FOURTH AMENDED AND RESTATED  
ARTICLES OF INCORPORATION  
OF  
ARCXIS BIOTECHNOLOGIES

JAN 08 2009

The undersigned, Christine A. Meda and Howard D. Goldstein, hereby certify that:

1. They are the duly elected and acting President and Chief Executive Officer and Assistant Secretary, respectively, of Arcxis Biotechnologies, a California corporation.
2. The Articles of Incorporation of this corporation shall be amended and restated to read in full as follows:

ARTICLE I

The name of this corporation is Arcxis Biotechnologies (the "Corporation").

ARTICLE II

The purpose of the Corporation is to engage in any lawful act or activity for which a corporation may be organized under the General Corporation Law of California other than the banking business, the trust company business or the practice of a profession permitted to be incorporated by the California Corporations Code.

ARTICLE III

(A) Classes of Stock. The Corporation is authorized to issue two classes of stock to be designated, respectively, "Common Stock" and "Preferred Stock." The total number of shares which the Corporation is authorized to issue is 103,056,138 shares, each with a par value of \$0.001 per share. 60,000,000 shares shall be Common Stock and 43,056,138 shares shall be Preferred Stock.

(B) Rights, Preferences and Restrictions of Preferred Stock. The Preferred Stock authorized by these Fourth Amended and Restated Articles of Incorporation (the "Restated Articles") may be issued from time to time in one or more series. 6,586,259 shares of Preferred Stock shall be designated "Series A Preferred Stock". 18,795,789 shares of Preferred Stock shall be designated "Series A-1 Preferred Stock". 17,674,090 shares of Preferred Stock shall be designated "Series B Preferred Stock". The Series A Preferred Stock, Series A-1 Preferred Stock, and Series B Preferred Stock shall collectively be referred to hereinafter as "Series Preferred Stock". The rights, preferences, privileges, and restrictions granted to and imposed on the Series Preferred Stock are as set forth below in this Article III(B).

1. Dividend Provisions. The holders of shares of Series A Preferred Stock, Series A-1 Preferred Stock, and Series B Preferred Stock shall be entitled to receive dividends, out of any assets legally available therefor, prior and in preference to any declaration or payment of any dividend on the Common Stock of the Corporation, at the rate of \$0.0306 per share, \$0.0356 per share and \$0.0226 per share, respectively, (as adjusted for stock splits, stock dividends, reclassifications or the like) per annum on each outstanding share of Series Preferred Stock, payable quarterly when, as and if declared by the Board of Directors. Such dividends shall not be cumulative. After payment of such dividends, any additional dividends shall be distributed among the holders of Series Preferred Stock and Common Stock pro rata based on the number of shares of Common Stock then held by each holder (assuming conversion of all such Preferred Stock into Common Stock).

2. **Liquidation.**

(a) **Preference.** In the event of any liquidation, dissolution or winding up of the Corporation, either voluntary or involuntary, the holders of the Series Preferred Stock shall be entitled to receive, prior and in preference to any distribution of any of the assets of the Corporation to the holders of Common Stock by reason of their ownership thereof, an amount per share equal to \$0.380 per share, \$0.445 per share, and \$0.2829 per share, respectively, (as adjusted for stock splits, stock dividends, reclassifications or the like) for each share of Series A Preferred Stock, Series A-1 Preferred Stock, and Series B Preferred Stock then held by them, plus declared but unpaid dividends. If, upon the occurrence of such event, the assets and funds thus distributed among the holders of the Series Preferred Stock shall be insufficient to permit the payment to such holders of the full aforesaid preferential amounts, then the entire assets and funds of the Corporation legally available for distribution shall be distributed ratably among the holders of the Series Preferred Stock in proportion to the preferential amount each such holder is otherwise entitled to receive.

