A. Authorization of Stock. The Corporation is authorized to issue two classes of stock to be designated, respectively, common stock and preferred stock. The total number of shares that the Corporation is authorized to issue is Thirty Nine Million Six Hundred Ninety Seven Thousand Two Hundred Fifteen (39,697,215). The total number of shares of common

stock authorized to be issued is Twenty Three Million One Hundred Thousand (23,100,000), par value \$0.001 per share (the “**Common Stock**”). The total number of shares of preferred stock authorized to be issued is Sixteen Million Five Hundred Ninety Seven Thousand Two Hundred Fifteen (16,597,215), par value \$0.001 per share (the “**Preferred Stock**”), Three Million Five Hundred Ninety Seven Thousand Two Hundred Fifteen (3,597,215) of which shares are designated as “**Series A Preferred Stock**” and Thirteen Million (13,000,000) of which shares are designated as “**Series B Preferred Stock**.” The Series A Preferred Stock and the Series B Preferred Stock are collectively referred to hereinafter as the “**Preferred Stock**.”

B. Rights, Preferences and Restrictions of Preferred Stock. The rights, preferences, privileges and restrictions granted to and imposed on the Preferred Stock are as set forth below in this Article IV(B).

1. Dividend Provisions.

(a) The holders of shares of Series B Preferred Stock shall be entitled to receive dividends, out of any assets legally available therefor, prior and in preference to any declaration or payment of any dividend (payable other than in Common Stock or other securities and rights convertible into or entitling the holder thereof to receive, directly or indirectly, additional shares of Common Stock of the Corporation) on the Series A Preferred Stock and the Common Stock of the Corporation, at the rate of \$0.115 per annum (pro-rated on an elapsed days basis for periods of less than one year) for each share of Series B Preferred Stock (as adjusted for any stock splits, stock dividends, combinations, subdivisions, recapitalizations or the like), payable when, as, and if declared by the Board of Directors of the Corporation (the “**Board**”). Such dividends shall not be cumulative. No dividends shall be declared or paid on any shares of Series A Preferred Stock or Common Stock during any fiscal year of the Corporation until dividends in the total amount of \$0.115 per annum for each share of Series B Preferred Stock (as adjusted for any stock splits, stock dividends, combinations, subdivisions, recapitalizations or the like) shall have been paid during that fiscal year. The holders of the outstanding Series B Preferred Stock can waive any dividend preference that such holders of Series B Preferred Stock shall be entitled to receive under this subsection 1(a) upon the affirmative vote or written consent of the holders of at least a sixty six and two thirds percent (66⅔%) of the shares of Series B Preferred Stock then outstanding (voting together as a separate series and on an as-converted basis).

(b) After paying in full the \$0.115 per share dividend (as adjusted as set forth in Section 1(a)) to the holders of Series B Preferred Stock as set forth in subsection 1(a), the holders of shares of Series A Preferred Stock shall be entitled to receive dividends, out of any assets legally available therefor, prior and in preference to any declaration or payment of any dividend (payable other than in Common Stock or other securities and rights convertible into or entitling the holder thereof to receive, directly or indirectly, additional shares of Common Stock of this corporation) on the Common Stock of this corporation, at the rate of \$0.0984 per annum (pro-rated on an elapsed days basis for periods of less than one year) for each share of Series A Preferred Stock (as adjusted for any stock splits, stock dividends, combinations, subdivisions, recapitalizations or the like), payable when, as, and if declared by the Board. Such dividends shall not be cumulative. The holders of the outstanding Preferred Stock can waive any dividend preference that such holders of Series A Preferred Stock shall be entitled to receive under this

subsection 1(b) upon the affirmative vote or written consent of the holders of at least sixty-six and two-thirds percent (66 2/3%) of the shares of Preferred Stock then outstanding (voting together as a separate series and on an as-converted basis).

(c) After payment of the dividends set forth in subsection 1(a) and subsection 1(b), any additional dividends or distributions shall be distributed among all holders of Common Stock and Preferred Stock in proportion to the number of shares of Common Stock that would be held by each such holder if all outstanding shares of Preferred Stock were converted to Common Stock at the then effective Conversion Rate (as defined below).

