long as at least 10,000,000 shares (as adjusted for Recapitalizations) of Series B Preferred Stock remain outstanding, the holders of Series B Preferred, voting as a separate class, shall be entitled to elect one member of the Corporation's Board of Directors at each meeting or pursuant to each consent of the Corporation's shareholders for the election of directors. So long as at least 7,500,000 shares (as adjusted for Recapitalizations) of Series AA and Series AA-1 Preferred Stock remain outstanding, the holders of Series AA and Series AA-1 Preferred, voting together as a separate class, shall be entitled to elect two members of the Corporation's Board of Directors at each meeting or pursuant to each consent of the Corporation's shareholders for the election of directors. So long as at least 500,000 shares (as adjusted for Recapitalizations) of the Series A-1, Series A-2, and Series A-3 Preferred Stock remain outstanding, the holders of Series A-1, Series A-2, and Series A-3 Preferred, voting together as a separate class shall be entitled to elect one member of the Corporation's Board of Directors at each meeting or pursuant to each consent of the Corporation's shareholders for the election of directors. The holders of Common Stock, voting as a separate class, shall be entitled to elect one member of the Corporation's Board of Directors at each meeting or pursuant to each consent of the Corporation's shareholders for the election of directors. The holders

of Preferred Stock and Common Stock, voting together as a single class, shall elect the CEO of the Company as a member of the Corporation's Board of Directors.

6. **Protective Provisions.** The protective provisions for the Preferred Stock are as follows:

(a) So long as any shares of Preferred Stock are outstanding, the Corporation shall not without first obtaining the approval (by vote or written consent, as provided by law) of the holders of at least sixty percent (60%) of the then outstanding shares of Preferred Stock, voting together as a class:

(i) amend or repeal any provision of, or add any provision to, these Restated Articles or the Bylaws of the Corporation, or otherwise alter or change the rights, preferences or privileges of the shares of any series of Preferred Stock, by way of merger, consolidation, substitution, reclassification or otherwise, so as to affect adversely the shares of such series;

(ii) increase or decrease (other than by conversion in accordance with the provisions of these Restated Articles) the total number of authorized shares of Preferred Stock;

(iii) authorize or issue, or obligate itself to issue, (a) any other equity security, including any security convertible into or exercisable for any equity security, having a preference over, or being on a parity with, any existing series of Preferred Stock, in right of redemption, liquidation preference, dividends, or voting rights or (b) any increase in the authorized or designated number of any such equity security;

(iv) create any bond, note or other obligation of the Corporation in an aggregate principal amount of more than \$1,000,000, unless approved by all members of the Board of Directors;

(v) redeem, purchase or otherwise acquire (or pay into or set funds aside for a sinking fund for such purpose) any share or shares of Preferred Stock or Common Stock; provided, however, that this restriction shall not apply to the repurchase at cost of shares of Common Stock from employees, officers, directors, consultants or other persons performing services for the Corporation or any subsidiary pursuant to agreements approved by the Board of Directors under which the Corporation has the option to repurchase such shares at cost upon the occurrence of certain events, such as the termination of employment, or through the exercise of any right of first refusal;

(vi) effect a merger or consolidation, a sale of a substantial portion of the assets of the Corporation, a Liquidation Transaction, or a reclassification or recapitalization of the outstanding capital stock of the Corporation;

(vii) pay or declare any dividend on any shares of Common Stock or Preferred Stock (other than dividends payable solely in shares of Common Stock of the Corporation)

or declare or make any other distribution, directly or indirectly, on account of any shares of Common Stock of Preferred Stock now or hereafter outstanding; or

(viii) increase or decrease the authorized size of the Board of Directors of the Corporation.

(b) For so long as at least 25% of the shares of a series of Preferred Stock remain outstanding, in addition to any other vote or consent required herein or by law, the vote or written consent of the holders of at least a majority of the outstanding shares of such series of Preferred Stock shall be necessary to effect any amendment, alteration, or repeal of any provision of the Restated Articles or the Bylaws of the Corporation that alters or changes the voting or other powers, preferences, or other special rights, privileges or restrictions of such series of Preferred Stock (whether by merger, consolidation or otherwise) so as to affect that series of Preferred Stock adversely and in a manner different from any other series of Preferred Stock (it being understood that a series of Preferred Stock shall not be affected differently because of the proportional differences in the respective conversion prices and liquidation preferences that arise out of differences in the original issue prices vis-à-vis other series of Preferred Stock).

7. **Status of Converted Stock.** In the event any shares of Preferred Stock shall be converted pursuant to Section 4 hereof, the shares so converted shall be cancelled and shall not be issuable by the Corporation. These Restated Articles shall be appropriately amended to effect the corresponding reduction in the Corporation's authorized capital stock.

8. **Repurchase of Shares.** In connection with repurchases by the Corporation at cost of shares of Common Stock from employees, officers, directors, consultants or other persons performing services for the Corporation or any subsidiary pursuant to agreements approved by the Board of Directors under which the Corporation has the option to repurchase such shares at cost upon the occurrence of certain events, such as the termination of employment, or through the exercise of any right of first refusal, Sections 502 and 503 of the California General Corporation Law shall not apply in whole or in part with respect to such repurchases.

(C) **Rights, Preferences and Restrictions of Common Stock.**

1. **Dividend Rights.** Subject to the prior rights of holders of all classes of stock at the time outstanding having prior rights as to dividends, the holders of the Common Stock shall be entitled to receive, when and as declared by the Board of Directors, out of any assets of the Corporation legally available therefor, such dividends as may be declared from time to time by the Board of Directors.

2. **Liquidation Rights.** Upon the liquidation, dissolution or winding up of the Corporation, or the occurrence of a Liquidation Transaction, the assets of the Corporation shall be distributed as provided in Section 2 of Article III(B).

3. **Redemption.** The Common Stock is not redeemable.

4. **Voting Rights.** Each holder of Common Stock shall have the right to one vote per share of Common Stock, and shall be entitled to notice of any shareholders' meeting in

accordance with the Bylaws of the Corporation, and shall be entitled to vote upon such matters and in such manner as may be provided by law.

#### **ARTICLE IV**

(A) The liability of the directors of the Corporation for monetary damages shall be eliminated to the fullest extent permissible under California law.

(B) The Corporation is authorized to provide indemnification of agents (as defined in Section 317 of the California Corporations Code) to the fullest extent permissible under California law.

(C) Any amendment, repeal or modification of the foregoing provisions of this Article IV by the shareholders of the Corporation shall not adversely affect any right or protection of a director or agent of the Corporation existing at the time of such amendment, repeal or modification."