(b) **Remaining Assets.** Upon the completion of the distribution required by Section 2(a) above, the remaining assets of the Corporation available for distribution to shareholders shall be distributed among the holders of the Series Preferred Stock and the Common Stock pro rata based on the number of shares of Common Stock held by each (assuming conversion of all such Series Preferred Stock into Common Stock) until the holders of Series A Preferred Stock, Series A-1 Preferred Stock, and Series B Preferred Stock shall have received an aggregate of \$3.80 per share, \$4.45 per share, and \$2.829 per share, respectively, (as adjusted for stock splits, stock dividends, reclassifications or the like) of Series Preferred Stock then held by them (including amounts paid pursuant to Section 2(a) above); thereafter, subject to the rights of series of Preferred Stock that may from time to time come into existence, if assets remain in the Corporation, the holders of the Common Stock of the Corporation shall receive all of the remaining assets of the Corporation pro rata based on the number of shares of Common Stock held by each.

(c) **Waiver of Rights.** Notwithstanding, the foresaid, the holders of Series Preferred Stock may elect to waive their liquidation rights under sections 2(a) and (b) and instead participate on the basis of their percentage of stock ownership in the Corporation (assuming conversion of all such Series Preferred Stock into Common Stock).

(d) **Certain Acquisitions.**

(i) **Deemed Liquidation.** For purposes of this Section 2, a liquidation, dissolution, or winding up of the Corporation shall be deemed to occur if the Corporation shall sell, convey, or otherwise dispose of all or substantially all of its property, assets or business, merge with or into or consolidate with any other corporation, limited liability company or other entity (other than a wholly-owned subsidiary of the Corporation), or effect a reorganization of the Company, unless the holders of at least 66.6% of the Series Preferred Stock elect not to treat the transaction as a Liquidation Transaction (any such transaction, unless elected otherwise, a "Liquidation Transaction"). provided, however, that none of the following shall be considered a Liquidation Transaction: (i) a merger effected exclusively for the purpose of changing the domicile of the Corporation, (ii) a bona fide equity financing for the purpose of raising capital in which the Corporation is the surviving corporation, or (iii) a transaction in which the shareholders of the Corporation immediately prior to the transaction own 50% or more of the voting stock of the surviving corporation following the transaction.

(ii) **Valuation of Consideration.** In the event of a deemed liquidation as described in Section 2(d)(i) above, if the consideration received by the Corporation is other than cash, its value will be deemed its fair market value. Any securities shall be valued as follows:

(A) Securities not subject to investment letter or other similar restrictions on free marketability:

(1) If traded on a securities exchange or The Nasdaq Stock Market ("Nasdaq"), the value shall be based on the formula specified in the definitive agreements for the Liquidation Transaction or, if no such formula exists, then the value of such securities shall be based on a formula approved by the Board of Directors and derived from the closing prices of the securities on such exchange or Nasdaq over a specified time period:

(2) If actively traded over-the-counter, the value shall be based on the formula specified in the definitive agreements for the Liquidation Transaction or, if no such formula exists, then the value of such securities shall be based on a formula approved by the Board of Directors and derived from the closing bid or sales prices (whichever is applicable) for such securities over a specified time period: and

(3) If there is no active public market, the value shall be the fair market value thereof, as determined in good faith by the Board of Directors.

(B) The method of valuation of securities subject to investment letter or other restrictions on free marketability (other than restrictions arising solely by virtue of a shareholder's status as an affiliate or former affiliate) shall be to make an appropriate discount from the market value determined as specified above in Section 2(d)(ii)(A) to reflect the approximate fair market value thereof, as determined in good faith by the Board of Directors.

(iii) **Notice of Liquidation Transaction.** The Corporation shall give each holder of record of Preferred Stock written notice of any impending Liquidation Transaction not later than 10 days prior to the shareholders' meeting called to approve such Liquidation Transaction, or 10 days prior to the closing of such Liquidation Transaction, whichever is earlier, and shall also notify such holders in writing of the final approval of such Liquidation Transaction. The first of such notices shall describe the material terms and conditions of the impending Liquidation Transaction and the provisions of this Section 2, and the Corporation shall thereafter give such holders prompt notice of any material changes. Unless such notice requirements are waived, the Liquidation Transaction shall not take place sooner than 10 days after the Corporation has given the first notice provided for herein or sooner than 10 days after the Corporation has given notice of any material changes provided for herein. Notwithstanding the other provisions of these Restated Articles, all notice periods or requirements in these Restated Articles may be shortened or waived, either before or after the action for which notice is required, upon the written consent of the holders of a majority of the outstanding shares of Preferred Stock that are entitled to such notice rights.