2. Liquidation Preference.

(a) In the event of any Liquidation Event (as defined below), either voluntary or involuntary, the holders of Series B Preferred Stock shall be entitled to receive, prior and in preference to any distribution of the proceeds of such Liquidation Event (the “**Proceeds**”) to the holders of Series A Preferred Stock and Common Stock by reason of their ownership thereof, an amount per share equal to the sum of the applicable Original Issue Price (as defined below) for the Series B Preferred Stock, plus declared but unpaid dividends on such share. If, upon the occurrence of such event, the Proceeds thus distributed among the holders of the Series B Preferred Stock shall be insufficient to permit the payment to such holders of the full aforesaid preferential amounts, then the entire Proceeds legally available for distribution shall be distributed ratably among the holders of the Series B Preferred Stock in proportion to the full preferential amount that each such holder is otherwise entitled to receive under this subsection 2(a). For purposes of this Amended and Restated Certificate of Incorporation, “**Original Issue Price**” of the Series B Preferred Stock shall mean \$1.4423358163 per share of the Series B Preferred Stock (as adjusted for any stock splits, stock dividends, combinations, subdivisions, recapitalizations or the like with respect to the Series B Preferred Stock).

(b) After the holders of Series B Preferred Stock have been paid the preferential amount set forth in subsection 2(a), the holders of Series A Preferred Stock shall be entitled to receive, prior and in preference to any distribution of the Proceeds to the holders of Common Stock by reason of their ownership thereof, an amount per share equal to the sum of the applicable Original Issue Price (as defined below) for the Series A Preferred Stock, plus declared but unpaid dividends on such share. If, upon the occurrence of such event, the Proceeds thus distributed among the holders of the Series A Preferred Stock shall be insufficient to permit the payment to such holders of the full aforesaid preferential amounts, then the Proceeds legally available for distribution to the holders of Series A Preferred Stock after the payment of the preferential amount set forth in subsection 2(a) shall be distributed ratably among the holders of the Series A Preferred Stock in proportion to the full preferential amount that each such holder is otherwise entitled to receive under this subsection 2(a). For purposes of this Amended and Restated Certificate of Incorporation, “**Original Issue Price**” of the Series A Preferred Stock shall mean \$1.23 per share of the Series A Preferred Stock (as adjusted for any stock splits, stock dividends, combinations, subdivisions, recapitalizations or the like with respect to the Series A Preferred Stock).

(c) Upon the completion of the distributions required by subsection 2(a) and subsection 2(b), the remaining Proceeds available for distribution to stockholders shall be

distributed among the holders of Preferred Stock and Common Stock pro rata based on the number of shares of Common Stock held by each (assuming full conversion of all such Preferred Stock at the Conversion Rate then in effect) until, with respect to each series of Preferred Stock, such holders shall have received the applicable Participation Cap (as defined below); thereafter, if Proceeds remain, the holders of the Common Stock of the Corporation shall receive all of the remaining Proceeds pro rata based on the number of shares of Common Stock held by each such holder. For purposes of this Amended and Restated Certificate of Incorporation, “**Participation Cap**” shall mean (i) \$7.25 per share for the Series B Preferred Stock (as adjusted for any stock splits, stock dividends, combinations, subdivisions, recapitalizations or the like with respect to such series of Preferred Stock), which includes amounts paid pursuant to subsection (a) of this Section 2, and (ii) \$3.69 per share for the Series A Preferred Stock (as adjusted for any stock splits, stock dividends, combinations, subdivisions, recapitalizations or the like with respect to such series of Preferred Stock), which includes amounts paid pursuant to subsection (b) of this Section 2.

(d) Notwithstanding the above, for purposes of determining the amount each holder of shares of Preferred Stock is entitled to receive in connection with a Liquidation Event, each such holder of shares of Preferred Stock shall be deemed to have converted (regardless of whether such holder actually converted) such holder’s shares of Preferred Stock into shares of Common Stock immediately prior to such Liquidation Event if, as a result of an actual conversion, such holder would receive, in the aggregate, an amount greater than the amount that would be distributed to such holder if such holder did not convert such series of Preferred Stock into shares of Common Stock. If any such holder shall be deemed to have converted shares of Preferred Stock into Common Stock pursuant to this paragraph, then such holder shall not be entitled to receive any distribution that would otherwise be made to holders of Preferred Stock that have not converted (or have not been deemed to have converted) into shares of Common Stock.