(iv) **Effect of Noncompliance.** In the event the requirements of this Section 2(d) are not complied with, the Corporation shall forthwith either cause the closing of the Liquidation Transaction to be postponed until the requirements of this Section 2 have been complied with, or cancel such Liquidation Transaction, in which event the rights, preferences, privileges and restrictions of the holders of Preferred Stock shall revert to and be the same as such rights, preferences, privileges and restrictions existing immediately prior to the date of the first notice referred to in Section 2(d)(iii).

3. **Redemption.** The Preferred Stock is not redeemable; provided, however, that if at any time after the date hereof the Corporation shall grant redemption rights to any class or series of stock, then the Company shall grant the Series Preferred Stock the same or superior redemption rights pursuant to an amendment and/or restatement of these Restated Articles.

4. **Conversion.** The holders of the Series Preferred Stock shall have conversion rights as follows (the "**Conversion Rights**"):

(a) **Right to Convert.** Subject to Section 4(c), each share of Series A Preferred Stock, Series A-1 Preferred Stock, and Series B Preferred Stock shall be convertible, at the option of the holder thereof, at any time after the date of issuance of such share, at the office of the Corporation or any transfer agent for such stock, into such number of fully paid and nonassessable shares of Common Stock as is determined by dividing \$0.380, \$0.445, and \$0.2829, respectively, by the Conversion Price applicable to such share, determined as hereafter provided, in effect on the date the certificate is surrendered for conversion. The initial Conversion Price per share of Series A Preferred Stock shall be \$0.380. The initial Conversion Price for the Series A-1 Preferred Stock shall be \$0.445. The initial Conversion Price for the Series B Preferred Stock shall be \$0.2829. Such initial Conversion Price shall be subject to adjustment as set forth in Section 4(d).

(b) **Automatic Conversion.** Each share of Series A Preferred Stock, Series A-1 Preferred Stock, and Series B Preferred Stock shall automatically be converted into shares of Common Stock at the applicable Conversion Price at the time in effect for such share immediately upon the earlier of (i) immediately prior to the closing of the Corporation's sale of its Common Stock in a firm commitment underwritten public offering pursuant to a registration statement under the Securities Act of 1933, as amended (the "**Securities Act**"), the public offering price of which is not less than \$1.52 per share, \$1.78 per share, and \$1.13 per share, respectively (as adjusted for stock splits, stock dividends, reclassifications or the like) and which results in aggregate cash proceeds to the Corporation of not less than \$20,000,000 (net of underwriting discounts and commissions) (a "Qualifying IPO"), or (ii) the date specified by written consent or agreement of the holders of a majority of the then outstanding shares of Series Preferred Stock.

(c) **Mechanics of Conversion.** Each holder who desires to convert shall surrender the certificate or certificates therefor, duly endorsed (or a reasonably acceptable affidavit and indemnity undertaking in the case of a lost, stolen or destroyed certificate), at the office of the Corporation or of any transfer agent for such series of Preferred Stock, and shall give written notice to the Corporation at its principal corporate office, of the election to convert the same and shall state therein the name or names in which the certificate or certificates for shares of Common Stock are to be issued. The Corporation shall, as soon as practicable thereafter, issue and deliver at such office to such holder of Preferred Stock, or to the nominee or nominees of such holder, a certificate or certificates for the number of shares of Common Stock to which such holder shall be entitled as aforesaid, and a certificate for the remaining number of shares of Series Preferred Stock if less than all of the Series Preferred Stock evidenced by the certificate were surrendered. Such conversion shall be deemed to have been made immediately prior to the close of business on (i) the date of such surrender of the shares of such series of Preferred Stock to be converted or (ii) if applicable, the date of automatic conversion specified in Section 4(b) above, and the person or persons entitled to receive the shares of Common Stock issuable upon such conversion shall be treated for all purposes as the record holder or holders of such shares of Common Stock as of such date. If the conversion is in connection with an underwritten public offering of securities registered pursuant to the Securities Act the conversion may, at the option of any holder tendering such Preferred Stock for conversion, be conditioned upon the closing with the underwriters of the sale of securities pursuant to such offering, in which event any persons entitled to receive Common Stock upon conversion of such Preferred Stock shall not be deemed to have converted such Preferred Stock until immediately prior to the closing of such sale of securities.