(e) (i) A “**Liquidation Event**” shall mean (A) the closing of the sale, lease, transfer or other disposition of all or substantially all the assets of the Corporation or of all or substantially all the assets of any other Azuro Entity (as defined in Section 6 below) constituting all or substantially all of the assets of the Corporation (determined on a consolidated basis with all of the Corporation’s direct and indirect subsidiaries) (in either case, a “**Liquidation Azuro Entity**”), (B) the consummation of the merger or consolidation of a Liquidation Azuro Entity with or into another entity (except a merger or consolidation in which the holders of capital stock of such Liquidation Azuro Entity immediately prior to such merger or consolidation continue to hold at least fifty percent (50%) of the voting power of the capital stock of such Liquidation Azuro Entity or the surviving or acquiring entity), (C) whether in one transaction or a series of related transactions, the closing of the transfer to which a Liquidation Azuro Entity is a party (whether by merger, consolidation or otherwise) to, or the closing of a tender offer by, a person or group of affiliated persons (other than an underwriter of a Liquidation Azuro Entity’s securities), of the securities of a Liquidation Azuro Entity, if, after such closing, such person or group of affiliated persons would hold fifty percent (50%) or more of the outstanding voting stock of such Liquidation Azuro Entity, or (D) a liquidation, dissolution or winding up of a Liquidation Azuro Entity; provided, however, that a transaction shall not constitute a Liquidation Event if its sole purpose is to change the state of a Liquidation Azuro Entity’s incorporation or to create a holding company that will be owned in substantially

the same proportions by the persons who held such Liquidation Azuro Entity's securities immediately prior to such transaction. The treatment of any particular transaction or series of related transactions as a Liquidation Event may be waived by the vote or written consent of the holders of at least sixty six and two-thirds percent (66⅔%) of the outstanding Preferred Stock (voting together as a single class and not as separate series, and on an as-converted basis).

(ii) In any Liquidation Event, if Proceeds received are other than cash, the value will be deemed their fair market value. Any securities shall be valued as follows:

(A) Securities not subject to investment letter or other similar restrictions on free marketability covered by (B) below:

(1) If traded on a Securities Exchange (as defined below), the value shall be deemed to be the average of the closing prices of the securities on such exchange or system over the twenty (20) trading day period ending three (3) trading days prior to the closing;

(2) If actively traded over-the-counter, the value shall be deemed to be the average of the closing bid or sale prices (whichever is applicable) over the twenty (20) trading day period ending three (3) trading days prior to the closing; and

(3) If there is no active public market, the value shall be the fair market value thereof, as determined in good faith by the Board.

(B) The method of valuation of securities subject to investment letter or other restrictions on free marketability (other than restrictions arising solely by virtue of a stockholder's status as an affiliate or former affiliate) shall be to make an appropriate discount from the market value determined as above in (A) (1), (2) or (3) to reflect the approximate fair market value thereof, as determined by the Board.

(C) The foregoing methods for valuing non-cash consideration to be distributed in connection with a Liquidation Event may be superseded by any determination of such value set forth in the definitive agreements governing such Liquidation Event.

(iii) In the event the requirements of this Section 2 are not complied with, the Liquidation Azuro Entity shall forthwith either:

(A) cause such closing to be postponed until such time as the requirements of this Section 2 have been complied with; or

(B) cancel such transaction, in which event the rights, preferences and privileges of the holders of Preferred Stock shall revert to and be the same as such rights, preferences and privileges existing immediately prior to the date of the first notice referred to in subsection 2(d)(iv) hereof.

(iv) The Corporation shall give each holder of record of Preferred Stock written notice of such impending transaction not later than twenty (20) days prior to the stockholders' meeting called to approve such transaction, or twenty (20) days prior to the closing

of such transaction, whichever is earlier, and shall also notify such holders in writing of the final approval of such transaction. Such notice shall describe the material terms and conditions of the impending transaction and the provisions of this Section 2. The transaction shall in no event take place sooner than twenty (20) days after the Corporation has given such notice provided for herein; *provided, however*, that such period may be shortened upon the written consent of the holders of Preferred Stock that (i) are entitled to such notice rights or similar notice rights and (ii) represent at least sixty-six and two-thirds percent (66⅔%) of the voting power of all then outstanding shares of Preferred Stock (voting together as a single class and not as separate series, and on an as-converted basis). The holders of the outstanding Preferred Stock can waive the notice requirements described in this subsection (iv) upon the affirmative vote or written consent of the holders of at least sixty-six and two-thirds percent (66⅔%) of the shares of Preferred Stock then outstanding (voting together as a single class and not as separate series, and on an as-converted basis).