(d) **Conversion Price Adjustments of Preferred Stock for Certain Dilutive Issuances, Splits and Combinations.** The Conversion Price of the Series A Preferred Stock,

Series A-1 Preferred Stock, and Series B Preferred Stock shall be subject to adjustment from time to time as follows:

(i) **Issuance of Additional Stock below Purchase Price**. If the Corporation should issue, at any time after the date upon which any shares of Series Preferred Stock were first issued (the "**Purchase Date**"), any Additional Stock (as defined below) without consideration or for a consideration per share less than the Series Preferred Stock Conversion Price in effect immediately prior to the issuance of such Additional Stock, the Series Preferred Stock Conversion Price in effect immediately prior to each such issuance shall automatically be adjusted as set forth in this Section 4(d)(i), unless otherwise provided in this Section 4(d)(i).

(A) **Adjustment Formula**. Whenever the Conversion Price is adjusted pursuant to this Section 4(d)(i), the new Series Preferred Stock Conversion Price shall be determined by multiplying the Series Preferred Stock Conversion Price then in effect by a fraction, (x) the numerator of which shall be the number of shares of Common Stock outstanding immediately prior to such issuance (the "**Outstanding Common**") plus the number of shares of Common Stock that the aggregate consideration received by the Corporation for such issuance would purchase at such Conversion Price; and (y) the denominator of which shall be the number of shares of Outstanding Common plus the number of shares of such Additional Stock. For purposes of the foregoing calculation, the term "Outstanding Common" shall include shares of Common Stock deemed issued pursuant to Section 4(d)(i)(E) below.

(B) **Definition of "Additional Stock"**. For purposes of this Section 4(d)(i), "**Additional Stock**" shall mean any shares of Common Stock issued (or deemed to have been issued pursuant to Section 4(d)(i)(E)) by the Corporation after the Purchase Date) other than:

(1) Common Stock issued pursuant to stock dividends, stock splits or similar transactions, as described in Section 4(d)(ii) hereof;

(2) Common Stock issued or issuable to employees, officers, or consultants of the Corporation or other persons performing services for the Corporation, directly or pursuant to a stock option plan, equity grants or restricted stock plan approved by the Board of Directors;

(3) Capital stock, or options or warrants to purchase capital stock, issued to financial institutions or lessors in connection with commercial credit arrangements, equipment financings, or commercial property lease transactions;

(4) Common Stock or Preferred Stock issuable upon exercise of warrants, notes, or other convertible securities outstanding as of the date of these Restated Articles;

(5) Capital stock, or options or warrants to purchase capital stock, issued in connection with bona fide acquisitions, mergers, strategic partnerships or similar transactions, the terms of which are approved by the Board of Directors of the Corporation;

(6) Common Stock issued upon conversion of the Series Preferred Stock;

(7) Common Stock issued or issuable in a public offering prior to or in connection with which all outstanding shares of Preferred Stock will be converted to Common Stock;

(8) Capital stock issued or issuable to an entity as a component of a strategic alliance with such entity for the purpose of (A) joint venture, technology licensing or development activities, (B) distribution, supply or manufacture of the Corporation's products or services or (C) any other arrangements involving corporate partners that are primarily for purposes other than raising capital, the terms of which business relationship with such entity are approved by the Board of Directors;

(9) Common Stock or Preferred Stock issued or issuable with the affirmative vote of at least 51% of the then outstanding shares of Preferred Stock, voting together as a class; and

(10) Convertible securities (and Preferred Stock issuable thereunder and Common Stock issuable under conversion of such Preferred Stock) issued pursuant to that certain Note and Warrant Purchase Agreement, dated on or about April 3, 2008, by and among the Company and the persons and entities whose names are set forth on the Schedule of Purchasers attached thereto, as may be amended and/or restated from time to time.