3. Redemption. The Preferred Stock is not redeemable at the option of the holder.

4. Conversion. The holders of Preferred Stock shall have conversion rights as follows (the “Conversion Rights”):

(a) Right to Convert. Each share of Preferred Stock shall be convertible, at the option of the holder thereof, at any time after the date of issuance of such share, at the office of the Corporation or any transfer agent for such stock, into such number of fully paid and nonassessable shares of Common Stock as is determined by dividing the applicable Original Issue Price for such series of Preferred Stock by the applicable Conversion Price for such series of Preferred Stock (the conversion rate for a series of Preferred Stock into Common Stock is referred to herein as the “**Conversion Rate**” for such series of Preferred Stock), determined as hereafter provided, in effect on the date the certificate is surrendered for conversion. The initial “**Conversion Price**” per share for each series of Preferred Stock shall be the Original Issue Price applicable to such series of Preferred Stock; *provided, however*, that the Conversion Price for the Preferred Stock shall be subject to adjustment as set forth in subsection 4(d).

(b) Automatic Conversion. Each share of Preferred Stock shall automatically be converted into shares of Common Stock at the Conversion Rate at the time in effect for such series of Preferred Stock immediately upon the earlier of (i) the Corporation’s sale of its Common Stock in a firm commitment underwritten public offering where (A) the public offering price of which is at least \$7.25 per share (as adjusted for any stock splits, stock dividends, combinations, subdivisions, recapitalizations or the like) and the aggregate proceeds to the Corporation is at least \$25,000,000 and (B) in connection with such offering the Common Stock is subsequently primarily traded on the Nasdaq Stock Market’s National Market, the New York Stock Exchange, the London Stock Exchange or another comparable exchange or marketplace approved by the Board (each, a “**Securities Exchange**”) (such offering, as described in the immediately preceding clauses (A) and (B), shall be referred to herein as a “**Qualified Public Offering**”) or (ii) the date specified by written consent or agreement of the holders of (X) sixty-six and two-thirds percent (66⅔%) of the then outstanding shares of Preferred B Stock (voting as separate series and on an as-converted basis) and (Y) sixty-six and two-thirds percent (66⅔%) of

the then outstanding shares of Preferred A Stock (voting as separate series and on an as-converted basis).

(c) Mechanics of Conversion. Before any holder of Preferred Stock shall be entitled to voluntarily convert the same into shares of Common Stock, he or she shall surrender the certificate or certificates therefor, duly endorsed, at the office of the Corporation or of any transfer agent for the Preferred Stock, and shall give written notice to the Corporation at its principal corporate office, of the election to convert the same and shall state therein the name or names in which the certificate or certificates for shares of Common Stock are to be issued. The Corporation shall, as soon as practicable thereafter, issue and deliver at such office to such holder of Preferred Stock, or to the nominee or nominees of such holder, a certificate or certificates for the number of shares of Common Stock to which such holder shall be entitled as aforesaid. Such conversion shall be deemed to have been made immediately prior to the close of business on the date of such surrender of the shares of Preferred Stock to be converted, and the person or persons entitled to receive the shares of Common Stock issuable upon such conversion shall be treated for all purposes as the record holder or holders of such shares of Common Stock as of such date. If the conversion is in connection with an underwritten offering of securities registered pursuant to the Securities Act of 1933, as amended, the conversion may, at the option of any holder tendering Preferred Stock for conversion, be conditioned upon the closing with the underwriters of the sale of securities pursuant to such offering, in which event the persons entitled to receive the Common Stock upon conversion of the Preferred Stock shall not be deemed to have converted such Preferred Stock until immediately prior to the closing of such sale of securities. If the conversion is in connection with Automatic Conversion provisions of subsection 4(b)(ii) above, such conversion shall be deemed to have been made on the conversion date described in the stockholder consent approving such conversion, and the persons entitled to receive shares of Common Stock issuable upon such conversion shall be treated for all purposes as the record holders of such shares of Common Stock as of such date.

(d) Conversion Price Adjustments of Preferred Stock for Certain Dilutive Issuances, Splits and Combinations. The Conversion Price of the Preferred Stock shall be subject to adjustment from time to time as follows:

(i) (A) If the Corporation shall issue, on or after the date upon which the first share of Series B Preferred Stock is issued (the “**Filing Date**”), any Additional Stock (as defined below) without consideration or for a consideration per share less than the Conversion Price applicable to the Series A Preferred Stock or Series B Preferred Stock, as the case may be, in effect immediately prior to the issuance of such Additional Stock, the applicable Conversion Price for such series of Preferred Stock in effect immediately prior to each such issuance shall forthwith (except as otherwise provided in this clause (i)) be adjusted to a price determined by multiplying such Conversion Price by a fraction, (i) the numerator of which shall be the number of shares of Common Stock Outstanding (as defined below) immediately prior to such issuance plus the number of shares of Common Stock that the aggregate consideration received by the Corporation for such issuance of Additional Stock would purchase at the applicable Conversion Price; and (ii) the denominator of which shall be the number of shares of Common Stock Outstanding (as defined below) immediately prior to such issuance plus the number of shares of such Additional Stock. For purposes of this Section 4(d)(i)(A), the term “**Common Stock Outstanding**” shall mean the sum of the following: (1) the outstanding Common Stock, (2)