(C) **Threshold of Fractional Adjustments.** No adjustment of the Conversion Price for any series of Preferred Stock shall be made in an amount less than one cent per share, provided that any adjustments which are not required to be made by reason of this sentence shall be carried forward and shall be either taken into account in any subsequent adjustment made prior to three years from the date of the event giving rise to the adjustment being carried forward, or shall be made at the end of three years from the date of the event giving rise to the adjustment being carried forward.

(D) **Determination of Consideration.** In the case of the issuance of Common Stock for cash, the consideration shall be deemed to be the amount of cash paid therefor before deducting any reasonable discounts, commissions or other expenses allowed, paid or incurred by the Corporation for any underwriting or otherwise in connection with the issuance and sale thereof. In the case of the issuance of the Common Stock for a consideration in whole or in part other than cash, the consideration other than cash shall be deemed to be the fair value thereof as determined by the Board of Directors irrespective of any accounting treatment, before deducting any reasonable discounts, commissions or other expenses allowed, paid or incurred by the Corporation for any underwriting or otherwise in connection with the issuance and sale thereof.

(E) **Deemed Issuances of Common Stock.** In the case of the issuance (whether before, on or after the applicable Purchase Date) of securities or rights convertible into, or entitling the holder thereof to receive directly or indirectly, additional shares of Common Stock (the "**Common Stock Equivalents**"), the following provisions shall apply for all purposes of this Section 4(d)(i):

(1) The aggregate maximum number of shares of Common Stock deliverable upon conversion, exchange or exercise (assuming the satisfaction of any conditions to convertibility, exchangeability or exercisability, including, without limitation, the passage of time, but without taking into account potential antidilution adjustments) of any Common Stock Equivalents and subsequent conversion, exchange or exercise thereof shall be deemed to have been issued at the time such securities were issued or such Common Stock Equivalents were issued and for a consideration equal to the consideration, if any, received by the Corporation for any such securities and

related Common Stock Equivalents (excluding any cash received on account of accrued interest or accrued dividends), plus the minimum additional consideration, if any, to be received by the Corporation (without taking into account potential antidilution adjustments) upon the conversion, exchange or exercise of any Common Stock Equivalents (the consideration in each case to be determined in the manner provided in Section 4(d)(i)(D)).

(2) In the event of any change in the number of shares of Common Stock deliverable or in the consideration payable to the Corporation upon conversion, exchange or exercise of any Common Stock Equivalents including, but not limited to, a change resulting from the antidilution provisions thereof, the Conversion Price of each of the Series Preferred Stock, to the extent in any way affected by or computed using such Common Stock Equivalents, shall be recomputed to reflect such change, but no further adjustment shall be made for the actual issuance of Common Stock or any payment of such consideration upon the conversion, exchange or exercise of such Common Stock Equivalents.

(3) Upon the termination or expiration of the convertibility, exchangeability or exercisability of any Common Stock Equivalents, the Conversion Price of each of the Series Preferred Stock, to the extent in any way affected by or computed using such Common Stock Equivalents, shall be recomputed to reflect the issuance of only the number of shares of Common Stock (and Common Stock Equivalents that remain convertible, exchangeable or exercisable) actually issued upon the conversion, exchange or exercise of such Common Stock Equivalents.

(4) The number of shares of Common Stock deemed issued and the consideration deemed paid therefor pursuant to Section 4(d)(i)(E)(1) shall be appropriately adjusted to reflect any change, termination or expiration of the type described in either Section 4(d)(i)(E)(2) or 4(d)(i)(E)(3).

(F) **No Increased Conversion Price.** Notwithstanding any other provisions of this Section 4(d)(i), except to the limited extent provided for in Sections 4(d)(i)(E)(2) and 4(d)(i)(E)(3), no adjustment of the Conversion Price pursuant to this Section 4(d)(i) shall have the effect of increasing the Conversion Price above the Conversion Price in effect immediately prior to such adjustment.

(G) **Waiver of Rights.** Notwithstanding, the foresaid, the holders of a majority of the Series Preferred Stock may elect to waive the Conversion Price Adjustments set forth in this Section 4(d). Such waiver shall be effective with respect to any Conversion Price Adjustments that may be applicable pursuant to this Section 4(d) on all Series Preferred Stock and all holders of Series Preferred Stock.

(ii) **Stock Splits and Dividends.** In the event the Corporation should at any time after the Purchase Date fix a record date for the effectuation of a split or subdivision of the outstanding shares of Common Stock or the determination of holders of Common Stock entitled to receive a dividend or other distribution payable in additional shares of Common Stock or Common Stock Equivalents without payment of any consideration by such holder for the additional shares of Common Stock or Common Stock Equivalents without payment of any consideration by such holder for the additional shares of Common Stock or the Common Stock Equivalents (including the additional shares of Common Stock issuable upon conversion or exercise thereof), then, as of such record date (or the date of such dividend distribution, split or subdivision if no record date is fixed), the Conversion Price of each series of Preferred Stock shall be appropriately decreased so that the number of shares of Common Stock issuable on conversion of each share of such series shall be increased in proportion to such increase of the aggregate of shares of Common Stock outstanding and those issuable with respect to such Common Stock

Equivalents with the number of shares issuable with respect to Common Stock Equivalents determined from time to time in the manner provided for deemed issuances in Section 4(d)(i)(E).

(iii) **Reverse Stock Splits.** If the number of shares of Common Stock outstanding at any time after the Purchase Date is decreased by a combination of the outstanding shares of Common Stock, then, following the record date of such combination, the Conversion Price for each series of Preferred Stock shall be appropriately increased so that the number of shares of Common Stock issuable on conversion of each share of such series shall be decreased in proportion to such decrease in outstanding shares.

(e) **Other Distributions.** In the event the Corporation shall declare a distribution (other than a subdivision, combination or merger or sale of assets transaction provided for elsewhere in this Section 4 or in Section 2 of this Article III(B)) payable in securities of other persons, evidences of indebtedness issued by the Corporation or other persons, assets (excluding cash dividends) or options or rights not referred to in Section 4(d)(i) or 4(d)(ii), then, in each such case for the purpose of this Section 4(e), the holders of each series of Preferred Stock shall be entitled to a proportionate share of any such distribution as though they were the holders of the number of shares of Common Stock of the Corporation into which their shares of Preferred Stock are convertible as of the record date fixed for the determination of the holders of Common Stock of the Corporation entitled to receive such distribution.

(f) **Recapitalizations.** If at any time or from time to time there shall be a recapitalization of the Common Stock (other than a subdivision, combination or merger or sale of assets transaction provided for elsewhere in this Section 4 or Section 2 of this Article III(B)) provision shall be made so that the holders of each series of Preferred Stock shall thereafter be entitled to receive upon conversion of such Preferred Stock the number of shares of stock or other securities or property of the Corporation or otherwise, to which a holder of Common Stock deliverable upon conversion would have been entitled on such recapitalization. In any such case, appropriate adjustment shall be made in the application of the provisions of this Section 4 with respect to the rights of the holders of such Preferred Stock after the recapitalization to the end that the provisions of this Section 4 (including adjustment of the Conversion Price then in effect and the number of shares purchasable upon conversion of such Preferred Stock) shall be applicable after that event and be as nearly equivalent as practicable.

(g) **No Impairment.** The Corporation shall not, through any reorganization, recapitalization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder by the Corporation, but will at all times in good faith assist in carrying out all provisions of this Section 4 and in taking all such action as may be necessary or appropriate in order to protect the Conversion Rights of the holders of Preferred Stock against impairment.