Common Stock issuable upon conversion of outstanding Preferred Stock, (3) Common Stock issuable upon exercise of outstanding stock options and (4) Common Stock issuable upon exercise (and, in the case of warrants to purchase Preferred Stock, conversion) of outstanding warrants. Shares described in (1) through (4) above shall be included whether vested or unvested, whether contingent or non-contingent and whether exercisable or not yet exercisable.

(B) No adjustment of the applicable Conversion Price for any series of Preferred Stock shall be made in an amount less than one cent per share, provided that any adjustments that are not required to be made by reason of this sentence shall be carried forward and shall be either taken into account in any subsequent adjustment made prior to three (3) years from the date of the event giving rise to the adjustment being carried forward, or shall be made at the end of three (3) years from the date of the event giving rise to the adjustment being carried forward. Except to the limited extent provided for in subsections (E)(3) and (E)(4), no adjustment of such Conversion Price pursuant to this subsection 4(d)(i) shall have the effect of increasing the applicable Conversion Price above the applicable Conversion Price in effect immediately prior to such adjustment.

(C) In the case of the issuance of Additional Stock for cash, the consideration shall be deemed to be the amount of cash paid therefor before deducting any reasonable discounts, commissions or other expenses allowed, paid or incurred by the Corporation for any underwriting or otherwise in connection with the issuance and sale thereof.

(D) In the case of the issuance of the Additional Stock for a consideration in whole or in part other than cash, the consideration other than cash shall be deemed to be the fair market value thereof as determined by the Board in good faith irrespective of any accounting treatment.

(E) In the case of the issuance of options to purchase or rights to subscribe for Common Stock, securities by their terms convertible into or exchangeable for Common Stock or options to purchase or rights to subscribe for such convertible or exchangeable securities, the following provisions shall apply for purposes of determining the number of shares of Additional Stock issued and the consideration paid therefor:

(1) The aggregate maximum number of shares of Common Stock deliverable upon exercise (assuming the satisfaction of any conditions to exercisability, including without limitation, the passage of time, but without taking into account potential antidilution adjustments) of such options to purchase or rights to subscribe for Common Stock shall be deemed to have been issued at the time such options or rights were issued and for a consideration equal to the consideration (determined in the manner provided in subsections 4(d)(i)(C) and (d)(i)(D)), if any, received by this corporation upon the issuance of such options or rights plus the minimum exercise price provided in such options or rights (without taking into account potential antidilution adjustments) for the Common Stock covered thereby.

(2) The aggregate maximum number of shares of Common Stock deliverable upon conversion of, or in exchange (assuming the satisfaction of any conditions to convertibility or exchangeability, including, without limitation, the passage of time, but without taking into account potential antidilution adjustments) for, any such convertible or

exchangeable securities or upon the exercise of options to purchase or rights to subscribe for such convertible or exchangeable securities and subsequent conversion or exchange thereof shall be deemed to have been issued at the time such securities were issued or such options or rights were issued and for a consideration equal to the consideration, if any, received by this corporation for any such securities and related options or rights (excluding any cash received on account of accrued interest or accrued dividends), plus the minimum additional consideration, if any, to be received by the Corporation (without taking into account potential antidilution adjustments) upon the conversion or exchange of such securities or the exercise of any related options or rights (the consideration in each case to be determined in the manner provided in subsections 4(d)(i)(C) and (d)(i)(D)).

(3) In the event of any change in the number of shares of Common Stock deliverable or in the consideration payable to the Corporation upon exercise of such options or rights or upon conversion of or in exchange for such convertible or exchangeable securities, the Conversion Price of the Preferred Stock, to the extent in any way affected by or computed using such options, rights or securities, shall be recomputed to reflect such change, but no further adjustment shall be made for the actual issuance of Common Stock or any payment of such consideration upon the exercise of any such options or rights or the conversion or exchange of such securities.

(4) Upon the expiration of any such options or rights, the termination of any such rights to convert or exchange or the expiration of any options or rights related to such convertible or exchangeable securities, the applicable Conversion Price of the Preferred Stock, to the extent in any way affected by or computed using such options, rights or securities or options or rights related to such securities, shall be recomputed to reflect the issuance of only the number of shares of Common Stock (and convertible or exchangeable securities that remain in effect) actually issued upon the exercise of such options or rights, upon the conversion or exchange of such securities or upon the exercise of the options or rights related to such securities.