(h) **No Fractional Shares and Certificate as to Adjustments.**

(i) The Corporation shall not issue fractional shares upon the conversion of any share or shares of any series of Preferred Stock. In lieu of fractional shares, the Corporation shall pay cash in an amount equal to the fair value of such fractional shares, based on the fair market value of the shares of Common Stock on the date of conversion as determined in good faith by the Board of Directors. The number of shares issuable upon such conversion shall be determined on the basis of the total number of shares of Preferred Stock the holder is at the time converting into Common Stock and the number of shares of Common Stock issuable upon such aggregate conversion.

(ii) Upon the occurrence of each adjustment or readjustment of the Conversion Price of any series of Preferred Stock pursuant to this Section 4, the Corporation, at its

expense, shall promptly compute such adjustment or readjustment in accordance with the terms hereof and prepare and furnish to each holder of such Preferred Stock a certificate setting forth such adjustment or readjustment and showing in detail the facts upon which such adjustment or readjustment is based. The Corporation shall, upon the written request at any time of any holder of any series of Preferred Stock, furnish or cause to be furnished to such holder a like certificate setting forth (A) such adjustment and readjustment, (B) the Conversion Price for such series of Preferred Stock at the time in effect, and (C) the number of shares of Common Stock and the amount, if any, of other property which at the time would be received upon the conversion of a share of such series of Preferred Stock.

(i) **Notices of Record Date.** In the event of any taking by the Corporation of a record of the holders of any class of securities for the purpose of determining the holders thereof who are entitled to receive any dividend (other than a cash dividend) or other distribution, any right to subscribe for, purchase or otherwise acquire any shares of stock of any class or any other securities or property, or to receive any other right, the Corporation shall mail to each holder of Preferred Stock, at least 10 days prior to the date specified therein, a notice specifying the date on which any such record is to be taken for the purpose of such dividend, distribution or right, and the amount and character of such dividend, distribution or right.

(j) **Reservation of Stock Issuable Upon Conversion.** The Corporation shall at all times reserve and keep available out of its authorized but unissued shares of Common Stock, solely for the purpose of effecting the conversion of the shares of Preferred Stock, such number of its shares of Common Stock as shall from time to time be sufficient to effect the conversion of all outstanding shares of each series of Preferred Stock; and if at any time the number of authorized but unissued shares of Common Stock shall not be sufficient to effect the conversion of all then outstanding shares of such series of Preferred Stock, in addition to such other remedies as shall be available to the holder of such Preferred Stock, the Corporation will take such corporate action as may, in the opinion of its counsel, be necessary to increase its authorized but unissued shares of Common Stock to such number of shares as shall be sufficient for such purposes, including, without limitation, engaging in best efforts to obtain the requisite shareholder approval of any necessary amendment to these Restated Articles.

(k) **Notices.** Any notice required by the provisions of this Section 4 to be given to the holders of shares of Preferred Stock shall be deemed given if deposited in the United States mail, postage prepaid, and addressed to each holder of record at his address appearing on the books of the Corporation.

## **5. Voting Rights.**

(a) Except as expressly provided by these Articles or as provided by law, the holders of Series Preferred Stock shall have the same voting rights as the holders of Common Stock and shall be entitled to notice of any shareholders' meeting in accordance with the Bylaws of the Corporation, and the holders of Common Stock and the Series Preferred Stock shall vote together as a single class on all matters. Each holder of Common Stock shall be entitled to one vote for each share of Common Stock held, and each holder of Series Preferred Stock shall be entitled to the number of votes equal to the number of shares of Common Stock into which such shares of Series Preferred Stock could be converted. Fractional votes shall not, however, be permitted and any fractional voting rights available on an as-converted basis (after aggregating all shares into which shares of Series Preferred Stock held by each holder could be converted) shall be rounded to the nearest whole number (with one-half being rounded upward).