(5) The number of shares of Additional Stock deemed issued and the consideration deemed paid therefor pursuant to subsections 4(d)(i)(E)(1) and (2) shall be appropriately adjusted to reflect any change, termination or expiration of the type described in either subsection 4(d)(i)(E)(3) or (4).

(ii) **“Additional Stock”** shall mean any shares of Common Stock issued (or deemed to have been issued pursuant to subsection 4(d)(i)(E)) by this corporation on or after the Filing Date other than:

(A) Common Stock issued pursuant to a transaction described in subsection 4(d)(iii) hereof;

(B) Common Stock (or options therefor) issued or sold to employees, directors, consultants and other service providers for the primary purpose of soliciting or retaining their services pursuant to plans or agreements approved by the Board and by the holders of at least sixty six and two thirds percent (66⅔%) of the outstanding Preferred Stock (voting together as a single class and not as a separate series and on an as converted basis);

(C) Common Stock issued pursuant to a Qualified Public Offering;

(D) Common Stock issued pursuant to the conversion or exercise of convertible or exercisable securities outstanding at the Initial Closing (as defined in that certain Series B Preferred Stock Purchase Agreement by and among the Corporation and certain of its shareholders dated on or about December 2, 2005);

(E) Common Stock issued pursuant to the conversion or exercise of convertible or exercisable securities issued pursuant that certain Series B Preferred Stock Purchase Agreement by and among the Corporation and certain of its shareholders dated on or about November 13, 2007;

(F) Common Stock issued in connection with a *bona fide* business acquisition of or by the Corporation, whether by merger, consolidation, sale of the assets, sale or exchange of stock or otherwise, which acquisition has been approved by the Board;

(G) Common Stock issued pursuant to strategic transactions, equipment lease financings or bank credit arrangements entered into for primarily non-equity financing purposes; or

(H) Common Stock issued or deemed issued pursuant to subsection 4(d)(i)(E) as a result of a decrease in the Conversion Price of any series of Preferred Stock resulting from the operation of this Section 4(d).

(iii) If the Corporation shall, on or after the Filing Date fix a record date for the effectuation of a split or subdivision of the outstanding shares of Common Stock or the determination of holders of Common Stock entitled to receive a dividend or other distribution payable in additional shares of Common Stock or other securities or rights convertible into, or entitling the holder thereof to receive, directly or indirectly, additional shares of Common Stock (hereinafter referred to as “**Common Stock Equivalents**”), then, as of such record date (or the date of such dividend distribution, split or subdivision if no record date is fixed), the Conversion Price of each series of Preferred Stock shall be appropriately decreased so that the number of shares of Common Stock issuable on conversion of each share of such series of Preferred Stock shall be increased in proportion to such increase of the aggregate of shares of Common Stock outstanding and those issuable with respect to such Common Stock Equivalents.

(iv) If the number of shares of Common Stock outstanding at any time after the Filing Date is decreased by a combination of the outstanding shares of Common Stock, then, following the record date of such combination, the Conversion Price for the Preferred Stock shall be appropriately increased so that the number of shares of Common Stock issuable on conversion of each share of such series of Preferred Stock shall be decreased in proportion to such decrease in outstanding shares.

(e) Other Distributions. In the event the Corporation shall declare a distribution payable in securities of other persons, evidences of indebtedness issued by the Corporation or other persons, assets (excluding cash dividends) or options or rights not referred

to in subsection 4(d)(iii), then, in each such case for the purpose of this subsection 4(e), the holders of the Preferred Stock shall be entitled to a proportionate share of any such distribution as though they were the holders of the number of shares of Common Stock of the Corporation into which their shares of Preferred Stock are convertible as of the record date fixed for the determination of the holders of Common Stock of the Corporation entitled to receive such distribution.

(f) Recapitalizations. If at any time or from time to time there shall be a recapitalization of the Common Stock (other than a subdivision, combination or merger or sale of assets transaction provided for elsewhere in this Section 4 or Section 2) provision shall be made so that the holders of the Preferred Stock shall thereafter be entitled to receive upon conversion of the Preferred Stock the number of shares of stock or other securities or property of the Corporation or otherwise, to which a holder of Common Stock deliverable upon conversion would have been entitled on such recapitalization. In any such case, appropriate adjustment shall be made in the application of the provisions of this Section 4 with respect to the rights of the holders of the Preferred Stock after the recapitalization to the end that the provisions of this Section 4 (including adjustment of the applicable Conversion Price then in effect and the number of shares purchasable upon conversion of the Preferred Stock) shall be applicable after that event as nearly equivalent as may be practicable.

(g) No Impairment. The Corporation will not, without the appropriate vote of the stockholders under the General Corporation Law or Section 6 of this Article IV(B), by amendment of its Certificate of Incorporation or through any reorganization, recapitalization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder by the Corporation, but will at all times in good faith assist in the carrying out of all the provisions of this Section 4 and in the taking of all such action as may be necessary or appropriate in order to protect the Conversion Rights of the holders of the Preferred Stock against impairment.

(h) No Fractional Shares and Certificate as to Adjustments.

(i) No fractional shares shall be issued upon the conversion of any share or shares of Preferred Stock and the aggregate number of shares of Common Stock to be issued to particular stockholders, shall be rounded down to the nearest whole share and the Corporation shall pay in cash the fair value of any fractional shares as of the time when entitled to receive such fractions are determined.

(ii) Upon the occurrence of each adjustment or readjustment of the Conversion Price of any series of Preferred Stock pursuant to this Section 4, the Corporation, at its expense, shall promptly compute such adjustment or readjustment in accordance with the terms hereof and prepare and furnish to each holder of Preferred Stock a certificate setting forth such adjustment or readjustment and showing in detail the facts upon which such adjustment or readjustment is based. The Corporation shall, upon the written request at any time of any holder of Preferred Stock, furnish or cause to be furnished to such holder a like certificate setting forth (A) such adjustment and readjustment, (B) the applicable Conversion Price for such series of Preferred Stock at the time in effect, and (C) the number of shares of Common Stock and the

amount, if any, of other property that at the time would be received upon the conversion of a share of Preferred Stock.

(i) Notices of Record Date. In the event of any taking by the Corporation of a record of the holders of any class of securities for the purpose of determining the holders thereof who are entitled to receive any dividend (other than a cash dividend) or other distribution, the Corporation shall mail to each holder of Preferred Stock, at least ten (10) days prior to the date specified therein, a notice specifying the date on which any such record is to be taken for the purpose of such dividend, distribution, and the amount and character of such dividend or distribution.

(j) Reservation of Stock Issuable Upon Conversion. The Corporation shall at all times reserve and keep available out of its authorized but unissued shares of Common Stock, solely for the purpose of effecting the conversion of the shares of the Preferred Stock, such number of its shares of Common Stock as shall from time to time be sufficient to effect the conversion of all outstanding shares of the Preferred Stock; and if at any time the number of authorized but unissued shares of Common Stock shall not be sufficient to effect the conversion of all then outstanding shares of the Preferred Stock, in addition to such other remedies as shall be available to the holder of such Preferred Stock, the Corporation will take such corporate action as may, in the opinion of its counsel, be necessary to increase its authorized but unissued shares of Common Stock to such number of shares as shall be sufficient for such purposes, including, without limitation, engaging in reasonable best efforts to obtain the requisite stockholder approval of any necessary amendment to this Amended and Restated Certificate of Incorporation.

(k) Notices. Any notice required by the provisions of this Section 4 to be given to the holders of shares of Preferred Stock (i) shall be deemed given if delivered personally, sent via internationally recognized overnight courier service, via electronic transmission, via facsimile or deposited in the United States mail, postage prepaid, and addressed to each holder of record at his address appearing on the books of the Corporation and (ii) may be waived by the holders of sixty-six and two-thirds percent (66⅔%) of the outstanding shares of Preferred Stock.

(l) Waiver of Adjustment to Conversion Price. Notwithstanding anything herein to the contrary (including, but not limited to, Section 4(g)), any downward adjustment of the Conversion Price of any series of Preferred Stock may be waived, either prospectively or retroactively or in a particular instance, by the consent or vote of the holders of sixty-six and two-thirds percent (66⅔%) of the outstanding shares of Preferred Stock (voting together as a single class and not as separate series, and on an as-converted basis). Any such waiver shall bind all future holders of shares of such series of Preferred Stock.

5. Voting Rights.

(a) General Voting Rights. The holder of each share of Preferred Stock shall have the right to one vote for each share of Common Stock into which such Preferred Stock could then be converted, and with respect to such vote, such holder shall have full voting rights and powers equal to the voting rights and powers of the holders of Common Stock, and shall be

entitled, notwithstanding any provision hereof, to notice of any stockholders' meeting in accordance with the Bylaws of the Corporation, and, shall be entitled to vote, together with holders of Common Stock, with respect to any question upon which holders of Common Stock have the right to vote except as required by the General Corporation Law. Fractional votes shall not, however, be permitted and any fractional voting rights available on an as-converted basis (after aggregating all shares into which shares of Preferred Stock held by each holder could be converted) shall be rounded to the nearest whole number (with one-half being rounded upward).