(b) **Election of Board of Directors.**

(i) For so long as shares of Series A Preferred Stock remain outstanding, the holders of Series A Preferred Stock, voting as a separate class, shall be entitled to elect one (1) member of the Board at each meeting or pursuant to each consent of the Company's stockholders for the election of directors, and to remove from office such director and to fill any vacancy caused by the resignation, death or removal of such director.

(ii) For so long as shares of Series A-1 Preferred Stock remain outstanding, the holders of Series A-1 Preferred Stock, voting as a separate class, shall be entitled to elect one (1) member of the Board at each meeting or pursuant to each consent of the Company's stockholders for the election of directors, and to remove from office such director and to fill any vacancy caused by the resignation, death or removal of such director.

(iii) For so long as shares of Series B Preferred Stock remain outstanding, the holders of Series B Preferred Stock, voting as a separate class, shall be entitled to elect one (1) member of the Board at each meeting or pursuant to each consent of the Company's stockholders for the election of directors, and to remove from office such director and to fill any vacancy caused by the resignation, death or removal of such director.

(iv) The holders of Common Stock, voting as a separate class, shall be entitled to elect one (1) member of the Board at each meeting or pursuant to each consent of the Company's stockholders for the election of directors, and to remove from office such director and to fill any vacancy caused by the resignation, death or removal of such director.

(v) The holders of Common Stock and Series Preferred Stock, voting together as a single class on an as-if-converted basis, shall be entitled to elect all remaining members of the Board at each meeting or pursuant to each consent of the Company's stockholders for the election of directors, and to remove from office such directors and to fill any vacancy caused by the resignation, death or removal of such directors.

6. **Protective Provisions.** So long as shares of Series Preferred Stock are outstanding (as adjusted for stock splits, stock dividends, reclassifications or the like), the Corporation shall not (by amendment, merger, consolidation or otherwise) without first obtaining the approval (by vote or written consent, as provided by law) of the holders of at least a majority of the then outstanding shares of Series Preferred Stock, voting together as a class:

(a) effect a liquidation, dissolution or winding up, or a Liquidation Transaction;

(b) alter, waive or change the rights, preferences or privileges of the shares of Series Preferred Stock;

(c) increase or decrease (other than by conversion) the total number of authorized shares of Common Stock or Preferred Stock;

(d) authorize (by reclassification or otherwise) or issue any new class of equity security, including any security convertible into or exercisable for any new class of equity security, having a preference over, or being on a parity with, the Series Preferred Stock;

(e) redeem, purchase or otherwise acquire (or pay into or set funds aside for a sinking fund for such purpose) any share or shares of Preferred Stock or Common Stock; provided, however, that this restriction shall not apply to the repurchase of shares of Common Stock from

employees, officers, directors, consultants or other persons performing services for the Corporation or any subsidiary pursuant to agreements under which the Corporation has the option to repurchase such shares upon the occurrence of certain events, such as the termination of employment, or through the exercise of any right of first refusal:

(f) hire or fire the Corporation's Chief Executive Officer or any other senior officer of the Corporation;

(g) create, or authorize the creation of, or issue, or permit the issuance of any debt security if such loans exceeds \$200,000;

(h) materially amend the annual budget or spending plan;

(i) pay or declare any dividend on any shares of Common or Series Preferred Stock;

(j) increase or decrease the authorized size of the board of directors; or

(k) amend or waive any provision of the Corporation's Restated Articles or Bylaws that would be deemed to be materially adverse to the Series Preferred.

7. **Status of Converted Stock.** In the event any shares of Preferred Stock shall be converted pursuant to Section 4 hereof, the shares so converted shall be canceled and shall not be issuable by the Corporation. These Restated Articles shall be appropriately amended to effect the corresponding reduction in the Corporation's authorized capital stock.

8. **Repurchase of Shares.** In connection with repurchases by the Corporation of its Common Stock pursuant to its agreements with certain of the holders thereof, Sections 502 and 503 of the California General Corporation Law shall not apply in whole or in part with respect to such repurchases with respect to the rights of holders of senior classes of securities.

(C) **Common Stock.**