(b) Voting for the Election of Directors. As long as 500,000 shares (as adjusted for any stock splits, stock dividends, combinations, subdivisions, recapitalizations or the like) of Series A Preferred Stock are outstanding, the holders of such shares of Series A Preferred Stock shall be entitled to elect one (1) director of the Corporation at any election of directors (each a "**Series A Director**"), and as long as 500,000 shares (as adjusted for any stock splits, stock dividends, combinations, subdivisions, recapitalizations or the like) of Series B Preferred Stock are outstanding, the holders of such shares of Series B Preferred Stock shall be entitled to elect one (1) director of the Corporation at any election of directors (the "**Series B Director**" and together with the Series A Director, the "**Preferred Directors**"). The holders of outstanding Common Stock shall be entitled to elect one (1) director of the Corporation at any election of directors. The holders of Preferred Stock and Common Stock (voting together as a single class and not as separate classes, and on an as-converted to Common Stock basis) shall be entitled to elect any remaining directors of the Corporation.

Notwithstanding the provisions of Section 223(a)(1) and 223(a)(2) of the General Corporation Law, any vacancy, including newly created directorships resulting from any increase in the authorized number of directors or amendment of this Amended and Restated Certificate of Incorporation, and vacancies created by removal or resignation of a director, may be filled by a majority of the directors then in office, though less than a quorum, or by a sole remaining director, and the directors so chosen shall hold office until the next annual election and until their successors are duly elected and shall qualify, unless sooner displaced; *provided, however*, that where such vacancy occurs among the directors elected by the holders of a class or series of stock, the holders of shares of such class or series may override the Board's action to fill such vacancy by (i) voting for their own designee to fill such vacancy at a meeting of the Corporation's stockholders or (ii) written consent, if the consenting stockholders hold a sufficient number of shares to elect their designee at a meeting of the stockholders. Any director elected as provided in the immediately preceding sentence hereof may be removed during the aforesaid term of office, either with or without cause, by, and only by, the affirmative vote of the holders of the shares of the class or series of stock entitled to elect such director or directors, given either at a special meeting of such stockholders duly called for that purpose or pursuant to a written consent of stockholders, *provided, however*, that in the case of a director elected by the holders of Series A Preferred Stock, removal of such director requires the affirmative vote of the holders of sixty-six and two-thirds percent (66⅔%) of the outstanding Series A Preferred Stock; any vacancy thereby created may be filled by the holders of that class or series of stock represented at the meeting or pursuant to written consent.

6. Protective Provisions. So long as at least (i) 500,000 shares (as adjusted for any stock splits, stock dividends, combinations, subdivisions, recapitalizations or the like) of Series A Preferred Stock are outstanding, the Corporation shall not (by amendment, merger,

(e) authorize or issue, or obligate itself to authorize or issue, any security (including any other security convertible into or exercisable for any such security) of an Azuro Entity (other than issuances solely to another Azuro Entity); provided, however, that this restriction shall not apply to grants of shares of Common Stock of the Corporation (or options therefor) pursuant to a stock option, stock purchase, equity incentive or comparable scheme or plan for an Azuro Entity (an “**Incentive Program**”) to employees, officers, directors, consultants or other persons performing services for an Azuro Entity which (i) grants are approved by (A) the Board or (B) approved by a committee of the Board to which the granting of shares of Common Stock of the Corporation (or options therefor) has been delegated by the Board and with such grants to be ratified by the Board from time to time and (ii) schemes or plans are approved by the holders of at least sixty-six and two-thirds percent (66⅔%) of the then outstanding shares of Preferred Stock (including, without limitation, any future designated series of Preferred Stock, and voting together as a single class and not as separate series, and on an as-converted basis);

(f) redeem, purchase or otherwise acquire (or pay into or set aside for a sinking fund for such purpose) any share or shares of Preferred Stock or Common Stock of the Corporation or the applicable capital stock of any other Azuro Entity; *provided, however*, that this restriction shall not apply to the repurchase of shares of Common Stock of the Corporation from employees, officers, directors, consultants or other persons performing services for an Azuro Entity pursuant to agreements under which this corporation has the option to repurchase such shares at cost upon the termination of employment or pursuant to a right of first refusal;
